INDEPENDENT AUDITOR'S REPORT

**To the Plan Administrator of
Cater To You 401(k) Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Cater To You 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements (financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually

or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 and Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. CATER TO YOU 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of the Cater To You 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established effective September 1, 1999 and is a profit sharing and 401(k) plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was most recently amended and restated with effect from January 1, 2022. The Plan covers all employees of Cater To You, Inc. (the “Company”), except employees who are included in a bargaining unit covered by a collective bargaining agreement. Employees are eligible to make elective deferrals and receive discretionary matching contributions upon attaining 21 years of age and completing one year of eligibility service. The entry date for Plan participation is the first day of the calendar month next following the date eligibility requirements are met.

Effective June 1, 2020, the safe harbor matching contribution under the Plan was discontinued and the Plan was no longer considered a safe harbor Plan.

Contributions

The Plan allows for both pre-tax elective deferrals and roth elective deferrals. Participants who have attained age of 50 before the end of the Plan year are eligible to make catch-up contributions. Rollover contributions are subject to the terms of the Plan and are fully vested and non-forfeitable. The Company is permitted to make discretionary matching contributions. For the year ended December 31, 2022, the Company made a discretionary matching contribution of \$106,251, equal to 50% of salary deferrals up to the first 6% of Plan compensation. Contributions are subject to certain statutory limitations.

Participant Accounts

Each participant's account is credited with the participant’s contributions, an allocation of the Company’s discretionary matching contributions, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Participants direct the investment of their accounts into various investment options offered by the Plan. If no election is made by the participant, then the contributions are automatically invested in the Plan’s Qualified Default Investment Alternative (“QDIA”).

CATER TO YOU 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

The Plan has selected the BlackRock LifePath® Index Fund series as its QDIA.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the participants' discretionary matching contributions portion of their accounts is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 1 years	0%
1 years	20%
2 years	50%
3 years	75%
4 years	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable from participants are secured by the balance in the participant's account. The interest rates on outstanding loans range from 4.25% to 7.50%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account.

Forfeitures

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$2,715 and \$2,667, respectively. The Company uses forfeiture amounts to reduce administrative expenses. No forfeitures were allocated for the year ended December 31, 2022.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires

CATER TO YOU 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document.

Excess Contributions Payable

Amounts payable for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding deduction to contributions. At December 31, 2022 and 2021, excess contributions payable were \$2,269 and \$4,484, respectively. These amounts were remitted to participants prior to March 15th of the subsequent year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are

CATER TO YOU 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS **DECEMBER 31, 2022 AND 2021**

charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net change in fair value of investments.

3. CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments at fair value, investments at contract value, and notes receivable from participants held at December 31, 2022 and 2021, and net change in fair value of investments, interest and dividends, and interest income from notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Life & Annuity Insurance Company of New York ("Empower Life") and Empower Trust Company, LLC, the insurance company and custodian of the Plan, respectively.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is

CATER TO YOU 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds

Valued at the daily closing price as reported by the fund. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2022			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 5,548,230	\$ -	\$ -	\$ 5,548,230
Investments, at fair value	\$ 5,548,230	\$ -	\$ -	\$ 5,548,230

	Assets at Fair Value as of December 31, 2021			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 6,541,036	\$ -	\$ -	\$ 6,541,036
Investments, at fair value	\$ 6,541,036	\$ -	\$ -	\$ 6,541,036

Gains and losses included in the statement of changes in net assets available for benefits for the year ended December 31, 2022, are reported in net change in fair value of investments.

For the year ended December 31, 2022, there were no significant transfers between Level 1 and 2 and no transfers into or out of Level 3.

5. INVESTMENT CONTRACT WITH EMPOWER LIFE

On April 17, 2019, the Plan entered into a fully benefit-responsive group annuity contract with Great-West Life & Annuity Insurance Company of New York (now called Empower Life). Empower Life maintains the contributions in the Key Guaranteed Portfolio Fund, which is a part of Empower Life's general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting.

CATER TO YOU 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS **DECEMBER 31, 2022 AND 2021**

Because the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Empower Life, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2022 and 2021, were \$38,347 and \$26,829.

Certain events limit the Plan's ability to transact at contract value with Empower Life. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (e) premature termination of the contract. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Empower Life is the recordkeeper of the Plan and therefore certain transactions qualify as exempt party-in-interest transactions. Administrative fees of approximately \$15,500 were paid to Empower Life from the Plan during the year ended December 31, 2022.

Alliant Insurance Services, Inc. ("Alliant") is the contract administrator of the Plan and therefore certain transactions qualify as exempt party-in-interest transactions. Administrative fees of approximately \$17,400 were paid to Alliant from the Plan during the year ended December 31, 2022.

CATER TO YOU 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Empower Advisory Group, LLC (“Empower Advisory”) is the investment advisor of the plan and therefore certain transactions qualify as exempt party-in-interest transactions. Administrative fees of approximately \$1,100 were paid to Empower Advisory from the Plan during the year ended December 31, 2022.

Participant contributions not transmitted by the Company within the time period set forth in the Department of Labor’s regulation CFR 2510.3-102 are considered nonexempt prohibited transactions under ERISA. Participant contributions remitted during the year that constitute nonexempt prohibited transactions are reported by the Plan in the accompanying supplemental schedule as required.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

8. TAX STATUS

The Plan has adopted a non-standardized pre-approved profit sharing plan with CODA and is relying on an advisory letter received from Alliant Insurance Services Inc dated June 30, 2020 stating that the IRS has determined that the pre-approved plan adopted by the Plan is designed in accordance with applicable sections of the Internal Revenue Code (“IRC”). Although the Plan has been amended since receiving the advisory letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

CATER TO YOU 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

10. SUBSEQUENT EVENTS

The Plan administrator has evaluated subsequent events through October 16, 2023, the date the financials were available to be issued.

Effective January 1, 2023, the Plan was amended to reinstate periodic safe harbor matching contributions equal to 100% of salary deferrals up to the first 3% of Plan compensation, plus 50% of salary deferrals up to the next 2% of Plan compensation.

During September 2023, the Company and related affiliates were acquired by Elixir, NA.
