INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
McCarthy Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of McCarthy Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The following description of the McCarthy Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Morse Chevrolet, Inc., plan sponsor, and participating employers as follows: McCarthy Chevrolet, Inc., McCarthy Auto Group of Blue Springs, Inc., McCarthy Chevrolet Lee's Summit, Inc., McCarthy Olathe Nissan, Inc., McCarthy CBG, Inc. dba McCarthy Chevrolet Buick GMC, McCarthy Sedalia LLC dba McCarthy Toyota of Sedalia, MAC Benefits Advisors, McCarthy Nissan of Lawrence Inc., McCarthy Subaru of Lawrence Inc., and McCarthy Metcalf, Inc., (together referred to as the Company). All employees of the Company, excluding car shuttlers, nonresident aliens and those covered by collective bargaining agreements, are eligible to participate in the Plan provided they have six months of service and have attained age 21. Employees may enter the Plan on January 1 and July 1 after meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Capital Group Retirement Plan Services provides recordkeeping services to the Plan. Capital Bank and Trust Company (CB&T) is the custodian of the Plan's investments. The Company is the plan administrator and has overall responsibility for the operation and administration of the Plan. The plan administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance. A member of management serves as the Plan's trustee.

The Company amended the Plan document to comply with provisions of the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019.

Contributions

Participants may contribute as pre-tax deferrals up to 100% of annual eligible compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover).

The Plan includes an automatic enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their pre-tax deferral rate set at 5% of eligible compensation.

The Plan provides a discretionary matching contribution which is determined as a percentage of participant elected deferrals. Participants must complete 1,000 hours of service during the Plan year and be employed by the Company on the last day of the Plan year in order to receive a matching contribution. For the year ended December 31, 2022, the Company made a matching contribution equal to 10% of employee deferrals.

Discretionary profit sharing contributions are determined annually by the Company's Board of Directors. Profit sharing contributions are allocated to each participant based upon the ratio of the participant's compensation to the total compensation for the Company. There were no profit sharing contributions for the year ended December 31, 2022.

NOTE 1 — DESCRIPTION OF PLAN (Continued)

Contributions (Continued)

Contributions are subject to certain Internal Revenue Service (IRS) limitations. Participants elect investment accounts in which their contributions, as well as Company contributions, are invested. The investment account options comprise various degrees of risk and return.

Participant Accounts

Each participant's account is credited with the participant's contribution and employer matching contributions, as well as allocations of the Company's profit sharing contribution, and investment earnings based on their selected investments. Participant accounts may be charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans

Participants may not borrow from their accounts.

Vesting

Participants are vested immediately in their contributions and employer matching contributions plus earnings thereon. Vesting in the Company's discretionary profit sharing contribution portion of their accounts is based on years of service. After two years of service, a participant becomes 20% vested in Company profit sharing contributions in the Plan; the vesting increases by 20% each year. A participant is 100% vested after six years of credited services, or upon reaching plan retirement age of sixty-five, death, or disability.

Payment of Benefits

On termination of service, death, disability or retirement, participants may elect to receive an amount equal to the value of the vested interest in their accounts in either a lump sum amount or in installments, depending on the size of the participant's account balance at the time of termination. Participants with a vested account balance of less than \$5,000 must take a lump-sum distribution. The account of a participant with a vested account balance between \$1,000 and \$5,000 who does not request a distribution will be rolled to an individual retirement account in the participant's name.

The Company may authorize certain withdrawals from a participant's account in the event of proven financial hardship. Hardship withdrawals are allowed from all vested accounts and are subject to specific statutory and regulatory requirements.

In-service distributions are permitted from all vested accounts when a participant has attained age 59½.

NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Plan expenses primarily consist of plan administration fees. Fees related to the administration of benefit payments to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

Unallocated amounts were \$10,989 and \$36,018 at December 31, 2022 and 2021, respectively, and are included in other liabilities on the statements of net assets available for benefits. This consists of revenue sharing income earned in prior years that may be used to pay expenses. During 2022, the Plan used \$25,063 to pay expenses.

Subsequent Events

Subsequent events were evaluated through October 14, 2023, which is the date the financial statements were available to be issued.

NOTE 3 — INFORMATION CERTIFIED BY THE CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by CB&T, the custodian.

NOTE 4 — FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price reported by the fund, which is the quoted net asset value (NAV) of shares.

Common/collective trust: The stable value common/collective trust invests in a fund in which the underlying assets consist primarily of fully benefit-responsive investment contracts. The fund is valued at NAV, the practical expedient to estimate fair value. Participant transactions may occur daily.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 19,471,858	\$ -	\$ -	\$ 19,471,858
Common/Collective Trust -				
Measured at Net Asset Value *				1,497,152

NOTE 4 — FAIR VALUE MEASUREMENTS (Continued)

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 22,591,612	\$ -	\$ -	\$ 22,591,612
Common/Collective Trust - Measured at Net Asset Value *				<u>1,417,497</u>
				<u>\$ 24,009,109</u>

*Certain investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following table presents additional disclosures of the Plan's investments whose fair value is estimated using net asset value per share (or its equivalent).

	Estimated Fair Value at December 31,		Redemption Frequency (if Currently Eligible)	Redemption Notice Period
	2022	2021		
Common/Collective Trust	\$ 1,497,152	\$ 1,417,497	Daily	Daily

NOTE 5 — PARTY-IN-INTEREST TRANSACTIONS

Certain investments are managed by CB&T, custodian for the Plan. MHM Retirement Plan Solutions is the third party administrator of the Plan. CBIZ Investment Advisory Services is the investment advisor of the Plan. Total fees paid from the Plan to these entities for plan administration for the year ended December 31, 2022 were \$151,834. These transactions qualify as party-in-interest transactions.

NOTE 6 — TAX STATUS

As this Plan is a prototype defined contribution plan, the Internal Revenue Service issued an opinion letter dated June 30, 2020, stating that while they do not issue a determination as to whether a specific employer's plan is qualified, any employer who adopts this plan document will be considered to have a plan qualified under code Section 401(a) of the Internal Revenue Code (IRC) provided all the terms are not more favorable for officers, owners, or highly compensated employees than for other employees. Management believes that the Plan is operating in compliance with all the terms provided in the nonstandardized plan agreement. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan is subject to examination by the IRS for the statutory period.

NOTE 7 — PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all employer contributions.

NOTE 8 — RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 — SUBSEQUENT EVENTS

The Plan was amended on July 17, 2023 to add a participating employer, McCarthy Highway 50, Inc (dba McCarthy Lee's Summit Chrysler Dodge Jeep Ram). In this amendment, effective October 1, 2023, a Roth option was added so that participants may designate their contributions as either pre-tax or Roth. In addition, effective October 1, 2023, the Plan allows in-plan Roth rollovers and transfers.
