INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Oracle Elevator Company Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Oracle Elevator Company Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Oracle Elevator Company Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Oracle Elevator Company Retirement Savings Plan's ability to continue as a going concern for within one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Oracle Elevator Company Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Oracle Elevator Company Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial

statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ORACLE ELEVATOR COMPANY RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Oracle Elevator Company Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions. Copies of this document are available from the plan administrator.

GENERAL

The Plan was established on January 1, 2005 for the benefit of all employees of Oracle Elevator Company (FL), Abell Elevator Service, Southwest Elevator Company and Georgia Elevator Company (collectively referred to as the “Company” or the “Plan Sponsor”) who are eligible to participate. All employees of the Company are eligible for participation in the Plan after attaining the age of 18 and completing 90 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Effective January 1, 2019, the Plan Sponsor adopted a Volume Submitter Profit Sharing Plan with CODA by executing a trust agreement with the Principal Trust Company to become the Plan’s Trustee.

The Plan document was amended effective January 1, 2021, as the Premier Elevator Retirement Plan (“Premier Plan”), a defined contribution plan of an acquired entity, Premier Elevator Co., Inc., by the Plan Sponsor merged into the Plan. During 2021, approximately \$15,187,000 in Premier Plan participant account balances (including loans) were transferred to the Plan.

Effective March 1, 2022, the EMR Elevator, Inc. 401(k) Plan (“EMR Plan”), a defined contribution plan of an acquired entity, EMR Elevator, Inc., by the Plan Sponsor merged into the Plan. During 2022, approximately \$3,170,000 in EMR Plan participant account balances (including loans) were transferred to the Plan.

Effective July 1, 2022, the Adoption Agreement of the Plan was restated with the restatement incorporating all Plan amendments and adoptions to date.

The plan administrator is responsible for the oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

GENERAL (CONTINUED)

Effectively on December 29, 2022, the Setting Every Community Up for Retirement Enhancement (“SECURE”) 2.0 Act of 2022 was signed into law. The Act is inclusive of approximately 90 provisions which offer many new benefits to employers and plan participants. Certain provision changes are related to the following, but not limited to: changes to auto-enrollment and auto-escalation, age of requirement minimum distributions, catchup contributions, and increased dollar threshold for mandatory distributions. Depending on the specific provision, some will take effect immediately, while others begin in a future year. As of October 10, 2023, Plan management is in process of evaluating the subsequent adoption and related impact these provisions will have on the Plan.

CONTRIBUTIONS

Contributions are made in the form of pre-tax salary reductions by the participants. Salary deferrals cannot exceed Internal Revenue Code (the “Code”) guidelines (\$20,500 in 2022) as indexed for inflation or 90% of a participant’s eligible annual compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catchup contributions (\$6,500 in 2022). Participants may also contribute amounts representing distributions from other qualified plans (“Rollovers”). For the years ended December 31, 2022 and 2021, the Plan had approximately \$201,000 and \$252,000, respectively, in Rollovers.

The Plan allows for discretionary matching contributions as determined by the Company’s Board of Directors for each Plan year. The Company matching contribution is equal to 100% of the participant’s eligible contribution, up to a maximum of 3% of the eligible compensation that was contributed to the Plan. Effective January 1, 2021, the Company matching contribution was amended to allow the next 1% of eligible compensation to be matched at 50%, for a maximum matching contribution of 3.5% of eligible compensation. The Plan also allows for prevailing wage rate contributions, determined by the Company according to the prevailing rate schedule that applies to the specific job performed by the participant. These contributions were made by the Company to the Plan in 2022 and 2021.

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct elective deferrals into various investment options provided by the Plan. All investments are participant directed.

ORACLE ELEVATOR COMPANY RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, Rollovers into the Plan, and allocations of (a) Company contributions and (b) Plan investment earnings or losses. Allocations are based on each participant's earnings or account balances, as defined by the Plan document. Participant accounts are reduced by any withdrawals or distributions and an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

VESTING

Participants are immediately 100% vested in their individual contributions, including Rollovers, to the Plan and earnings thereon. Vesting in Company matching contributions is based on years of continuous service. A participant is 100% vested after 2 years of service. Upon termination of employment, a participant's non-vested amounts are forfeited in accordance with the Plan document. The Plan provides for 100% vesting of Company contributions and earnings thereon upon death, disability, or attainment of normal retirement age of 65.

Effective March 1, 2022, the Plan was amended for participants who were employees impacted by the merger of the EMR Plan to become 100% vested in the prior plan sponsor's Plan contributions.

NOTES RECEIVABLE FROM PARTICIPANTS

The Plan allows participants to borrow against their vested balances (minimum loan of \$1,000). The maximum amount available for loans is the lesser of 50% of the participant's vested account balance or \$50,000, reduced by the highest outstanding loan balance during the prior 12-month period. The interest rate charged is based on prevailing interest rates charged by persons in the business of lending money for loans that would be made under similar circumstances, plus a 1% service charge. Interest rates are approximately 4.25% to 9.00% on outstanding loans as of December 31, 2022. Loan repayment periods are for a maximum of five years (fifteen years if the loan is for the purchase of a principal residence). Loan repayments are made through electronic transfer of funds from the participant's bank account.

ORACLE ELEVATOR COMPANY RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS (CONTINUED)

During 2020, the Plan adopted the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act"), which was signed into law on March 27, 2020. The CARES Act temporarily permitted Plan participants to take loans during the 180 day period starting on the date of enactment, up to the lesser of either \$100,000 or 100% of the participant's vested account balance. As of December 31, 2022, certain plan participants have outstanding loans pursuant to this provision.

PAYMENT OF BENEFITS

Upon attainment of age 65, normal retirement age, or upon disability, death, or termination of employment, a distribution of the vested account balance is permitted in a lump sum or systematic installment payments to the participant or named beneficiary. Withdrawals under the Plan are allowed for hardship (as defined in the Code) or the attainment of age 59-1/2. The minimum distributions age from when distributions must begin is 72.

The CARES Act permitted Plan participants to request up to \$100,000 in coronavirus-related distributions through December 31, 2020, with repayment terms of up to three years.

HARDSHIP WITHDRAWALS

Under certain circumstances of financial hardship, the participant is allowed to withdraw funds from the Plan. For the years ended December 31, 2022 and 2021, there were approximately \$43,000 and \$4,200, respectively, in hardship distributions, which are included in benefits paid to participants in the accompanying Statements of Changes in Net Assets Available for Benefits.

FORFEITED ACCOUNTS

Forfeitures are those amounts of the Company contributions in which a participant is not fully vested at the time of termination. As of December 31, 2022 and 2021, there was approximately \$1,400 and \$0, respectively, in the forfeited accounts.

Forfeitures are available to reduce future administrative expenses of the Plan or Company contributions. During the years ended December 31, 2022 and 2021, the Company used forfeitures to offset Company contributions of approximately \$35,000 and \$39,000, respectively, and to pay administrative expenses of approximately \$5,000 and \$7,000, respectively.

ORACLE ELEVATOR COMPANY RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

BASIS OF PRESENTATION

The Plan's financial statements are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND REVENUE RECOGNITION

Investments are reported at fair value, except for the Plan's fully benefit-responsive investment contract, which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrator determines the Plan's valuation policies utilizing information provided by the trustee. See Note 4 for discussion of fair value measurements.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes realized and unrealized gains and losses on investments bought and sold as well as held during the year. All gains and losses are reported in the accompanying Statements of Changes in Net Assets Available for Benefits.

ORACLE ELEVATOR COMPANY RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. Delinquent loans are treated as distributions based upon the terms of the Plan document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

PLAN EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

RISKS AND UNCERTAINTIES

The Plan has investments in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits. The plan administrator monitors the Plan's investments and the risks associated therewith on a regular basis, which the plan administrator believes minimizes these risks.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 10, 2023, the date the financial statements were available to be issued.

ORACLE ELEVATOR COMPANY RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule of assets (held at end of year), including investments and notes receivable from participants held at December 31, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Trust Company, the trustee of the Plan. This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurements and Disclosures* are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

ORACLE ELEVATOR COMPANY RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts

Valued at the NAV of units of the respective trust. The NAV, provided by the trustee/custodian, is used as a practical expedient to estimate fair value.

* In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent), used as a practical expedient to estimate fair value, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the accompanying Statements of Net Assets Available for Benefits.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

FAIR VALUE OF INVESTMENTS THAT CALCULATE NET ASSET VALUE (PRACTICAL EXPEDIENT)

The following table summarizes the investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2022	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Principal Common Collective				
Trust Funds	<u>\$ 20,057,364</u>	N/A	Daily	Daily

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Principal Common Collective				
Trust Funds	<u>\$ 21,942,201</u>	N/A	Daily	Daily

NOTE 5 - FIXED INCOME GUARANTEED OPTION

During 2022 and 2021, the Plan invested in the Principal Fixed Income Guaranteed Option (“PFIGO”) investment contract (a direct contract). PFIGO, a Group Annuity Contract – Custodial Interest Contract, is backed by the assets of the general account of Principal. Benefit payments are made at contract value (there are no termination or surrender charges) for plan benefit events and investment transfers initiated by plan participants. Thus, this contract is considered fully benefit-responsive and is reported in the financial statements at contract value which equals fair value. As of December 31, 2022 and 2021, the PFIGO investment contract value was \$897,729 and \$572,325, respectively.

Per the contract, payments or transfers made in accordance with the contract are limited only in the event that market conditions are such that the issuer determines that they will not allow for the orderly transfer or sale of financial instruments. In this case, the payment or transfer may take up to an additional 30 business days to execute. If the issuer is to delay a payment or transfer as permitted within the contract, amounts to be paid or transferred will continue to earn interest at the contracted rate from which such payment or transfer is to be made. Under no circumstance is the issuer permitted to terminate the contract and settle at an amount that differs from the contract value.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2022 AND 2021

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

During the years ended December 31, 2022 and 2021, party-in-interest transactions, as defined by ERISA, included custodial and administrative services provided by Principal Trust Company. These transactions are exempt from the prohibited transactions rules under ERISA. Fees paid by the Plan to Principal Trust Company for services totaled approximately \$164,000 and \$157,000 for the years ended December 31, 2022 and 2021, respectively.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 8 - TAX STATUS

The Plan adopted a Volume Submitter Profit Sharing Plan with CODA which received a favorable opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, that the Plan and related trust, as then designed, was in accordance with applicable sections of the Code. The Plan has been amended since receiving the opinion letter. The plan administrator believes that the Plan is designed and is currently being operated, in compliance with the applicable requirements of the Code and therefore believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.
