A Name of plan SCIENTIFIC DRILLING INTERNATIONAL EMPLOYEE SAVING AND INVESTMENT PLAN	B Three-digit plan number (PN) ▶ 001
C Plan sponsor's name as shown on line 2a of Form 5500 SCIENTIFIC DRILLING INTERNATIONAL, INC.	D Employer Identification Number (EIN) 95-2670371

Part I	Service Provider Information (see instructions)
--------	---

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation
THE VANGUARD GROUP, INC.
23-1945930

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation
--

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation
--

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation
--

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation

2. Information on Other Service Providers Receiving Direct or Indirect Compensation. Except for those persons for whom you answered "Yes" to line 1a above, complete as many entries as needed to list each person receiving, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of value) in connection with services rendered to the plan or their position with the plan during the plan year. (See instructions).

SCHEDULE H (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Financial Information This schedule is required to be filed under section 104 of the Employee Retirement Income Security Act of 1974 (ERISA), and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500.	OMB No. 1210-0110 2022 This Form is Open to Public Inspection
For calendar plan year 2022 or fiscal plan year beginning <u>01/01/2022</u> and ending <u>12/31/2022</u>		
A Name of plan <u>SCIENTIFIC DRILLING INTERNATIONAL EMPLOYEE SAVING AND INVESTMENT PLAN</u>		B Three-digit plan number (PN) <u>001</u>
C Plan sponsor's name as shown on line 2a of Form 5500 <u>SCIENTIFIC DRILLING INTERNATIONAL, INC.</u>		D Employer Identification Number (EIN) <u>95-2670371</u>

Part I Asset and Liability Statement			
1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. Round off amounts to the nearest dollar. MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

(4) Net gain (loss) on sale of assets: (A) Aggregate proceeds	2b(4)(A)		
(B) Aggregate carrying amount (see instructions)	2b(4)(B)		
(C) Subtract line 2b(4)(B) from line 2b(4)(A) and enter result	2b(4)(C)		0
(5) Unrealized appreciation (depreciation) of assets: (A) Real estate	2b(5)(A)		
(B) Other	2b(5)(B)		
(C) Total unrealized appreciation of assets. Add lines 2b(5)(A) and (B)	2b(5)(C)		0

		(a) Amount	(b) Total
(6) Net investment gain (loss) from common/collective trusts	2b(6)		182662
(7) Net investment gain (loss) from pooled separate accounts	2b(7)		
(8) Net investment gain (loss) from master trust investment accounts	2b(8)		
(9) Net investment gain (loss) from 103-12 investment entities.....	2b(9)		
(10) Net investment gain (loss) from registered investment companies (e.g., mutual funds)	2b(10)		-23185086
c Other income	2c		17914
d Total income. Add all income amounts in column (b) and enter total	2d		-14471249
Expenses			
e Benefit payment and payments to provide benefits:			
(1) Directly to participants or beneficiaries, including direct rollovers	2e(1)	8446073	
(2) To insurance carriers for the provision of benefits	2e(2)		
(3) Other	2e(3)	8043	
(4) Total benefit payments. Add lines 2e(1) through (3)	2e(4)		8454116
f Corrective distributions (see instructions)	2f		
g Certain deemed distributions of participant loans (see instructions)	2g		
h Interest expense	2h		
i Administrative expenses: (1) Professional fees	2i(1)		
(2) Contract administrator fees	2i(2)		
(3) Investment advisory and management fees	2i(3)		
(4) Other	2i(4)	213512	
(5) Total administrative expenses. Add lines 2i(1) through (4)	2i(5)		213512
j Total expenses. Add all expense amounts in column (b) and enter total	2j		8667628
Net Income and Reconciliation			
k Net income (loss). Subtract line 2j from line 2d	2k		-23138877
l Transfers of assets:			
(1) To this plan	2l(1)		
(2) From this plan	2l(2)		

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: PANNELL KERR FORSTER OF TEXAS PC

(2) EIN: 76-0356844

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		5000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)			
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?			
4k		X	
l Has the plan failed to provide any benefit when due under the plan?			
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined
If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

SCHEDULE R (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Retirement Plan Information This schedule is required to be filed under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500.	OMB No. 1210-0110 2022 This Form is Open to Public Inspection.
For calendar plan year 2022 or fiscal plan year beginning 01/01/2022 and ending 12/31/2022

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Scientific Drilling International Employee Saving & Investment Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Scientific Drilling International Employee Saving & Investment Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets Held at End of Year, as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Pannell Kerr Forster of Texas, P.C.

Scientific Drilling International Employee Saving & Investment Plan

Notes to Financial Statements

December 31, 2022

Note 1 - Description of the Plan

The following description of Scientific Drilling International Employee Saving & Investment Plan (the "Plan") provides only general information. Participants should refer to the legal plan document for a more complete description of the Plan's provisions.

General

The Plan is a qualified retirement plan generally covering employees of Scientific Drilling International, Inc. and affiliates (collectively, the "Company"). The Plan was originally effective on May 1, 1988, and was most recently amended and restated effective January 1, 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan administration

Vanguard Fiduciary Trust Company (the "Trustee") is the trustee of the Plan. The duties of the trustee are to receive contributions and to invest and reinvest the trust assets of the Plan.

Eligibility

Employees, excluding those covered by a collective bargaining agreement, who complete one month of service are eligible to participate in the Plan on the first day of each respective payroll period following their date of eligibility.

Contributions

The Plan is a defined contribution plan to which participants may make pre-tax contributions from 1% to 100% of their compensation, as defined, during each year they are Plan participants, subject to certain limitations. Participants who have attained age 50 by December 31st of the calendar year are eligible to make catch-up contributions. Eligible employees are automatically enrolled in the Plan on a pre-tax basis at 3% of compensation, as defined. Participants are notified of the automatic enrollment and are given the opportunity to change their deferral rate or opt out of participation. On the first day of each subsequent Plan year, the deferral rate for participants that were automatically enrolled into the Plan will increase by 1% up to a maximum of 10%.

The Company may make discretionary employer matching contributions on behalf of all contributing participants regardless of service during the year or employment status. Effective January 2, 2022, the Company reinstated the discretionary employer match matching contribution equal to 50% of the participant's salary deferrals up to a maximum of 6% of eligible compensation.

Additionally, the Company may make discretionary nonelective profit sharing contributions to eligible participants who are employed on the last day of the Plan year and who have completed three consecutive months of service during the Plan year, regardless of whether the participant is deferring a percentage of their own compensation. The profit sharing contributions are allocated to eligible participants in proportion of their base salary to total eligible participants' base salaries. The Company did not make any profit sharing contributions for the Plan year 2022.

Scientific Drilling International Employee Saving & Investment Plan

Notes to Financial Statements

December 31, 2022

Note 1 - Description of the Plan (Continued)Participant accounts

Each participant's account is credited with the participant's contributions, employer contributions, and Plan earnings or losses. Participant accounts are charged with an allocation of administrative Plan expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and rollovers plus actual earnings thereon. Participants become fully vested in the Company's contributions upon attainment of age 65, attainment of age 55 with two years of vested service, death, or disability. Vesting in the Company's contributions for all others is based on years of vesting service as follows:

<u>Year(s) of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
2 years or more	100%

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The terms of the note are generally for up to five years, unless for the purchase of a principal residence which may be repaid over a longer period. The note is secured by the balance in the participant's account and bears interest at a commercially reasonable rate. Principal and interest are paid ratably through payroll deductions.

Payment of benefits

A participant may elect to withdraw funds from his or her account during his or her employment, subject to certain conditions. Upon termination of service, death or retirement, a participant may elect to receive a lump-sum payment equal to the entire vested portion of his or her account or a portion thereof. Installment payments are permitted for required minimum distributions. Upon termination, participants with a vested account balance of \$1,000 or less shall receive an automatic lump sum distribution from the Plan equal to the entire vested portion of the account. For participants who terminate with a vested account balance of more than \$1,000 but less than \$5,000, the Plan Administrator shall make a direct rollover into an individual retirement account. Upon withdrawal from the Plan or termination of employment, participants may be subject to income taxes on contributions and income earned.

Forfeited accounts

If a participant terminates employment before being fully vested, then the non-vested portion of the terminated participant's account balance remains in the Plan as a forfeiture. The Company may use forfeitures to pay Plan expenses or be used to reduce employer contributions.

Scientific Drilling International Employee Saving & Investment Plan

Notes to Financial Statements

December 31, 2022

Note 1 - Description of the Plan (Continued)Forfeited accounts (continued)

As of December 31, 2022 and 2021, forfeited non-vested accounts totaled \$145,165 and \$115,036, respectively. For the year ended December 31, 2022, \$59,487 in forfeitures were utilized to pay the Plan's administrative expenses.

Plan termination

Although the Company intends to maintain the Plan indefinitely, the Company reserves the right to terminate the Plan at any time. In the event of Plan termination, participants will become 100% vested in their accounts and no further contributions will be made to the Plan.

Note 2 - Summary of Significant Accounting PoliciesBasis of accounting

The accounts of the Plan are maintained, and the accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of benefits

Benefits are recorded when paid.

Scientific Drilling International Employee Saving & Investment Plan

Notes to Financial Statements

December 31, 2022

Note 2 - Summary of Significant Accounting Policies (Continued)Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in the fair value of investments.

Subsequent events

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued, and has determined that there are no subsequent events requiring disclosure.

Note 3 - Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held as of December 31, 2022 and 2021, and net depreciation in value of investments, interest and dividends from investments and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by the Company and agreed to or derived from information certified as complete and accurate by the Trustee.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board's Accounting Standards Codification Topic 820 are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Scientific Drilling International Employee Saving & Investment Plan

Notes to Financial Statements

December 31, 2022

Note 4 - Fair Value Measurements (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

- Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Collective trust - Valued at the NAV of units held. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV represents the Plan's fair value since this is the amount at which the Plan transacts with the fund.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 88,021,793	\$ -	\$ -	\$ 88,021,793
Total investments in the fair value hierarchy	88,021,793	-	-	88,021,793
Investments measured at NAV ^(a)				11,403,241
Total investments at fair value	\$ 88,021,793	\$ -	\$ -	\$ 99,425,034
	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$110,515,700	\$ -	\$ -	\$110,515,700
Total investments in the fair value hierarchy	110,515,700	-	-	110,515,700
Investments measured at NAV ^(a)				12,221,526
Total investments at fair value	\$221,031,400	\$ -	\$ -	\$122,737,226

(a) The collective trust is measured at NAV per share (or its equivalent) and has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Scientific Drilling International Employee Saving & Investment Plan

Notes to Financial Statements

December 31, 2022

Note 4 - Fair Value Measurements (Continued)Fair value of investments that calculate net asset value

The following table summarizes the collective trust measured at fair value based on NAVs per share as of December 31, 2022 and 2021, respectively.

<u>Year Ended</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
December 31, 2022	\$ 11,403,241	N/A	Daily	Daily
December 31, 2021	\$ 12,221,526	N/A	Daily	Daily

Vanguard Retirement Savings Trust III is a collective investment trust fund that invests solely in the Vanguard Retirement Savings Master Trust (the "Master Trust"). There are no redemption restrictions upon which the participant may redeem investments in the trust. The underlying investments of the Master Trust are primarily in pools of investment contracts that are issued by insurance companies and commercial banks and in contracts that are backed by high-quality bonds, bond and securities trusts and mutual funds. These investments have no unfunded commitments. The investments of the Master Trust are valued based on the aggregate market values of the applicable bonds, bond and securities trusts, and other investments. Total interest and dividends earned by the Plan in this fund for 2022 was \$182,662. The Plan's total interest in the Master Trust was 0.04% and 0.05% as of December 31, 2022 and 2021, respectively.

Note 5 - Tax Status

The prototype plan adopted by the Company received its latest opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (the "IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Service. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of December 31, 2022 and 2021. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires the Company to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 - Related Party Transactions and Party-In-Interest Transactions

Certain of the Plan's investments include shares in mutual funds and a collective trust fund are managed by the Trustee and, therefore, these transactions qualify as party-in-interest transactions. In addition, the Plan provides for notes receivable from participants, which are party-in-interest transactions that are exempt from the prohibited transaction rules.

Scientific Drilling International Employee Saving & Investment Plan

Notes to Financial Statements

December 31, 2022

Note 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Scientific Drilling International Employee Saving & Investment Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Scientific Drilling International Employee Saving & Investment Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets Held at End of Year, as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Scientific Drilling International Employee Saving & Investment Plan

Notes to Financial Statements

December 31, 2022

Note 1 - Description of the Plan

The following description of Scientific Drilling International Employee Saving & Investment Plan (the "Plan") provides only general information. Participants should refer to the legal plan document for a more complete description of the Plan's provisions.

General

The Plan is a qualified retirement plan generally covering employees of Scientific Drilling International, Inc. and affiliates (collectively, the "Company"). The Plan was originally effective on May 1, 1988, and was most recently amended and restated effective January 1, 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan administration

Vanguard Fiduciary Trust Company (the "Trustee") is the trustee of the Plan. The duties of the trustee are to receive contributions and to invest and reinvest the trust assets of the Plan.

Eligibility

Employees, excluding those covered by a collective bargaining agreement, who complete one month of service are eligible to participate in the Plan on the first day of each respective payroll period following their date of eligibility.

Contributions

The Plan is a defined contribution plan to which participants may make pre-tax contributions from 1% to 100% of their compensation, as defined, during each year they are Plan participants, subject to certain limitations. Participants who have attained age 50 by December 31st of the calendar year are eligible to make catch-up contributions. Eligible employees are automatically enrolled in the Plan on a pre-tax basis at 3% of compensation, as defined. Participants are notified of the automatic enrollment and are given the opportunity to change their deferral rate or opt out of participation. On the first day of each subsequent Plan year, the deferral rate for participants that were automatically enrolled into the Plan will increase by 1% up to a maximum of 10%.

The Company may make discretionary employer matching contributions on behalf of all contributing participants regardless of service during the year or employment status. Effective January 2, 2022, the Company reinstated the discretionary employer match matching contribution equal to 50% of the participant's salary deferrals up to a maximum of 6% of eligible compensation.

Additionally, the Company may make discretionary nonelective profit sharing contributions to eligible participants who are employed on the last day of the Plan year and who have completed three consecutive months of service during the Plan year, regardless of whether the participant is deferring a percentage of their own compensation. The profit sharing contributions are allocated to eligible participants in proportion of their base salary to total eligible participants' base salaries. The Company did not make any profit sharing contributions for the Plan year 2022.

Scientific Drilling International Employee Saving & Investment Plan

Notes to Financial Statements

December 31, 2022

Note 1 - Description of the Plan (Continued)Participant accounts

Each participant's account is credited with the participant's contributions, employer contributions, and Plan earnings or losses. Participant accounts are charged with an allocation of administrative Plan expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and rollovers plus actual earnings thereon. Participants become fully vested in the Company's contributions upon attainment of age 65, attainment of age 55 with two years of vested service, death, or disability. Vesting in the Company's contributions for all others is based on years of vesting service as follows:

<u>Year(s) of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
2 years or more	100%

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The terms of the note are generally for up to five years, unless for the purchase of a principal residence which may be repaid over a longer period. The note is secured by the balance in the participant's account and bears interest at a commercially reasonable rate. Principal and interest are paid ratably through payroll deductions.

Payment of benefits

A participant may elect to withdraw funds from his or her account during his or her employment, subject to certain conditions. Upon termination of service, death or retirement, a participant may elect to receive a lump-sum payment equal to the entire vested portion of his or her account or a portion thereof. Installment payments are permitted for required minimum distributions. Upon termination, participants with a vested account balance of \$1,000 or less shall receive an automatic lump sum distribution from the Plan equal to the entire vested portion of the account. For participants who terminate with a vested account balance of more than \$1,000 but less than \$5,000, the Plan Administrator shall make a direct rollover into an individual retirement account. Upon withdrawal from the Plan or termination of employment, participants may be subject to income taxes on contributions and income earned.

Forfeited accounts

If a participant terminates employment before being fully vested, then the non-vested portion of the terminated participant's account balance remains in the Plan as a forfeiture. The Company may use forfeitures to pay Plan expenses or be used to reduce employer contributions.

Scientific Drilling International Employee Saving & Investment Plan

Notes to Financial Statements

December 31, 2022

Note 1 - Description of the Plan (Continued)Forfeited accounts (continued)

As of December 31, 2022 and 2021, forfeited non-vested accounts totaled \$145,165 and \$115,036, respectively. For the year ended December 31, 2022, \$59,487 in forfeitures were utilized to pay the Plan's administrative expenses.

Plan termination

Although the Company intends to maintain the Plan indefinitely, the Company reserves the right to terminate the Plan at any time. In the event of Plan termination, participants will become 100% vested in their accounts and no further contributions will be made to the Plan.

Note 2 - Summary of Significant Accounting PoliciesBasis of accounting

The accounts of the Plan are maintained, and the accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of benefits

Benefits are recorded when paid.

Scientific Drilling International Employee Saving & Investment Plan

Notes to Financial Statements

December 31, 2022

Note 2 - Summary of Significant Accounting Policies (Continued)Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in the fair value of investments.

Subsequent events

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued, and has determined that there are no subsequent events requiring disclosure.

Note 3 - Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held as of December 31, 2022 and 2021, and net depreciation in value of investments, interest and dividends from investments and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by the Company and agreed to or derived from information certified as complete and accurate by the Trustee.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board's Accounting Standards Codification Topic 820 are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Scientific Drilling International Employee Saving & Investment Plan

Notes to Financial Statements

December 31, 2022

Note 4 - Fair Value Measurements (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

- Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Collective trust - Valued at the NAV of units held. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV represents the Plan's fair value since this is the amount at which the Plan transacts with the fund.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 88,021,793	\$ -	\$ -	\$ 88,021,793
Total investments in the fair value hierarchy	88,021,793	-	-	88,021,793
Investments measured at NAV ^(a)				11,403,241
Total investments at fair value	\$ 88,021,793	\$ -	\$ -	\$ 99,425,034
	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$110,515,700	\$ -	\$ -	\$110,515,700
Total investments in the fair value hierarchy	110,515,700	-	-	110,515,700
Investments measured at NAV ^(a)				12,221,526
Total investments at fair value	\$221,031,400	\$ -	\$ -	\$122,737,226

(a) The collective trust is measured at NAV per share (or its equivalent) and has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Scientific Drilling International Employee Saving & Investment Plan

Notes to Financial Statements

December 31, 2022

Note 4 - Fair Value Measurements (Continued)Fair value of investments that calculate net asset value

The following table summarizes the collective trust measured at fair value based on NAVs per share as of December 31, 2022 and 2021, respectively.

<u>Year Ended</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
December 31, 2022	\$ 11,403,241	N/A	Daily	Daily
December 31, 2021	\$ 12,221,526	N/A	Daily	Daily

Vanguard Retirement Savings Trust III is a collective investment trust fund that invests solely in the Vanguard Retirement Savings Master Trust (the "Master Trust"). There are no redemption restrictions upon which the participant may redeem investments in the trust. The underlying investments of the Master Trust are primarily in pools of investment contracts that are issued by insurance companies and commercial banks and in contracts that are backed by high-quality bonds, bond and securities trusts and mutual funds. These investments have no unfunded commitments. The investments of the Master Trust are valued based on the aggregate market values of the applicable bonds, bond and securities trusts, and other investments. Total interest and dividends earned by the Plan in this fund for 2022 was \$182,662. The Plan's total interest in the Master Trust was 0.04% and 0.05% as of December 31, 2022 and 2021, respectively.

Note 5 - Tax Status

The prototype plan adopted by the Company received its latest opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (the "IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Service. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of December 31, 2022 and 2021. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires the Company to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 - Related Party Transactions and Party-In-Interest Transactions

Certain of the Plan's investments include shares in mutual funds and a collective trust fund are managed by the Trustee and, therefore, these transactions qualify as party-in-interest transactions. In addition, the Plan provides for notes receivable from participants, which are party-in-interest transactions that are exempt from the prohibited transaction rules.

Scientific Drilling International Employee Saving & Investment Plan

Notes to Financial Statements

December 31, 2022

Note 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Scientific Drilling International Employee Saving & Investment Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Scientific Drilling International Employee Saving & Investment Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets Held at End of Year, as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2022

Note 1 - Description of the Plan

The following description of Scientific Drilling International Employee Saving & Investment Plan (the "Plan") provides only general information. Participants should refer to the legal plan document for a more complete description of the Plan's provisions.

General

The Plan is a qualified retirement plan generally covering employees of Scientific Drilling International, Inc. and affiliates (collectively, the "Company"). The Plan was originally effective on May 1, 1988, and was most recently amended and restated effective January 1, 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Plan administration

Vanguard Fiduciary Trust Company (the "Trustee") is the trustee of the Plan. The duties of the trustee are to receive contributions and to invest and reinvest the trust assets of the Plan.

Eligibility

Employees, excluding those covered by a collective bargaining agreement, who complete one month of service are eligible to participate in the Plan on the first day of each respective payroll period following their date of eligibility.

Contributions

The Plan is a defined contribution plan to which participants may make pre-tax contributions from 1% to 100% of their compensation, as defined, during each year they are Plan participants, subject to certain limitations. Participants who have attained age 50 by December 31st of the calendar year are eligible to make catch-up contributions. Eligible employees are automatically enrolled in the Plan on a pre-tax basis at 3% of compensation, as defined. Participants are notified of the automatic enrollment and are given the opportunity to change their deferral rate or opt out of participation. On the first day of each subsequent Plan year, the deferral rate for participants that were automatically enrolled into the Plan will increase by 1% up to a maximum of 10%.

The Company may make discretionary employer matching contributions on behalf of all contributing participants regardless of service during the year or employment status. Effective January 2, 2022, the Company reinstated the discretionary employer match matching contribution equal to 50% of the participant's salary deferrals up to a maximum of 6% of eligible compensation.

Additionally, the Company may make discretionary nonelective profit sharing contributions to eligible participants who are employed on the last day of the Plan year and who have completed three consecutive months of service during the Plan year, regardless of whether the participant is deferring a percentage of their own compensation. The profit sharing contributions are allocated to eligible participants in proportion of their base salary to total eligible participants' base salaries. The Company did not make any profit sharing contributions for the Plan year 2022.

Scientific Drilling International Employee Saving & Investment Plan

Notes to Financial Statements

December 31, 2022

Note 1 - Description of the Plan (Continued)Participant accounts

Each participant's account is credited with the participant's contributions, employer contributions, and Plan earnings or losses. Participant accounts are charged with an allocation of administrative Plan expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and rollovers plus actual earnings thereon. Participants become fully vested in the Company's contributions upon attainment of age 65, attainment of age 55 with two years of vested service, death, or disability. Vesting in the Company's contributions for all others is based on years of vesting service as follows:

<u>Year(s) of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
2 years or more	100%

Notes receivable from participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The terms of the note are generally for up to five years, unless for the purchase of a principal residence which may be repaid over a longer period. The note is secured by the balance in the participant's account and bears interest at a commercially reasonable rate. Principal and interest are paid ratably through payroll deductions.

Payment of benefits

A participant may elect to withdraw funds from his or her account during his or her employment, subject to certain conditions. Upon termination of service, death or retirement, a participant may elect to receive a lump-sum payment equal to the entire vested portion of his or her account or a portion thereof. Installment payments are permitted for required minimum distributions. Upon termination, participants with a vested account balance of \$1,000 or less shall receive an automatic lump sum distribution from the Plan equal to the entire vested portion of the account. For participants who terminate with a vested account balance of more than \$1,000 but less than \$5,000, the Plan Administrator shall make a direct rollover into an individual retirement account. Upon withdrawal from the Plan or termination of employment, participants may be subject to income taxes on contributions and income earned.

Forfeited accounts

If a participant terminates employment before being fully vested, then the non-vested portion of the terminated participant's account balance remains in the Plan as a forfeiture. The Company may use forfeitures to pay Plan expenses or be used to reduce employer contributions.

Scientific Drilling International Employee Saving & Investment Plan

Notes to Financial Statements

December 31, 2022

Note 1 - Description of the Plan (Continued)Forfeited accounts (continued)

As of December 31, 2022 and 2021, forfeited non-vested accounts totaled \$145,165 and \$115,036, respectively. For the year ended December 31, 2022, \$59,487 in forfeitures were utilized to pay the Plan's administrative expenses.

Plan termination

Although the Company intends to maintain the Plan indefinitely, the Company reserves the right to terminate the Plan at any time. In the event of Plan termination, participants will become 100% vested in their accounts and no further contributions will be made to the Plan.

Note 2 - Summary of Significant Accounting PoliciesBasis of accounting

The accounts of the Plan are maintained, and the accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021.

Payment of benefits

Benefits are recorded when paid.

Scientific Drilling International Employee Saving & Investment Plan

Notes to Financial Statements

December 31, 2022

Note 2 - Summary of Significant Accounting Policies (Continued)Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in the fair value of investments.

Subsequent events

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued, and has determined that there are no subsequent events requiring disclosure.

Note 3 - Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held as of December 31, 2022 and 2021, and net depreciation in value of investments, interest and dividends from investments and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by the Company and agreed to or derived from information certified as complete and accurate by the Trustee.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board's Accounting Standards Codification Topic 820 are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Scientific Drilling International Employee Saving & Investment Plan

Notes to Financial Statements

December 31, 2022

Note 4 - Fair Value Measurements (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021.

- Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Collective trust - Valued at the NAV of units held. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV represents the Plan's fair value since this is the amount at which the Plan transacts with the fund.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 88,021,793	\$ -	\$ -	\$ 88,021,793
Total investments in the fair value hierarchy	88,021,793	-	-	88,021,793
Investments measured at NAV ^(a)				11,403,241
Total investments at fair value	\$ 88,021,793	\$ -	\$ -	\$ 99,425,034
Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$110,515,700	\$ -	\$ -	\$110,515,700
Total investments in the fair value hierarchy	110,515,700	-	-	110,515,700
Investments measured at NAV ^(a)				12,221,526
Total investments at fair value	\$221,031,400	\$ -	\$ -	\$122,737,226

- (a) The collective trust is measured at NAV per share (or its equivalent) and has not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Scientific Drilling International Employee Saving & Investment Plan

Notes to Financial Statements

December 31, 2022

Note 4 - Fair Value Measurements (Continued)Fair value of investments that calculate net asset value

The following table summarizes the collective trust measured at fair value based on NAVs per share as of December 31, 2022 and 2021, respectively.

<u>Year Ended</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
December 31, 2022	\$ 11,403,241	N/A	Daily	Daily
December 31, 2021	\$ 12,221,526	N/A	Daily	Daily

Vanguard Retirement Savings Trust III is a collective investment trust fund that invests solely in the Vanguard Retirement Savings Master Trust (the "Master Trust"). There are no redemption restrictions upon which the participant may redeem investments in the trust. The underlying investments of the Master Trust are primarily in pools of investment contracts that are issued by insurance companies and commercial banks and in contracts that are backed by high-quality bonds, bond and securities trusts and mutual funds. These investments have no unfunded commitments. The investments of the Master Trust are valued based on the aggregate market values of the applicable bonds, bond and securities trusts, and other investments. Total interest and dividends earned by the Plan in this fund for 2022 was \$182,662. The Plan's total interest in the Master Trust was 0.04% and 0.05% as of December 31, 2022 and 2021, respectively.

Note 5 - Tax Status

The prototype plan adopted by the Company received its latest opinion letter dated June 30, 2020, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (the "IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Service. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of December 31, 2022 and 2021. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires the Company to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 - Related Party Transactions and Party-In-Interest Transactions

Certain of the Plan's investments include shares in mutual funds and a collective trust fund are managed by the Trustee and, therefore, these transactions qualify as party-in-interest transactions. In addition, the Plan provides for notes receivable from participants, which are party-in-interest transactions that are exempt from the prohibited transaction rules.

Scientific Drilling International Employee Saving & Investment Plan

Notes to Financial Statements

December 31, 2022

Note 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
