## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of  
SKL, Inc. DBA Home Heating & Plumbing and Home & Hearth 401(k) Plan  
Fargo, North Dakota

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of SKL, Inc. DBA Home Heating & Plumbing and Home & Hearth 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of SKL, Inc. DBA Home Heating & Plumbing and Home & Hearth 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SKL, Inc. DBA Home Heating & Plumbing and Home & Hearth 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SKL, Inc. DBA Home Heating & Plumbing and Home & Hearth 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SKL, Inc. DBA Home Heating & Plumbing and Home & Hearth 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SKL, Inc. DBA Home Heating & Plumbing and Home & Hearth 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matters – Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year), as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO THE FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 1 DESCRIPTION OF PLAN**

The following description of the SKL, Inc. DBA Home Heating & Plumbing and Home & Hearth 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

Home Heating and Plumbing, Inc. (Company) established the Plan effective October 31, 2011 and has since been restated effective April 5, 2021. The Plan operates as a Defined Contribution 401(k) Profit Sharing plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is administered by the Company. Third party administrators serve as the providers of the Plan, maintain the records of the participant data, and hold the Plan assets. The Plan has entered into a group annuity contract with Equitable Life Insurance Company.

**Eligibility**

Employees of the Company are eligible to make contributions to the plan at age 18 and upon hire and are automatically enrolled on the 1st of the following month (indirect service requirement of being employed on the first day of the following month to be able to enroll). Eligibility for employer matching contributions is age 18 and upon hire. Eligibility for employer discretionary matching contributions is age 18 and employed as of the date of contribution.

**Contributions**

Participants may contribute up to the maximum amount allowed under federal regulations for the Plan year. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan allows participants to allocate contributions between pretax and after tax (Roth 401(k)) deferrals.

The Company may make matching contributions that are not in excess of 25% of a participant's elective deferrals, up to 6% of the participant's base compensation. The employer may also make discretionary contributions to the plan as determined by the plan. These additional discretionary contributions to the plan were 50% and 45%, up to 6% for December 31, 2022 and 2021, respectively.

Participants may make rollover contributions for amounts representing distributions from other qualified defined benefit plans, defined contribution plans, or individual retirement accounts.

**Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of the (a) Company's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The value of each participant's account is determined daily.

**Participants' Investment Options**

Participants must direct their salary deferral contributions, Company matching contributions, and Company discretionary contributions, if any, to selected investments as offered by the Plan. Participants may change their investment options throughout the year by contacting the third party administrator.

**Payment of Benefits**

Upon termination of employment, death, disability or retirement, a participant with a vested account balance of more than \$1,000 can receive a lump sum payment or installment payments equal to the value of the participant's vested interest. Distribution of benefits upon termination become automatic if the participant's account balance is less than \$1,000. In-service distributions are allowed upon the attainment of age 59 1/2 or if the participant becomes disabled. Distributions are also allowed from rollover accounts at any time. Generally, certain minimum distributions are required for participants who have separated from service and have reached age 72. The Plan also allows for hardship withdrawals, subject to account balance limits and applicable laws.

**Vesting**

Participants are always 100 percent vested in their elective deferral contributions, rollover contributions, plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on the amount of service periods in which an employee has at least 1,000 hours of service. A service period is defined as the consecutive 12-month period from the participants anniversary date. A participant is 100% vested after six years of credited service. Contributions will vest in accordance with the following table:

| <u>Years of Service</u> | <u>Vesting Percentage</u> |
|-------------------------|---------------------------|
| less than 2             | 0%                        |

During the years ended December 31, 2022 and 2021, \$42,531 and \$23,641 of forfeitures, respectively, were used to reduce employer contributions.

**Notes Receivable from Participants**

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest rates comparable to those of similar loans from

commercial lending institutions, as determined by the Plan Administrator. The term of the loan cannot exceed five years, unless it is for the purchase of a principal residence, which must be repaid within fifteen years. Principal and interest are paid ratably through payroll deductions.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared using the accrual basis of accounting.

**Basis of Presentation**

The accompanying financial statements are presented in accordance with accounting principles generally accepted in the United States of America (GAAP), as codified by the Financial Accounting Standards Board.

**Use of Estimates**

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors, providers, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year and is reflected in the statements of changes in net assets available for benefits.

**Payment of Benefits**

Benefit distributions are recorded when paid.

**Administrative Expenses**

Several of the investment fund options are subject to investment fees based on a percentage of invested assets, as disclosed in the funds' prospectus. All such fees are charged directly against the fund's investment performance and thus are not separately disclosed in the accompanying financial statements. Certain administrative expenses are paid from Plan assets and are reflected in these financial statements. Other administrative expenses that are paid by the plan sponsor are not reflected in the accompanying financial statements.

**NOTES TO THE FINANCIAL STATEMENTS - CONTINUED**  
**DECEMBER 31, 2022 AND 2021**

**Income Taxes**

The Plan's policy is to evaluate the likelihood that its uncertain tax positions will prevail upon examination based on the extent to which those positions have substantial support within the Internal Revenue Code and Regulations, Revenue Rulings, court decisions, and other evidence.

**Notes Receivable from Participants**

Notes receivable from participants are measured at unpaid principal balance plus accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded at December 31, 2022 and 2021.

**NOTE 3 INFORMATION PREPARED AND CERTIFIED BY PROVIDER**

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the provider, Equitable Life Insurance Company:

**NOTE 4 FAIR VALUE MEASUREMENTS**

FASB ASC Topic 820, *Fair Value Measurements*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the authoritative guidance are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**SKL, INC. DBA HOME HEATING & PLUMBING AND HOME & HEARTH 401(K) PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS - CONTINUED**  
**DECEMBER 31, 2022 AND 2021**

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- Guaranteed Interest Option – Valued based on the cost of the investments held plus interest rates credited daily.
- Pooled Separate Accounts – Valued at the net asset value (NAV) of shares held by the Plan at year end. The NAV, as provided by the insurance company, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investment held by the insurance company. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of accounts, the investment advisor reserves the right to temporarily delay withdrawal in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

|                                             | Level 1    | Level 2 | Level 3 | Total        |

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

**NOTE 5 PLAN AMENDMENT AND TERMINATION**

Although it has not expressed any intent to do so, the Company reserves the right at any time to amend or terminate the Plan subject to the provisions of the Plan and ERISA. If the Company terminates contributions or the Plan is terminated, all participants become fully vested.

**NOTE 6 INCOME TAX STATUS**

The Plan adopted a volume submitter plan sponsored by National Pension Prototype Services, Inc. The volume submitter plan has received an advisory letter dated June 30, 2020 from the Internal Revenue Service as to the Plan's qualified status. The volume submitter plan advisory letter has been relied upon by this Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken a significant uncertain tax position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

Certain Plan investments are units of pooled separate accounts and a guaranteed interest option managed by Equitable. Equitable is the provider as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for these administrative services were \$27,620 and \$1,857 for the years ended December 31, 2022 and 2021, respectively.

**NOTE 10 RISKS AND UNCERTAINTIES**

Participants direct the investment of their accounts into various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
