Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Sievers Equipment Company 401(k) Profit Sharing Plan and Trust an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits – modified cash basis for the years then ended, and the related notes to the financial statements.

Management, having determined it permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with modified cash basis of accounting described in note 2.
- The information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Sievers Equipment Company 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures including examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sievers Equipment Company 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sievers Equipment Company 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matter that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, listed in the table of contents as of or for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agree to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agree to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agree to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agree to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1. DESCRIPTION OF PLAN

The following description of Sievers Equipment Company 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering employees of Sievers Equipment Company (the “Company”) who are age 18 or older and have 30 days of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Each year, participants may contribute up to the maximum compensation as defined in the Plan and permitted under law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and fixed annuity as investment options for participants. The Plan also provides for discretionary matching and non-elective contributions. In order to share in the non-elective contribution, an employee must be employed on the last day of the plan year and completed at least 1,000 hours of service during the plan year. For 2022 and 2021, the discretionary matching contribution was 50% of the first 6% of compensation. Contributions are subject to certain statutory limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s discretionary matching and non-elective contributions and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participant’s vesting in the employer matching and nonelective contributions plus actual earnings thereon is based on years of credited service. To earn a year of service, the participant must be credited with at least 1,000 hours of service during a plan year. A participant is 100 percent vested after six years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the vested balance in the participant’s account and bear interest at a rate being charged for similar purpose loans by institutional lenders. Principal and interest are repaid through payroll deductions.

NOTE 1. DESCRIPTION OF PLAN (CONT'D)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over his or her assumed life expectancy.

Forfeitures

Participants who terminate their employment and are less than 100% vested in their employer's contribution, forfeit the non-vested portion. Forfeitures may be used to pay plan expenses, used to reduce any nonelective contribution, or used to reduce any matching contribution. At December 31, 2022 and 2021, forfeited nonvested account balance totaled \$26 and \$26, respectively. For 2022 and 2021, the amounts used to reduce employer contributions were \$5,760 and \$5,256 respectively.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accounts of the Plan are maintained on the modified cash basis. The modified cash basis is a comprehensive basis of accounting other than accounting principles generally accepted in the United States. Revenues are recognized when cash is received and expenses are recognized when cash is paid. Investments are recorded at fair value in the Statement of Net Assets Available for Benefits - Modified Cash Basis with the associated net investment gain or loss included in the Statement of Changes in Net Assets Available for Benefits - Modified Cash Basis.

Use of Estimates

The preparation of financial statements in conformity with modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual amounts differ from those estimates.

Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Dividends and interest are recorded on the modified cash basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2. SUMMARY OF ACCOUNTING POLICIES (CONT'D)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, which approximates fair value. Interest income is recorded on the modified cash basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Administrative expenses of the plan are allocated to participant accounts.

NOTE 3. INVESTMENTS

Unaudited Information Certified by the Asset Custodian

The December 31, 2022 and 2021 Statements of Net Assets Available for Benefits - Modified Cash Basis, the investment activities included on the Statement of Changes in Net Assets Available for Benefits - Modified Cash Basis for the years ended December 31, 2022 and 2021, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by Empower Annuity Insurance Company of America in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments and notes receivable from participants of \$4,687,521 and \$5,087,402 at December 31, 2022 and 2021, respectively, and related investment income (loss), and interest on notes of \$(849,969) and \$664,235 for the years ended December 31, 2022 and 2021, respectively.

NOTE 4. FAIR VALUE MEASUREMENT

FASB Accounting Standards Codification 820, Fair Value Measurement and Disclosure, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority with Level 3 inputs having the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There are no plan assets requiring the use of Level 3 inputs for the year presented.

NOTE 4. FAIR VALUE MEASUREMENT (CONT'D)

Level 1 Fair Value Measurements

The fair values of the mutual funds are based on quoted market prices in an active market.

Level 2 Fair Value Measurements

The fair value of the fixed annuity is based on valuation method disclosed in the annuity contract, as calculated by the annuity provider.

		Fair Value Measurements Using:		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Total	<u>\$5,076,418</u>	<u>\$ 4,805,347</u>	<u>\$ 271,071</u>	<u>\$ -</u>

NOTE 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated November 11, 2022, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified and is tax exempt.

PROFIT SHARING PLAN AND TRUST

NOTE 6. TAX STATUS (CONT'D)

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the open tax years are those years ending December 31, 2020 through December 31, 2022. The 2022 tax return has not been filed as of the date of this report.

NOTE 7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Empower. Empower is the custodian of the Plan assets and, therefore, these transactions qualify as party-in-interest transactions. Direct fees paid by the Plan for administrative services for the years ended December 31, 2022, and 2021 totaled \$55,139 and \$47,562, respectively.

Indirect administrative fees are paid to Scheffel Financial Services for investment advisory services provided to participants. Scheffel Financial Services is an affiliate of Scheffel Boyle, the plan auditors and, therefore, these transactions qualify as party-in-interest transactions. Indirect administrative fees paid by Empower for advisory services for years ended December 31, 2022, and 2021 totaled \$28,210 and \$27,440, respectively.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9. SUBSEQUENT EVENTS

The effect of subsequent events on the financial statements have been evaluated through October 13, 2023, which is the date the financial statements were available to be issued.
