Independent Auditors' Report

To the Administrative Committee of the
Definitive Media Corp. 401 (K) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Definitive Media Corp. 401 (K) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, have elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statement section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Ashton Trevethan & Company

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Ashton Trevethan & Company

We are required to communicate with those charged with governance regarding, among other matters, the timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedules agrees to, or are derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2022

NOTE 1: DESCRIPTION OF PLAN

The following description of the Definitive Media Corp. 401 (K) Plan (the “Plan”), provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, established January 1, 2022. Definitive Media Corp., doing business as THREAD (the “Company”) is the Plan sponsor. Effective September 1, 2022 net assets available for benefits of \$7,966,850 were transferred to the Plan, and participants of the Plan were eligible to start contributing to the Plan through Pre-tax and Roth 401 (K) deferrals.

Reliance Trust Company (“Reliance”) served as the Trustee, and ADP Retirement Services served as the record keeper for the Plan for 2022. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

An eligible participant, as defined by the Plan, is eligible to participate in the Plan upon attainment of age twenty-one and the completion of one month of service. Prior service with Clinical Services Corporate Operations, Inc. (“CSCO”) will count towards the service requirements of the Plan.

Contributions

The Plan includes an eligible automatic enrollment contribution arrangement. Participants are automatically enrolled at a 3% pre-tax deferral contribution upon attainment of the eligibility requirements, unless the Plan receives documentation from the participant before this date to do otherwise

Eligible employees may elect to contribute between 1% and 50% of their annual compensation on a pre-tax or Roth 401K basis or any combination of the two, as defined in the Plan, subject to certain IRC limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Plan utilizes a safe harbor design under Internal Revenue Service (“IRS”) regulations in which employee pre-tax, Roth and employer matching contributions are not subject to discrimination testing. The Company matches 100% of a participant’s contribution, not exceeding 3% of compensation plus 50% of a participant’s contribution in excess of 3%, not to exceed 5% of compensation. Safe harbor matching contributions of \$25,366 are included in employer contribution receivable at December 31, 2022.

The Company may elect to make a discretionary matching contribution equal to a uniform percentage of the participant’s salary deferral, not to exceed 4% of compensation. In addition, the Company may also elect to make a profit-sharing contribution on behalf of each participant at the discretion of management. Participants must be employed on the last day of the Plan year to receive the employer profit sharing contribution.

NOTE 1: DESCRIPTION OF PLAN (continued)

Participant Accounts

Each participant's separate account is credited with the participant's contribution, matching contributions and profit-sharing contributions, if any, and earnings on the account. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

On termination of service due to separation from the Company, retirement, permanent disability or death, a participant may receive a lump-sum amount equal to the value of the participant's vested account. Retirement age is defined as 59 ½. Hardship withdrawals are allowed by the Plan in accordance with Plan provisions and Internal Revenue Service ("IRS") regulations. In-service withdrawals are allowed when the participant reaches retirement age.

Vesting

The Plan provides for full and immediate vesting of the employees and employer matching contributions. Vesting in the profit-sharing contribution portion of the participant's account plus actual earnings thereon is based on years of service. The vesting schedule is as follows:

<u>Completed Years of Service</u>	<u>Percent Vested</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeited Accounts

Forfeitures represent nonvested profit sharing contributions of participants that have terminated their employment with the Company. Forfeitures are allocated to participants in the ratio which the compensation of each participant for the plan year bears to total compensation for the plan year. As of December 31, 2022, there were no unallocated forfeited balances.

Notes Receivable from Participants

Participants may borrow from their fund account balances a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. A maximum of two loans per participant may be outstanding at any one time. Loan terms cannot exceed five years unless it is towards the purchase of a principal residence. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 9.0%, which are commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest is paid ratably through semi-monthly payroll deductions.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Administrative Expenses

Administrative expenses of the Plan, other than loan processing fees, are paid by the Company.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested in their account balances.

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation

The Plan's investments are stated at fair value, except for the common/collective trust fund which is valued at contract value as described in Note 3.

Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net appreciation (depreciation) in fair value of investments consists of net realized gains and losses on the sale of investments and net unrealized appreciation (depreciation) of investments.

Notes Receivable from Participants

Notes receivable from participants are measured at amortized cost, which represents unpaid principal balance plus accrued but unpaid interest, and are classified as notes receivable from participants.

Risks and Uncertainties

The Plan's investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits in the future.

Notes to Financial Statements

NOTE 3: FAIR VALUE MEASUREMENTS

A fair value hierarchy (Level 1, Level 2, or Level 3) is used to categorize fair value amounts based on the quality of inputs used to measure fair value. Accordingly, fair values determined by Level 1 inputs utilize unadjusted quoted prices in active markets for identical assets or liabilities. Fair values determined by Level 2 inputs are based on quoted prices for similar assets or liabilities in active markets, and inputs other than quoted prices that are observable for the asset or liability. Level 3 inputs are unobservable inputs for the asset or liability for which there is little, if any, market activity at the measurement date. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair values of its applicable assets and liabilities. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The valuation methods used to measure the Plan's financial instruments at fair value are as follows:

- Mutual funds are measured at fair value using a market approach based on quotations from national securities exchanges and are categorized in Level 1 of the fair value hierarchy.
- The common/collective trust invests solely in a master trust, which primarily holds investments in fully benefit-responsive investment contracts, and is valued at the net asset value of units of the common/collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. There are no imposed restrictions as to the redemption of these investments.

The following tables' present information about the Plan's assets measured at fair value on a recurring basis and indicate the fair value hierarchy of the inputs utilized to determine the fair values as of December 31, 2022.

	Investments at Fair Value as of December 31, 2022		
	Level 1	Levels 2&3	Total
Mutual funds	\$ 8,448,632	-	8,448,632
Total assets in the fair value hierarchy	\$ 8,448,632	-	8,448,632
Common/collective trusts measured at contract value (a)			32,214
Total investments			\$ 8,480,846

(a) In accordance with ASC Topic 820 and as described in Note 2, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

There were no transfers between levels for assets held as of December 31, 2022.

NOTE 4: RELATED PARTY TRANSACTIONS

The Plan invests in certain funds managed by the Trustee; therefore, transactions related to these funds qualify as party-in-interest transactions that are allowable under ERISA. The Plan does not consider any Company contributions to the Plan to be party-in-interest transactions. The Company provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged.

Notes to Financial Statements

December 31, 2022

NOTE 7: TAX STATUS

The Plan obtained its latest opinion letter dated October 6, 2020 in which the Internal Revenue Service stated that ADP Inc. Non-standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan was in compliance with the applicable requirements of the Internal Revenue Code (the “IRC”). The Plan has been amended since receiving the opinion letter. However, the Plan Sponsor and tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdiction; however, there are currently no audits for any tax periods in progress. The Plan sponsor believes the Plan is not subject to tax examinations for Plan years prior to 2022.

NOTE 8: SUBSEQUENT EVENTS

The Plan has evaluated subsequent events for recognition or disclosure through October 12, 2023, the date which the financial statements were available to be issued.
