INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Canvas, Inc. Retirement Plan
Huntsville, Alabama

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Canvas, Inc. Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Canvas, Inc. Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Canvas, Inc. Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Canvas, Inc. Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Canvas, Inc. Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Canvas, Inc. Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**CANVAS, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021**

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Canvas, Inc. Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

Date of Management's Review

Management has evaluated subsequent events through October 13, 2023, the date on which the financial statements were available to be issued.

General

The Plan is a defined contribution plan available to qualifying employees of Canvas, Inc. and Canvas Management Associates, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustee is responsible for oversight of the Plan. Effective January 1, 2021, the Plan amended the Company's matching contribution formula to 100% of participants' contributions, up to 6% of eligible compensation and also implemented an automatic enrollment feature to the Plan. On June 7, 2021, Canvas Management Associates, Inc. 401(k) P/S Plan was merged into the Plan.

Eligibility

Participation in the Plan is available to all eligible employees of the Company or any affiliate who has adopted the Plan and who have attained 21 years of age. Eligible employees must complete 1,000 hours of service to receive safe-harbor matching contributions. Eligible employees must also be employed by the Company at the end of the year and have completed 1,000 hours of service within the year, to receive profit sharing contributions.

Contributions

Each year, participants may contribute up to 100% of their annual compensation, as defined by the Plan, up to maximum amounts established by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions, up to maximum amounts established by the IRS. Participants may also contribute amounts representing distributions from other qualified plans, as defined by the Plan.

Participants may designate some or all of the salary deferral as a Roth deferral at the time the participant makes his or her deferral election. Once made, the election is irrevocable (that is, a Roth deferral cannot later be re-characterized as a pretax salary reduction). The amount of the Roth deferral is included in participants' income for tax purposes, and the income tax withholding amounts are deducted from the remainder of compensation, not from the Roth deferral amount.

The Company makes matching contributions equal to one hundred percent of participants' contributions, up to six percent of eligible compensation, as defined by the Plan. The Company may also decide to make discretionary matching contributions. The Company made discretionary contributions of \$500,586 and \$262,724 for the years ended December 31, 2022 and 2021, respectively.

See accompanying independent auditors' report

CANVAS, INC. RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS – CONTINUED
DECEMBER 31, 2022 AND 2021

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions and an allocation of the Company's contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants direct the investment of their contributions, as well as Company contributions, into various investment options offered by the Plan. Participants may make changes in their investment elections at any time.

Vesting

Participants are vested immediately in their voluntary contributions, rollover contributions, employer safe-harbor matching contributions, and employer discretionary profit sharing contributions, plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of a) \$50,000 reduced by excess (if any) of the highest outstanding balance of loans from the Plan on the date the loan is made, or b) 50% of their vested account balance. The loan is secured by the balance in the participant's account and bears interest at a rate determined by the Plan Administrator in accordance with Plan provisions. A loan is considered in default if the missed loan payment is not remitted at the time the required payment is due. Principal and interest are paid ratably through payroll deductions. Loan terms may not be greater than five years unless the loan is used for purchase of primary residence.

Payment of Benefits

Benefits commence upon one of several dates: retirement, disability, death, or termination of employment. Benefits are distributed by means of either direct rollover or lump sum distribution equal to the value of the participant's vested interest in his or her account or installment payments under various options.

Hardship Withdrawals

Participants are allowed withdrawals in the event of hardship due to immediate and heavy financial need as permitted by the U.S. Treasury regulations.

Forfeited Accounts

As of December 31, 2022 and 2021, forfeited non-vested accounts totaled \$3,992 and \$3,957, respectively. Forfeited accounts are first used to pay reasonable expenses; second, any remaining forfeitures shall be used to reduce employer contributions; and third, any remaining forfeitures shall be reallocated as employer contributions. There were no forfeitures used to reduce employer contributions for the years ended December 31, 2022 and 2021.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments in all of the funds are presented at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought, sold, and held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain expenses related to the administration of the Plan are allocated to the participant's account, in accordance with the Plan document, and are included in administrative expenses. Fees related to the administration of notes receivable from participants and payment of benefits to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation/depreciation of fair value of investments.

Concentration of Market Risk

As of December 31, 2022, approximately 10% of the Plan's investments balance was comprised of one investment. As of December 31, 2021, there were no significant concentrations in the Plan's investment balance. The underlying value of the investments is dependent on the performance of the individual investment holding and the market's evaluation of such performance. It is at least reasonably possible that changes in the fair value of the registered investments and their investment holdings in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 3 – INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The following is a summary of the Plan's asset information as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included throughout the Plan's financial statements and supplemental schedules, that was prepared by or derived from information provided by the Custodian and supplied to the Plan Administrator. The Plan Administrator has obtained a certification from the Custodian, Nationwide Trust Company, FSB, that information provided to the Plan Administrator by the Custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information in Notes 3 and 4, which appears throughout the financial statements and supplemental schedules related to the following assets:

	<u>2022</u>	<u>2021</u>
Investments at fair value:		
Cash and cash equivalents	\$ 155,594	\$ 64,804
Mutual funds	17,973,911	18,134,745
Total investments at fair value	<u>\$ 18,129,505</u>	<u>\$ 18,199,549</u>
Notes receivable from participants	<u>\$ 264,224</u>	<u>\$ 160,661</u>

Nationwide Trust Company, FSB also certified to the completeness and accuracy of \$3,781,792 of net depreciation in fair value of investments related to the aforementioned assets, including \$8,518 of interest on participant loans, for the year ended December 31, 2022.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

See accompanying independent auditors' report

NOTES TO FINANCIAL STATEMENTS – CONTINUED
DECEMBER 31, 2022 AND 2021

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used during the years ended December 31, 2022 or 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market funds: Valued at amortized cost which approximates fair value.

As required by FASB ASC 820, the Plan's portfolio investments were classified as follows, based on fair values at December 31, 2022 and 2021:

<u>Investment Level</u>	<u>2022</u>	<u>2021</u>
Level 1 Investments		
Cash and cash equivalents	\$ 155,594	\$ 64,804
Mutual funds	17,973,911	18,134,745
Total Level 1 Investments	18,129,505	18,199,549
Level 2 Investments	-	-
Level 3 Investments	-	-
Total assets in the fair value hierarchy	18,129,505	18,199,549
Investments at fair value	<u>\$ 18,129,505</u>	<u>\$ 18,199,549</u>

NOTE 5 – RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Nationwide Trust Company, FSB. Nationwide Trust Company, FSB is the Custodian as defined by the Plan, and therefore, these investment transactions qualify as party-in-interest transactions. The transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of ERISA regulations. Fees during the year for accounting, actuarial and other services rendered by parties in interest were based on customary and reasonable rates for such services.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. As participants are fully vested in all contributions, there would be no effect on the Plan vesting schedule.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities may occur in the near term and those changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 8 – TRANSFER FROM RELATED PLAN

During the Plan year ended December 31, 2021, the Plan received assets totaling \$1,363,060 from the Canvas Management Associates, Inc. 401(k) P/S Plan, which was merged into the Plan due to consolidation of related plans.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2022 and 2021 to Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 18,722,536	\$ 18,765,526
Participant contributions	(114,210)	-
Employer contributions	(209,179)	-
Other employer contributions	(8,978)	-
Excess contributions payable	3,560	-
Net assets available for benefits per the Form 5500	<u>\$ 18,393,729</u>	<u>\$ 18,765,526</u>

The following is a reconciliation of the net decrease in net assets per the financial statements for the year ended December 31, 2022 to Form 5500:

	<u>Year Ended</u> <u>December 31, 2022</u>
Net decrease in net assets available for benefits per the financial statements	\$ (42,990)

NOTE 10 – TAX STATUS

The IRS has determined and informed Goldleaf Partners, the Volume Submitter Plan Sponsor, by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 11 – NON-EXEMPT TRANSACTIONS

During the year ended December 31, 2021, employee contributions totaling \$331 were not remitted within the appropriate time period by the Plan Sponsor. These transactions constitute prohibited transactions, as defined by ERISA. The Plan Sponsor is aware of the occurrence and took corrective action subsequent to year end.
