Board of Directors
Peterman Heating, Cooling & Plumbing, Inc. 401(k) Plan
Greenwood, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Peterman Heating, Cooling & Plumbing, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Sponsor may also contribute a discretionary amount to the Plan at the option of the Sponsor's Board of Directors. The Sponsor made no discretionary contributions in 2022.

Participant Investment Programs

The Plan has an investment management agreement with John Hancock to invest the assets of the Plan. Contributions are invested at the participant's discretion in one or more investment funds. Participants may change investment options on a daily basis.

Participant Accounts

Each participant's account is credited with the participant's contributions and Sponsor matching contributions, as well as allocations of the Sponsor's discretionary contributions, Plan earnings and losses and is charged with an allocation of administrative expenses to the extent such expenses are paid by the Plan. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

Note 1. Continued

Vesting

All participants are immediately vested in their voluntary contributions and allocated earnings or losses thereon. Participants are also immediately invested in any safe harbor matching contributions, and allocated earnings and losses thereon, made on behalf of the Sponsor. Participants' interests in any Sponsor contributions other than safe harbor matching contributions, and allocated earnings or losses thereon, vest according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Participants must be employed for twelve months of elapsed time to complete one year of vesting service. Regardless of the years of service, the participant's employer contribution account becomes fully vested in the event of death, disability or the attainment of normal retirement age (age 65).

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to the lesser of \$50,000 or 50 percent of the fair value of the participant's vested account balance. Note terms range from one to five years, unless used for the purchase of a primary residence and are collateralized by the balance in the participant's account. Loan interest rates are set commensurate with rates available for bank loans of comparable risk with similar terms. The notes bear interest at rates ranging from 4.25 to 7.25 percent. Principal and interest are to be paid not less frequently than quarterly.

Payment of Benefits

Benefits are generally payable upon termination, retirement, death or disability. Benefits may be paid by lump-sum payment or in equal installments, as defined by the Plan. Hardship distributions are also available from participants' elective deferral accounts, excluding earnings on such deferrals, subject to regulatory requirements.

Forfeitures

Forfeitures, which result from participants withdrawing from the Plan prior to fully vesting in Sponsor contributions and earnings or losses thereon, are used to reduce future employer contributions or pay Plan expenses. As of December 31, 2022 and 2021, there were no unallocated forfeitures. For the year ended December 31, 2022, there were no forfeitures used to pay Plan expenses or reduce employer contributions.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Accounting Policies

Basis of Presentation

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion and disclosures related to fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized and unrealized gains and losses in the Plan's investments are included in net depreciation in fair value of investments in the statement of changes in net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative expenses of the Plan, to the extent that the Sponsor does not pay such expenses, are paid by the Plan.

Note 3. Information Certified and Provided by John Hancock Life Insurance Company

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule of assets held at December 31, 2022 and 2021, and net depreciation in fair value of investments and interest and dividend income for the year ended December 31, 2022, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by John Hancock, the trustee of the Plan.

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements

Financial Accounting Standards Board ASC Topic 820, Fair Value Measurement ("ASC 820") establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
 - quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,595,256	\$ -	\$ -	\$ 3,595,256
Total investments at fair value	\$ 3,595,256	\$ -	\$ -	\$ 3,595,256

Note 4. Continued

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,139,935	\$ -	\$ -	\$ 3,139,935
Total investments at fair value	\$ 3,139,935	\$ -	\$ -	\$ 3,139,935

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan agreement to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, the accounts of all participants become fully vested and the assets of the Plan, after the payment of expenses, would be distributed to the participants.

Note 6. Tax Status

The Sponsor has adopted a volume submitter plan whose practitioner obtained its latest advisory letter on June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The volume submitter plan has been amended since receiving the advisory letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and, therefore, believes the Plan is qualified and the related financial statements are tax-exempt.

Note 7. Related Party Transactions and Party-In-Interest Transactions

Certain Plan investments are mutual funds managed by John Hancock, the trustee of the Plan. Therefore, these transactions qualify as party-in-interest transactions. Administrative fees paid by the Plan to the trustee totaled \$23,866 for the year ended December 31, 2022.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Subsequent Events

Subsequent events were evaluated through October 13, 2023, the date the financial statements were available to be issued.

What's New

An extension of time to file Form 5500 Series (Form 5500, Annual Return/Report of Employee Benefit Plan; Form 5500-SF, Short Form Annual Return/Report of Small Employee Benefit Plan; Form 5500-EZ, Annual Return of One-Participant (Owners and Their Spouses) Retirement Plan); and/or Form 8955-SSA, Annual Registration Statement Identifying Separated Participants With Deferred Vested Benefits; and an extension of time to file Form 5330, Return of Excise Taxes Related to Employee Benefit Plans, must be submitted on separate Forms 5558. A signature is not required for an extension of time to file Form 5500 series and Form 8955-SSA. However, a signature is required for an extension of time to file Form 5330.

Future Developments

For the latest information about developments related to Form 5558 and its instructions, such as legislation enacted after they were published, go to www.irs.gov/Form5558.

Purpose of Form

Use Form 5558 to apply for a one-time extension of time to file the Form 5500 series, Form 8955-SSA, or Form 5330.

To avoid processing delays, the most recent version of this Form 5558 should always be used. For example, this Form 5558 (Rev. September 2018) should be used instead of the August 2012 version or any other prior version. To determine the most recent version of this form, go to www.irs.gov/Retirement.

Where To File

File Form 5558 with the Department of Treasury, Internal Revenue Service Center, Ogden, UT 84201-0045.

Private delivery services. You can use certain private delivery services (PDS) designated by the IRS to meet the "timely mailing as timely filing" rule for tax returns. Go to www.irs.gov/PDS for the current list of designated services.

The PDS can tell you how to get written proof of the mailing date.

For the IRS mailing address to use if you're using PDS, go to www.irs.gov/PDSStreetAddresses.

PDS can't deliver items to P.O. boxes. You must use the U.S. Postal Service to mail any item to an IRS P.O. box address.

Specific Instructions

Part I. Identification

A. Name and Address

Enter your name and address in the heading if you are requesting an extension of time to file the Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA, or Form 5330.

The plan sponsor (generally, the employer for a single-employer plan) or plan administrator listed on the application should be the same as the plan sponsor or plan administrator listed on the annual return/report filed for the plan.

Include the suite, room, or other unit number after the street address. If the Post Office does not deliver mail to the street address and you have a P.O. box, show the box number instead of the street address.

If the entity's address is outside the United States or its possessions, or territories, enter in the space for city or town, state, and ZIP code, the information in the following order: city, province or state, and country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

If your mailing address has changed since you filed your last return, use Form 8822-B, Change of Address or Responsible Party—Business, to notify the IRS of the change. A new address shown on Form 5558 will not update your records. You can get Form 8822-B at www.irs.gov/Form8822B.

B. Filer's Identifying Number

Employer identification number (EIN). Enter the nine-digit EIN in an XX-XXXXXXX format, assigned to the employer for all applications filed for the Form 5500 series (Form 5500, Form 5500-SF, Form 5500-EZ) and/or Form 8955-SSA. Also enter the EIN for applications filed for Form 5330 (see *Social security number (SSN)* next for exceptions).

An entity that does not have an EIN should apply online by visiting the IRS website at www.irs.gov/EIN. The organization may also apply for an EIN by faxing or mailing Form SS-4 to the IRS. Customers outside the United States or U.S. possessions may also apply for an EIN by calling 267-941-1099 (toll call).

Social security number (SSN). If you made excess contributions to a section 403(b)(7)(A) custodial account or you are a disqualified person other than an employer, and you are applying for an extension of time to file Form 5330, enter your nine-digit SSN in an XXX-XX-XXXX format. Do not enter your SSN for Form 5500, Form 5500-SF, Form 5500-EZ, or Form 8955-SSA.

C. Plan Information

Complete the plan name, plan number, and plan year ending for the plan included on this Form 5558.

Part II. Extension of Time To File Form 5500 Series and/or Form 8955-SSA

Use Form 5558 to apply for a one-time extension of time to file the Form 5500 series (Form 5500, Form 5500-SF, Form 5500-EZ) and/or Form 8955-SSA.

Do not include the Form 5500 series (Form 5500, Form 5500-SF, Form 5500-EZ) or the Form 8955-SSA with this form.

Exception: Form 5500, Form 5500-SF, Form 5500-EZ, and Form 8955-SSA filers are automatically granted extensions of time to file until the extended due date of the federal income tax return of the employer (and are not required to file Form 5558) if both of the following conditions are met: (1) the plan year and the employer's tax year are the same; and (2) the employer has been granted an extension of time to file its federal income tax return to a date later than the normal due date for filing the Form 5500, Form 5500-SF, Form 5500-EZ, or Form 8955-SSA. An extension granted under this exception cannot be extended further by filing a Form 5558 after the normal due date of the Form 5500, Form 5500-SF, Form 5500-EZ, or Form 8955-SSA.

An extension of time to file a Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA does not operate as an extension of time to file the PBGC (Pension Benefit Guaranty Corporation) Form 1, Annual Premium Payment.

How to file. A separate Form 5558 must be used for each plan for which an extension is requested. For example, if an employer maintains a defined benefit plan and a profit-sharing plan, a separate Form 5558 must be filed for each plan. A single Form 5558 may, however, be used to extend the time to file a plan's Form 5500 series return/report and its Form 8955-SSA.

Lists of other plans should not be attached to a Form 5558. Only the plan listed on Form 5558 will be processed. Lists attached to the Form 5558 will not be processed.

When to file. To request an extension of time to file Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA, file Form 5558 on or before the return/report's normal due date. The normal due date is the date the Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA would otherwise be due, without extension.

Applications for extension of time to file Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA that are filed on or before the return/report's normal due date on a properly completed Form 5558 will be automatically approved to the date that is no later than the 15th day of the 3rd month after the return/report's normal due date.

Note: If the filing date falls on a Saturday, Sunday, or a legal holiday, the return may be filed on the next day that is not a Saturday, Sunday, or a legal holiday.

Approved copies of Form 5558 requesting an extension of time to file Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA will not be returned to the filer from the IRS.

Line 1. Check this box if the extension of time being requested on line 2 is for the first Form 5500 series return/report filed for the plan. This box should not be checked if the plan previously filed a Form 5500 series return/report at any time for any year.

Line 2. Enter on line 2 the due date for which you are requesting to file Form 5500, Form 5500-SF, or Form 5500-EZ. This date should not be later than the 15th day of the 3rd month after the normal due date of the return/report.

When using Form 5558 to request an extension of time to file Form 5500, Form 5500-SF, or Form 5500-EZ, plan sponsors or plan administrators are not required to sign the form. If Form 5558 is timely filed and complete, you will be granted an extension to not later than the 15th day of the 3rd month after the return/report's normal due date to file Form 5500, Form 5500-SF, or Form 5500-EZ.

Line 3. Enter on line 3 the due date for which you are requesting to file Form 8955-SSA. This date should not be later than the 15th day of the 3rd month after the normal due date of the return.

When using Form 5558 to request an extension of time to file Form 8955-SSA, plan sponsors or plan administrators are not required to sign the form. If Form 5558 is timely filed and complete, you will be granted an extension to not later than the 15th day of the 3rd month after the return's normal due date to file Form 8955-SSA.

Part III. Extension of Time To File Form 5330

File one Form 5558 to request an extension of time to file Form 5330 for excise taxes with the same filing due date. For specific information on excise tax due dates, see the Instructions for Form 5330.

How to file. A separate Form 5558 must be used for an extension of time to file Form 5330. For example, if an employer maintains a profit-sharing plan and wishes to request extensions of time to file Form 5500 and Form 5330 for the plan, a separate Form 5558 must be used for an extension of time to file Form 5500 and an extension of time to file Form 5330.

An extension of time to file does not extend the time to pay the tax due. Any tax due must be paid with this application for an

extension of time to file Form 5330. Additionally, interest is charged on taxes not paid by the due date even if an extension of time to file is granted.

Note: The IRS will no longer return stamped copies of the Form 5558 to filers who request an extension of time to file a Form 5330. Instead, you will receive a computer-generated notice to inform you if your extension is approved or denied. Because of this change, we ask you to attach a photocopy of this notice to your Form 5330.

When to file. To request an extension of time to file Form 5330, file Form 5558 in sufficient time for the IRS to consider and act on it before the return's normal due date.

The normal due date is the date the Form 5330 would otherwise be due, without extension.

Line 4. On line 4, enter the requested due date. If your application for extension of time to file Form 5330 is approved, you may be granted an extension of up to 6 months after the normal due date of Form 5330.

Line 4a. Indicate the section(s) for the excise tax for which you are requesting an extension.

Line 4b. Enter the amount of tax estimated to be due with Form 5330 and attach your payment to this form.

Make your check or money order payable to "United States Treasury." Do not send cash. On all checks or money orders, write your name, filer's identifying number (EIN or SSN), plan number, Form 5330 section number, and the tax year to which the payment applies.

Line 5. The IRS will grant a reasonable extension of time (not to exceed 6 months) for filing Form 5330 if you file a timely application showing that you are unable to file Form 5330 because of circumstances beyond your control. Clearly describe these circumstances. Generally, an application will be considered on the basis of your own efforts to fulfill this filing responsibility, rather than the convenience of anyone providing help in preparing the return. However, consideration will be given to any circumstances that prevent your practitioner, for reasons beyond his or her control, from filing the return by the normal due date, and to circumstances in which you are unable to get needed professional help in spite of timely efforts to do so.

If we grant you an extension of time to file Form 5330 and later find that the statements made on this form are false or misleading, the extension will be null and void. A late filing penalty associated with the form for which you filed this extension will be charged.

Signature

If you are filing Form 5558 for an extension of time to file Form 5330, the Form 5558 must be signed. The person who signs this form may be an employer, a plan sponsor, a plan administrator, a disqualified person required to file Form 5330, an attorney or certified public accountant qualified to practice before the IRS, a person enrolled to practice before the IRS, or a person holding a power of attorney.

If you are filing Form 5558 for an extension of time to file Form 5500 series return/report or Form 8955-SSA, a signature is not required.

Privacy Act and Paperwork Reduction Act Notice

We ask for the information on this form to carry out the Internal Revenue laws of the United States and the Employee Retirement Income Security Act of 1974 (ERISA). We need it to determine if you are entitled to an extension of time to file Form 5500, Form 5500-SF, Form 5500-EZ, and/or Form 8955-SSA, or Form 5330. You are not required to request an extension; however, if you want an extension, section 6081 requires you to provide the information. Section 6109 requires you to provide your identification number. Failure to provide this information may delay or prevent processing your request; providing false information may subject you to penalties.

You are not required to provide the information requested on a form that is subject to the Paperwork Reduction Act unless the form displays a valid OMB control number. Books or records relating to a form or its instructions must be retained as long as their contents may become material in the administration of any Internal Revenue law. Generally, tax returns and return information are confidential as required by section 6103.

However, section 6103 allows or requires the IRS to disclose this information to others. We may disclose to the Department of Justice for civil or criminal litigation, to the Department of Labor and the Pension Benefit Guaranty Corporation for the administration of ERISA, and to cities, states, the District of Columbia, and U.S. commonwealths or possessions to carry out their tax laws. We may also disclose the information to other countries under a tax treaty, to federal and state agencies to enforce federal nontax criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism.

The time needed to complete and file this form will vary depending on individual circumstances. The estimated average time is 24 minutes.

If you have comments concerning the accuracy of this time estimate or suggestions for making this form simpler, we would be happy to hear from you. You can send us comments through www.irs.gov/FormComments. Or you can write to:
