INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Families and Communities Rising, Inc. 401(k) Plan
Durham, North Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Families and Communities Rising, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Families and Communities Rising, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Teachers Insurance and Annuity Association – College Retirement Equities Fund (TIAA-CREF), as of December 31, 2022 and 2021, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

CONTINUED

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Families and Communities Rising, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Families and Communities Rising, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT

CONTINUED

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Families and Communities Rising, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Families and Communities Rising, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 and 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to

the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FAMILIES & COMMUNITIES RISING, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN:

The following description of the Families & Communities Rising, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Families & Communities Rising, Inc. (the "Organization") who meet the age and service requirements of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective, January 1, 2021, the Plan was amended to cover all employees who have completed twelve months of eligible service, worked 1,000 hours and attained age twenty-one, and to allow participants to obtain loans outside the plan secured by their vested account balances. The Administrative Committee is responsible for oversight of the Plan. The Administrative Committee determines the appropriateness of the Plan’s investment offerings and monitors investment performance and reports to the Board of Directors. TIAA-CREF serves as the trustee of the Plan (the “Trustee”).

Contributions

Participants are permitted to make pre-tax elective contributions from the participant’s compensation up to the maximum that is statutorily allowed for a given tax year. The Plan also allows catch up contributions for participants who have attained age 50 before the end of the Plan year. For 2022 and 2021, the Organization match was 100% of employee deferrals up to 5% of employee’s eligible compensation; however, the match is not applicable to employee catch up deferrals. Eligible employees may also contribute amounts representing distributions from other qualified plans, except for Roth elective contributions. Profit sharing and supplemental match contributions are not permitted by the Plan. Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and the Organization’s matching contribution. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

FAMILIES & COMMUNITIES RISING, INC. 401(k) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2022 AND 2021****1. DESCRIPTION OF PLAN: (Continued)****Vesting**

Participants are immediately vested in their contributions, rollover contributions, and contributions made by the Organization, plus actual earnings thereon.

Notes Receivable from Participants (Participant Loans)

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the vested balance in the participant's account and bear interest rates commensurate with local prevailing rates as determined by the plan administrator. The loan interest rates determined quarterly, range from 4.25 percent to 7.25 percent on loans outstanding at December 31, 2022, and mature through 2027. Principal and interest is paid ratably through monthly payroll deductions.

Payment of Benefits

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan permits distributions in the event of disability, death, retirement age, termination of employment or hardships upon meeting the financial burden requirements set forth in the Plan's provisions. Upon separation of service, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Plan Loans

Participants were able to borrow directly from TIAA-CREF, one of two contract holders of the Plan. Adequate security is required, and a portion of the participant's account is reserved, or held as collateral, to cover 110% of the outstanding loan in case of default. The collateral is held in the TIAA Traditional Annuity as either part of a Group Supplemental Retirement Account contract or as a separate Retirement Loan contract. The minimum loan is \$1,000 and may be up to the lesser of \$50,000 or 50% of their account balance. The loan interest rate for these Plan loans may be fixed or variable and the initial rate is determined by the terms of the controlling contract as are the rate adjustment details and frequency. These amounts are not considered assets of the Plan. There were seven plan loans in default at December 31, 2022 and eight plan loans in default at December 31, 2021 and these defaults are treated as deemed distributions in the plan year the default occurred.

TIAA-CREF, in 2020, ceased offering plan loans. The last plan loan issued was in January 2020 and the longest-term loan matures June 2029.

See Independent Auditor's Report

FAMILIES & COMMUNITIES RISING, INC. 401(k) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2022 AND 2021****1. DESCRIPTION OF PLAN: (Continued)****Forfeitures**

At December 31, 2022 and 2021, there were no forfeited non-vested accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**Basis of Presentation**

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of net assets available for benefits of a defined contribution benefit plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The plan does not have a fully benefit-responsive investment contract. See Note 4 for more details about the non-benefit responsive investment contract called the TIAA Traditional Annuity.

Use of Estimates and Assumptions

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except when fully benefit-responsive investment contracts are held and reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the recordkeeper and custodian. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment performance includes the Plan's gains and losses on investments bought and sold as well as held during the year.

See Independent Auditor's Report

FAMILIES & COMMUNITIES RISING, INC. 401(k) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2022 AND 2021****2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)****Investment Valuation and Income Recognition (Continued)**

Investment income (including expenses), except for the TIAA Traditional Annuity, of an account are allocated on a pro rata basis to each class of shares. Income is reflected in each funds' daily net asset values (NAVs). At the close of each day, transactions are converted into the appropriate number of shares based on the dollar amount of transactions and the value of the shares as of the effective date of the fee transaction. The total shares owned by the participants are multiplied by the NAVs as of the end of the day to determine the participants' closing balance. The closing balances include all investment activities (including fees and expenses) for the day. Based on the income method described, except for the TIAA Traditional Annuity, dividend and interest income is presented as net appreciation in fair value of investments.

Notes Receivable from Participants (Participant Loans)

Notes receivable from participants are measured at their unpaid principle balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. No allowance for credit losses have been recorded as of December 31, 2022 or 2021.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Organization pays substantially all administrative expenses incurred by the Plan that include professional fees related to the preparation of the Plan's tax returns, audit fees, and attorney fees. Investment management and recordkeeping fees are paid directly from the fund managed by TIAA-CREF. These fees are reflected in each funds' daily NAVs as described in the Investment Valuation and Income Recognition methodology noted above. See Note 6 for details of expenses paid out of Plan assets to a party-in-interest.

Subsequent Events

The Plan has evaluated subsequent events through October 5, 2023, the date the financial statements were available to be issued.

Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information that was certified by the Trustee, Teachers Insurance and Annuity Association – College Retirement Equities Fund (TIAA-CREF), except for comparing such information included in the financial statements and supplemental schedule.

4. TIAA TRADITIONAL NON-BENEFIT RESPONSIVE GROUP RETIREMENT ANNUITY:

TIAA Traditional Non-Benefit Responsive Group Retirement Annuity (TIAA Traditional) is an unallocated fixed rate annuity (insurance) contract that is fully and unconditionally guaranteed by TIAA. The TIAA Traditional provides a guarantee of principal, a guaranteed minimum rate of interest (generally 3%, but in some recent contracts between 1% and 3%) and the potential for additional interest if declared by TIAA. Additional interest, when declared, remains in effect for the "declaration year," which begins each March 1. Additional interest is not guaranteed for future

(Continued)**

years. Contributions to a participant's account purchases a guaranteed amount of lifetime annuity income.

When a participant's account in the TIAA Traditional is annuitized based on available options, the present value of the stream of payments is equal to the account balance. The subsequent stream of annuity payments occurs outside of the Plan and does not represent an obligation of the Plan. The guarantees and returns of the TIAA Traditional are backed by TIAA's claims-paying ability.

The TIAA Traditional is a non-benefit responsive annuity contract. The contract is included in the statements of net assets available for benefits at fair value.

Fair value is determined by discounting the future cash flows value calculated using appropriate risk-adjustment market discount rates which correlate closely with TIAA Traditional historical credit ratings. The contract value of the TIAA Traditional equals the accumulated cash contributions, interest credited to the Plan's contracts, and transfers (if any), less any withdrawals and transfers (if any). Based on the above, management has determined the fair value of the annuity does not differ significantly from the contract value. No adjustment of the annuity contract from fair value to contract value was necessary.

The fair value of the TIAA Traditional at December 31, 2022 and 2021 was \$455,252 and \$457,262 respectively. There are no reserves against the investment value for credit risk of TIAA. The average yield earned was approximately 4% for 2022 and 2021. The average crediting interest rate by TIAA Traditional was 3.85% and 3.42% for the years ended December 31, 2022 and 2021, respectively. Such interest rates are reviewed and valued daily.

The annuity contract provides that Plan participants initiating withdrawals permitted under a participating plan will be paid at contract value. Withdrawals from the annuity contract investment may be made at contract value for the qualified benefit payments, including participant-initiated transactions. The TIAA Traditional attempts to reduce the risk of significant withdrawals by applying the following liquidity restrictions:

- Lump-sum withdrawals are permitted within 120 days following termination of employment and are subject to a 2.5% surrender charge.
- Participant-initiated transfers may only be made in 10 annual installments over a period of nine years plus one day.
- Participant-initiated withdrawals are limited to five annual installments following termination of employment.

See Independent Auditor's Report

FAMILIES & COMMUNITIES RISING, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

4. TIAA TRADITIONAL NON-BENEFIT RESPONSIVE GROUP RETIREMENT ANNUITY: (Continued)

The annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Certain events limit the ability of the plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investing options, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exception from federal income taxes or required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

5. FAIR VALUE MEASUREMENTS:

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

See Independent Auditor's Report

FAMILIES & COMMUNITIES RISING, INC. 401(k) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2022 AND 2021****5. FAIR VALUE MEASUREMENTS: (Continued)**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Annuity Contract: Valued at fair value by TIAA-CREF by discounting the future cash flows value calculated using appropriate risk-adjusted market discount rates which correlate closely with TIAA Traditional Annuity's historical credit rating as described in Note 4. In determining the reasonableness of the methodology, the Administrative Committee evaluates a variety of factors including review of the existing contract, economic conditions, market developments, and TIAA credit rating. Certain unobservable inputs are assessed through review of the contract terms while others are substantiated utilizing available market data.

Registered Investment Companies: Valued at their net asset value (NAV) on the valuation date which are the daily closing prices as reported by the fund. These funds are required to publish their daily NAV and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

Real Estate Account: Valued based on the valuation methodologies as described in the REA annual audited 10-K report filed with the Securities and Exchange Commission for the years ended December 31, 2022 and 2021. The REA determination of fair value is based upon quoted market prices, where available. If listed prices or quotes are not available, fair value is based upon vendor-provided, evaluated prices or internally-developed models that primarily use market-based or independently-sourced market data, including interest rate yield curves, market spreads, and currency rates. Valuation adjustments are made to reflect changes in credit quality, counterparty's credit worthiness, the REA's creditworthiness, liquidity, and other observable and unobservable inputs that are applied consistently over time. These methods for the REA are considered to produce fair values that represent a good faith estimate of what an unaffiliated buyer in the marketplace would pay to purchase the assets or would receive to transfer the liability.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at NAV *				2,962
Investments at fair value				<u>\$ 7,316,766</u>

*In accordance with Subtopic 820-10 as amended by ASU 2015-07, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair values represented in this table are intended to permit reconciliation of the fair value hierarchy table to the line item presented in the statement of net assets available for benefits.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

DECEMBER 31, 2022 AND 2021

5. FAIR VALUE MEASUREMENTS: (Continued)

The Plan evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. See the table below for transfers in and out of levels 1, 2, or 3.

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the year ended December 31, 2022:

	Annuity Contract	Real Estate Account	Total Level 3 Investments
Balance, Beginning of Year	\$ 457,262	\$ 133,472	\$ 590,734
Earnings	4,731	16	4,747
Realized Gains	1,847	3,111	4,958
Unrealized Appreciation (Depreciation) in Investments	11,391	8,217	19,608
Purchases	5,117	3,573	8,690
Sales	(16,536)	(638)	(17,174)

Real Estate Account	\$ 2,962	N/A	Daily	N/A

6. PARTY-IN-INTEREST TRANSACTIONS:

All of the Plan's assets are invested in funds that are managed by the Trustee. Indirect fees paid to the Trustee by the Plan are netted in investment earnings. The Company provides limited administrative services to the Plan at no cost to the Plan. These transactions qualify as party-in-interest transactions.

7. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

FAMILIES & COMMUNITIES RISING, INC. 401(k) PLAN**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2022 AND 2021****8. TAX STATUS:**

The Organization adopted the Cherry Bekaert LLP Defined Contribution Prototype Non-Standardized Profit Sharing Plan with CODA Plan and Trust effective January 1, 1997 which was restated January 1, 2021. The prototype plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the form of the plan, as designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC.) Although the Plan has been amended since receiving the advisory opinion, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and the North Carolina Department of Revenue. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
