INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor and Board of Directors of
Advanced Behavioral Health, Inc. 401(k) Plan
Frederick, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of Advanced Behavioral Health, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Advanced Behavioral Health, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by3 and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ADVANCED BEHAVIORAL HEALTH, INC. 401(k) PLAN NOTES TO FINANCIAL STATEMENTS

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Advanced Behavioral Health, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Advanced Behavioral Health, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Advanced Behavioral Health, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

ADVANCED BEHAVIORAL HEALTH, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Advanced Behavioral Health, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H – Line 4i – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by4 and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ADVANCED BEHAVIORAL HEALTH, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN

General

Advanced Behavioral Health, Inc., the Company, sponsors the Advanced Behavioral Health, Inc. 401(k) Plan, the Plan, which is a defined contribution plan. Substantially all employees of the Company are eligible to participate in the Plan subject to the eligibility criteria discussed below.

The trustees are responsible for oversight of the Plan.

The Plan enables qualified employees of the Company to voluntarily defer pre-tax and/or after-tax compensation to provide additional income for retirement in accordance with Internal Revenue Code (IRC) Section 401(k). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan provisions.

Eligibility and Contributions

Participants are eligible on the first day of the month on or after they are 18 or older and are considered an eligible employee. A participant is eligible unless they are:

- Represented by a bargaining unit that has bargained with us in good faith about retirement benefits
- A nonresident alien with no U.S. income or all such income is exempt from U.S. income tax
- A leased employee
- An employee who is employed by the Employer who is a resident of Puerto Rico
- A part-time, temporary, or seasonal employee who is regularly scheduled to work less than 1,000 hours, until such time as the employee works 1,000 hours in a 12-month period defined in the plan

Participants are automatically enrolled to defer a percentage of their pay unless they choose a different percentage or choose not to defer. The deferral percentage will increase each first day of the plan year by 1%, up to a maximum percentage of 6%, unless a different percentage is chosen.

The participants deferral will be pre-tax elective deferral contributions unless they choose to designate any as a portion of Roth elective deferral contributions by a deferral agreement.

The Company will match a contribution equal to elective deferral contributions, as determined by the Company for the entire plan year. The Company concluded that they would match 100% of the participants 401(k) elective deferral which are not over 3% of the participants pay, plus 50% of the 401(k) elective deferral contributions over 3% of the participants pay, but not over 5% of the participants pay. Matching contributions are made for all active participants in the pay period. Matches are calculated by gross pay per pay period.

ADVANCED BEHAVIORAL HEALTH, INC. 401(k) PLAN

A participant may be granted two loans during a one-year period and may not be more than 50% of their vested account, or \$50,000, reduced by any outstanding loan balances. The minimum amount for a loan is \$500 and is secured by the participant's vested account. Interest rates will be comparable to commercial lending institutions and will not change once the loan is granted. Payments for the loan will be due quarterly at minimum and paid through payroll deductions.

ADVANCED BEHAVIORAL HEALTH, INC. 401(k) PLAN NOTES TO FINANCIAL STATEMENTS

Payment of Benefits

Benefits will be paid on or after normal retirement date if a participant is no longer employed, have a vested account, and elected the benefit to be paid. Normal retirement age is considered the older of 65 or the participant's age on the date three years after the date they entered the plan.

Under law, benefits will be paid on April 1 following the later of the calendar year in which the participant reaches age 73 or stops working for the Company.

On termination of service or age 59½, a participant may elect to receive a distribution up to the value of the participant's vested interest in his or her account. Participant's may leave their account under the plan at termination if the vested account is more than \$5,000. Hardship withdrawals also are available for active employees subject to certain limitations.

Should a participant pass away, the vested account will be distributed to the participant's spouse or beneficiary in a single sum.

Administrative Expenses

Administrative expenses may be paid by either the Plan sponsor or the Plan, as provided by the Plan document. Loan administration fees are paid by the participant electing to take the loan. Processing fees are applicable for any loan repayments that are not deducted via payroll.

Forfeitures

Forfeitures occur upon participants termination of employment before becoming entitled to full benefits under the Plan. Forfeitures are used to reduce the employer contributions or pay administrative expenses as necessary. At the end of December 31, 2022 and 2021, forfeited accounts totaled \$39,839 and \$32,010, respectively.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with generally accepted accounting principles ("GAAP") in the United States of America.

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor's management determines the Plan's valuation policies utilizing information provided by Principal. See Note 4 for a discussion of fair value measurements.

ADVANCED BEHAVIORAL HEALTH, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the financial statements.

Subsequent Events

Management has evaluated all events and transactions that occurred after December 31, 2022 through October 17, 2023 the date these financial statements were available to be issued.

Income Tax Status

On August 8, 2014, the IRS stated that the volume submitter plan adopted by the Plan, as then designed, qualifies under section 401(a) of Internal Revenue Code ("IRC"). The Plan has not received a determination letter specific to the Plan itself, and the volume submitter plan has been amended since the opinion letter was received; however, the plan administrator and the Plan's trustee believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

NOTE 3. INVESTMENTS

The Plan's investments are held in trust by the trustee. The Plan's trust agreement requires the trustee to invest the Plan's assets into various fund options as directed by each participant. During the year ended December 31, 2022, the Plan's net appreciation (depreciation) in investments (including gains and losses on investments bought and sold, as well as held during the year) resulted primarily from common/collective trusts.

NOTE 4. FAIR VALUE MEASUREMENTS

The Plan accounts for certain assets and liabilities at fair value. The hierarchy below lists three levels of fair value based on the extent to which inputs used in measuring fair value are observable in the market. The Plan categorizes each of our fair value measurements in one of these three levels based on the lowest level input that is significant to the fair value measurement in its entirety. These levels are:

Level 1 – Unadjusted quoted prices available in active markets for identical investments as of the reporting date.

Level 2 – Observable inputs to the valuation methodology are other than Level 1 inputs, which are either directly or indirectly observable as of the reporting date, and fair value can be determined

ADVANCED BEHAVIORAL HEALTH, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

using models or other valuation methodologies.

Level 3 – Inputs to the valuation methodology are unobservable for the asset or liability.

The prior Plan's financial instruments were measured at fair value based on net asset value per share as of December 31, 2022:

December 31, 2022				
Investments	(Level 1)	(Level 2)	(Level 3)	Total Amount
Registered Investments	\$ 311,300	\$ -	\$ -	\$ 311,300

Total	<u>\$ 4,873,754</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,873,754</u>

The Plan's financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels discussed as of December 31, 2021:

NOTE 5. INFORMATION CERTIFIED BY THE PLAN CUSTODIAN (Unaudited)

Principal, agent for the Trustee, holds the Plan's investment assets and executes transactions therein. Financial information relating to those assets, including investments and notes receivable from participants, is included in the accompanying financial statements based on information supplied to the Plan administrator and certified as complete and accurate by Principal. That information, which has not been audited by independent auditors, is summarized below.
