INDEPENDENT AUDITOR'S REPORT

To the Downriver Community Services, Inc. 403(b) Thrift Plan Participants

Scope and Nature of the ERISA Section 103(a)(3)(C)

We have performed audits of the accompanying financial statements of Downriver Community Services, Inc. 403(b) Thrift Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Downriver Community Services, Inc. 403(b) Thrift Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Downriver Community Services, Inc. 403(b) Thrift Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Downriver Community Services, Inc. 403(b) Thrift Plan's ability to continue as a going concern for one year after the date the financial statements are available to be

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Downriver Community Services, Inc. 403(b) Thrift Plan's internal control. Accordingly, no such opinion is
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Downriver Community Services, Inc. 403(b) Thrift Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of assets held at end of year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

403(b) THRIFT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

A. DESCRIPTION OF PLAN:

The following description of Downriver Community Services, Inc., (organization) 403(b) Thrift Plan (Plan) provides only general information. Participants should refer to the Downriver Community Services, Inc. 403(B) Thrift Plan, plan document, adoption agreement and plan summary for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering employees who normally work more than 20 hours per week and nonstudent employees of the organization. This 403(b) plan is a Custodial Account Plan (Code section 403 (b) (7)) invested in mutual funds. An employee becomes a Participant in the Elective Deferral portion of the Plan on his/her first day of employment with the Employer. To become a participant in the nonelective contributions portion of the plan, an employee must be 21 years old and satisfy a one year of service eligibility condition. An employee must complete 1,000 hours of service during the relevant eligibility computation period to receive credit for one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Contributions - Elective deferrals

A participant may make an election to defer his/her compensation and have it contributed to the plan under a salary reduction agreement. The salary reduction agreement has specific maximum and minimum deferral limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up deferral contributions.

DOWNRIVER COMMUNITY SERVICES, INC.

403(b) THRIFT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

3. Contributions - Nonelective

The employer contributes a nonelective contribution based upon a percentage of employee compensation ranging from 2% to 7% based upon years of service. For nonelective contributions only, compensation in excess of \$94,353 is excluded beginning in 2007 and increased annually according to the Federal Government COLA rate. For 2022 and 2021, the maximum wage amount used to calculate the nonelective deferral was \$ 127,306 and \$125,301 respectively. The employer will not match any age 50 catch up deferral. Entry into the nonelective portion of the plan is the first day of the month, once the year of service eligibility is met. Employees are not required to contribute any money in order to participate in the plan. After the initial eligibility period the plan measures subsequent eligibility periods based upon the employee anniversary date.

Following is the nonelective contribution schedule:

Years of Service	Contribution Percentage
1 year of service but less than 3 years of service	2% of compensation
3 years of service but less than 4 years of service	3% of compensation
4 years of service but less than 5 years of service	4% of compensation
5 years of service but less than 6 years of service	5% of compensation
6 years of service but less than 7 years of service	6% of compensation
7 years of service or more	7% of compensation

4. Participant Accounts

Each participant's account is credited with the participant's contribution and (a) the Organization's nonelective contribution and, (b) Plan earnings (losses). The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The plan does not apply any allocation conditions to all employer contributions, elective deferrals, and forfeitures. Participants direct the investment of their elective deferrals and nonelective contributions into various investment options offered by the Plan. The Plan currently offers numerous mutual fund investment options for participants.

NOTES TO FINANCIAL STATEMENTS

5. Vesting

Participants are immediately vested in their elective deferral contributions plus actual earnings thereon. Vesting in the Organization's nonelective contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service and 0% vested for less than three years of service. A participant who incurs a separation from service as a result of death or disability becomes 100% vested.

6. Participant Loans

The plan allows participants to borrow from their 403 (B) account balances. The minimum loan available to a participant for a loan is \$1,000. All loans will be limited to 50% of a participant's vested account balance, provided such loans do not exceed \$50,000. The \$50,000 maximum loan amount is reduced by the participant's highest outstanding loan balance in the previous 12 months over the existing loan balance, if any, on the date a new loan is made. The interest rate charged on loan is determined as follows: For loans originating in any given month, the interest for a loan will be based on the prime rate published in The Wall Street Journal on the first business day of each month. An \$85 loan origination fee is charged for each loan and is deducted from the approved loan amount. An annual loan maintenance fee of \$50 will be charged on each loan and will be deducted from participant account. Principal and interest payments shall be made by means of bi-weekly payroll deductions.

7. Payment of Benefits

The plan provides for a mandatory distribution of a participant's vested account balance, including rollover contributions, if the maximum is less than or equal to \$5,000. An employee who has incurred a severance from employment and who elects to receive a distribution will receive a lump sum distribution.

8. Forfeited Accounts

At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$80 and \$517 respectively. The employer may elect to use these funds to pay plan administrative expenses, or to reduce future nonelective contributions.

B. SUMMARY OF ACCOUNTING POLICIES:

1. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles required the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

2. Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

3. Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

4. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

5. Payment of Benefits

Benefits are recorded when paid

6. Operating Expenses

All expenses of maintaining the Plan are paid by the employer, Downriver Community Services, Inc.

D. FAIR VALUE MEASUREMENTS:

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use Level 2 or 3 inputs for the period presented.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Level 1

Mutual fund shares held in mutual funds are valued at quoted market prices that represent the net asset value “NAV” of shares held by the Plan at year end. NAV is based on the value of underlying assets owned by the fund, less liabilities, and then divided by the number of shares outstanding. Mutual funds held by the Plan are registered with the SEC and are required to publish daily NAV and to transact at that price, and therefore, are considered actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2022 and 2021:

<u>2022</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 4,639,586	\$ -	\$ -	\$ 4,639,586

<u>2021</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 4,967,675	\$ -	\$ -	\$ 4,967,675

DOWNRIVER COMMUNITY SERVICES, INC.

403(b) THRIFT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

E. RELATED PARTY TRANSACTIONS:

American Funds acts as the Investment manager and education consultant for the plan. Fees paid by the Plan for the recordkeeping services amounted to \$1,006 and \$1,121 for the years ended December 31, 2022 and 2021.

F. PLAN TERMINATION:

Although it has not expressed any intent to do so, the organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

G. TAX STATUS:

The Internal Revenue Service does not have an approval program for 403(b) documents. The Plan administrator and the Plan's third-party administrator believe that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC. Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more than likely than not would not be sustained upon examination by the IRS. Management has evaluated any uncertain tax position and does not believe that there is any required disclosure or adjustments required to the financial statements.

H. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.
