Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: FRAZER, LLP

(2) EIN: 95-4108809

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
the American Security Products Company 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of American Security Products Company 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of American Security Products Company 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of American Security Products Company 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about American Security Products Company 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of American Security Products Company 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about American Security Products Company 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates

directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMERICAN SECURITY PRODUCTS COMPANY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Note 1 - Description of plan

The following description of the American Security Products Company 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established by American Security Products Company 401(k) Plan (the "Plan Sponsor") to provide retirement income for its employees and is subject to the provisions of the Employee Retirement Income Security Act of 1974 as amended (ERISA). The Plan was established in February 2001 and is a defined contribution individual account profit sharing plan. Effectively January 01, 2021, the Plan restated the plan document, including new eligibility requirements, updated vesting schedule, and automatically withholding 1% of eligible participant compensation if they do not opt out of the Plan.

Eligibility

Employees of the Plan Sponsor are eligible to participate in the Plan upon obtaining both 21 years of age and completion of 30 days of service.

Contributions

The Plan allows for salary reduction contributions on a pretax basis in accordance with applicable rules under Section 401(k) of the Internal Revenue Code, as amended (the "Code"). In order to participate in the Plan, eligible participants must elect to have a salary reduction contribution made on their behalf. Participants are limited in the amount of pretax salary reduction contributions that they may make to the Plan under Section 402(g) of the Code. For 2022, the annual maximum amount is \$20,500. Participants age 50 or older may elect to defer up to an additional \$6,500 of "catch up" contributions to the plan.

The Plan Sponsor may make discretionary contributions to the Plan on a matching basis, as determined by the Plan Sponsor's Board of Directors. The Plan Sponsor contributions will be allocated to the participants' accounts on a pro rata basis based on the ratio of each participant's contributions to the percentage of the participant's total salary. The Plan Sponsor's discretionary contributions totaled \$140,795 for the year ended December 31, 2022.

Under provisions of the Plan, participants have the option to rollover contributions from a pension or profit sharing plan meeting the requirements of Internal Revenue Code Section 401(a) or any lump sum distribution received by a participant from a pension or profit sharing plan meeting the requirements of Internal Revenue Code 401(a).

AMERICAN SECURITY PRODUCTS COMPANY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 AND 2021

Note 1 - Description of plan (continued)

Participant accounts

Each participant's individual account is credited with participant contributions, the Plan Sponsor's contributions, and Plan investment earnings. Participants may choose to have their account balance deposited in various investment programs. Allocation of Plan investment earnings is based on the participant's account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and actual earnings thereon. Plan Sponsor contributions are fully vested for the participants after one year of service.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Each participant is permitted one outstanding loan at a time. Loan terms range from 1 year to a maximum of 5 years (a reasonable period of time in excess of 5 years if used to purchase participant's principal residence). The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Sponsor. Principal and interest are paid ratably through payroll deductions. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. Therefore, no allowance for credit losses has been recorded as of December 31, 2022 and 2021, respectively.

Investment options

Upon enrollment in the Plan, a participant may direct contributions in any of the accounts offered under the Plan. Participants may change their investment selections at any time.

Payments of benefits

Upon termination of service, a participant will receive benefits as a lump sum amount equal to the value of his/her account, distributed in accordance with the Plan, or installments over a period of not more than the assumed life expectancy of the participant. Benefit payments will be distributed in accordance with the participant's election.

Excess contributions payable

The Plan failed the actual deferral percentage test for the years ended December 31, 2022 and 2021. As a result, excess contributions in the amount of \$3,405 and \$28,131 were recorded as liabilities in the accompanying financial statements as of December 31, 2022 and 2021, respectively. These excess contributions were refunded to the applicable participants in the year following the failure.

AMERICAN SECURITY PRODUCTS COMPANY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 1 - Description of plan (continued)

Termination of the Plan

Although they have not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan at any time by resolution of its Board of Directors subject to the provisions of ERISA. In the event of Plan termination, the respective accounts of the participants under the Plan shall become fully vested and non-forfeitable.

Note 2 - Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates

The preparation of financial statements, in conformity with generally accepted accounting principles, requires the Plan Sponsor to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. The Plan Sponsor believes that the estimates utilized in preparing its financial statements are reasonable and prudent. Actual results could differ from these estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion on fair value measurements.

The pooled separate accounts are stated at the net asset value per share of the funds, which is based on the fair value of the funds' underlying net assets. The fair value of the net assets is based on quoted market prices. Participant loans are valued at amortized cost, which represents fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Forfeitures

Forfeitures are used to reduce Plan expenses and employer contributions to the Plan. The Plan Sponsor transferred the entire forfeiture carryover from the prior year and forfeitures from the current year, a total of \$1,414 and \$1,221, respectively to the cash account to pay Plan expenses during the year. For the year ended December 31, 2022, the Plan did not have an ending balance in forfeitures.

Note 2 - Summary of significant accounting policies (continued)

Payment of benefits

Benefits are recorded when paid in accordance with the plan document.

Administrative expenses

The Plan Sponsor pays substantially all administrative expenses associated with the administration of the Plan. Fees paid by the Plan are for member requested services.

Reclassifications

Certain prior period amounts have been reclassified to conform to the current period presentation. These classifications have no effect on net income.

Note 3 - Information certified by the custodian

The Plan Sponsor elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employment Retirement Income Security Act of 1974 (the Act). Accordingly, as permitted under such election, the following information was certified by John Hancock Life Insurance Company (USA), the Custodian of the Plan, and was not subjected to any audit procedures, except for comparing the information with the related information included in the financial statements and supplemental schedule:

- a. Investments as of December 31, 2022 and 2021 and the supplemental schedule.
- b. Custodian transactions, investment income, and investment transactions for the year ended December 31, 2022.

Note 4 - Fair value of financial instruments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

AMERICAN SECURITY PRODUCTS COMPANY 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 4 - Fair value of financial instruments (continued)

- Level 2 Inputs to the valuation methodology include
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Pooled separate accounts: Reported daily based on the valuation method disclosed in the contract and valuation of property market value by an appraiser. Pooled separate accounts are made up of a wide variety of underlying investments such as equities, preferred stock, bonds, real estate and mutual funds. The NAV is based on the market value of these underlying investments but is not a publicly quoted price in an active market.

Guaranteed interest contract: Valued at the price the Plan would receive if the contract was terminated at the reporting date, which is contract value less an early withdrawal fee. Guaranteed interest contracts are reported at contract value which is the aggregation of contributions, plus interest, less withdrawals, if any. Fair value is considered contract value adjusted to take into account the current rates of interest available in the market place. The contract value did not differ materially from the fair value at December 31, 2022 and 2021.

Shares of registered investment companies are valued at quoted market prices on the last business day of the year. Pooled separate accounts and the reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider. Group annuity accounts are not reported daily and are subject to significant unobservable inputs; contract value of group annuity accounts approximates fair value. Redemption for all investments, if currently eligible, is daily. Participant loans are the stated value of the amortized cost of the loan, taking into account the applicable interest rate, amortization, and repayments made for each loan.

Note 4 - Fair value of financial instruments (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table below sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 5 - Plan administration and party-in-interest transactions

Certain Plan investments are shares of mutual funds managed by John Hancock Life Insurance Company (USA). John Hancock Life Insurance Company (USA) is the Custodian under contract arrangements with the Plan Sponsor. The Plan's annual audit is performed by and audit fees are paid to Frazer, LLP. For the year ended December 31, 2022, the Plan had \$1,690 fees for investment, management, and other services. Audit fees to be paid by the Plan Sponsor are \$14,302 for the year ended December 31, 2022. These transactions qualify as party-in-interest transactions.

The Plan also invested in notes receivable from participants. As a result, these investments and all transactions relating to these investments were with parties-in-interest.

These transactions are exempt from being prohibited transactions under ERISA.

Note 6 - Income tax status

The Plan is a Prototype Profit Sharing 401(k) Plan by John Hancock Life Insurance Company. The plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. As such, the plan is exempt from income tax under Section 501(a) of the Code.

Note 7 - Reconciliation to form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to Form 5500:

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - Subsequent events

The Plan's management evaluated all events and transactions that occurred after December 31, 2022 up through the date the Plan issued these financial statements on October 9, 2023. Based on the evaluation performed, no additional disclosures were necessary.
