INDEPENDENT AUDITORS' REPORT

The Plan Trustees
Columbia Fruit Packers, Inc. 401(k) Plan
Wenatchee, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of Columbia Fruit Packers, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COLUMBIA FRUIT PACKERS, INC. 401(k) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF THE PLAN

A. General

The Plan is a defined contribution plan in accordance with Section 401(k) of the Internal Revenue Code (IRC). The Plan covers all full time employees of Columbia Fruit Packers, Inc. (Plan Sponsor) and its related entities, who have one year of service and are age eighteen or older. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA). This description provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

B. Contributions

Participants may contribute up to the maximum percentage allowable by the applicable IRC, plus catch-up contributions, if applicable, of pretax annual compensation as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified plans. The Plan Sponsor shall make a matching contribution equal to 20 percent of the participant's salary reduction. Additional amounts may be contributed at the option of the Plan Sponsor's Board of Directors. The amounts contributed by the employer are limited to a maximum of 25 percent of a participants' compensation electively deferred.

C. Participant accounts

Each participant's self-directed account is credited with the participant's contribution and allocations of the Plan Sponsor's contribution and Plan earnings and charged with an allocation of administrative expenses that were paid by the Plan. Allocations are based on participant account balances or earnings, as directed in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's matching and discretionary contribution portion of their accounts, plus actual earnings thereon, is based on years of continuous service. A participant is 100 percent vested after four years of credited service.

E. Notes receivable from participants

The Plan allows participants to borrow up to 50% of the vested balance of their account, up to a maximum of \$50,000. Additionally, loan payments were suspended thru January 1, 2021, for new loans taken through September 23, 2020. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 8.00%, which are commensurate with local prevailing rates as determined periodically by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

The term of the loan is generally five years, but can be longer if the loan is used for the purchase of a principal residence. In the event of termination of employment, loan balances and accrued interest shall be deducted from the amount of the distribution.

Based on the Plan administrator's assessment of the outstanding balance of notes receivable from participants in comparison to the secured balance of the vested participant account, an allowance for doubtful accounts is not considered necessary.

COLUMBIA FRUIT PACKERS, INC. 401(k) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

F. Payment of benefits

On termination of service due to death, disability, retirement or other reasons, a participant receives a lump sum amount equal to the value of the participant's vested interest in their account.

G. Forfeited accounts

Upon a participant's termination from the Plan, non-vested account balances are forfeited. For the years ended December 31, 2022 and 2021, the Plan incurred forfeitures of \$3,403 and \$1,715, respectively. Forfeitures of \$2,861 and \$1,704 were used to reduce the Plan Sponsor's matching contribution for the years ending December 31, 2022 and 2021, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of accounting

The financial statements of the Plan are prepared utilizing the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

B. Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Actual results could differ from those estimates.

C. Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net appreciation (depreciation) in the pooled separate accounts (PSAs) include the Plan's gains and losses on investments bought and sold, as well as held during the year plus dividends and interest on the investments.

D. Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

COLUMBIA FRUIT PACKERS, INC. 401(k) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

E. Payment of benefits

Benefits are recorded when paid.

F. Administrative expenses

All administrative expenses of maintaining the Plan are paid by the Plan or the Plan Sponsor.

NOTE 3 - INVESTMENTS

During 2022 and 2021, the Plan's investments (including interest and dividends and gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value by \$(1,481,275) and \$826,501, respectively.

NOTE 4 - RELATED-PARTY TRANSACTIONS

Certain Plan investments in the PSAs are managed by Transamerica Life Insurance Company (Transamerica). Transamerica is the custodian of the Plan's assets as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 5 - FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

COLUMBIA FRUIT PACKERS, INC. 401(k) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 5 - FAIR VALUE MEASUREMENTS (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant of the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The PSA are comprised of shares or units of underlying funds that are valued at the net asset value (NAV) of shares held by the Plan at year end. Underlying assets in these funds primarily include publicly traded equity securities and fixed income securities and are valued at their NAVs calculated by Transamerica and have a daily liquidity. There have been no changes in methodologies used at December 31, 2022 and 2021.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 7,088,921	\$ -	\$ 7,088,921
Total assets at fair value	<u>\$ -</u>	<u>\$ 7,088,921</u>	<u>\$ -</u>	<u>\$ 7,088,921</u>

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 8,798,007	\$ -	\$ 8,798,007
Total assets at fair value	<u>\$ -</u>	<u>\$ 8,798,007</u>	<u>\$ -</u>	<u>\$ 8,798,007</u>

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts.

NOTE 7 - INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined, and informed the Plan Sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

COLUMBIA FRUIT PACKERS, INC. 401(k) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

NOTE 7 - INCOME TAX STATUS (continued)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the Plan's financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019, which is the standard statute of limitations look back period.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan provides for investment in a PSA. The underlying investment securities in the PSA are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and investment contracts and the level of uncertainty related to changes in the value of the investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - INFORMATION CERTIFIED BY THE CUSTODIAN

Information contained in the accompanying financial statements that was certified by the custodian, Transamerica, is as follows:

- Details (cost and fair value) of investment assets held at December 31, 2022 and 2021.
- Summaries of investment transactions for the years ended December 31, 2022 and 2021.
- Investment income for the years ended December 31, 2022 and 2021.
- Net appreciation (depreciation) in fair value of investments for the years ended December 31, 2022 and 2021.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 5, 2023, the date which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements, except as disclosed below.

The Plan Sponsor entered into a sales transaction in September 2022 with operations ceasing December 31, 2022. Subsequent to year end, the acquiring entity, New Columbia Fruit Packers, LLC, became the Plan Sponsor going forward, with no substantial changes to the Plan.
