To the Plan Administrator
LS Cable & System U.S.A. 401(k) Plan
Peachtree Corners, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the LS Cable & System U.S.A. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) which comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the 2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2022, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of the report,

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2022 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the 2022 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2022 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 financial statements or to the 2022 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental

schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedules agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LS Cable & System USA. 401(K) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Note 1 - Description of the Plan

The following description of the LS Cable & System U.S.A, 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of LS Cable & System U.S.A., Inc. (the "Company"), who have completed 30 days of service, except for employees whose benefits have been collectively bargained, leased employees, and nonresident aliens who do not receive US-source income. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Principal Trust Company was the trustee of the Plan, and Principal Life Insurance Company was the record-keeper of the Plan.

Contributions - Each year, participants may contribute up to 50% of pretax annual compensation, as defined by the Plan, subject to certain statutory limitations under the Internal Revenue Code (IRC), into any of the investment funds offered by the Plan on a tax-deferred basis. Such contribution was limited to \$20,500 in 2022. Participants aged 50 or older or who will turn 50 during the Plan year, are allowed to make additional pretax catch-up contributions up to maximum of \$6,500 for 2022. The Plan also provides for automatic enrollment of eligible participants at a 5% deferral rate, unless such new hires affirmatively opt out of such participation within 30 days following the date of hire.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans

The Company contributes a matching contribution equal to 100% of the first 3% of eligible compensation that a participant contributes to the Plan and 50% of the next 2% of eligible compensation that a participant contributes to the Plan.

The Company may also elect to make a discretionary profit-sharing contribution to the Plan. No profit-sharing contributions were made in 2022.

Participant Accounts - Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions, the Company's matching contribution, and allocations of (i) Company's profit-sharing contributions and (ii) Plan income, as well as charged with withdrawals and an allocation of the Plan's losses and administrative expenses. Profit-sharing contributions, if any, are allocated to the participants' accounts, based on each participant's relative compensation, as defined by the Plan. Plan income (loss) is allocated daily to the participant's accounts in proportion to their respective account balances, within investment options.

Notes to Financial Statements

December 31, 2022 and 2021

Note 1 - Description of the Plan (Continued)

Vesting - Participants are vested immediately in their contributions, plus actual earnings thereon. Participants are vested immediately in the Company's matching contributions, plus actual earnings thereon.

Payment of Benefits - Upon termination of service due to death, disability, or retirement, participant may elect to receive installment payments over a period not to exceed 10 years or a lump-sum amount equal to the vested value of his/her account. In-service withdrawals are permitted upon attainment of age 59 1/2 or in case of financial hardship.

Loans to Participants - Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50% of their vested balances, whichever is less, with a minimum loan amount of \$1,000. Loans are repayable through payroll deductions over periods ranging up to 60 months, except for a primary residence loan, for which the term may be extended to 15 years. Loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates at the time funds are borrowed as determined by the Plan administrator.

Administrative Expenses – Participants are charged an asset-based service fee for administrative expenses of the Plan related to recordkeeping services. Participants also pay certain administrative fees for participant-initiated transactions. These fees are paid to service providers of the Plan and therefore qualify for party-in-interest transactions. Investment related expenses are included in net change in fair value of investments. Fees for administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account. The Company pays all other administrative expenses of the Plan. The Company does not expect reimbursement from the Plan for these expenses.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting - The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

LS Cable & System USA. 401(K) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Note 2 - Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition - Shares of mutual funds are valued at daily closing prices, as reported by the funds. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset values and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date.

Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and fund-operating expenses are reflected as reductions of investment returns for such investments.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are recorded as distributions based on the terms of the Plan document. As of December 31, 2022, no allowance for credit losses was recorded.

Risks and Uncertainties - The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amounts reported in the statement of net assets available for benefits.

Payment of Benefits - The Plan does not accrue non-distributed benefits related to participants who have withdrawn from the Plan, but recognizes such benefits as a deduction from net assets in the period in which such benefits are paid.

Termination of the Plan - Although it has not expressed any intent to do so. The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

LS Cable & System USA. 401(K) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Note 3 – Investments

In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, information certified by the custodian of the Plan regarding the current value of assets held at December 31, 2022 and transactions entered into during the respective year were used in the preparation of the accompanying financial statements.

During 2022, the Plan's investment in pooled separate and general accounts (including gains and losses on investment bought, sold, and held at year end) depreciated in value by \$784,488.

Note 4 - Fair Value Measurements

FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, establishes a framework for measuring fair value as it related to financial assets and liabilities and to nonfinancial assets and liabilities measured at fair value on a recurring basis. Such framework provides fair value three-level valuation hierarchy based on upon Observable and unobservable inputs with preference given to observable inputs.

The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets.

Level 2 - Significant other observable inputs other than Level 1 prices such as quoted prices in markets that are not active, quoted prices for similar assets, or other inputs that are observable, either directly or indirectly, for substantially the full term of the asset.

Level 3 - Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The Plan used the following methods and assumptions in estimating its fair value disclosure for financial instruments:

Mutual Funds - The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Pooled Separate Accounts - The fair values of participation units held in group annuity contract subaccounts of Principal Pooled Separate Accounts were based on the net asset values reported by the fund managers as of the financial statement dates and recent transaction prices (Level 2 inputs). Each of Principal Separate Accounts is comprised of numerous sub-accounts which invests solely in shares of a mutual fund which are segregated from other assets of the insurance company in the name of the pooled separate account. The name of the underlying mutual fund is identified in the name of the pooled separate account when the underlying mutual fund is managed by an entity other than an

LS Cable & System USA. 401(K) PLAN

Notes to Financial Statements

Note 4 - Fair Value measurements (Continued)

affiliate of the insurance company. The sub-accounts that invest in mutual funds sponsored by an affiliate of the insurance company generally reference the investment strategy of the underlying mutual fund in their names. Participants direct their investments to certain of the underlying Sub-accounts of Principal Separate Accounts available to them under the Plan.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, While the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan assets, measured at fair value on a recurring basis as of December 31, 2022. Were as follows:

	2022			
	Investments at Fair Value			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,741,741	\$ -	\$ -	\$ 6,741,741

Total investments at fair value	\$ 6,741,741	\$ 2,489,734	\$ -	\$ 9,231,475

	2021

LS Cable & System USA. 401(K) PLAN

Notes to Financial Statements

December 31, 2022 and 2021

Note 4 - Fair Value measurements (Continued)

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2022 are reported in fair value of the investments.

The Plan's policy is to recognize transfers between Level 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer.

Note 5-Party-In-Interest Transactions

Parties in interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Certain Plan investments are managed by Principal Trust Company, the custodian of the Plan. Purchases and sales of these funds are performed in the open market at fair value and qualify as party-in-interest transactions. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Notes receivable from participants held by the Plan are considered party-in-interest transactions.

Note 6 - Income Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated August 8, 2014, that the Plan, subject to amendment, and related trust were designed in accordance with the applicable regulations of the IRC. The Company and Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and that the Plan and related trust continue to be tax exempt. Therefore, no provision for Income taxes has been included in the Plan's financial statements

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by US taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022, there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing authorities; however, there is currently no audit for any tax period in progress.

Note 7 - Subsequent Events

The Plan evaluated events or transactions that may have occurred after the Statement of Net Assets Available for Benefits date for potential recognition or disclosure through October 12, 2023, the date the financial statements were available to be issued.
