We have performed an audit of the financial statements of **VISTA HOSPITALITY 401(K) RETIREMENT SAVINGS PLAN**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Vista Hospitality 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Vista Hospitality 401(k) Retirement Savings Plan

- The information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Vista Hospitality 401(k) Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Vista Hospitality 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Piaker & Lyons

The Trustees

Vista Hospitality 401(k) Retirement Savings Plan

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Vista Hospitality 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Vista Hospitality 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Piaker & Lyons
The Trustees

Vista Hospitality 401(k) Retirement Savings Plan

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirement of ERISA Section 103(a)(3)(C).

VISTA HOSPITALITY 401(K) RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF PLAN

The Vista Hospitality 401(k) Retirement Savings Plan (the Plan) is a plan for a controlled group of companies (collectively the "Company") consisting of the following sponsors:

Vista Property Management, LLC
Arena Hotel Corporation d/b/a Holiday Inn Arena
Vista JFK, LLC
Vista CP Orlando, LP d/b/a Crowne Plaza Downtown Orlando
Vista Marina Inn, Inc. d/b/a Marina Inn at Grande Dunes
Vista Coral Springs Hotel, L.P. d/b/a Courtyard Fort Lauderdale Coral Springs
Vista Myrtle Beach Hotel, L.P. d/b/a DoubleTree by Hilton Hotel Deerfield Beach – Boca Raton

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all full-time employees (other than those covered under a collective bargaining agreement) of the Company who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions - Each year, participants may defer up to 100% of their eligible compensation but are limited to the annual threshold set by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are also eligible to make catch-up contributions, subject to IRS limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Annually, the participating Sponsors may match a portion of employee contributions to the Plan on a discretionary basis. For the years ended December 31, 2021 and 2020, the employer match was 25% of the first 4% of compensation that a participant contributes to the Plan.

Participant Accounts - Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution, (b) Plan earnings, and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. The Plan is a participant-directed Plan.

Vesting - Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of service.

Payment of Benefits - On termination of service due to death, disability or retirement, a participant whose balance is greater than \$1,000 may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or payment in the form of a joint or survivor annuity. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If, however, such participant's account balance is less than \$1,000, the vested balance will automatically be distributed to the participant in a lump-sum. Benefits are recorded when paid. A financial hardship withdrawal provision is available, enabling a participant to withdraw an amount to cover an immediate and heavy financial need, in accordance with IRS regulations.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants –Participants may borrow from their fund accounts a minimum of \$500 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a rate of 3.25% to 5.50%, which is commensurate with local prevailing rates as determined monthly by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Forfeited Accounts - At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$4,708 and \$6,926, respectively. These accounts will first be used to pay any administrative expenses. Any remaining amount will be used to reduce future employer matching contributions. During 2021, forfeitures totaling \$7,175 were used to pay administrative expenses.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Unpaid participant loans are reclassified as distributions upon termination based on the terms of the Plan document.

Administrative Expenses - Participant administration and record keeping fees are paid by the participants. The annual plan administration and compliance fee is paid by the participating Sponsors.

Subsequent Events - The Plan's trustees have evaluated events and transactions that occurred during the period from January 1, 2022 through October 15, 2022, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

Risks and Uncertainties - The Plan invests in various investment securities. These investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with these investments, and the level of uncertainty related to the changes in the value of these investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits. As of October 15, 2022, the date the financial statements are available to be issued, there have been material retractions in the financial markets effecting Plan investment securities.

NOTE 3 - TAX STATUS

The Plan uses a prototype plan sponsored by Omega, Inc. The Internal Revenue Service approved the prototype plans under their prototype program. The Plan administrator believes the Plan is designed and operated in compliance with the applicable requirements of the Internal Revenue Code. The Plan is subject to routine audits by the Internal Revenue Service and the Department of Labor; however, there are currently no audits for any tax periods in progress.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the participating Sponsors have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 5 - CONCENTRATION OF CREDIT RISK

Investments which potentially subject the Plan to concentration of credit risk consist principally of mutual funds which are managed by the financial institution that is the custodian of the Plan assets at December 31, 2022 and 2021. The Plan has no formal policy regarding collateral to support the investments subject to credit risk.

NOTE 6 - INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the Custodian.

	<u>2022</u>	<u>2021</u>
Investments at Fair Value	\$ 2,941,605	\$ 3,293,838
Notes Receivable from Participants	66,985	77,733
Total Investment Income (Loss)	(527,818)	

NOTE 7 - TRANSACTIONS WITH PARTIES-IN-INTEREST

As of December 31, 2022 and 2021, certain Plan investments are shares of mutual funds that are managed by John Hancock Life Insurance Company of New York (JHL). JHL is also the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 8 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

		Assets at Fair Value (Level 1)
<u>December 31, 2022</u>	<u>Total</u>	
Mutual Funds	\$ 2,941,605	\$ 2,941,605
Total Assets at Fair Value	\$ 2,941,605	\$ 2,941,605

		Assets at Fair Value (Level 1)
<u>December 31, 2021</u>	<u>Total</u>	
Mutual Funds	\$ 3,293,838	\$ 3,293,838
Total Assets at Fair Value	\$ 3,293,838	\$ 3,293,838

Generally accepted accounting principles establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 unobservable inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There were no Level 2 or Level 3 inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
