Independent Auditors' Report

To the Plan Trustee
R&Q Solutions 401k Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of R&Q Solutions 401k Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

R&Q Solutions 401(k) Plan

Notes to Financial Statements

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the R&Q Solutions 401k Plan (the “Plan”) is provided for general information only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan (a prototype plan) is a defined contribution 401(k) deferred compensation savings plan covering all employees of R&Q Solutions (the “Company”) and any participating affiliates, if applicable, except for employees not required to be taken into account for nondiscrimination testing purposes. An employee is eligible to participate in the Plan in the third month of service and after attaining the age of twenty-one. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan if they have not completed a salary deferral agreement within 30 days after becoming eligible to enter the Plan and make salary deferrals. Automatically enrolled participants have their deferral rate set at 2% of the employee’s eligible earnings for each payroll period and contribute that amount to the Plan as a Pre-Tax Elective Deferral. The Plan does not contain auto-escalation provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The effective date of the Plan was June 1, 1991.

Effective January 1, 2022, Roth deferral option was introduced for participants as well.

Participant Contributions

Participants may contribute up to the maximum amounts permitted by the Internal Revenue Code (“IRC”), including catch-up amounts for participants age 50 and over, as defined in the Plan. This limitation is an aggregate limit that applies to all deferrals made to this Plan, and to any other salary deferral plan.

Rollovers

Rollover contributions are permitted into the Plan in accordance with Internal Revenue Service (“IRS”) regulations and Plan provisions. Employees may rollover eligible amounts from other qualified plans to the Plan except for rollovers of designated Roth contributions.

Employer Contributions

The Company has elected a Traditional Safe Harbor 401(k) Plan and will make a Safe Harbor Matching Contribution equal to 100% of the first 4% of the participant’s elective deferrals. For those participants electing less than 4% contribution, the recalculation was adjusted accordingly. During the year ended December 31, 2022, the Company made matching contributions of \$599,408.

In addition, non-elective discretionary contributions may be made at the option of the Company. No non-elective contributions were made for 2022.

Eligible compensation for computing contributions under the Plan is the taxable compensation for a plan year reportable by the Company on their IRS Form W-2, adjusted to include compensation which was not includible in such income. These adjustments include salary reduction contributions made to an employer-sponsored cafeteria plan, SEP deferrals, transportation fringe benefits, 401(k) plan and 403(b) and 457(b) programs.

Participant Accounts

Each participant’s account is self-directed and maintained by Reliance Trust Company (“Reliance”), the trustee.

R&Q Solutions 401(k) Plan

Notes to Financial Statements

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts (continued)

Each participant's account is credited with the participant's deferral contribution, a proportionate amount of any employer contributions, and an allocation of the Plan earnings. Allocations are based on participant earnings, account balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

The participant determines the percentage of compensation to be deferred (subject to the limitations stated above) and the investment selections from any of the investment options offered by the Plan.

Vesting

Participants are 100% vested in their deferral contribution, safe harbor matching and rollover (if any) contribution accounts. If the Company makes a qualified matching contribution (qualified nonelective contribution), the participant is 100% vested in this contribution account. A participant becomes 100% vested in case of death, total and permanent disability, or attainment of age 65, the Plan's normal retirement age or age 59.5, which is the early retirement age under the terms of the Plan.

If a participant leaves the Company for any other reason, the Company's matching contributions other than safe harbor matching contributions, if any, are vested based on the following graded schedule:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 2	0%
At least 2, but less than 3	20%
At least 3, but less than 4	40%
At least 4, but less than 5	60%
At least 5, but less than 6	80%
6 or more	100%

If a participant leaves the Company for any other reason, the Company's nonelective contributions, if any, are vested based on the following graded schedule:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 1	0%
At least 1, but less than 2	20%
At least 2, but less than 3	40%
At least 3, but less than 4	60%
At least 4, but less than 5	80%
5 or more	100%

All years of service are credited to determine a participant's vesting service.

Forfeited Accounts

For the years ended December 31, 2022 and 2021, forfeited non-vested accounts totaled \$15,550 and \$0, respectively. These accounts are used to pay for the Plan's administrative expenses or reduce future employer contributions. During the year ended December 31, 2022, there were forfeitures of \$162 utilized to reduce the 2022 employer match contribution.

Notes to Financial Statements

NOTE 1 – DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable From Participants

Loans to participants are allowed in accordance with provisions of the Plan agreement. A participant may borrow the lesser of 50% of his/her vested account balance or \$50,000, subject to a \$500 minimum. However, the \$50,000 is reduced by the highest outstanding loan balance the participant had under the Plan during the previous one-year period. A participant may only have one loan outstanding at a time.

The loans are secured by the balance in the participant's account. The interest rate applicable to new participant loans is the prime interest rate, plus two percentage points, in effect in the month the participant's loan is effective. The interest rate shall remain fixed throughout the duration of the loan. Repayment of the loan is required to be made in level payments of principal and interest through payroll deductions each pay period over a term not exceeding five years, or 30 years for loans used for the purchase of a primary residence. As of December 31, 2022, the notes bear interest at rates ranging from 5.25%-7.50%.

Payment of Benefits

A participant may elect to receive benefit payments at the normal retirement age of 65. The Plan also provides for distribution of benefits upon death or in the event of disability of the participant. Upon retirement, death or disability, the participant becomes 100% vested and all amounts credited to the participant's account shall be distributed to the participant or his or her beneficiary, in a lump-sum payment of the entire account balance. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Under the SECURE Act, participants may defer receipt of their required minimum distribution until age 72 from the previous age of 70½. The SECURE Act 2.0 increased the age at which individuals must begin taking required minimum distributions to age 73 from 72, beginning January 1, 2023, as well as other increases starting in 2030.

In-service distributions may be made from a participant's account at any time upon or after the occurrence of the following events:

- Due to hardships, as defined in the Plan agreement,
- Attainment of normal retirement age.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

R&Q Solutions 401(k) Plan

Notes to Financial Statements

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisor, Reliance. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent participant loans are recorded as distributions in accordance with the terms of the Plan agreement.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions owed to participants as of December 31, 2022 and 2021.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Expenses

Administrative expenses of the Plan are paid directly by the Company or by the Plan at the election of the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There were no Plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Total assets at fair value	<u>\$12,123,677</u>	<u>\$ 12,123,677</u>

NOTE 4 – PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in any employer contributions.

NOTE 5 – INFORMATION CERTIFIED BY RELIANCE AS COMPLETE AND ACCURATE

Reliance has certified that the following information is complete and accurate as of December 31, 2022 and 2021, and for the year ended December 31, 2022:

Notes to Financial Statements

NOTE 6 – TAX STATUS

The Company has adopted a prototype plan which has been determined by the IRS to be in accordance with applicable sections of the IRC by a letter dated October 6, 2020. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal and state taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Fees incurred by the Plan for investment management services are included in net appreciation (depreciation) in fair value of investments, as they are paid as a percentage of the average daily assets in the investment, ranging from an annual rate of .00150% to .00325%, rather than direct payment. Notes receivable from participants are also considered party-in-interest transactions.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 – RECONCILIATION OF CERTAIN FINANCIAL STATEMENT AMOUNTS TO AMOUNTS IN FORM 5500

The following is a reconciliation of net assets available for benefits as reported in the financial statements to amounts reported on Form 5500 as of December 31,:

	<u>2022</u>	<u>2021</u>
