INDEPENDENT AUDITOR'S REPORT

To the Plan Administrative Committee of
Mitsukoshi (U.S.A.), Inc. 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Mitsukoshi (U.S.A.), Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Mitsukoshi (U.S.A.), Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, and for the year then ended stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mitsukoshi (U.S.A.), Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Mitsukoshi (U.S.A.), Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mitsukoshi (U.S.A), Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Mitsukoshi (U.S.A.), Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, and supplemental Schedule H, Part IV, line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

Predecessor auditors performed an audit of the 2021 financial statements of Mitsukoshi (U.S.A.), Inc. 401(k) Profit Sharing Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 6, 2022 indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Mitsukoshi (U.S.A.), Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description of the Mitsukoshi (U.S.A.), Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information regarding the Plan’s provisions in effect at December 31, 2022. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution retirement plan covering all employees (excluding certain nonresident aliens and certain foreign nationals who either participate in Isetan Mitsukoshi Limited’s (the “Parent”) retirement benefit plan or came to the United States of America under the cultural exchange visa) of Mitsukoshi (U.S.A.), Inc. (the “Company” or “Plan Sponsor”) who have attained the age of 21 and have worked at least 1,000 hours. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Participant Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined by the Plan, not to exceed \$20,500 or \$27,000 for employees over 50 years of age for the year ended December 31, 2022. The Plan also allows participant to contribute post tax “Roth” amounts. Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans.

Employer Contributions

The Company contributes an amount equal to 25% of a participant contribution to a maximum of 4% of the participant’s compensation, as defined by the Plan (“matching contribution”). In addition, if a participant satisfies certain conditions defined by the Plan, the Company contributes an additional amount to the participant, as defined by the Plan (“profit sharing contribution”). Profit sharing contribution is discretionary and allocated among eligible employees based upon the percentage of the employee’s compensation to total Plan compensation of all eligible employees. During the year ended December 31, 2022, the Company did not make a profit-sharing contribution.

Participant Accounts

Each participant’s account is credited with (a) the participant’s contributions, (b) the Company matching contributions, (c) allocations of the Company’s profit-sharing contributions and (d) Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company’s matching contribution portion of their accounts, plus actual earnings thereon, is based on years of credited service. A participant is 20% vested after the second year of credited service and increases by 20% increments per year thereafter, becoming 100% vested after the sixth year of service. Upon death, disability or early or normal retirement, the total amount in a participant’s account becomes fully vested immediately.

Payment of Benefits

Upon retirement, death, disability or termination of employment, a participant or designated beneficiary will receive a lump-sum amount equal to the vested portion of his or her account balance. A participant who terminates employment for any reason other than death with a vested balance of more than \$5,000 may elect to have the funds remain in the Plan or have the balance in his or her account transferred to another plan approved under Section 401(a) of the Internal Revenue Code (“IRC”).

Mitsukoshi (U.S.A.), Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2022 and 2021

A participant who terminates employment for any reason and with a vested balance of less than \$5,000 receives a lump-sum amount as soon as administratively practicable following the termination of employment.

Investment Options

Participants direct the investment of their contributions into various pooled separate accounts and insurance company general accounts offered by the Plan as investment options for participants. Participants may change investments and transfer amounts between funds daily.

Forfeited Accounts

Forfeitures pertaining to employer match and profit sharing may be used to pay expenses in connection with the administration of the Plan or may be used to reduce future employer matching contributions. During the year ended December 31, 2022 was approximately \$67,000 was used to offset the Company's matching contributions. The balance of unallocated forfeitures as of December 31, 2022 and 2021 was approximately \$ 35,000 and \$68,000, respectively.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make a number of estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for guaranteed interest accounts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation or depreciation in fair value includes the Plan's gains or losses on investments sold as well as held during the year.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

Mitsukoshi (U.S.A.), Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2022 and 2021

Investment related expenses are included in net unrealized appreciation (depreciation) in fair value of investments. Total administrative expenses incurred by the Plan amounted to \$1,500 during the year ended December 31, 2022.

Reclassifications

Certain prior year disclosures have been reclassified for consistency with current year presentation. These reclassifications have no effect on the reported change in net assets available for benefits.

Subsequent Events

The Plan has evaluated the subsequent events through October 11, 2023, the date which the financial statements were available to be issued. Based upon this evaluation the Plan has determined that no subsequent events have occurred, which require adjustment to or disclosure in the financial statements.

3. INVESTMENTS AND INFORMATION PROVIDED AND CERTIFIED BY THE TRUSTEE

No auditing procedures were performed by the independent auditor with respect to the information certified as complete and accurate by Voya Retirement Insurance and Annuity Company, the Plan's trustee, except for comparing such information with the related information included in the financial statements. Based on the information provided and certified by the trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA as of December 31, 2022 and 2021. Accordingly, the trustee of the Plan assets has certified to the completeness and accuracy of:

- Investments on the accompanying statements of net assets available for benefits as of December 31, 2022, and 2021 as well as the supplemental schedule of assets (held at end of year) as of December 31, 2022.
- Net depreciation and interest income reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.

4. FAIR VALUE MEASUREMENTS

Fair value is measured using a framework that provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Mitsukoshi (U.S.A.), Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2022 and 2021

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodology used for Plan assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 or 2021:

Pooled separate accounts ("PSA"): Pooled separate accounts are valued at net asset value ("NAV") of shares held by the Plan at year end as reported by the fund managers. Each of the pooled separate accounts invests either in multiple securities or in single mutual funds which are generally identified in the name of the pooled separate account. NAV is used as a practical expedient to estimate fair value and in accordance with ASU 2015-07, the PSA are not required to be categorized within the fair value hierarchy.

The following table sets forth additional disclosures for investments in which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021, respectively.

<u>Investment Type</u>	<u>2022 Fair Value</u>	<u>2021 Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 3,780,783	\$ 4,283,647	\$ -	Daily	Daily

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan holds a benefit-responsive investment contract with Voya Retirement Life Insurance and Annuity Company ("Voya"), which is backed by Voya's general account. The investment contract is reported at contract value, which is not significantly different from fair value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract.

Certain events limit the Plan's ability to transact at contract value. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

Mitsukoshi (U.S.A.), Inc. 401(k) Profit Sharing Plan
Notes to Financial Statements
December 31, 2022 and 2021

Voya may terminate the guaranteed investment contract after completion of a certain number of years, without application of otherwise required market value adjustments or contract surrender charge.

6. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are held by the Plan's trustee, Voya Retirement Insurance and Annuity Company. Transactions involving the trustee are considered to be transactions with a party-in-interest. For the year ended December 31, 2022, the Plan paid administration fees of \$1,500 to Voya. These fees were paid from Plan assets and are included in administrative and other expenses.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

8. TAX STATUS

On June 30, 2020, the Internal Revenue Service ("IRS") stated that the volume submitter plan adopted by the Plan, as then designed, was acceptable under code section 401 of the IRC. The Plan has been amended since receiving the opinion letter and the Plan Sponsor adopted the amended and restated volume submitter plan. The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and the Plan is qualified, and the related trust is exempt from federal income taxes as of the financial statement date. Accordingly, contributions to the Plan are deductible or excludable from taxable income, and the earnings of the Plan are not taxable.

Plan management has evaluated tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. Furthermore, there are no tax related interest or penalties included in the financial statements presented.

9. NON-EXEMPT PROHIBITED TRANSACTIONS

As required by ERISA Section 2510.3-102, the Plan Sponsor is required to segregate employee contributions to the Plan from its general assets as soon as practicable. During 2022 and 2021, the Company failed to transmit participant contributions to the Plan totaling approximately \$95,000 and \$99,000, respectively, in a timely manner. The Company contributed the lost earnings on the 2021 late contributions in accordance with the DOL's self-correction program and the 2022 Plan year lost earning will be contributed during the 2023 Plan year, and all applicable excise taxes will be paid from the Company's assets and not from the assets of the Plan.
