INDEPENDENT AUDITOR'S REPORT

**To the Administrators of the
Planned Parenthood South Atlantic 403(b) Plan
Raleigh, North Carolina**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Planned Parenthood South Atlantic 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year then ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a banks or similar institutions or insurance carriers that are regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the banks or similar institutions or insurance carriers in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Planned Parenthood South Atlantic 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**To the Administrators of the
Planned Parenthood South Atlantic 403(b) Plan
Raleigh, North Carolina**

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Planned Parenthood South Atlantic 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Planned Parenthood South Atlantic 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Planned Parenthood South Atlantic 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

**To the Administrators of the
Planned Parenthood South Atlantic 403(b) Plan
Raleigh, North Carolina**

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a – Schedule of Delinquent Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) for the year ended December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 And 2021

(1) DESCRIPTION OF PLAN

The following description of the Planned Parenthood South Atlantic 403(b) Plan (the “**Plan**”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

A. General

The Plan is a defined contribution plan covering all full-time employees of the Planned Parenthood South Atlantic, Inc. (the “**Organization**”). The Plan was adopted on November 1, 1996 and restated on January 1, 2020. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (**ERISA**). All employees are eligible to participant in the Plan upon employment.

B. Contributions

For the plan year ended December 31, 2022, the maximum allowable elective deferral was \$20,500. Participants who have attained age 50 before the plan year are eligible to make catch-up contributions, up to \$6,500. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Organization contributes a discretionary amount that is allocated among eligible participants that is based on the ratio, for the Plan year, of a participant’s compensation to the total compensation of all employees who are eligible for employer contributions. Contributions are subject to certain limitations. Employees become eligible to receive employer contributions after six months of service (during which they work 1,000 hours or more), provided they normally work 20 or more hours per week.

C. Participant Accounts

Each participant’s account is credited with the participant’s contributions and Organization discretionary contributions, as well as allocations of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

D. Vesting

Participants are immediately vested in their voluntary contributions, the Organization’s contributions, and actual earnings thereon.

E. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The notes are secured by the balance in the participant’s account. Loans bear an interest rate equal to 1% above the Wall Street Journal’s published rate. Principal and interest is paid ratably through payroll deductions.

F. Payment of Benefits

A vested benefits will normally be distributed to the participant or the participant’s beneficiary upon termination of service, retirement, disability or death, by transfer to another qualified plan or individual retirement account, through a lump sum distribution or in installments payments.

In-service withdrawals of all or a portion of a participant’s vested account balance may be made by participants who have attained the age of 59-1/2. In-service withdrawals of all or a portion of a participant’s rollover account balance may be withdrawn at any time.

PLANNED PARENTHOOD SOUTH ATLANTIC 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS – (Continued)

December 31, 2022 And 2021

G. Administration

The Organization is the administrator of the Plan. The primary investment program of the Plan is with Empower Retirement (“Empower”) as recordkeeper. Empower acquired the retirement business of MassMutual Retirement Services on December 31, 2020. Variable Annuity Life Insurance Company (VALIC) was the prior record keeper for the Plan. VALIC continues to hold some Plan investments, however, contributions can only be made to the Empower investment program. Empower and VALIC maintains individual participant account records and advises the Plan on other matters related to the operation of the Plan. Administrative expenses of the Plan are primarily paid by the Plan sponsor.

(2) SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan’s investments are stated at fair value (except for the fully benefit-responsive investment contracts, which are reported at contract value). Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants under the Empower investment program are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant’s account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTES TO FINANCIAL STATEMENTS – (Continued)

December 31, 2022 And 2021

(3) INVESTMENTS

The Plan's investments are held in a directed trust. There are several investment options available to the participants at the time of this report. Participant accounts are allocated based on the decisions of the individual participants. The following tables present the market value and contract value of these investments which have been certified by the Plan's trustee and custodian.

	<u>2022</u>	<u>2021</u>
Investment at fair value:		
Mutual Funds	\$ 6,822,203	\$ 8,116,649
Insurance company pooled account	<u>212,071</u>	<u>203,506</u>
Total investments at fair value – December	<u>\$ 7,034,274</u>	<u>\$ 8,320,155</u>
Fully benefit-responsive investment contracts at contract value:		
Insurance company general accounts	<u>\$ 75</u>	<u>\$ 74</u>

(4) FAIR VALUE OF FINANCIAL INSTRUMENTS

The Plan utilized various methods to measure the fair value of its investments on a recurring basis. Generally accepted accounting principles establish a hierarchy that prioritizes inputs to valuation methods. The three levels of inputs are described below:

Level 1 – Unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access, including securities actively-traded on a securities exchange.

Level 2 – Observable inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. These inputs may include quoted prices for the identical instrument on an inactive market, prices for similar instruments, interest rates, prepayment speeds, credit risk, yield curves, default rates and similar data.

Level 3 – Unobservable inputs for the asset or liability, to the extent relevant observable inputs are not available, representing the Plan's own assumptions about the assumptions a market participant would use in valuing the asset or liability, and would be based on the best information available.

The inputs methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

Investments in VALIC Fixed Accounts are reported at contract value, which approximates fair value. Also see **Note 5** for discussion of the VALIC Fixed Accounts.

PLANNED PARENTHOOD SOUTH ATLANTIC 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS – (Continued)

December 31, 2022 And 2021

The summary of inputs used to value the Plan's assets that are carried at fair value as of December 31 is as follows:

	2022			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 6,822,203	\$ -	\$ -	\$ 6,822,203
Insurance company pooled fund	-	212,071	-	212,071
	<u>\$ 6,822,203</u>	<u>\$ 212,071</u>	<u>\$ -</u>	<u>\$ 7,034,274</u>

	2021			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 8,116,649	\$ -	\$ -	\$ 8,116,649
Insurance company pooled fund	-	203,506	-	203,506
	<u>\$ 8,116,649</u>	<u>\$ 203,506</u>	<u>\$ -</u>	<u>\$ 8,320,155</u>

(5) INVESTMENT CONTRACTS

The Plan offers a MassMutual Guaranteed Interest Account as an investment option. The account is used primarily as a stable value investment vehicle. The fund is a pooled product, with crediting rates based on the pool's experience. The Plan also offer guaranteed fixed annuity contracts with VALIC, an insurance company. These accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses as allowed by the Plan. Plan management has determined that contract value approximates fair value. Contract value, as determined by MassMutual and VALIC, represents contributions made under the agreement, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment contract value. There are no reserves against the contract values for credit risk of the contract issuer or otherwise.

(6) RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are mutual funds managed by MassMutual and VALIC. They are the record keepers as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

(7) PLAN TERMINATION

The Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

PLANNED PARENTHOOD SOUTH ATLANTIC 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS – (Continued)

December 31, 2022 And 2021

(8) TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (“*Code*”). The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

Management has reviewed the tax positions for each of its open tax years (2019 – 2021) or expected to be taken in the Plan’s 2022 tax return and has concluded that there are no uncertain tax positions that would require recognition in the financial statements.

(9) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

(10) SECURE ACT 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan’s 2022 financial statements.

(11) SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 16, 2023 the date which the financial statements were available to be issued.
