N.A. Mans & Sons, Inc. Employees' Profit Sharing & Cash or Deferred Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of N.A. Mans & Sons, Inc. Employees' Profit Sharing & Cash or Deferred Plan & Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- » the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- » the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- » Exercise professional judgment and maintain professional skepticism throughout the audit.
- » Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- » Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- » Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- » Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule, as identified in the accompanying table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- » the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- » the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on 2021 Financial Statements

The financial statements as of and for the year ended December 31, 2021, were audited by Clayton & McKervery, P.C. which combined practices with Wipfli LLP as of September 1, 2023 and whose report dated October 13, 2022, expressed an opinion in accordance with ERISA Section 103(a)(C) that:

- » The amounts and disclosures in the financial statements, other than those agreed to or derived from the certificated investment information, are presented fairly in all material aspects, in accordance with accounting principles generally accepted in the United States of America.
- » The information in the financial statements related to assets held by and certified to by a qualified institution, agrees to, or is derived from, in all material respects, the info prepared and certified by an institution that management determined meets the requirements of an ERISA Section 103(a)(3)(C).

N.A. Mans & Sons, Inc. Employees' Profit Sharing & Cash or Deferred Plan & Trust

Notes to Financial Statements

Note A: Description of Plan

The following description of N.A. Mans & Sons, Inc. Employees' Profit Sharing & Cash or Deferred Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which covers substantially all employees of N.A. Mans & Sons, Inc. (the "Company" and "Plan Sponsor"), meeting the eligibility requirements discussed below. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"). Management of the Plan Sponsor is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Trustees.

Eligibility

Except for union employees, any employee who has provided six months of service and has attained the age of 21 is eligible to participate in the Plan. Upon meeting these requirements, a participant is eligible to make elective deferral contributions, receive safe harbor matching contributions and participate in discretionary contributions. Participants may enter the Plan on the first day of the Plan year and quarter coinciding with or following the date the eligibility requirements are met.

Contributions

Contributions to participant accounts are made by employees through tax-deferred salary and post-tax salary deductions and by the Company from its earnings, at the discretion of management. Participants may contribute up to 100% of their eligible compensation, not to exceed Internal Revenue Code ("IRC") limitations. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions as defined by the IRC. Participants may also directly "roll over" their assets from a qualified plan and transfer the assets into their Plan account. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in the Life Cycle family of funds appropriate for the participant's age and/or anticipated retirement date until changed by the participant. Participants may elect to change fund elections and transfer investment balances between funds on a daily basis and may elect to change contribution percentages each payroll period.

The Company provides safe harbor matching contributions to eligible active participants of the Plan, at a rate equal to 100% of the employees' elective deferrals that did not exceed 3% of their compensation plus 50% of employees' elective deferrals between 3% and 5% of their compensation for the Plan. Total safe harbor matching contributions for the Plan year ended December 31, 2022 were approximately \$685,000.

The Company may provide additional discretionary contributions to active participants; however, additional discretionary matching contributions were not provided during the year ended December 31, 2022.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's safe harbor and the Company's discretionary contributions and an allocation of Plan earnings or losses. Allocations are based upon participant earnings, account balances, or specific participant transactions, as defined in the Plan document. Participant accounts are charged with an allocation of Plan administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

N.A. Mans & Sons, Inc. Employees' Profit Sharing & Cash or Deferred Plan & Trust

Notes to Financial Statements

Note A: Description of Plan

Vesting

Participant contributions and earnings thereon are 100% vested at the date of contribution. Participants are 100% vested in safe harbor match contributions and earnings thereon after two years of credit service. Participants are 100% vested in discretionary contributions and earnings thereon after six years of credit service or upon other conditions as defined by the Plan document.

Forfeitures

Forfeitures of non-vested Company contributions are used to pay for the Plan's administrative expenses with any remaining amounts allocated to participants. At December 31, 2022 and 2021, the forfeited non-vested accounts totaled approximately \$0 and \$6,900, respectively. During the year ended December 31, 2022, approximately \$4,000 in forfeitures were allocated to participants.

Notes Receivable from Participants

Participants may borrow from the Plan a minimum amount of \$500 up to a maximum equal to the lesser of one-half of their total vested account balance, or \$50,000. A maximum of one loan is allowed in any one-year period. Only one loan may be outstanding at a time. The loans are secured by the balance in the Participant's account. Loans bear interest at a rate set by the Plan administrator in accordance with local prevailing rates for similar types of loans. Principal and interest payments are made ratably through payroll deductions over a term not to exceed five years (except for home purchase loans, which can be extended up to thirty years from the date of the loan).

Distributions and Withdrawals

Distributions and withdrawals are allowed upon retirement, attainment of age 59 ½, disability, death, or termination of employment. Participants or their beneficiaries may receive a lump sum distribution equal to the value of their vested interest in the account or installment payments as requested by the participant, subject to minimum distribution requirements by the Internal Revenue Code ("IRC"). A participant no longer employed by the Company may be subject to various force-out provisions depending on the participant's account balance.

Note B: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan management to make estimates and assumptions that affect the reported amounts and disclosures presented in the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management of the Plan Sponsor determines the Plan's valuation policies utilizing information provided by the trustee. See Note E for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date and interest income is recorded as earned on an accrual basis. Net appreciation (depreciation) in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

N.A. Mans & Sons, Inc. Employees' Profit Sharing & Cash or Deferred Plan & Trust

Notes to Financial Statements

Note B: Summary of Significant Accounting Policies

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. There were no deemed distributions during the year ended December 31, 2022.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, or through the use of forfeitures, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and included in administrative expenses. Investment related expenses are included in the net appreciation (depreciation) in fair value of investments. See Note F for additional details.

Note C: Certification of Investment Information

Principal Life Insurance Company ("Principal"), the Plan's custodian, holds the Plan's investments and executes investment transactions. Principal has certified that investment balances, and related investment income (loss), that have been included in the accompanying financial statements, as well as the supplemental schedule, are complete and accurate as of December 31, 2022 and 2021 and for the year ended December 31, 2022.

Note D: Investment Contract

The Plan has entered into a traditional investment contract with Principal Life Insurance Company ("Principal"). Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Principal is contractually obligated to repay principal and a specified interest rate that is guaranteed to the Plan. The guaranteed investment contract promises contract value for a benefit event (termination, death, disability and retirement); however, there is a possible surrender charge when funds are withdrawn prior to their maturity. Thus, the guaranteed investment contract is considered non-benefit responsive.

Because the investment contract is not fully benefit-responsive, fair value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. Fair value is the value paid when funds are withdrawn prior to their maturity. If the applicable interest rate is greater than the interest rate on account, the fair market value is the contract value reduced by a percentage, as defined in the contract. The investment contract is presented on the face of the statements of net assets available for benefits at fair value.

Notes to Financial Statements

Note E: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described below.

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access at the measurement date.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, as such:

- » Quoted prices for similar assets or liabilities in active markets;
- » Quoted prices for identical or similar assets or liabilities in inactive markets;
- » Inputs other than quoted prices that are observable for the asset or liability;
- » Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs that are unobservable inputs for the asset or liability fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts ("PSAs"): Valued using the unadjusted net asset value ("NAV") as of the reporting date, which is the basis for current transactions. The NAV is used as a practical expedient to estimate fair value. PSAs are valued based on the underlying investments (i.e., common stock, mutual funds, and short-term securities) in the separate account as reported by the custodian. While the majority of the underlying assets' values are based on quoted prices, NAV of the PSAs are not publicly quoted. The NAV is reported by the custodian as of the financial statement date based on recent transaction prices. The PSAs held by the Plan provide for daily redemptions by the Plan at reported NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date.

Collective investment trust: Valued at the NAV of units of the collective investment trust. The collective investment trust is composed primarily of fully-benefit responsive investment contracts as well as a variety of separate accounts and mutual funds. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

Notes to Financial Statements

Note E: Fair Value Measurements

Guaranteed investment contract: The guaranteed investment contract is valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer (Note D). Because the participants transact at contract value, fair value is determined annually for financial statement reporting purposes only. In determining the reasonableness of the methodology, the Management of the Plan Sponsor evaluates a variety of factors including review of existing contracts, economic conditions, industry and market developments, and overall credit ratings.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Investments at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total

Note E: Fair Value Measurements

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

The following table represents changes in the Plan's Level 3 financial instruments attributable to the following for the years ended December 31:

	2022	2021
Purchases	\$ -	\$ -
Sales	(809)	(1,025)

The following table represents the Plan's level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments, and the significant unobservable inputs and the ranges of values for those inputs:

Instrument	Fair Value 12/31/22	Fair Value 12/31/21	Principal Valuation Technique	Unobservable Inputs	Range of Significant Input Values
Guaranteed investment contract	\$ -	\$ 809	Market value adjustment	Crediting interest rate	0.60%-1.52%

Note F: Party-In-Interest Transactions

Certain expenses, including salaries and services required for IRS reporting related to the administration of the Plan are paid by the Company, as described in Note B. The Company sponsors the Plan and, therefore, these qualify as party-in-interest transactions.

Certain Plan investments are shares of pooled separate accounts, shares of collective investment trusts, and a guaranteed investment contract managed by Principal, which is the custodian of the Plan; as such, these qualify as party-in-interest transactions.

Notes to Financial Statements

Note G: Plan Termination

Although it has not expressed any intent to do so, the Company may, by action of its Board of Directors, amend the Plan, discontinue its contributions, or terminate the Plan subject to the provisions of ERISA. Upon termination, participants would be 100% vested in their employer contributions.

Note H: Income Tax Status

The Company adopted a volume submitter plan, which received a favorable opinion letter from the IRS stating that the plan is designed in accordance with the applicable sections of the IRC and is qualified for federal income tax exempt status. The Plan has not individually sought its own determination letter.

Note I: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Note J: Subsequent Events

The financial statements were approved and authorized for issue by Plan management on October 16, 2023. All events and transactions through October 16, 2023 were evaluated by management for potential recognition and disclosure in the financial statements.

Note K: Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the change in net assets available for benefits per the financial statements for the year ended December 31, 2022 to Form 5500:

Net increase (decrease) in net assets available for benefits, per the 2022 financial statements	\$ (1,253,881)
Add: Employer contributions receivable	<u>178,443</u>
Net increase (decrease) in new assets available for benefits, per Form 5500	<u>\$ (1,075,438)</u>

The following is a reconciliation of net assets available for benefits per the financial statements for the year ended December 31, 2021 to Form 5500:

Net assets available for benefits, per the 2021 financial statements	\$ 20,340,216
Less: Employer contributions receivable	<u>(178,443)</u>
Net assets available for benefits, per Form 5500	<u>\$ 20,161,733</u>
