INDEPENDENT AUDITORS' REPORT

TO THE PLAN ADMINISTRATOR
THE WINDOW NATION 401(K) AND PROFIT SHARING PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of The Window Nation 401(k) and Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of The Window Nation 401(k) and Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Notes 3 and 4, to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Window Nation 401(k) and Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Window Nation 401(k) and Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Window Nation 401(k) and Profit Sharing Plan's internal control. Auditors' Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

THE WINDOW NATION 401(K) AND PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following brief description of The Window Nation 401(k) and Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution plan adopted by Window Nation, Inc. (the Company). The plan was amended and restated effective April 16, 2021 and adopted the Great-West Trust Company, LLC (GWT) prototype plan document. Employees that are covered by a collective bargaining agreement, leased employees or non-resident aliens are not eligible for the Plan. Each eligible employee of the Company can become a participant in the Plan on the first entry date following the date the employee attains twenty-one years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

In recent years, the Plan has been amended to comply with the Heroes Earnings Assistance and Relief Tax (HEART) Act, the Worker, Retiree, and Employer Recovery Act (WRERA), and other Internal Revenue Service (IRS) and Department of Labor (DOL) guidance. The purpose of these changes was to comply with IRS and DOL regulations and maintain the Plan's tax exempt status.

Contributions

Participants may elect to contribute their eligible compensation plus additional catch-up contributions on a pre-tax basis, subject to IRS limitations for the Plan year. The Plan also permits rollover contributions from other qualified retirement plans. The Company may make a matching contribution to each participant's account based on the participant's deferral contribution. Matching contributions totaled \$363,703 for the year ended December 31, 2022. Participants direct the investment of contributions into a variety of investment options offered by the Plan. The GWT plan document also permits after-tax Roth contributions and has an automatic deferral feature. Employees that do not complete a salary reduction agreement to contribute to the Plan will be automatically enrolled and have their deferral rate set as 1% of eligible compensation. This automatic deferral amount will increase by 1% each year up to a maximum of 6%. These annual increases will occur as soon as administratively feasible following the anniversary date following the date that an employee's automatic enrollment begins.

The Company also offers a discretionary profit sharing contribution to eligible employees. The discretionary profit sharing contribution is determined annually by the Company. The Company may also make a discretionary Qualified Nonelective Contribution (QNEC) to the Plan. No discretionary profit sharing contributions or QNECs were made for the year ended December 31, 2022. Total annual contributions made to the Plan on behalf of any participant are subject to limitations imposed under the Internal Revenue Code (IRC).

Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Company's matching, discretionary QNEC, and discretionary profit sharing contributions, and Plan earnings (losses), and charged with an allocation of administrative expenses. The Company's matching contributions are allocated based on participants' deferrals. Discretionary QNEC and profit sharing contribution allocations are based on participant compensation or account balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

THE WINDOW NATION 401(K) AND PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service according to the following schedule:

<u>Years of service</u>	<u>Vested percentage</u>
Less than 3 years	0%
3 years or more	100%

Forfeitures

Forfeitures are created when participants terminate employment prior to becoming entitled to full benefits. At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$79,672 and \$35,044, respectively. Forfeitures totaled \$102,388 for the year ended December 31, 2022. Forfeitures used to reduce Company contributions or Plan expenses totaled \$57,760 for the year ended December 31, 2022.

Payment of Benefits

Upon termination of service due to death, disability, retirement, or separation of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Lump sum distributions are required if the vested balance is \$1,000 or less. For accounts greater than \$1,000, the participant must consent to any distribution of their account. The Plan administrator may distribute the participant's vested account in a lump sum without consent following the later of the calendar year in which the participant attains age 70½ or they terminate employment. In-service distributions may be made from fully vested accounts if the participant has attained age 59½. In the case of hardship, a participant may apply for a distribution described in the Plan document.

Administrative Expenses

Administrative expenses are paid by the Company or the Plan. During the year ended December 31, 2022, administrative expenses paid by the Plan totaled \$80,530.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

THE WINDOW NATION 401(K) AND PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains (losses) on the investments purchased and sold, as well as held, during the year.

Payment of Benefits

Benefit payments to participants are recorded when paid. Benefit payments totaled \$609,498 for the year ended December 31, 2022.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRC are recorded as a liability and reported as corrective distributions in the accompanying statement of changes in net assets available for benefits. Excess contributions payable totaled \$19,086 at December 31, 2022. There were no excess contributions payable at December 31, 2021.

Subsequent Events

The Plan evaluated subsequent events through October 11, 2023, the date these financial statements were available to be issued.

3. CERTIFICATION

Investment information disclosed in the accompanying financial statements and supplemental schedule of assets, including investments held at December 31, 2022, and net appreciation (depreciation) in the fair value of investments, interest and dividends for the year ended December 31, 2022, were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by GWT, the Plan custodian and have not been audited by the independent auditors.

4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- | | |
|---------|--|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability. |

THE WINDOW NATION 401(K) AND PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

4. FAIR VALUE MEASUREMENTS (continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price.

Fixed annuities – Valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issues.

Collective trust funds – Valued at the NAV, as provided by the custodian, of units of a bank collective trust and are not classified in the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's policy is to recognize transfers between levels of the fair value hierarchy as of the actual date of the event of change in circumstances that caused the transfer. There were no transfers between levels of the fair value hierarchy during 2022.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,041,426	\$ -	\$ -	\$ 2,041,426
Fixed annuities	-	106,693	-	106,693

4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,115,814	\$ -	\$ -	\$ 1,115,814

Total investments at fair value	<u>\$ 1,115,814</u>	<u>\$ 40,324</u>	<u>\$ -</u>	<u>\$ 1,156,138</u>
Collective trust funds	-	-	-	6,935,015
Total investments	<u>\$ 1,115,814</u>	<u>\$ 40,324</u>	<u>\$ -</u>	<u>\$ 8,091,153</u>

5. TAX STATUS

The trust established under the Plan, which holds the Plan's assets, is qualified pursuant to the appropriate section of the Internal Revenue Code, and accordingly, the trust's net investment income is exempt from income taxes. The Plan has adopted an IRS approved prototype plan. The prototype plan has received a favorable opinion letter from the IRS that it qualifies under IRS Code Section 401(a), provided all terms of the plan are followed. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan evaluates its tax positions in accordance with FASB ASC 740. At December 31, 2022, the Plan administrator believes that all of its tax positions are appropriate based on current facts and circumstances, and no liability related to uncertain tax positions needs to be recorded. The Plan files income tax returns in the U.S. Federal jurisdiction. The Plan is no longer subject to U.S. Federal income tax examination for years before 2019.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their account balances and these balances would be distributed to the participants after payment of any administrative expenses.

7. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan transactions include units of investment accounts managed by GWT for the year ended December 31, 2022. Therefore, these transactions qualify as party-in-interest transactions.

8. RISKS AND UNCERTAINTIES

The participants direct the Plan to invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

THE WINDOW NATION 401(K) AND PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

9. PROHIBITED TRANSACTIONS

For the years 2021, 2020 and 2019, the Company failed to timely remit certain participant contributions to the Plan custodian. This failure to remit contributions timely is considered a prohibited transaction according to the provisions of ERISA. The Company corrected the 2021, 2020 and 2019 transactions. For the years ended December 31, 2021, 2020 and 2019, \$887, \$305,210 and \$75,972, respectively, of contributions were categorized as delinquent.
