Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of The Guardian Foundation, Inc. Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (a "qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan

The following description of The Guardian Foundation, Inc. Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan’s provisions, which are available from the plan administrator.

General - The Plan is a defined contribution plan sponsored by The Guardian Foundation, Inc. (“Guardian”) and the following organizations affiliated with Guardian for the benefit of their nonhighly compensated, nonunion employees who have completed three months of service and have reached age 21, as defined:

- Nassau Care Center, Inc. (“Nassau”)
- Lighthouse of Revere, Inc. (“Lighthouse”)
- Florida Care Properties, Inc. (“Florida Care”)
- RBRC, Inc. (“RBRC”)
- Pennsylvania LTC, Inc. (“PA LTC”)
- Naamans Creek Care, Inc. (“Naamans”)
- Central Florida Communities, Inc. (“CFC”)
- Somerset Care, Inc. (“Somerset”)
- AICC, Inc. (inactive)
- Health Systems, Inc. (inactive)
- Somerset Meadows, Inc. (inactive)
- Central Florida Group Homes, LLC (“CFGH”)
- Progressive Rehab of PA, Inc. (“Progressive”) (acquired in December 2022)
- CHR Consulting Services, Inc. (“CHR”) (acquired in February 2022)
- Garden Health & Support Services, Inc. (“Garden”) (acquired in June 2022)

Collectively, these organizations will be referred to as the “Affiliated Plan Sponsors.” The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Guardian’s Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance, may allow additional plan sponsors to participate in the Plan, and reports to Guardian’s Board of Directors.

Contributions - Participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, up to the maximum dollar amount allowable by law. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Additionally, participants age 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. The Plan includes an auto-enrollment provision, whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Automatically enrolled participants’ deferral rates are increased annually by 1% up to a maximum of 10% unless the participant elects another deferral rate.

Each Affiliated Plan Sponsor may determine an employer matching and/or nonelective contribution formula for its employees who have completed six months of service, as defined. All Affiliated Plan Sponsors, with the exception of CFGH, have elected to contribute a minimum employer matching contribution of 25% of employee contributions up to 6% of compensation, as defined (CFGH pays no employer contributions).

THE GUARDIAN FOUNDATION, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Contributions (continued) - Certain Affiliated Plan Sponsors have elected to contribute employer matching contributions in excess of this minimum during the year ended December 31, 2022, as follows:

- One Affiliated Plan Sponsor matched 100% of employee contributions up to 10% of compensation, as defined.
- One Affiliated Plan Sponsor matched 100% of employee contributions up to 8% of compensation, as defined.
- One Affiliated Plan Sponsor matched 30% of employee contributions up to 10% of compensation, as defined, for employees with over five years of service and matched 25% of employee contributions up to 10% of compensation, as defined, for all other employees.
- One Affiliated Plan Sponsor matched 100% of employee contributions up to 3% of compensation, as defined, plus 50% of employee contributions in excess of 3% but not greater than 5% of compensation, as defined.

One Affiliated Plan Sponsor elected to make nonelective contributions equal to a fixed percentage of its employees' compensation, as defined, for the year ended December 31, 2022. Total nonelective contributions for the year ended December 31, 2022 were \$1,044,857, which was remitted to the Plan in August 2023.

Contributions are subject to certain Internal Revenue Code ("IRC") limitations.

Participant investment account options - Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan currently offers various collective investment funds and a fixed interest account as investment options for participants.

Participant accounts - Each participant's account is credited with the participant's contribution and allocations of: (a) the Affiliated Plan Sponsors' contributions and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocation of the Affiliated Plan Sponsors' contributions is based on participant contributions and compensation. Allocations of Plan earnings and administrative expenses are based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Except as described below, participants' contributions plus actual earnings are 100% vested immediately. Employer contributions are subject to the following vesting schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
0-1	0
2	20
3	40
4	60
5	80
6	100

All participants who were employees of the Affiliated Plan Sponsors prior to August 1, 2013, and were eligible to participate in the 401(k) or 403(b) plans previously sponsored by those entities are subject to the vesting schedules of those plans. These vesting schedules range from immediate vesting of all contributions to a six-year graded schedule.

THE GUARDIAN FOUNDATION, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Description of plan (continued)

Vesting (continued) - Employer contributions become 100% vested immediately upon the occurrence of a participant's retirement, death, or disability, as defined.

Notes receivable from participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants are allowed to have a maximum of one loan outstanding. Loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined by the plan administrator. As of December 31, 2022, the interest rates on outstanding loans ranged from 4.25% to 9.00%. Principal and interest are paid ratably through payroll deductions.

Payment of benefits - On termination of service due to death, disability, or retirement, as defined, a participant or their beneficiary(ies) may elect to receive either a lump sum amount equal to the value of the participant's vested interest in their account or annual installments over a specified number of years. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump sum distribution. Account balances under \$5,000 for terminated participants can be distributed in a lump sum at the option of the plan administrator.

Forfeited accounts - As of December 31, 2022 and 2021, forfeited nonvested accounts totaled \$328,681 and \$298,269, respectively. These accounts will be used to pay Plan expenses or reduce future employer contributions. During the year ended December 31, 2022, \$642 of forfeited nonvested accounts were used to pay Plan expenses, and \$106,480 were used to reduce employer contributions.

(2) Summary of significant accounting policies

Basis of accounting - The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - Investments are reported at fair value, except for the fixed interest account reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Guardian's Investment Committee determines the Plan's valuation policies utilizing information provided by the recordkeeper as agent for the custodian. See Note 4 for discussions of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year ended December 31, 2022.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant's loan to be in default, the participant's loan balance is reduced, and a benefit payment is recorded.

THE GUARDIAN FOUNDATION, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(2) Summary of significant accounting policies (continued)

Payment of benefits - Benefits are recorded when paid.

Administrative expenses - Certain expenses of the Plan are paid by the Affiliated Plan Sponsors and are not included in the statement of changes in net assets available for benefits. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation in fair value of investments.

(3) Information prepared and certified by the recordkeepers, as agents for the custodians

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments, notes receivable from participants, and cash held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified by complete and accurate by Empower Annuity Insurance Company of America ("EAIC"), the recordkeeper of the Plan, as agent for Empower Trust Company, LLC ("ETC"), the custodian of the Plan as of and for the year ended December 31, 2022, and by Great-West Life & Annuity Insurance Company ("GWLA"), the recordkeeper of the Plan, as agent for Talcott Resolution Life Insurance Company ("TRLIC"), the custodian of the Plan as of December 31, 2021.

(4) Fair value measurements

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, "*Fair Value Measurements and Disclosures*," provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described below:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include: quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

THE GUARDIAN FOUNDATION, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(4) **Fair value measurements (continued)**

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2022 and 2021.

Collective investment funds: Valued at the Net Asset Value ("NAV") of units of the fund. The NAV, as provided by the recordkeeper, as agent for the custodian, is used as a practical expedient to be estimating fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the investment fund, the investment advisor reserves the right to temporarily delay withdrawal from the account in order to ensure that securities' liquidations will be carried out in an orderly business manner. Collective investment funds do not have any redemption restrictions, and there are no unfunded commitments.

The Plan has no investments that are reported within the fair value hierarchy as of December 31, 2022 and 2021. All of the Plan's investments at fair value are collective investment funds.

(5) **Group annuity contract with insurance company**

The Plan has a fully benefit-responsive group annuity contract with TRLIC. TRLIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by TRLIC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations, which may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendment to the Plan document (including complete or partial termination or merger with another plan); (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the Affiliated Plan Sponsors or other Affiliated Plan Sponsors events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (4) the failure of the Plan to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with plan participants are probable to occur. The guaranteed investment contract does not permit the insurance company to terminate the agreement except under specified circumstances, which the Plan has not experienced through December 31, 2022.

THE GUARDIAN FOUNDATION, INC. RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

(6) **Related-party transactions and party-in-interest transactions**

Plan investments are managed by EAIC. EAIC is the recordkeeper as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for these investment management services are included in net depreciation in fair value of investments. Fees incurred by the Plan for recordkeeping services and investment management services during the year ended December 31, 2022, were \$188,449.

(7) **Plan termination**

Although it has not expressed any intent to do so, the Affiliated Plan Sponsors have the right under the Plan to discontinue their contributions at any time, and Guardian has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

(8) **Tax status**

The Internal Revenue Service ("IRS") has determined that the prototype 401(k) profit sharing plan is designed in accordance with applicable sections of the IRC and informed the recordkeeper of such in a letter dated June 30, 2020. The plan administrator has adopted the prototype plan and believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that "more likely than not" would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(9) **Risks and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(10) **Subsequent events**

The Plan has evaluated subsequent events through October 16, 2023, which is the date the financial statements were available to be issued.
