INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
The Vets Holding, Inc.
401(k) Plan
Fort Lee, NJ 07024

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of The Vets Holding, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the period February 1, 2022 to December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2022 and for the period February 1, 2022 to December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4(i) – Schedule of Assets (Held at End of Year)) as of December 31, 2022 and supplemental Schedule H, line 4(a) – Schedule of Delinquent Participant Contributions for the period February 1, 2022 to December 31, 2022 are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information,

including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

FOR THE PERIOD FEBRUARY 1, 2022 TO DECEMBER 31, 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of The Vets Holding, Inc. ("Plan Sponsor") 401(k) Plan (the "Plan") is presented to assist in understanding the Plan's financial statements and supplemental information. These financial statements, supplemental information, and notes are representations of the Plan's management, who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America ("U.S. GAAP") and have been consistently applied in the preparation of the financial statements and supplemental schedules.

Basis of Accounting: The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with U.S. GAAP.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. During the period February 1, 2022 to December 31, 2022, the Plan's net depreciation (including gains and losses on investments bought and sold, as well as held during the period) was \$17,029.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Payment of Benefits: Benefits are recorded when paid to the Plan's participants.

Administrative Expenses: Certain administrative functions are performed by employees of the Plan Sponsor for which they are compensated by the Plan Sponsor. In addition, the Plan Sponsor may pay certain other expenses of administering the Plan. If not paid by the Plan Sponsor, such expenses are paid from the assets of the Plan. Certain investment-related Plan expenses like fees paid to those who administer and manage the funds are paid from the assets of the funds, and therefore reduce the overall return offered by the funds.

Use of Estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

FOR THE PERIOD FEBRUARY 1, 2022 TO DECEMBER 31, 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Events Occurring After Report Date: The Plan Sponsor has evaluated events and transactions that occurred between January 1, 2023 and October 16, 2023, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

NOTE 2 - DESCRIPTION OF THE PLAN

The following description of the Plan is provided for general information purposes only. Participants should refer to the Plan document, which is available from the Plan Administrator, for a more complete description of the Plan's provisions.

General: The Plan, established February 1, 2022, is a defined contribution plan covering all employees of the Plan Sponsor. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Principal Trust Company served as the Plan Custodian of the Plan assets and Principal Life Insurance Company served as the recordkeeper as of December 31, 2022 and for the period February 1, 2022 to December 31, 2022.

Contributions: Each year, participants may contribute to the Plan a percentage of eligible compensation, as defined in the Plan document. Eligible compensation for the Plan is defined by the Plan document as wages, tips, and other compensation on Form W-2. Such contributions are excluded from the participant's federal taxable income until received as a withdrawal or distribution from the Plan. The Plan includes an automatic enrollment provision whereby employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rates set initially at 3% of eligible compensation with annual increases of 1% each year up to 6%. Contributions are subject to certain limitations. Employees may elect to defer a maximum amount not to exceed \$20,500 (the annual threshold as established by the Internal Revenue Service ("IRS")) for the year ended December 31, 2022. In addition, participants who attained age 50 by December 31 were eligible to make an additional bonus deferral of \$6,500. Participants may also contribute amounts distributed from other qualified plans.

The Plan provides for employer matching contributions and discretionary contributions to deferring participants. Such employees are eligible to receive a matching contribution equal to 100% of elective deferral contributions which are not over 1% of gross pay, plus 50% of elective deferral contributions which are over 1% of gross pay, but are not over 6% of gross pay. Employer matching contributions for the period February 1, 2022 to December 31, 2022 were \$293,673. No amounts were contributed for employer discretionary contributions in 2022.

Participant Accounts: The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant's account is credited with each participant's contributions, employer match contributions, earnings, and an allocation of administrative expenses. As a participant-directed plan, each participant's investment choices determine his/her share of earnings or losses.

NOTES TO FINANCIAL STATEMENTS

FOR THE PERIOD FEBRUARY 1, 2022 TO DECEMBER 31, 2022

NOTE 2 - DESCRIPTION OF THE PLAN (continued)

Investment Options: Upon enrollment in the Plan, participants may direct the record-keeper to invest contributions into various investment options managed by the trustee, its affiliates, and other large investment management companies. If a participant fails to designate an investment selection, funds are automatically invested into the qualified default investment alternative, which is based upon the participant's expected retirement date. Participants may change their investment options, transfer part or all past investments to other funds, and change their deferral percentages at any time.

Notes Receivable from Participants: Participants may borrow from their vested fund account balances a minimum of \$1,000 and up to a maximum equal to the lesser of (a) \$50,000 or (b) one-half of the value of their vested fund account balances. The maximum payment term allowed for any loan is five years unless the loan is for the purchase of the participant's principal residence, in which case, a longer repayment term may be allowed. The loans are secured by the balances in the participants' accounts and bear interest at prevailing market rates at the time the loans are taken. Outstanding loans at December 31, 2022 bore interest ranging from 6% to 9.5%. Principal and interest are paid ratably through payroll deductions.

Deemed Distributions: When a participant fails to make loan repayments under the terms of the loan agreement, the loan is considered to be in default. A loan in default is considered a distribution from the Plan (deemed distribution) that could result in taxable income to the participant upon the occurrence of a qualifying event as defined by IRS guidelines. As of December 31, 2022, there were no outstanding loans representing defaulted loans (deemed distributions).

In-Service Withdrawals: In-service and hardship withdrawals are permitted by the Plan.

Payment of Benefits: On termination of service due to death, disability, or retirement, as defined in the Plan, participants are generally entitled to a payment of their full account balance in the form of a lump-sum. On termination of service due to other reasons, the balance of a participant's vested account becomes distributable to him/her upon election. If a participant terminates with a vested account balance that does not exceed \$5,000 and did not consent to a distribution, the participant's account will be distributed into a rollover IRA to be established by the record-keeper on the participant's behalf.

Required minimum distributions as mandated by IRS regulations will commence when a participant attains age 70 ½. Participants who are not 5% owners and attain age 70 ½ may elect to defer distributions until April 1st following the calendar year in which they reach age 70 ½ or, if later, terminate employment. Due to changes made by the Setting Every Community Up for Retirement Enhancement Act of 2019 ("SECURE Act"), effective January 1, 2020, if a participant's 70th birthday is July 1, 2019 or later, required minimum distributions may be deferred until the participant reaches age 72.

NOTES TO FINANCIAL STATEMENTS

FOR THE PERIOD FEBRUARY 1, 2022 TO DECEMBER 31, 2022

NOTE 2 - DESCRIPTION OF THE PLAN (continued)

Vesting: Participants are immediately vested in their own contributions and actual earnings thereon.

Participants are vested in employer match contributions in accordance with the following schedule:

<u>Years of Service</u>	<u>Percentage of Vested Interest</u>
1	0%
2	100%

Participants are vested in employer discretionary contributions in accordance with the following schedule:

<u>Years of Service</u>	<u>Percentage of Vested Interest</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeitures: When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account represents a forfeiture. As of December 31, 2022, forfeitures amounted to \$36,904. Forfeitures may first be used to pay administrative expenses. Remaining forfeitures, if any, may then be used to reduce employer contributions.

Plan Amendments: The Plan Sponsor has the right under the Plan to amend the Plan at any time. In January 2020, Congress passed the SECURE Act. Many of the provisions of the SECURE Act were effective on January 1, 2020 and will require significant changes to plan administration and recordkeeping. The Plan Sponsor has until the 2025 Plan year to amend the Plan to include any adopted SECURE Act provisions.

Plan Termination: Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become one hundred percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Plan Sponsor may determine.

All investment information and notes receivable from participants disclosed in the accompanying financial statements as of December 31, 2022 and ERISA-required supplemental schedules, including net depreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Trust Company.

NOTE 4 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 5 - TRANSACTIONS WITH PARTY-IN-INTEREST

Certain Plan investments are managed by the Custodian, as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net depreciation in fair value of investments.

NOTE 6 - FAIR VALUE MEASUREMENTS

The Plan Sponsor utilizes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the value hierarchy are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset and liability.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTES TO FINANCIAL STATEMENTS

FOR THE PERIOD FEBRUARY 1, 2022 TO DECEMBER 31, 2022

NOTE 6 – FAIR VALUE MEASUREMENTS (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022.

Mutual Funds (Registered Investment Companies): Valued at the quoted market price of shares held by the Plan at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurements at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds.....	\$ 999,388	\$ -	\$ -	\$ 999,388
Total assets at fair value.....	\$ 999,388	\$ -	\$ -	\$ 999,388

NOTE 7 – GUARANTEED INTEREST ACCOUNT

The Principal Guaranteed Investment Contract ("GIC") is considered a fully benefit responsive investment contract ("FBRIC") and is reflected at contract value within net assets available for benefits, which is \$23,471 as of December 31, 2022. Accounting Standards Update ("ASU") 2015-12 states that FBRICs should be measured, presented, and disclosed only at contract value and fair value information is not required. All GICs that are deemed benefit responsive investment contracts should no longer be included in Accounting Standards Codification ("ASC") 820 fair value disclosures. A plan should continue to provide disclosures that help users understand the nature and risks of fully benefit-responsive investment contracts. The GIC will provide information about redemption frequency and notice periods if applicable. This contract does have surrender charges if it is terminated by the contract holder or a plan terminates its interest in such contract within certain time periods. If a contract is terminating and a surrender charge applies, the plan may no longer be deemed benefit-responsive. This could require the GIC to be reported at fair value and thus included in the ASC 820 fair value disclosures. Fair value is the amount plan participants would receive currently if they were to withdraw or transfer funds within the Plan prior to maturity for an event other than death, disability termination or retirement.

NOTES TO FINANCIAL STATEMENTS

FOR THE PERIOD FEBRUARY 1, 2022 TO DECEMBER 31, 2022

NOTE 7 - GUARANTEED INTEREST ACCOUNT (continued)

Most participant transactions are executed using contract value without adjustment. If the contract holder is considering terminating the contract or a plan is considering terminating its interest in such contract in the near future, contract value less surrender charges may be a better proxy for fair value.

The GIC issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than one percent. The average yield credited to participants was 2.05% as of December 31, 2022.

NOTE 8 - INCOME TAX STATUS

The Plan Sponsor adopted Principal Life Insurance Company's non-standardized profit-sharing plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, which states that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits between the financial statements and Form 5500 as of December 31, 2022:

Net assets available for benefits per the financial statements.....	\$ 1,093,630
Less: lost earnings receivable.....	(603)
Net assets available for benefits per Form 5500	<u>\$ 1,093,027</u>

The following is a reconciliation of the net increase in net assets available for benefits between the financial statements for the period February 1, 2022 to December 31, 2022 and Form 5500:

Net increase in net assets available for benefits per the financial statements.....	\$ 1,093,630
Less: lost earnings revenue	(603)
Net increase in net assets available for benefits per Form 5500.....	<u>\$ 1,093,027</u>
