INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Coty Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Coty Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Coty Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the accompanying 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Coty Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we

have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coty Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coty Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coty Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedule Required by ERISA

The supplemental Schedule of Form 5500, Schedule H, Part IV, Line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matters

Auditor's Report on the 2021 Financial Statements

The 2021 financial statements of Coty Retirement Savings Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 14, 2022 indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

COTY RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021, AND FOR THE YEAR ENDED DECEMBER 31, 2022

1. PLAN DESCRIPTION

The following description of the Coty Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document, which is available from the Plan administrator, for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all Employees, as defined by the Plan, of Coty Inc. and subsidiaries (the "Company"), originally established on July 1, 1987, as most recently amended effective as of January 1, 2022. The Administrative Committee of Plan controls and manages the operation and administration of the Plan. Charles Schwab serves as the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility - Each employee shall be eligible to become a member on any enrollment date on or immediately after the date they complete 90 days of service, provided they are then an employee.

Employee Contributions - Participants of the Plan may elect to contribute on a before-tax-basis up to 50% of annual eligible compensation, as defined in the Plan, limited to the annual dollar limits imposed by the Internal Revenue Code ("IRC"). For the year ended December 31, 2022 and 2021 the limit capped by the Internal Revenue Service was \$20,500 and \$19,500, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. This amount was limited to an additional \$6,500 for the years ended December 31, 2022 and 2021. The Plan has an automatic Savings Increase under which any participant who's elective deferral rate is less than 2% the amount will automatically be increased by 1% annually until the participants' deferral rate is equal to 2%. Participants may also elect to make Roth and after-tax contributions to the Plan.

Rollover Contributions - Rollover deposits consist of transfers of new and existing employees' accounts from their previous employer's benefit plans. Balances are allocated to the applicable funds in accordance with the employees' investment elections.

Employer Contributions - Contributions are made to the Plan by the Company on behalf of each eligible participant based upon the participant's elected compensation deferral through payroll deductions. The Company matches 100% of a participant's pre-tax and after-tax contributions up to 6% of the participant's eligible compensation for the Plan year.

During 2022, the Company became aware of an operational issue related to the exclusion of certain pay components from the calculation of eligible compensation (as defined in the Plan document) for certain participants. The Plan has identified and isolated the participants effected and is in the process of taking corrective action to self-correct. As part of this correction process the Company will make a corrective contribution to the Plan, plus accrued interest. No accrual was deemed necessary.

The Company may make additional discretionary retirement contributions to eligible participant accounts for a Plan year in an amount equal to the percentage of a participant's eligible compensation determined as follows:

COTY RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021, AND FOR THE YEAR ENDED DECEMBER 31, 2022

Participant's Age	Retirement Contribution (as a Percentage of Compensation)
Under 35	1.0 %
35-39	2.0
40-44	2.5
45-49	3.5
50-54	4.0
55 and over	4.5

Participant Accounts - Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Company's matching contribution, allocations of the Company's discretionary contribution, and Plan's investment earnings, charged with withdrawals, plan expenses and an allocation of Plan investment losses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments - Participants direct the investment of their contributions into various investment options offered by the Plan. Company contributions are automatically invested in accordance with the participants' elections. Participants may change their investment elections at any time.

Vesting - Participants are 100% vested with respect to their contributions (including rollovers) and allocated earnings thereon. Employer matching contributions vest immediately while retirement contributions follow the following vesting schedule:

Retirement Contribution Years of Service Percentage	Vest
Less than 3 years	—%
3 years or more	100

In addition, participants are 100% vested with respect to Company contributions upon death, disability or attaining their 65th birthday while in the employment of the Company.

Loans to Participants - Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of 50% of the vested portion of their accounts, or \$50,000, reduced by the excess (if any) of the highest outstanding balance of the Participant's loans from the Plan during the 1-year period ending the day before the new loan is made, over the outstanding balance of the Participant's loans from the Plan on the day the loan is made. Loan transactions are treated as a transfer to (from) the investment funds from (to) the loans fund. Loan terms generally may not exceed 5 years. The loans are secured by the balance in the participant's account and bear interest at 1% above the prime rate as published in the Wall Street Journal ("the prime rate") as of the last business day of the calendar quarter, preceding the date the participant's loan is approved. Loans taken under previously existing plans, which merged with the Plan, bear interest at the prime rate. The interest rates on loans outstanding as of December 31, 2022 ranged from 4.25% to 8.50% and mature on various dates through 2028. Participant loans are valued at the outstanding loan balances, which approximates fair value.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021, AND FOR THE YEAR ENDED DECEMBER 31, 2022

Payment of Benefits - On termination of service, or attaining the retirement age of 65, a participant may generally elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over their life expectancy.

Forfeitures - Participants who terminate employment prior to 100% vesting forfeit the nonvested portion of their portion of the employer contributions. Forfeited amounts are used to reduce future employer contributions. At December 31, 2022 and 2021, forfeited nonvested accounts totaled \$94,505 and \$139,530, respectively. During the year ended December 31, 2022, employer contributions were reduced by \$100,000 from forfeited nonvested accounts.

In Service and Hardship Withdrawals - Participants are limited to one withdrawal per Plan year and the amount of the withdrawal shall be a minimum of \$500 or the total value of the vested portion of the participant's account available for withdrawal.

2. SUMMARY OF SIGNIFICANT ACCOUNT POLICIES

Basis of Accounting - The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. The investments of the self-directed brokerage account consist of individual securities, which are valued based on the quoted market prices of the underlying securities. Fair value is the price that would be received to sell an asset or pay to transfer a liability in an orderly fashion between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Use of Estimates - The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities, and the reported amounts of investment income and deductions during the Plan year. Actual results could differ from those estimates.

Administrative Expenses - Professional and administrative fees and other expenses of the Plan, at the Company's election, may be paid out of the Plan or directly by the Company. The Company elected to have administrative expenses of the Plan paid out of the Plan. In addition, personnel and facilities of the Company are used by the Plan for its accounting and other activities at no charge to the Plan.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021, AND FOR THE YEAR ENDED DECEMBER 31, 2022

Payment of Benefits - Benefit payments to participants are recorded upon distribution. As of December 31, 2022, all persons who had elected to withdraw from the Plan have been paid.

Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the IRS, to satisfy relevant nondiscrimination provisions of the Plan, are recorded as a liability with a corresponding reduction to participant contributions. The Plan distributed the excess contributions to the applicable participants prior to the statutory deadline.

Risks and Uncertainties - The Plan utilizes various investment options including mutual funds which invest in various securities including U.S. Government securities, corporate debt instruments and corporate stocks. Investment securities, in general, are exposed to various risks such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, Plan management believes it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

3. FAIR VALUE MEASUREMENTS

In accordance with the Financial Accounting Standards Board Accounting Standards Codification Topic 820, the Plan classifies its investments into Level 1, which refers to securities valued using quoted prices from active markets for identical assets or liabilities; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

The valuation methods described below may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. During the year ended December 31, 2022 and 2021, there were no transfers in and/or out of Level 3.

Below is a description of the valuation methodologies, redemption, and other restrictions for the Plan's investments as of December 31, 2022 and 2021:

Mutual funds — Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded; however, participants do not directly own the shares of the funds, but own an interest in the funds. Therefore, participant transactions are on a unitized basis, as discussed above.

Money Market Deposit Accounts — Valued at its deposit amount.

Participant Directed Investments —The Plan’s participant directed investments (Charles Schwab SDB) are self-directed brokerage account (“SDBAs”). Investments in the SDBAs are selected by the participant. Investments are priced based upon end of day market values of individual holdings in the accounts.

The following table sets forth by level within the fair value hierarchy a summary of the Plan’s investments measured at fair value on a recurring basis at December 31, 2022 and 2021.

4. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Charles Schwab Trust Bank (“the Trustee”), the Trustee of the Plan, and therefore these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services related to mutual funds were included as a reduction of the return earned on each fund.

Certain employees and officers of the Company, who may also be participants in the Plan, perform administrative services to the Plan at no cost to the Plan.

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2022 AND 2021, AND FOR THE YEAR ENDED DECEMBER 31, 2022

6. FEDERAL INCOME TAX STATUS

The Internal Revenue Service has issued a determination letter, dated September 21, 2020, that the Plan and related trust were designed in accordance with applicable sections of the Code. The Plan has been amended since receiving the determination letter, however, the Plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax exempt.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

7. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants become 100% vested in their accounts.

9. DELINQUENT PARTICIPANT CONTRIBUTIONS

In accordance with DOL guidelines, the Plan sponsor is required to segregate employee contributions to the plan from its general assets as soon as practicable but in no event more than 15 business days following the end of the month in which amounts are withheld from wages. The Company determined that certain remittances of employee deferrals for the years ended December 31, 2022 and 2021 were not made in accordance with DOL guidelines. The Company ultimately decided to categorize the remittances in question as prohibited transactions. The Company is in the process of self-correcting these errors based upon the IRS Self Correction Program guidelines.

10. SUBSEQUENT EVENT

Subsequent events were considered through October 16, 2023, which was the date the Plan's financial statements were available to be issued.
