Coastal Auto Parts 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Coastal Auto Parts 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Coastal Auto Parts 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coastal Auto Parts 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coastal Auto Parts 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coastal Auto Parts 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions, and Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

The 2021 financial statements of Coastal Auto Parts 401(k) Plan were audited by Melanson P.C. (Melanson), whose practice merged with Marcum LLP as of January 1, 2023. Melanson performed an audit of the 2021 financial statements of Coastal Auto Parts 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the 2021 audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. The report dated October 7, 2022, indicated that (a) the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in

accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2021 financial statements held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). The report also indicated that the form and content of the 2021 supplemental schedules, other than the information in the 2021 supplemental schedules that agreed to or is derived from the certified information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for reporting and Disclosures under ERISA; and the information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COASTAL AUTO PARTS 401(k) PLAN

NOTES TO THE FINANCIAL STATEMENTS

**AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Coastal Auto Parts 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering all eligible employees of Coastal Auto, Inc. (the Company, the Employer or the Plan Sponsor) The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) which included several relief provisions to tax qualified plans and their participants that were put into operation by the Plan at that time. Formal adoption of such provisions of the CARES Act is required to occur on or before December 31, 2025.

PLAN ADMINISTRATION

The Plan administrator is the Company.

The Company's executives oversee management of the Plan and investment of the Plan's assets. Responsibilities include, but are not limited to, maintaining and enforcing the Plan's investment policy; selecting and monitoring the Plan's recordkeeper; maintaining an appropriate selection of investment options under the Plan based on the Plan's investment policy; and monitoring the performance of the Plan's investments and service providers.

ELIGIBILITY

Employees of the Company are eligible to participate in the Plan for purposes of salary deferrals upon completion of 3 months of service provided that they are a minimum of 18 years of age. The Plan does not cover union employees, non-resident aliens, leased employees, independent contractors or non adopting controlled group employees. Participation in the Plan begins at the beginning of the month coincident with or next following meeting the eligibility requirements.

NOTES TO THE FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

CONTRIBUTIONS

Each year, eligible participants may contribute a percentage of their eligible annual compensation, as defined by the Plan, not to exceed the limits of the Internal Revenue Code (IRC). The maximum dollar amount of elective salary deferrals for the year ended December 31, 2022, was \$20,500. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to \$6,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover contributions). Participants direct the investment of their contributions into various investment options offered by the Plan.

Participants may also elect to contribute to the Plan on an after-tax basis, by designating some or all of their deferrals as Roth 401(k) deferrals. These after-tax contributions, plus the earnings accumulated thereon, may be withdrawn tax-free provided the withdrawal is a qualified distribution, as defined in the plan document.

Effective January 1, 2022, the Plan is designated as a “Safe Harbor 401(k) Plan” whereby the Company contributes 100% of the participant’s elective deferrals up to three percent (3%) of the participant’s eligible compensation plus 50% of the participant’s elective deferrals exceeding 3% of the participant’s eligible compensation up to 5% of total eligible compensation (Safe Harbor Matching Contribution). Safe Harbor Matching Contributions are 100% vested and are allocated to the investment options in the same proportion as the participants’ contributions.

The Company, at its discretion, may contribute a discretionary matching contribution. For the year ended December 31, 2022, there were no additional matching employer contributions.

PARTICIPANT ACCOUNTS

Each participant’s account is credited with the participant’s contribution, Safe Harbor Matching Contributions, and additional employer matching contribution. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

INVESTING OPTIONS

The Plan offers various pooled separate accounts and a guaranteed interest account as investment options for participants. Participants direct the investments of all employee contributions, Safe Harbor Matching Contributions and additional employer contributions into various investment options offered by the Plan. Participants may change their investment elections at any time for both existing account balances and future contributions.

VESTING

Participants are vested immediately in their contributions and Safe Harbor Matching Contributions plus actual earnings thereon. Vesting in the Company's additional matching contributions portion of their accounts plus actual earnings thereon is based on years of credited services as defined by the Plan document. Participants are 100% vested in the Company's discretionary matching and profit sharing contributions after two years of credited service, upon the attainment of age 59 ½, termination of the Plan, or at the time of permanent disability or death.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loan terms range from one (1) to five (5) years. Upon default on a loan, the participant is considered to have received a distribution and is subject to income taxes on the distributed amount.

The loans are secured by the balance in the participant's account and bear interest at rates as determined by the plan administrator based on commercially reasonable interest rates. Principal and interest is paid ratably through payroll deductions.

At December 31, 2022 and 2021, notes receivable from participant's account totaling \$52,843 and \$50,329, respectively, were outstanding at interest rates ranging from 5.25% to 8.25% and mature on various dates through 2027.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

PAYMENT OF BENEFITS

On termination of service due to death, disability, retirement, or other reasons, a participant may elect a one-time lump-sum withdrawal equal to the participant's vested interest in his or her account, a partial withdrawal, provided the minimum withdrawal is \$199, or installment payments. In addition, the Plan permits in-service distributions at age 59½. In accordance with IRC, participants that have reached the age of 72 or older are required to receive Required Minimum Distributions.

The Plan also provides for hardship withdrawals, set forth in accordance with applicable sections of the IRC not to exceed a participant's actual contributions to the Plan. Participants must show that they are suffering an immediate and heavy financial hardship and that the money cannot be obtained from any other source. Hardship withdrawals are limited to the amount necessary to satisfy the financial need.

Circumstances that qualify as an immediate and heavy financial hardship are defined in the plan documents. Upon qualification for financial hardship, a participant is entitled to the value of his or her deferrals and the vested portion of the Company's contributions, determined as of the valuation date, which is payable immediately in a lump-sum distribution.

FORFEITED ACCOUNTS

When certain terminations of participation in the Plan occur, the non-vested portion of the Participant's account represents a forfeiture, as defined by the Plan. The employer may decide at its discretion how to treat forfeitures under the Plan, which includes reducing Safe Harbor Matching Contributions and/or for the payment of Plan expenses. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$231 and \$229, respectively. In 2022, no forfeitures were used.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

ADMINISTRATIVE EXPENSES

Administrative expenses of maintaining the Plan are primarily paid by the Company and are not included in these financial statements. Investment related expenses are included in net appreciation in fair value of investment son the accompanying statement of changes in net assets available for benefits. Plan administration fees are allocated to participant accounts. Transaction based fees such as fees charged to participants for borrowing against their account balances and benefits paid to participants. are paid by the participants and are charged directly to the participant's account. For the year ended December 31, 2022, expenses paid by the Plan totaled \$750 and consisted of quarterly contract charges, which are recorded as administrative expenses on the accompanying statement of changes in net assets available for benefits.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

INVESTMENT VALUE AND INCOME RECOGNITION

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion about fair value measurements

Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note 4 for a discussion about contract value.

AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUE AND INCOME RECOGNITION (CONTINUED)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation includes realized and unrealized gains and losses on the fair value of investments held by the Plan.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan.

CONTRIBUTIONS

Contributions made by participants and the Company are recorded on an accrual basis. Contributions are recognized during the period in which the related compensation was paid.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

EXPENSES

Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in either net depreciation of fair value of investments or administrative fees.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO THE FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021 AND

NOTE 3 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, Fair Value Measurement and Disclosures (ASC 820), defines fair value and establishes a framework for measuring fair value through a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three level of the fair value hierarchy under ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quote prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the assets or liability has a specified (contractual) term, the Level 2 input must be observable for sustainability the full term.

Level 3 – Inputs that are unobservable inputs for the asset or liability.

The fair value measurement level of the asset or liability within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs an minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value (there have been no changes in the methodologies uses as of December 31, 2022 and 2021):

The fair value of pooled separate accounts is based on net asset value (NAV). The NAV, as provided by the custodian, is used as a practical expedient to estimate fair values. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the report NAV.

NOTES TO THE FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021 AND FOR THE YEAR ENDED DECEMBER 31, 2022

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

	Fair Value	Fair Value Measurements Using:		
		Quoted Prices in Active Markets for Identical (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

Investments Measured at Net Asset Value ^(a)	\$ 4,151,630	\$ --	\$ --	\$ --
Investments, at Fair Value	\$ 4,151,630	\$ --	\$ --	\$ --

(a) In accordance with Subtopic 820-10, certain investments that were measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of assets available for benefits.

FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV

The following table summarizes investments measured at fair value based on Net Asset Value (NAV) per share as of December 31, 2022 and 2021, respectively.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

FAIR VALUE OF INVESTMENTS IN ENTITIES THAT USE NAV (CONTINUED)

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2022, are reported in net depreciation in fair value of investments.

NOTE 4 - FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACT

The Plan holds a traditional benefit-responsive guaranteed investment contract with Empower Trust Company, LLC ("Empower"). This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

Empower maintains the contributions in a fixed income or general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate (0.94% at December 31, 2022) is based upon a formula agreed upon with the issuer. Such interest rates are reviewed and may be reset on a quarterly basis.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligation may be affected by future economic and regulatory developments. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) the Plan choosing to fully or partially terminate the agreement with the issuer, (2) the failure of the trust to qualify for exemption from federal income taxes, (3) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), or (4) the Plan breaches a provision of the agreement with the issuer. The plan administrator does not believe that the occurrence of any such event that would limit the Plan's ability to transact at contract value is probable.

NOTE 4 - FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACT (CONTINUED)

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 5 - RELATED PARTIES AND PARTY-IN-INTEREST TRANSACTIONS

ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any party rendering services to the Plan or an employer whose employees are covered by the Plan.

Empower is the Plan's custodian and record keeper, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Also, certain administrative functions are performed by officers and employees of the Company (who may also be participants in the Plan) at no cost to the Plan. The Plan extends loans to participants who are considered parties-in-interest; therefore, these transactions qualify as parties-in-interest transactions.

All transactions which may be considered party-in-interest transactions relate to normal Plan management, investment and administrative services, and the related payment of fees. Additionally, certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the employer contributions.

NOTE 7 - TAX STATUS

The Plan is a volume submitter plan offered by HUB International Limited. The volume submitter plan has received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, informing the volume submitter plan sponsor that the volume submitter plan is acceptable under Section 401 of the IRC for use by employers for the benefit of their employees. Although the volume submitter plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has evaluated the tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements and has concluded that no provision for income taxes is necessary in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTE 8 - INFORMATION CERTIFIED BY THE PLAN CUSTODIAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments, fully benefit-responsive investment contract, and notes receivable from participants held at December 31, 2022 and 2021, net depreciation in fair of investments and interest income for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC (the custodian of the Plan). This information has not been audited by the Plan's independent auditors.

**AS OF DECEMBER 31, 2022 AND 2021 AND
FOR THE YEAR ENDED DECEMBER 31, 2022**

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of the investment securities, such as pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 - CONCENTRATIONS

At December 31, 2022 and 2021, three investments accounted 65% and 67% of total investments, respectively.

NOTE 11 - PROHIBITED TRANSACTIONS

As required by ERISA section 2510.3-102, the Plan Sponsor is required to segregate employee contributions to the Plan from its general assets as soon as practicable. At December 31, 2022, delinquent employee contributions totaled \$105,214. Contributions for those periods are considered prohibited transactions. The Company has deposited the lost earnings related to the 2021 delinquent deposits and will deposit lost earnings on the 2022 delinquent deposits in 2023.

NOTE 12 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 16, 2023, the date the financial statements were available to be issued. Except as noted below, there were no other events identified requiring recognition or disclosure in the financial statements.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan.
