INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Board of Directors
403(b) Thrift Plan of Seniors First, Inc.
Orlando, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the 403(b) Thrift Plan of Seniors First, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Plan Administrator and Board of Directors
403(b) Thrift Plan of Seniors First, Inc.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

Year Ended December 31, 2022

NOTE 1 - PLAN DESCRIPTION

The following description of the 403(b) Thrift Plan of Seniors First, Inc. (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan, which was established on October 1, 1989 and subsequently amended, is classified as a defined-contribution plan covering substantially all employees of Seniors First, Inc. (the “Company”), regardless of age or length of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Under the Plan, participants may elect to contribute, on either a tax-deferred basis or an after-tax basis, a percentage of their eligible salary each payroll period subject to Internal Revenue Service (“IRS”) limitations. Participants may also contribute amounts representing distributions from other qualified, defined-contribution plans. The Company contributes 3% of a participant’s annual compensation to the Plan. A participant must complete one year of service (at least 1,000 hours) and be at least 21 years of age to be eligible to receive Company contributions.

Participant Accounts

A separate account is maintained for each participant. Each participant’s account is credited with the participant’s contribution and allocations of the Company’s contribution, if any, and Plan earnings and charged with allocation of administrative expenses. Allocations of Plan earnings and administrative expenses are primarily based on participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting rights in the remainder of their account is determined based on years of service, as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
2	20%
3	40%
4	65%
5	100%

NOTE 1 - PLAN DESCRIPTION *(Continued)*

Vesting *(Continued)*

The Plan provides for the full vesting of a participant's account to the participant or beneficiary on the date the participant reaches age 55, becomes totally and permanently disabled, or dies.

Investment Options

Participants may direct their account balance among any of the Plan's investment options offered by Mutual of America Life Insurance Company (the "Plan Custodian"). Participants may change their investment options at any time.

Benefits and Forfeitures

Upon termination of employment, death, or disability of the participant, benefit payments will be made based on Plan provisions and participant elections. As of a participant's termination of employment, the participant is entitled to receive a distribution of their entire vested interest. If, at the time of termination of employment, the participant is not 100% vested, the non-vested portion of the participant's account will become a forfeiture. Forfeitures may be used to pay Plan expenses or to reduce future Company contributions to the Plan. There were no unallocated forfeitures as of December 31, 2022 and 2021. During the year ended December 31, 2022, approximately \$3,700 of forfeited account balances were used to offset Company contributions to the Plan.

Participant Loans with Plan Custodian

The Plan provides for participants to obtain loans directly from the Plan Custodian, as opposed to borrowing from their individual accounts; accordingly, such loans are not deemed to be Plan assets and are not reflected in these financial statements. Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50%, of their vested account balance. Loan terms range from 1-5 years, or up to 10 years for the purchase of a principal residence. The loans are collateralized by the balance in the participant's account and bear interest at a rate that is 3% higher than the interest rate credited to the insurance company general account. During 2022 and 2021, the interest rate charged on loans ranged from 4.0% to 4.6%. As of December 31, 2022, and 2021, Plan assets pledged as collateral for participant loans issued by the Plan Custodian was approximately \$63,000 and \$50,000, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are held in pooled separate accounts and in the insurance company general account. Investments in the pooled separate accounts are reported at fair value. The pooled separate accounts are valued using a market valuation basis at the calculated net asset value ("NAV") of the funds. NAV is based upon the fair market value of the funds' underlying investments, less any fund liabilities.

Purchases and sales of securities are recorded on a trade-date basis, and interest income is recorded on the accrual basis. The change in the fair value of the Plan's investments include the Plan's gains and losses on investments bought and sold, as well as the unrealized gains and losses on those investments that are held at the end of the year.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts. Contract value is deemed to be the relevant measurement attribute for those contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions and reinvested income, less any withdrawals, plus accrued interest. The Plan's investments in the insurance company general account are stated at contract value (see Note 4).

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Investment Risk

The Plan's investments are not insured and are subject to credit and market risks. Financial information relating to those investments is included in these financial statements based on information provided by the Plan Custodian.

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid. There were no unpaid amounts allocated to participants who elected to withdraw from the Plan at December 31, 2022 and 2021.

Administration Costs and Investment Fees

Certain administrative costs and professional fees are paid by the Company and will not be reimbursed by the Plan. Investment-related fees and expenses are netted against the net change in fair value of investments.

Subsequent Events

In preparing these financial statements, the Company has evaluated events and transactions for potential recognition through October 16, 2023, the date the financial statements were available to be issued.

NOTE 3 - PLAN CERTIFICATION

The Plan Custodian holds the Plan's investments and executes all investment transactions. All investment information disclosed in the financial statements and supplemental schedule, including investments held at December 31, 2022 and 2021, net change in fair value of investments, and interest for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Plan Custodian.

NOTE 4 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

Investments in the insurance company general account are held in the Interest Accumulation Account issued by the Plan Custodian. This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts, because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. However, withdrawals influenced by Company-initiated events, such as reallocation of investments, may result in a distribution at other than contract value, and are subject to certain restrictions. The Plan's ability to receive amounts due in accordance with fully benefit-responsive contracts is dependent on the contract issuer's ability to meet its financial obligations. There are no reserves against contract values for credit risk of the contract issuer or otherwise.

The Interest Accumulation Account contracts held by the Plan are guaranteed investment contracts. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting interest rate is reset periodically by the issuer, subject to a minimum interest rate of 1%. The crediting interest rate during the year ended December 31, 2022 was 1.0%.

NOTE 5 - FAIR VALUE MEASUREMENT

The fair value of financial instruments is presented based upon a hierarchy of levels that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

- Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2** Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 5 - FAIR VALUE MEASUREMENT (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments reported at fair value as of December 31, 2022 and 2021:

	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	\$ 1,585,104	\$ -	\$ -	\$ 1,585,104

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Pooled Separate Accounts	\$ 1,746,321	\$ -	\$ -	\$ 1,746,321

NOTE 6 - INCOME TAX STATUS

The Plan is intended to be qualified under Section 403(b) of the Internal Revenue Code ("IRC") and is subject to the provisions of ERISA. The Plan document is a prototype plan prepared and maintained by the Plan Custodian. The prototype plan received a determination of qualification from the IRS. The Plan administrator believes that the Plan, as amended, is currently designed and being operated in compliance with the applicable requirements of the IRC and will remain exempt from federal income taxes.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

During 2022, certain Plan investments were managed by the Plan Custodian or affiliates of the Plan Custodian and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
