## INDEPENDENT AUDITOR'S REPORT

Board of Trustees  
McDougall & Sons, Inc. Retirement Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of the McDougall & Sons, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the McDougall & Sons, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the McDougall & Sons, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the McDougall & Sons, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the McDougall & Sons, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the McDougall & Sons, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedules, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), and Schedule H Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**McDOUGALL & SONS, INC.  
RETIREMENT PLAN**

**Notes to the Financial Statements  
December 31, 2022 and 2021**

**NOTE 1 - DESCRIPTION OF PLAN AND SUMMARY OF ACCOUNTING POLICIES**

The following description of the McDougall & Sons, Inc. Retirement Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan which provides for voluntary deferral of salaries under Section 401(k) of the Internal Revenue Code. The Plan is available to all employees of McDougall & Sons, Inc., McDougall Family Farming, Inc., and M<sup>3</sup> Storage, LLC who have completed a year of service during which they worked at least 1,000 hours. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective January 1, 1999, the Plan was amended to take advantage of new laws that provided for a "Safe Harbor" 401(k) Plan.

**Basis of accounting**

The financial statements of the Plan are prepared using the accrual method of accounting.

**Contributions**

Each year, employees may make contributions which do not exceed the maximum dollar amount allowed under the Internal Revenue Code. Employees may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The employer provides matching contributions at 100% of elective deferrals which do not exceed 3% of participant compensation, plus 50% of elective deferrals which exceed 3%, but do not exceed 5% of compensation. The employer may also, at its sole discretion, make an annual profit sharing contribution. There were no profit sharing contributions during 2022 or 2021.

**Participant accounts**

Each participant's account is credited with the participant's contribution, the employer matching contribution, and allocations of plan earnings, profit sharing contributions (if any), and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their contributions, employer matching and profit sharing contributions, and earnings thereon.

**Notes receivable from participants**

Participants may borrow from their fund accounts, generally in amounts up to the lesser of 50% of their vested account balance or \$50,000. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 7.00%, which is commensurate with prevailing rates, as determined monthly by the trustee. Principal and interest are paid ratably through payroll deductions.

**Notes to the Financial Statements**  
**December 31, 2022 and 2021**

**NOTE 1 - DESCRIPTION OF PLAN AND SUMMARY OF ACCOUNTING POLICIES**  
**(continued)**

**Notes receivable from participants (continued)**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022, and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

**Investments**

The Plan's investments are held in money market, fixed income and equity funds offered by Transamerica Life Insurance. Investments are reported at fair value as quoted by the company. Participant loans are recorded at their principal balance outstanding, which approximates fair value. The net appreciation in the fair value of investments is comprised of realized gains or losses on dispositions of investments in registered investment companies and the unrealized increase or decrease in the fair value of these investments held from the beginning of the Plan year or date of purchase, whichever is later.

The Plan allows for investment direction by individual participants. There are no restrictions on participant allocation among the available investment options. Participants may change their investment options at any time by telephone or on the internet.

**Administrative expenses**

The Plan absorbs its administrative expenses. Administrative expenses consist predominantly of record-keeping and investment management fees for the Plan.

**Use of estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**Risks and uncertainties**

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

**December 31, 2022 and 2021**

**NOTE 1 - DESCRIPTION OF PLAN AND SUMMARY OF ACCOUNTING POLICIES**  
**(continued)**

**Payment of benefits**

Payment of benefits may occur upon the retirement, termination of employment, or permanent disability of the participant. Normal retirement is at age 65. Benefits are recorded as paid. At December 31, 2022, the amount of unpaid vested benefits of individuals no longer employed by the Plan sponsor was \$1,727,213.

**Excess contributions payable**

Amounts payable to participants totaling \$2,291 for contributions in excess of amounts allowed by the IRS are recorded as accounts payable, with a corresponding reduction to 2022 contributions. The Plan distributed the 2022 excess contributions prior to October 13, 2023. There were no excess contributions for the year ended December 31, 2021.

**NOTE 2 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants may receive their nonforfeitable accrued benefits in a lump-sum payment or choose an annuity option.

**NOTE 3 - TAX STATUS**

The Internal Revenue Service has determined and informed the Plan's sponsor by a letter dated May 17, 1995, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan's administrators and the Plan's retirement plan tax advisors believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, they believe that the Plan is qualified and is tax exempt as of the financial statement date.

**NOTE 4 - FAIR VALUE MEASUREMENTS**

FASB ASC 820-10, *Fair Value Measurements*, provides a framework for establishing fair value using a hierarchy that prioritizes fair value measurement techniques based on the inputs used to derive them. The highest priority (Level 1) is assigned to unadjusted quoted prices in active markets for identical assets or liabilities. Level 2 includes values established using quoted prices for similar assets or liabilities in active markets or quoted prices for identical or similar assets or liabilities in inactive markets. The lowest priority (Level 3) is assigned to values established using unobservable inputs that are significant to the fair value measurement.

**NOTE 4 - FAIR VALUE MEASUREMENTS (continued)**

Mutual funds are valued at the net asset value of the shares held by the Plan at the dates of the Statements of Net Assets Available for Benefits. Participant loans are valued at amortized cost, which approximates fair value. The valuation methods used may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Further, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methods or assumptions could result in a different fair value measurement at the reporting date.

A summary of Plan assets by level within the fair value hierarchy is as follows at December 31, 2022 and 2021:
