## **INDEPENDENT AUDITOR'S REPORT**

**To the Plan Committee  
Sonos, Inc. 401(k) Plan:**

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of the Sonos, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The Form 5500 – schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included

in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## SONOS, INC. 401(K) PLAN

### NOTES TO THE FINANCIAL STATEMENTS

---

#### Note 1 – Description of Plan

The following brief description of the Sonos, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### General

The Plan is a defined contribution plan, formed on January 1, 2004, covering all employees of Sonos, Inc. (the Company). The Plan covers all eligible employees whose regularly scheduled service is more than 1,000 hours per year. Participants may enter the Plan upon the employment commencement date or if later, upon satisfaction of eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was restated effective February 2, 2021 and adopted a pre-approved defined contribution plan sponsored by Great-West Trust Company, LLC. All previous amendments were incorporated with the restated Plan. The Plan has implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for distributions, waive required minimum distributions for 2020 that were made after April 1, 2020, and increase the age requirement for required minimum distributions. The Plan was amended on July 22, 2022 to incorporate these provisions in accordance with applicable law and IRS guidance.

The Plan's recordkeeping and custodial agreement with Empower Retirement, LLC was terminated effective December 30, 2022 and a new agreement was entered into with Fidelity Management Trust Company effective January 1, 2023. The Plan adopted a pre-approved defined contribution plan sponsored by Fidelity Management & Research Corporation effective January 1, 2023.

On December 30, 2022, Empower Retirement, LLC valued the Plan assets and initiated an in-kind transfer to Fidelity Management Trust Company, the last trading day of the year. The Plan assets were transferred to the Fidelity Management Trust Company on January 3, 2023, the first business day of 2023.

##### Contributions

Participants may contribute up to 85% of annual compensation, as defined in the Plan's provisions, subject to the annual deferral limitations imposed by the IRS. Pre-tax and Roth contributions are allowed. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts

Contributions (Continued)

representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all eligible employees are auto-enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and are enrolled immediately upon their employment commencement date or if later, upon satisfaction of eligibility conditions. The automatic deferral provision has annual scheduled increases of 1% until the contribution rate reaches 10%. Participants may select an alternative deferral amount in accordance with the deferral procedures of the Plan. Contributions are subject to non-discrimination rules as set forth in IRS code section 401(k). The Company may make discretionary matching contributions to eligible participants in accordance with the guidelines outlined in the Plan document. During 2022 and 2021, the Company elected to match contributions up to 50% of the first 6% of employee contributions.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested in all contribution types plus actual earnings thereon.

Notes Receivable from Participants

Eligible participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest rates that range from 4.25% to 8%, which are commensurate with the prime rate plus two percentage points as determined monthly by the Plan Administrator. Principal and interest is paid ratably through bi-monthly or bi-weekly payroll deductions. Loans are segregated assets, and to the extent a participant borrows, his or her accounts will not share in the earnings and gains in value attributable to other Plan assets. Accordingly, the interest that participants pay on their loans will be directly credited to their accounts. During 2020, the Plan implemented certain CARES Act provisions to allow for an increase in Plan loan amounts to the lesser of \$100,000 or 100% of the participant's vested balance for loans taken through September 22, 2020, and deferral of loan payments until December 31, 2020.

**Note 1 – Description of Plan (Continued)**

Withdrawals and Payment of Benefits

The Plan includes several sets of provisions for withdrawal or payment of benefits relative to a participant's age and circumstances, in compliance with provisions of the Internal Revenue Code. There are provisions for disability, death, hardship withdrawals, in-service distributions at age 59 ½, direct rollovers, delay of payments to normal-retirement date at age 65, and benefit payments made in either lump sum payments or annual installments. On termination of service, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or rollover their account into another employer's tax qualified plan with certain limitation if separation is due to death. Additionally, for account balances greater than \$5,000 participants may choose to receive installments or defer receiving payments until age 70 ½. If the vested interest in the Plan is \$5,000 or less, special rules apply.

Forfeitures

Forfeited accounts are used to pay administrative expenses or used to offset employer contributions. At December 31, 2022 and 2021, forfeited accounts totaled \$14 and \$10,778, respectively. During the year ended December 31, 2022, \$12,990 was used to offset employer matching contributions.

**Note 2 – Summary of Significant Accounting Policies**

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting and in accordance with ERISA.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires that management make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

**Note 2 – Summary of Significant Accounting Policies (Continued)**

Investment Valuation and Income Recognition (Continued)

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan document. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when they are incurred. An allowance for defaulted loans deemed distributed was recorded in the amount of \$128,128 and \$124,045 as of December 31, 2022 and 2021, respectively.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. The Plan has an Expense Account Arrangement with Empower. Credits may be applied to pay Plan expenses. See Note 5.

**Note 3 – Information Certified by the Trustee**

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act (ERISA). Accordingly, Great-West Trust Company, LLC, as trustee of the Plan, has certified the below investment information included in the accompanying financial statements is complete and accurate. At the request of the Plan Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements.

As described in Note 1, an in-kind transfer was initiated on December 30, 2022 and the Plan assets were transferred to Fidelity Management Trust Company on January 3, 2023. As the Plan assets were in transit as of December 31, 2022 they were excluded from assets held at year end, and included as withdrawals for contract termination of \$119,792,247 and forfeiture/asset holding account of \$192,713 in the Great-West Trust Company, LLC certification as of December 31, 2022.

#### Note 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

SONOS, INC. 401(K) PLAN

NOTES TO THE FINANCIAL STATEMENTS

---

Note 4 – **Fair Value Measurements (Continued)**

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual funds:* Valued at the daily closing price as reported by the Fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common collective trust - Putnam Stable Value Fund:* Valued using the NAV as reported in the collective trust's audited financial statements. The NAV is used as a practical expedient to estimate fair value. Participants ordinarily may direct the withdrawal or transfer of all or a portion of their investment at contract value. The Plan may redeem its investment on a daily and immediate basis. The fund imposes certain restrictions on the Plan, and the fund itself may be subject to circumstances that impact its ability to transact at contract value. Such events may include participant withdrawals based on advice or directive of the Plan sponsor, establishment of a competing fund, creation of new eligible Plan or actions of the Plan other than participant-directed withdrawals. Plan management believes that the occurrence of events that would cause the fund to transact at less than contract value is not probable.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

- (a) This category includes a stable value collective fund whose objective is to provide a competitive yield with minimal market-related risk through investing in a variety of guaranteed investment contracts, security-backed investment contracts, and money market instruments. The investment in this category can be redeemed daily at the current net asset value per share as reported in the collective trust's audited financial statements. There are no unfunded commitments related to its investments, or significant restrictions on redemptions. In accordance with ASC 820, certain investments that were measured at NAV have not been classified in the fair value hierarchy.

**NOTES TO THE FINANCIAL STATEMENTS**

---

**Note 5 – Related Party Transactions and Party-in-Interest Transactions**

Certain Plan investments are shares of funds managed by Great-West Trust Company, LLC. Great-West Trust Company, LLC is the trustee for the Plan and, therefore, these transactions qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Great-West Life & Annuity Insurance Company (Empower) provides certain administrative services to the Plan pursuant to an Administrative Services Agreement and Plan Expense Account Arrangement between the Company and Empower. In accordance with the Plan Expense Account Arrangement, Empower pays the Plan an Investment Option Credit which is made available by a reduction in the compensation that Empower would otherwise earn in connection with the services it provides to the Plan. Such amounts may be applied to pay Plan expenses. The amount held by the Plan in connection with the Expense Account Arrangement at December 31, 2022 and 2021 was \$127,651 and \$84,192, respectively. During the year ended December 31, 2022, \$0 was used to offset plan expenses.

**Note 6 – Plan Termination**

Although it has not expressed intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

**Note 7 – Tax Status**

The Plan has adopted a non-standardized form of a pre-approved plan. The pre-approved plan has received an opinion letter dated June 30, 2020 from the Internal Revenue Service as to the pre-approved plan's qualified status. The pre-approved plan's opinion letter has been relied upon by this Plan. The plan has been amended since the date of the opinion letter. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is no longer subject to income tax examinations for years prior to 2019.

**SONOS, INC. 401(K) PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**

---

**Note 8 – Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**Note 9 – Operational Defects**

During the 2020 audit, management discovered various operational defects, including the incorrect definition of plan compensation, in the administration of the Plan. Corrective contributions including lost earnings were estimated by management to be approximately \$633,984 for the Plan years 2016 through 2021. Corrective contributions were deposited into the Plan in 2021 totaling \$6,393 and in 2022 totaling \$627,591 in accordance with Department of Labor and Internal Revenue Service requirements.

During the 2021 audit, management discovered various operational defects that resulted in missed participant deferrals. Administrative errors within the payroll process did not identify participant deferral elections on annual bonus compensation and inadvertently discontinued employee deferrals in error. In addition, certain employees that were terminated and later rehired were not properly auto-enrolled. Corrective contributions including lost earnings were estimated by management to be approximately \$75,200 and a Plan receivable was recorded in the December 31, 2021 financial statements. Corrective contributions totaling \$19,516 were deposited into the plan in 2022. The remaining corrections to the Plan were estimated to be \$53,000 and a Plan receivable was recorded in the December 31, 2022 financial statements. The Plan sponsor will deposit corrective contributions including lost earnings in accordance with Department of Labor and Internal Revenue Service requirements as soon as administratively possible.

**Note 10 – Reconciliation of Form 5500 to the Financial Statements**

The Plan files a Form 5500 annually with the IRS. Differences can exist between financial statements prepared in accordance with accounting principles generally accepted in the United States and IRS regulations governing the preparation of Form 5500.

The following are reconciliations of individual line items of the statement of changes in net assets available for benefits to the Form 5500 as of December 31, 2022.
