Advanced Training and Rehab, LLC 401(k) Profit Sharing Plan & Trust

## Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Advanced Training and Rehab 401(k) Profit Sharing Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

## Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Advanced Training and Rehab 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

1401 East 104th Street, Suite 100, Kansas City, MO 64131-4507 • Voice (816) 363-8700 Fax (816) 363-7117 • www.marrandcompany.com

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Advanced Training and Rehab 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Advanced Training and Rehab 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Supplemental Schedules Required by ERISA**

The supplemental schedule of Assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
December 31, 2022

## NOTE 1: DESCRIPTION OF THE PLAN

The following description of the Cobalt Ventures (the "Company") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document or the *Summary Plan Description* for a more complete description of the Plan's provisions, which is available from the Plan administrator.

A. General

The Plan is a defined contribution plan covering all full-time employees of the Company or its Affiliates, who have at least one month of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Contributions

Participants may contribute up to 96% of pretax annual compensation as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, participants aged 50 or older, who are making contributions to the Plan, are allowed to make catch up contributions as defined in the Plan.

The Company may, at its discretion, make contributions to the Plan on behalf of the participants. Contributions are subject to certain limitations. The Company made contributions equal to 100% of the first 3% and 50% of the next 2%, of eligible compensation contributed to the plan, for the year ended December 31, 2022.

C. Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contribution and plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Participants are also immediately vested in any Company contributions.

E. Notes Receivable from Participants

Participants may borrow from their fund account a minimum of $1,000 up to a maximum of the lesser of $50,000 or one half of their vested account balances. The loan is secured by the balance in the participant's account and bears interest at rates of 4.25% to 8%, which is commensurate with local prevailing rate as determined by the Plan administrator.

NOTE 1: DESCRIPTION OF THE PLAN (continued)

F. Payment of Benefits

A participant's interest in the Plan becomes distributable upon his or her termination of employment due to death, retirement, resignation or dismissal, permanent disability, or at such time as the Plan is terminated. Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his/her account or a joint and survivor's annuity.

Notwithstanding the foregoing, if the vested value of the participant's account does not exceed, or at any time prior to distribution did not exceed $5,000, his or her vested account will be distributed in a single lump-sum payment to the participant without the consent of the participant or his or her spouse.

Additionally, the Plan allows for withdrawals to be made from a participant's account once he or she reaches age 59½ or is able to demonstrate financial hardship. A participant may withdraw all or a portion of his or her account balance upon a written request to the Plan administrator.

G. Forfeitures

There were no forfeitures for the year ended December 31, 2022. The forfeitures' account balance as of December 31, 2022 and 2021, was $0 and $0, respectively.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

D. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. No allowance for credit loss has been recorded as of December 31, 2022 or 2021.

E. Payment of Benefits

Benefit payments to participants are recorded when paid.

F. Administrative Expenses

Certain expenses of the Plan are paid by the Company and are not included in the statement of change in net assets available for benefits. Fees related to administration of notes receivable from participants are charged directly to the participant's account and are include in administrative expenses. Investment related expenses are included with net appreciation of fair value of investments.

G. Subsequent Events

For the year ended December 31, 2022, the Company has evaluated subsequent events for potential recognition and disclosure through October 13, 2023, the date of financial issuance.

NOTE 3: FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level I - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include –

- quoted prices for similar assets or liabilities in active markets,
- quoted prices for identical assets or liabilities in inactive markets,
- inputs other than quoted prices that are observable for the asset or liability, and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 inputs must be observable for substantially the full term of the asset or liability.

NOTE 3: FAIR VALUE MEASUREMENTS (continued)

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

| | Assets at Fair Value as of December 31, 2022 | | | | |
|---|---|---|---|---|---|
| | Fair Market Value | Level 1 | Level 2 | Level 3 | Total |
| Investments: | | | | | |
| Mutual Funds | $3,512,442 | $3,512,442 | $ 0 | $ 0 | $3,512,442 |
| Total | $3,512,442 | $3,512,442 | $ 0 | $ 0 | $3,512,442 |

| | Assets at Fair Value as of December 31, 2021 | | | | |
|---|---|---|---|---|---|
| | Fair Market Value | Level 1 | Level 2 | Level 3 | Total |
| Investments: | | | | | |
| Mutual Funds | $4,010,050 | $4,010,050 | $ 0 | $ 0 | $4,010,050 |
| Total | $4,010,050 | $4,010,050 | $ 0 | $ 0 | $4,010,050 |

NOTE 4: INVESTMENT EARNINGS

For the year ended December 31, 2022, the Plan's investments (including gains and losses on investments bought, sold and held during the year) appreciated in value as follows:

| | Dividend Income | Realized Gain | Unrealized Gain | Total |
|---|---|---|---|---|
| Mutual Funds | $ 40,750 | $ 79,614 | $(937,885) | $(817,521) |

NOTE 5: INFORMATION CERTIFIED BY TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation in fair value of the investments, interest, and dividends for the year ended December 31, 2022, was obtained or derived from information supplied the plan administrator and certified as complete and accurate by Mid Atlantic Trust Company, the Trustee.

NOTE 6: RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by Mid Atlantic Trust Company. Mid Atlantic Trust Company is the trustee as defined by the plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan to Mid Atlantic Trust Company for the investment management and administration amounted to $6,537 for the year ended December 31, 2022.

The Company provides certain accounting, administrative and investment management services to the Plan for which no fees are charged. All of these party-in interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7: PLAN TERMINATION

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue all contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 8: PLAN TAX STATUS

The Internal Revenue Service has determined and informed the company by a letter dated May 18, 2004, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

NOTE 8: PLAN TAX STATUS (continued)

Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax exempt. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or an asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor. The Plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for tax periods in progress.

NOTE 9: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
