Independent Auditor's Report

Plan Administrator
edX LLC 401(k) Retirement Plan
Lanham, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of edX LLC 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of September 30, 2022, and the related statement of changes in net assets available for benefits for the period from January 1, 2022 through September 30, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of September 30, 2022, and for the period from January 1, 2022 through September 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2022 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2022 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BDO USA, P.C., a Virginia professional service corporation, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2022 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Auditor's Report on 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of edX LLC 401(k) Retirement Plan. In accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 14, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held

by and certified to by a qualified institution agrees to, or is derived from in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c). Their report also indicated that the form and content of the 2021 supplemental schedule, other than the information in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(c).

Notes to Financial Statements

1. Description of Plan

The following description of the edX LLC 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description and the Plan Document for a more complete description of the Plan's provisions.

General

The Plan was a defined contribution plan, established January 1, 2021, covering substantially all employees of edX LLC (the Company). The Company was the sponsor of the Plan. On November 16, 2021, the Company was acquired by 2U, Inc. On the date of acquisition, the name of the Plan was changed to Circuit Sub PLLC 401(k) Retirement Plan. Effective January 1, 2022, the Plan was frozen to new participants as well as contributions. The Plan was most recently restated effective July 31, 2022. On the effective date of restatement, the Plan's name was further changed to the edX LLC 401(k) Retirement Plan. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Effective September 30, 2022, the Plan was merged with the 2U, Inc. 401(k) Retirement Plan. The net assets of the Plan totaling \$3,806,591 were transferred which included \$12,751 of outstanding loans.

Trustee, custodian, and administration of the Plan

Empower Trust Company, LLC and Empower Annuity Insurance Company were the trustees and custodians of the Plan, respectively. Empower Retirement, LLC was the recordkeeper of the Plan (collectively, Empower). The administrator of the Plan was the Company. Empower held all assets of the Plan in accordance with the service provider contract with the Company. The 2U, Inc. 401(k) Retirement Plan Investment Committee determined the appropriateness of the Plan's investment offerings and monitored investment performance.

Eligibility

All employees of the Company were considered eligible for participation, except for: (1) interns and (2) Co-ops.

There was no age or service requirement to enter the Plan, and Plan entry was immediate upon date of hire.

Contributions

Effective January 1, 2022, the Plan was frozen. As a frozen plan, no additional contributions or allocations were made to the Plan as of January 1, 2022, and no additional participants were admitted to the Plan.

Participants Accounts

Prior to the Plan being frozen, each participant's account was credited with the participant's contributions, employer matching and/or profit-sharing contributions, and an allocation of net Plan earnings or losses. For the period from January 1, 2022 through September 30, 2022, participant accounts were charged with an allocation of administrative expenses that were paid by the Plan.

edX LLC 401(k) Retirement Plan

Notes to Financial Statements

Allocations were based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which participants were entitled was the vested portion of the participant's account.

Vesting

Participants were 100% vested in all contributions and the allocated earnings thereon.

Notes Receivable from Participants

Prior to the Plan being frozen, participants were permitted to borrow a minimum of \$1,000 of their vested benefits under the Plan. Participants could borrow up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000, reduced by the highest outstanding loan balance in their account during the prior 12-month period. Loans were secured by the participant's account and bore interest at local prevailing rates as determined by the Plan Administrator, which would be made under similar circumstances and were fixed for the term of the loan. The notes were repaid ratably through payroll deductions over a period of five years or less. For loans related to the purchase of a primary residence, the loan term will be payable over any reasonable period commensurate with the period permitted by commercial lenders for similar loans. These loans were subject to certain restrictions as defined by the Plan Document and applicable restrictions under the IRC.

Also, each participant could not have more than one loan outstanding at any time.

2. Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with the accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

As of December 31, 2021, the Plan's investments were stated at fair value. There were no assets at fair value as of September 30, 2022, as a result of the Plan's merger with 2U, Inc. 401(K) Retirement Plan. Fair value was the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The 2U, Inc. 401(k) Retirement Plan Committee determined the Plan's valuation policies utilizing information provided by its investment advisor and Empower. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net depreciation in the fair

Notes to Financial Statements

value of investments included the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

As of December 31, 2021, notes receivable from participants were measured at their unpaid principal balance plus accrued unpaid interest. There were no notes receivable from participants as of September 30, 2022, as a result of the Plan's merger with the 2U, Inc. 401(k) Retirement Plan. If a participant ceased to make loan repayments and the Plan Administrator deemed the participant loan to be in default, the participant loan balance was reduced, and a benefit payment was recorded.

Payment of Benefits

Benefits were recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan were paid by the Plan, unless otherwise paid by the Company. Expenses that were paid by the Company were excluded from these financial statements. Fees related to participant-initiated transactions were charged directly to the participant's account and were included in administrative expenses. Investment-related expenses were included in net depreciation in fair value of investments.

3. Certified Investment Information

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower, a qualified institution, has certified that the following investment information included in the accompanying financial statements is complete and accurate:

- Net investment loss and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the period from January 1, 2022 through September 30, 2022.

At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information in the financial statements, including reading the disclosures related to the investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

4. Fair Value Measurements

Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets

edX LLC 401(k) Retirement Plan

Notes to Financial Statements

or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology were unadjusted quoted prices for identical assets or liabilities in active markets that the Plan had the ability to access.

Level 2 - Inputs to the valuation methodology included:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that were observable for the asset or liability.
- Inputs that were derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability had a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology were unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy was based on the lowest level of any input that was significant to the fair value measurement. Valuation techniques maximized the use of relevant observable inputs and minimized the use of unobservable inputs.

There have been no changes in the methodologies used at September 30, 2022 or December 31, 2021. The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: Mutual funds were valued at the daily closing price as reported by the fund. Mutual funds held by the Plan were open-ended funds that were registered with the Securities and Exchange Commission. These funds were required to publish their daily net asset value (NAV) and transact at that price. The mutual funds previously held by the Plan were deemed to be actively traded.

Fixed Annuity: The investment in the Fixed Annuity was valued at contract value, which approximated fair value.

The preceding methods described could produce a fair value calculation which may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believed its valuation methods were appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

edX LLC 401(k) Retirement Plan

Notes to Financial Statements

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis at December 31, 2021. There were no assets at fair value at September 30, 2022 as a result of the Plan's merger with the 2U, Inc. 401(k) Retirement Plan.

	Assets at Fair Value as of December 31, 2021			
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 5,551,911	\$ 5,551,911	\$ -	\$ -
Fixed Annuity	2,047	2,047	-	-
Total investments at fair value	\$ 5,553,958	\$ 5,553,958	\$ -	\$ -

6. Related Party and Party-in-Interest Transactions

Certain Plan investments were in funds and accounts that are managed by Empower or their subsidiaries and affiliates. Participant loan and distribution processing fees were paid to Empower by participants. The Plan also issued loans to participants which were secured by the vested balance of the participants' accounts. As described in Note 2, the Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions were party-in-interest transactions, which were exempt from prohibited transaction rules.

7. Risks and Uncertainties

The Plan held various investment securities. Investment securities, in general, were exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it was reasonably possible that changes in the values of investment securities would occur in the near term and that such changes could materially affect the amounts reported in the financial statements and participant account balances.

8. Tax Status

The Plan uses a pre-approved plan document sponsored by HUB International Limited (HUB). HUB received an opinion letter from the IRS, dated June 30, 2020, which stated that the pre-approved plan document, as then designed, satisfied the applicable provisions of the IRC. The Plan's management believed that the Plan was designed and operated in compliance with the applicable requirements of the IRC during the period from January 1, 2022 through September 30, 2022.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan was subject to routine audits by taxing jurisdictions; however, there were currently no IRS examinations for any tax periods in progress.

9. Reconciliation of Financial Statements to the Form 5500

The following was a reconciliation of the Plan's net assets as reported in the Form 5500 to net assets available for benefits per the financial statements at:

<i>December 31</i>		<i>2022</i>	<i>2021</i>
Net assets available for benefits per the Form 5500	\$	-	\$ 5,566,709
Add: 2021 employer contributions receivable		-	119,374
Net assets available for benefits per the financial statements	\$	-	\$ 5,686,083

The following is a reconciliation of net change in net assets per the financial statements to the Form 5500:

<i>Year Ended December 31</i>		<i>2022</i>
Net decrease in net assets available for benefits per the financial statements	\$	(1,879,492)
Less: 2021 employer contributions receivable		(119,374)
Net Loss per the Form 5500	\$	(1,760,118)

10. Subsequent Events

The Plan Administrator has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued. The Plan Administrator is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

Explanation of Reasonable Cause for Late Filing

During the 2022 plan year audit, an error was discovered regarding the effective date of the merger between the edX 401(k) assets and the 2U 401(k) plan. In reality, the assets were transferred on 9/30/2022, necessitating an adjustment to the legal effective date of the merger. This new effective date coincides with the last day of the plan year, as all assets were moved out of the plan on that date.

Originally, the merger date was documented as 10/1/2022, but it was subsequently corrected to 9/30/2022 through an amendment to the 2U 401(k) plan. Regrettably, due to this late correction, the 5500 form failed to accurately reflect the amended effective date of the merger.

Additionally, it was initially believed that the last day of the plan year would be 12/31/2022, but in light of the asset transfers, it has been determined that the actual last day of the plan is 9/30/2022.
