INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Steamfitters Local 602
Retirement Savings Plan
Baltimore, Maryland

Opinion

We have audited the accompanying financial statements of Steamfitters Local 602 Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Steamfitters Local 602 Retirement Savings Plan as of December 31, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Steamfitters Local 602 Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Steamfitters Local 602 Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Steamfitters Local 602 Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Steamfitters Local 602 Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held for investment as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

STEAMFITTERS LOCAL 602 RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 1. **Description of Plan**

The following brief description of the Steamfitters Local 602 Retirement Savings Plan (“the Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General - The Plan is a multiemployer defined contribution plan covering eligible members pursuant to collective bargaining agreements, employees of the Steamfitters Local Union No. 602 of the United Association of Journeymen and Apprentices of the Plumbing and Pipe Fitting Industry of the United States and Canada, and employees of the Heating, Piping and Refrigeration Training Fund. The Plan was established pursuant to an Agreement and Declaration of Trust, effective August 1, 1999, between the Steamfitters Local Union No. 602 of the United Association of Journeymen and Apprentices of the Plumbing and Pipe Fitting Industry of the United States and Canada, on the one part, and the Mechanical Contractors Association of Metropolitan Washington, D.C., Inc., on the other part. The Board of Trustees is responsible for the oversight of the Plan, appropriateness of the Plan’s investment offerings, and monitoring investment performance. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions - Employer contributions to the Plan are determined by collective bargaining agreements between Local Union No. 602 of the United Association of Journeymen and Apprentices of the Plumbing and Pipe Fitting Industry of the United States and Canada and the Mechanical Contractors Association of Metropolitan Washington, D.C. and contributing employers. Contribution rates ranged from \$3.78 to \$3.92 per hour during 2021 and 2022. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Plan currently offers various choices of pooled separate accounts, mutual funds, and an insurance investment contract as investment options for participants. Participants direct the investment of their contributions into various investment options offered by the Plan. A participant may change their investment allocation at any time.

Participant Accounts - Participant accounts are credited with contributions and Plan earnings, and charged a fee for the Plan’s administrative expenses. A participant’s share of investment earnings are based on the pro rata share of the investment fund’s earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting - Participants are 100% vested upon the establishment of a participant account.

STEAMFITTERS LOCAL 602 RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 1. **Description of Plan** - (Continued)

Payment of Benefits - Upon retirement, total and permanent disability, separation from covered employment, or death, a participant is entitled to receive a lump-sum amount or periodic payments equal to the value of the participant's account.

Note 2. **Significant Accounting Policies**

Basis of Accounting - The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Employer Contributions Receivable - This amount represents employer contributions related to work performed in the Plan year and received after the close of the Plan year. Additional amounts that may be due from delinquent contributing employers are not included. The amount of any delinquencies is estimated not to have a material effect on the financial statements. Employer contributions receivable are uncollateralized.

Investments Valuation and Income Recognition - Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Fees and Other Expenses - The Plan's expenses are paid by the Plan, as provided by the plan document. Expenses, including certain investment related expenses, incurred in connection with the general administration of the Plan, are recorded as deductions in the accompanying statements of changes in net assets available for benefits.

STEAMFITTERS LOCAL 602 RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 3. **Related Parties and Parties in Interest Transactions** - The Plan pays fees for several arrangements with service providers. Transactions with these service providers are considered exempt party in interest transactions under ERISA. These expenses are recorded as administrative expenses on the statements of changes in net assets available for benefits. Plan investments are managed by Empower, who is also the recordkeeper for the Plan. Empower is compensated by the Plan and the investment accounts for services provided to the Plan. Therefore, these transactions qualify as party in interest transactions.

Note 4. **Fair Value Measurements** - The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

STEAMFITTERS LOCAL 602 RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 4. Fair Value Measurements - (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021:

Pooled separate accounts - Valued based on the current market value of the underlying assets of the funds.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset values (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value:

Assets at fair value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 266,806,961	\$ -	\$ 266,806,961

STEAMFITTERS LOCAL 602 RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 5. **Guaranteed Investment Contract With Insurance Company** - The Plan has entered into a fully benefit-responsive guaranteed investment contract with Mass Mutual, described as the “Guaranteed Investment Contract”. Mass Mutual maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The contracts have a stated interest rate of 3.00% from January 1, 2021 to December 31, 2022 on all current contributions and prior balances. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the maturity date.

This Contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan’s ability to receive amounts due is dependent on the issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan) (2) changes to the Plan’s prohibition on competing investment options or deletion of equity wash provisions (3) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (4) premature termination of the contract. The Plan administrator does not believe that any events which would limit the contract issuer’s ability to transact at contract value with participants are probable of occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan’s investment guidelines (2) a breach of material obligation under the contract (3) a material misrepresentation or (4) a material amendment to the agreement without consent of the issuer.

STEAMFITTERS LOCAL 602 RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 6. **Reciprocity Agreements** - The Plan participates in reciprocity agreements whereby the Plan is required to remit funds received and is entitled to receive funds from participating employers on behalf of temporary employees to and from the employees' participating local unions. Reciprocal payments received are included in employer contributions in the statements of changes in net assets available for benefits. Payments made to other plans for reciprocal contributions collected on behalf of those plans, totaling \$875,842 and \$833,103 for 2022 and 2021, respectively, are not included in the statement of changes in net assets available for benefits as they do not represent an expense of the Plan.

Note 7. **Plan Termination** - It is the present intention of the Trustees to continue the Plan indefinitely. In the event of termination, the assets of the Plan, after providing for the expenses of the Plan, shall be distributed among the participants. No part of the assets shall be returned to or inure to the benefit of any participating employer.

Note 8. **Tax Status** - The Internal Revenue Service has determined and informed the Plan by a letter dated September 28, 2015, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified and that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9. **Risks and Uncertainties** - The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

STEAMFITTERS LOCAL 602 RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 10. **Concentration of Credit Risk** - Financial instruments, which potentially subject the Plan to concentrations of credit risk, include cash deposits with financial institutions. Cash balances with commercial banks are covered by the Federal Deposit Insurance Corporation (FDIC) up to specified limits. At December 31, 2022, the Plan's uninsured cash balances totaled \$1,907,728. The Plan believes it is not exposed to a significant risk on its cash accounts.

Note 11. **Plan Amendment** – The Trustees approved an amendment to the Plan during 2022 to modify the provisions for hardship distributions under the Plan.

Note 12. **Subsequent Events** - The Plan has evaluated subsequent events and transactions for potential recognition or disclosure through October 16, 2023, which is the date the financial statements were available to be issued.
