## INDEPENDENT AUDITORS' REPORT

To the Trustees of  
Muller Automotive, Inc. 401(K) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statement

We have performed an audit of the accompanying financial statements of Muller Automotive, Inc. 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Muller Automotive, Inc. 401(K) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the Financial Statement

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a) (3) (c).

### Basis for Opinion on the Financial Statements

We conducted our audit in accordance with the generally accepted auditing standards (GAAS) in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Muller Automotive, Inc. 401(K) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a) (3) (C) audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error. Management's election of the ERISA Section 103(a) (3) (C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Muller Automotive, Inc. 401(K) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a) (3) (C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Muller Automtoive, Inc. 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Muller Automotive, Inc. 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters and schedule of delinquent participant contribution that we identified during the audit.

#### Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held For Investment Purposes At End of Year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and

certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held and schedule of delinquent participants contribution by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a) (3) (c) .

MULLER AUTOMOTIVE, INC. 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

---

1. DESCRIPTION OF PLAN

The following description of Muller Automotive, Inc. 401(K) Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

A. General

Muller Automotive, Inc., T/A Team Toyota of Princeton, the sponsor, is located in the Greater Philadelphia, PA area and along with affiliate, Team Toyota of Langhorne, are the representative employers providing benefits under the plan. The plan, which started on January 1, 1993, is a defined contribution plan covering all full-time, non-union employees who have completed at least one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees is responsible for oversight of the Plan.

B. Employee Contributions

Each year, participants may contribute a portion of their compensation limited to certain restrictions set by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions (rollovers) from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

C. Employer Contributions

The employers contribute for each payroll period an amount equal to a specified percentage of the participant's base salary or a specified dollar amount. These companies contributed 25% of the first 6% of earnings contributed by participants.

At the end of the Plan year, the companies, at the discretion of their Board of Directors, also may make profit-sharing contributions, as defined in the Plan document. Profit-sharing contributions are allocated to eligible participants based upon the percentage of a participant's compensation to the total compensation of all eligible participants. To be eligible to receive an allocation of the discretionary profit sharing contributions, an employee must complete 500 hours of service during the Plan year or be employed on the last day of the Plan year.

D. Participant Accounts

Each participant's account is credited monthly with the participant's contribution and an allocation of the companies' contributions and plan earnings. Allocations of earnings are based on the participant account balances in the investment funds. Participant accounts are charged with an allocation of administration expenses that are paid by the plan.

See independent auditors' report.

F. Investment Options

Currently under annuity contracts with John Hancock Life Insurance Company, employees have investment options, all participant-directed, in approximately seventy mutual funds managed by various investment managers. These funds are invested in domestic and foreign bonds and equity securities, as well as other portfolio products.

G. Payment of Benefits

Participants are eligible for distributions after employment termination, hardship, death or disability, as defined. At retirement, a participant may elect to receive a distribution in one lump-sum equal to the vested value of his or her account or in installments over a period not exceeding the anticipated life expectancy of the participant and/or designated beneficiary. At retirement, the plan reserves the right to pay in a lump sum, a participant's account that is less than or equal to \$5,000.

H. Forfeited Accounts

Amounts from forfeited nonvested accounts are applied to offset administrative expenses. If forfeitures exceed these expenses, then employer contributions are reduced. Forfeitures amounting to \$1,731 were applied toward administrative fees and contributions in 2022, the total unused forfeitures as of 2022 and 2021 were \$16,704 and \$14,822, respectively.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

---

2. SUMMARY OF ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting, except for benefits, which are recorded on a cash basis.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, income, contributions, expenses and required disclosures. Accordingly, actual results may differ from those estimates.

C. Risk and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

D. Investments

Investments are reported at fair value. Fair value of the underlying mutual funds is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends included in the net investment gain are recorded on the ex-dividend date. Net gains/losses also include the appreciation/depreciation of the investments bought and sold as well as held during the year.

E. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when collected. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is eradicated and a benefit payment is recorded.

F. Payment of Benefits

Benefits are recorded when paid.

See independent auditors' report.

2. SUMMARY OF ACCOUNTING POLICIES (Continued)

G. Expenses

Certain expenses of maintaining the Plan not paid by the Plan itself, are paid by the employers and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Investment related expenses for pooled separate accounts are offset against the overall net gain from these investments.

H. Subsequent Events

The Plan has evaluated subsequent events for potential adjustments and disclosures, according to FASB ASC855-10 after December 31, 2022 and through October 16, 2023, the date on which the financial statements were available for the issuance.

3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule of investment assets was obtained from data that has been prepared and certified to as complete and accurate by John Hancock Life Insurance Company.

4. FAIR VALUE MEASUREMENTS

FASB ASC 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quotes prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include

\*Quoted prices for similar assets or liabilities in active markets.

\*Quoted prices for identical assets or liabilities in inactive markets.

See independent auditors' report.

MULLER AUTOMOTIVE, INC. 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

4. FAIR VALUE MEASUREMENTS (Continued)

\*Inputs other than quoted prices that are observable for the asset or liability; and

\*Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies using a market approach for assets measured at fair value. There have been no changes in methodologies used at December 31, 2022 and 2021.

General Account: A regular account established by an insurance company to hold unallocated funds from participant annuity contracts for disbursement to beneficiaries.

Pooled Separate Accounts: Special accounts established by an insurance company solely for the purpose of investing in the assets of one or more plans. Funds in a separate account are not commingled with other assets or the insurance company for investment purposes. A separate account may be an individual separate account or a pooled separate account.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021.

Assets at fair value as of December 31, 2022:

|                                         | <u>Level 1</u> | <u>Level 2</u> | <u>Level 3</u> | <u>Total</u>        |

5. PARTICIPANT LOANS

Loans to participants are permitted transactions from Trust Fund assets. Loans must be approved by the trustee and the plan administrator upon written application of the participant. The interest is charged at a rate of prime plus 2%, which ranged from 5.25% to 8.00% on outstanding loans. A loan is limited to the lesser of \$50,000 or 50% of the participant's vested balance.

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

As plan investments are basically units of pooled separate accounts with mutual fund shares managed by John Hancock Life Insurance Company, the trustee as defined by the Plan, any services provided qualify as exempt party-in-interest transactions. Fees, net of forfeitures, paid by the Plan for related party investment advisory and management services amounted to \$52,250 for the year ended December 31, 2022.

See independent auditors' report.

NOTES TO THE FINANCIAL STATEMENTS

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the sponsor has the right under the Plan to discontinue the contributions at any time and to terminate the Plan subject to the revision of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

8. TAX STATUS

The Internal Revenue Service has determined and informed the sponsor by a letter dated June 3, 2020, that the Plan is qualified and the trust established under the Plan is tax-exempt, under the appropriate sections of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. Still, the Plan administrator and trustee believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement dates. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by federal authorities. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2022 and 2021 there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by the taxing authorities; however, there are currently no audits in progress for any tax periods.

9. DEFERRED BENEFITS PAYABLE

At December 31, 2022 and 2021, there were \$1,784,539 and \$2,375,396, respectively, in accounts for deferred benefits of individuals who had withdrawn from participation in the plan. These amounts are included in the net assets available for benefits.
