REPORT OF INDEPENDENT AUDITORS

Investment Committee
TriMedx Holdings, LLC Retirement Plan
Indianapolis, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of TriMedx Holdings, LLC Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TRIMEDX HOLDINGS, LLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF THE PLAN

The following description of the TriMedx Holdings, LLC Retirement Plan (the Plan) provides only general information. Participants should refer to the plan document and summary plan description for a more complete description of the Plan's provisions, which are available from the plan administrator.

General

The Plan is a defined contribution plan and a profit-sharing plan sponsored by TriMedx Holdings, Inc. (the Plan Sponsor) for the benefit of substantially all full-time employees who are age 18 or older. Eligible participants are automatically enrolled in the Plan unless they affirmatively decline to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). State Street Bank and Trust Company and Transamerica Financial Life Insurance Company Inc. are the plan custodians and Transamerica Financial Life Insurance Company is the plan record keeper.

Contributions

The Plan permits eligible employees through a salary deferral election to make annual contributions of up to 80 percent of eligible compensation. Contributions are subject to certain limitations. Employee rollover and catch-up contributions are also permitted. If automatically enrolled in the Plan, a participant's deferral is set at 3 percent of eligible compensation until changed by the participant. The Plan Sponsor contributes a match of 50 percent of the first 6 percent of an employee's contribution.

The Plan Sponsor will make a profit-sharing contribution to the Plan based on years of service, as defined. Participants with less than five years of service receive 2 percent of eligible compensation, participants with five years but less than ten years of service receive 2.5 percent of eligible compensation, participants with ten years but less than 15 years of service receive 3 percent of eligible compensation, and participants with 15 or more years of service receive 3.5 percent of eligible compensation. To be eligible for a profit-sharing contribution, a participant is required to complete 1,000 hours of service during their first year and 500 hours of service in each of the following years and must be employed by the Plan Sponsor on the last day of the plan year.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing contributions into any of the separate investment accounts and may change the allocation daily. Participants who are automatically enrolled have their contributions invested in the applicable Target Date fund based on their anticipated retirement age of 65 until they change their election.

Participant Accounts

Each participant's account is credited with the participant's and Plan Sponsor's contributions and plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

TRIMEDX HOLDINGS, LLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Transfer of Assets from Another Plan

During 2022, assets from the Centurion Service Group, LLC 401(k) Plan and the Ganim Medical LLC 401(k) Profit Sharing Plan & Trust were merged into the Plan. As a result, net assets available for benefits of approximately \$3,138,000 were transferred into the Plan.

Vesting

Participants are immediately vested in their voluntary salary deferral contributions plus earnings thereon. Vesting in the Plan Sponsor's matching contributions is based on years and hours of service. Credited service requires a participant to have 1,000 hours of service per year. A participant is 100% vested after three years of credited service. Vesting in the Plan Sponsor's profit-sharing contributions is based on years of service as follows:

Years of Service	Percentage
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Participants are immediately vested upon attainment of normal retirement age while an employee or upon death. Participants who have at least one year of service will be immediately vested upon attainment of age 65.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant whose vested account balance exceeds \$1,000 may elect to receive a lump-sum or installment payment in the amount equal to the value of the participant's vested interest in his or her account. A participant whose vested account balance is more than \$1,000 and less than \$5,000 may elect to receive the distribution in cash or roll over to an individual retirement account (IRA) or the qualified plan of the participant's new employer. If the vested amount exceeds \$5,000, the participant must consent to any distributions, unless the participant is 62 or has reached the normal retirement age, as defined. Upon separation from service due to death, the Plan provides for full vesting. A lump-sum payment must be paid by the end of the fifth year to all beneficiaries.

In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (IRS), and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal.

TRIMEDX HOLDINGS, LLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Notes Receivable From Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 reduced by the difference between the highest outstanding balance of loans in the past 12 months and the outstanding balance of loans from the Plan on the date the loan is made or the greater of one-half the present value of the vested account balance or total balance up to \$10,000. The loans are secured by the balance in the participant's account. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of principal residence) through payroll withholdings unless the participant is paying the loan in full. Loans bear interest at a rate commensurate with local prevailing rates at the date of issuance, as determined quarterly by the plan administrator. Outstanding loan interest rates at December 31, 2022 ranged from 3.25% to 8.50%, and individual loan balances ranged from approximately \$1 to \$49,000 and are due through 2033.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled approximately \$407,000 and \$664,000, respectively. These accounts may be used to reduce future Plan Sponsor's contributions or will be allocated among participants' accounts based on their portion of Plan eligible wages. Approximately \$1,301,000 of forfeitures were used during 2022.

Plan Termination

Although it has not expressed an intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions and to terminate the Plan, subject to the provisions of ERISA. In the event the Plan terminates, participants will become 100% vested in their accounts.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

TRIMEDX HOLDINGS, LLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Investment Valuation and Income Recognition

Mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The common collective trust investments are public investment securities valued using the net asset value (NAV) provided by the investment advisor. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Funds Held in General Accounts of Insurance Companies

Funds held in general accounts of insurance companies include the TFLIC Stable which represents a deposit administration contract entered into by the Plan with Transamerica Financial Life Insurance Company Inc., the custodian of the Plan. Any contributions are maintained in an unallocated fund, whose assets are invested with other assets in the general account of the custodian. The accounts are credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses charged by the custodian.

These contracts are included in the financial statements at contract value of approximately \$471,000 and \$840,000 as of December 31, 2022 and 2021, respectively. These contracts paid a rate of approximately 0.03% during 2022.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are recorded as distributions based upon the terms of the plan document.

Payment of Benefits

Benefit payments are recorded when paid.

Expenses of the Plan

Certain expenses incurred maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Investment-related expenses are included in net change of fair value of investments.

TRIMEDX HOLDINGS, LLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement net assets available for benefits.

Subsequent Events

The Plan has evaluated events or transactions occurring subsequent to the statement of net assets available for benefits date for recognition and disclosure in the accompanying financial statements through the date the financial statements are available to be issued, which is October 12, 2023.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, State Street Bank and Trust Company and Transamerica Financial Life Insurance Company Inc., the custodians of the Plan, have certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021, and investment related activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

TRIMEDX HOLDINGS, LLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- *Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Common collective trust:* Valued at the NAV of units of a bank common collective trust. The NAV, as provided by the trustee, is based on the contract value of the underlying investments held by the fund less its liabilities. The underlying investments of the trust are mostly synthetic guaranteed investment contracts or insurance separate account contracts that typically include portfolios of fixed income securities or units in other interest in other fixed income collective trusts. The incremental value of the contract itself is based on issuer ratings as determined by credit ratings, which are published by rating agencies and the present value of the change in each contract's replacement cost.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

December 31, 2022				
	Total	Level 1	Level 2	Level 3
Mutual funds	\$ 151,234,638	\$ 151,234,638	\$ -0-	\$ -0-
Total assets in the fair value hierarchy	151,234,638	\$ 151,234,638	\$ -0-	\$ -0-

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented at fair value in the statements of net assets available for benefits.

TRIMEDX HOLDINGS, LLC RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

5. PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Plan Sponsor and certain others. Transactions with parties-in-interest included administrative fees for State Street Bank and Trust Company and Transamerica Financial Life Insurance Company Inc., as the custodians, Transamerica Financial Life Insurance Company, as the record keeper, and notes receivable from participants. Fees incurred and paid directly by the Plan for these services were approximately \$854,000 for 2022.

Certain expenses of the Plan are paid by the Plan Sponsor. Blue & Co., LLC is the independent auditor for the Plan and receives payments for those services.

The Plan Sponsor provides certain administrative services at no cost to the Plan including accounting fees. These expenses qualify as party-in-interest transactions.

6. INCOME TAX STATUS

The Internal Revenue Service has determined by an opinion letter dated March 31, 2014 that the prototype adopted by the Plan, as then designed, qualifies under Section 401 of the Internal Revenue Code (IRC). The Plan has not obtained or requested a determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with applicable requirements of the IRC and that the Plan was qualified and the related trust was exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by various federal and state taxing authorities.

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying financial statements. The Plan is subject to routine audits by taxing jurisdictions.

The Plan has filed its tax returns for periods through December 31, 2021. These income tax returns are generally open to examination by the relevant taxing authorities for a period of three years from the later of the date the return was filed or its due date (including approved extensions).
