INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Participants of
Economic Opportunities Advancement Corporation of Planning Region XI
403(b) Thrift Plan for Economic Opportunities Advancement Corporation

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the 403(b) Thrift Plan (the "Plan") for Economic Opportunities Advancement Corporation ("EOAC"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 403(b) Thrift Plan for EOAC's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan for EOAC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan for EOAC's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H Item 4i Schedule of Assets (Held at End of Year) and Schedule H Item 4a Schedule of Delinquent Participant Contributions, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by9 and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

1. DESCRIPTION OF PLAN

The following description of the Economic Opportunities Advancement Corporation of Planning Region XI (the "Company") 403(b) Thrift Plan for Economic Opportunities Advancement Corporation (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees of the Company. There is no entry requirement for employees to contribute to the Plan. However, to receive employer contributions, the participant must complete one year of service and be at least 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

In December 2014, the Plan was amended to allow for employee contributions. The Plan name was also modified from Section 403(b) Retirement Plan for EOAC Pension to 403(b) Thrift Plan for Economic Opportunities Advancement Corporation.

The Board of Trustees oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees.

Employee Contributions

As defined by the Plan, participating employees are allowed to contribute a percentage of their pretax earnings up to \$20,500 for 2022. Participants who are age 50 or older may elect to defer additional amounts (called catch-up contributions) to the Plan. The maximum catch-up contribution allowed is \$6,500 for 2022. All participants' contributions are fully vested at all times.

Employer Contributions

Each year, the Company contributes an employer base contribution to the Plan in the amount of 3% of eligible wages as designated in the Plan document.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the employer base contribution and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit of which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions to the Plan, the Company's employer base contribution, any rollover contributions plus actual earnings thereon. A participant will always be 100% vested upon normal retirement age, death or disability.

Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant (or their beneficiaries) may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump sum amount, or in payments of at least \$100 over a period certain in monthly, quarterly, semi-annual, or annual cash installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution as soon as administratively feasible if they have reached the age required by law or at the date of termination if the vested account balance is \$1,000 or less. However, if the vested account balance exceeds \$1,000, participants may elect to postpone distribution until the required beginning date.

Forfeitures

The participants are 100% vested in their accounts immediately. Therefore, there are no forfeitures in the Plan.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of the lesser of (a) \$50,000 or (b) 50% of the value of their vested interest in the Plan. Loan transactions are treated as a transfer to (from) an investment fund from (to) the Participant Notes Receivable Fund. The loans are secured by the balance in the participant's account and bear interest at 4%, which is commensurate with local prevailing rates as determined by the plan administrator. The loans are repaid ratably through payroll deductions over a period not to exceed 5 years for non-residential loans.

Investment Options

The assets of the Plan are allocated to the various funds at the direction of the participant.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires plan management to make estimates and assumptions that affect the reported amounts of Plan assets and liabilities and changes therein at the date of the financial statements. Accordingly, actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded on the Schedule H of the 5500. Under GAAP, the defaulted loan will remain a note receivable from participant until a distributable event occurs. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion on fair value measurements.

The fixed interest account is fully benefit-responsive and is reported at contract value. Contract value represents the accumulated contributions plus accrued net earnings, less distributions. See Note 5 for discussion on the investment contract with the insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company. No such officers or employees receive compensation from the Plan. Certain administrative expenses can be paid directly by the Company, such as recordkeeping, trustee, legal and accounting fees. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

3. ASSET INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

At December 31, 2022 and 2021, the Plan's investments were held by Metropolitan Life Insurance Company and Mutual of America Life Insurance Company (the "Trustees"). The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the Trustees as complete and accurate in accordance with Section 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The value of investments at December 31, 2022 and 2021, as reported by the Trustees is summarized as follows:

	<u>2022</u>	<u>2021</u>
Mutual funds, at fair value	\$ 187,412	\$ 239,838
Pooled separate accounts, at fair value	1,576,155	1,749,187
Interest-bearing cash, at fair value	243,644	237,264
Fixed interest fund, at contract value	<u>189,154</u>	<u>189,256</u>
Total	<u>\$ 2,196,365</u>	<u>\$ 2,415,545</u>

During 2022, the Plan's investments (including investments bought, sold and held during the year) depreciated in value by \$322,701.

4. FAIR VALUE MEASUREMENTS

The Plan includes investments reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for similar assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair values using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1 Fair Value Measurements

Mutual Funds: The fair value of the mutual funds is based on the quoted net asset value ("NAV") of the share held by the Plan at year-end. Mutual funds held by the Plan are open ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Level 2 Fair Value Measurements

Interest Bearing Cash: Valued at face value.

Investments Measured at Net Asset Value

Pooled Separate Accounts: The fair value of the pooled separate accounts is valued at the NAV of shares held by the Plan at year-end. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the pooled separate accounts, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022 and 2021:

Fair Value Measurements at the End of the Reporting Period Using:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Quoted Prices for Similar Assets (Level 2)	Total
<u>December 31, 2022</u>			
Mutual funds	\$ 187,412	\$ -	\$ 187,412
Interest-bearing cash	-	243,644	243,644
Total assets in the fair value hierarchy	187,412	243,644	431,056
Investments measured at NAV (a)	-	-	1,576,155
	<u>\$ 187,412</u>	<u>\$ 243,644</u>	<u>\$ 2,007,211</u>

Fair Value Measurements at the End of the Reporting Period Using:

December 31, 2021	Quoted Prices in Active Markets for Identical Assets (Level 1)	Quoted Prices for Similar Assets (Level 2)	Total
Mutual funds	\$ 239,838	\$ -	\$ 239,838
Interest-bearing cash	-	237,264	237,264
Total assets in the fair value hierarchy	239,838	237,264	477,102
Investments measured at NAV (a)	-	-	1,749,187
	<u>\$ 239,838</u>	<u>\$ 237,264</u>	<u>\$ 2,226,289</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following tables summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds a traditional investment contract. The contract meets the fully-benefit responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The Plan does not hold any synthetic investment contracts.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed by the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 3%. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

1. The Plan's failure to qualify under Section 403(b) of the Internal Revenue Code ("IRC") or the failure of the trust to be tax-exempt under Section 501(a) of the IRC
2. Premature termination of the contracts
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability to the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

6. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of the net assets available for benefits per the financial statements as of December 31, 2022 and 2021, to the Form 5500:

	December 31, 2022	2021
Net assets available for benefits, per the financial statements	\$ 2,209,658	\$ 2,437,317
Employer contribution receivable	(6,843)	(13,429)
Employee contribution receivable	(2,991)	(5,493)
Net assets available for benefits, per the Form 5500	\$ <u>2,199,824</u>	\$ <u>2,418,395</u>

The following is a reconciliation of employer and employee contributions per the financial statements for the year ended December 31, 2022 to the Form 5500:

	2022
Employer contribution, per the financial statements	\$ 171,383
Add: employer contribution receivable as of December 31, 2021	13,429
Less: employer contribution receivable as of December 31, 2022	(6,843)
Employer contribution, per the Form 5500	\$ <u>177,969</u>
Employee contribution, per the financial statements	\$ 74,001
Add: employee contribution receivable as of December 31, 2021	5,493
Less: employee contribution receivable as of December 31, 2022	(2,991)
Employee contribution, per the Form 5500	\$ <u>76,503</u>

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

8. TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the IRC. The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for plan participants under Section 403(b).

The plan administrator and management believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe the Plan is qualified and the related trust is tax exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes that the Plan is no longer subject to income tax examination three years after filing.

9. RISKS AND UNCERTAINTIES

The Plan invests in a variety of investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

10. PARTIES IN INTEREST

Certain plan investments are shares of pooled separate accounts managed by the asset custodians; therefore, the Plan's investment transactions in these funds qualify as party-in-interest transactions. These transactions are covered by an exemption from the "prohibited transaction" provisions of ERISA and the IRC. Fees paid by the Plan for the investment management services amounted to \$2,882 for the year ended December 31, 2022.

During 2022 and 2021, the Company failed to timely remit to the plan certain employee deferral contributions and loan repayments totaling \$350,702. Under ERISA, these are considered nonexempt party-in-interest transactions. The late remittances were the result of administrative oversight, which is being addressed by management.

11. SUBSEQUENT EVENTS

For the year ended December 31, 2022, management of the Sponsor has evaluated subsequent events for potential recognition and disclosure through October 16, 2023, the date of financial statement issuance. No events requiring disclosure were noted.
