Independent Auditors' Report

To the Plan Administrator
U.S. Foot and Ankle Specialists 401(k) Plan
Rockville, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of U.S. Foot and Ankle Specialists 401(K) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the U.S. Foot and Ankle Specialists 401(K) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of U.S. Foot and Ankle Specialists 401(K) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about U.S. Foot and Ankle Specialists 401K Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of U.S. Foot and Ankle Specialists 401(K) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about U.S. Foot and Ankle Specialists 401(K) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

U.S. FOOT AND ANKLE SPECIALISTS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 1. Description of Plan

The following description of the U.S. Foot and Ankle Specialists 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees (other than excluded employees) of Foot and Ankle Specialists of the Mid Atlantic, LLC and its affiliates (FASMA). An employee becomes a participant in elective deferrals on the first day of each plan month, once they attain age 21 and complete 32 days of service. A participant under the Plan becomes eligible to receive a safe harbor matching contributions, non-safe harbor matching contributions and profit sharing contributions on the first day of each plan quarter, once they attain age 21 and complete 1 year of service. The Plan was established on January 1, 2012 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was adopted under the provisions of §401(k) of the Internal Revenue Code. The plan administrator and plan trustees are responsible for oversight of the Plan.

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined by the Plan, not to exceed the maximum statutory limit under the Internal Revenue Code §415. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions, which are not subject to matching provisions. The Plan also allows elective deferral contributions to be made as after-tax basis Roth contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers).

FASMA makes safe harbor matching contributions in an amount equal to 100% of the participant's deferral contributions up to 3% of compensation plus 50% of the participant contributions that exceed 3% but do not exceed 5% of compensation. FASMA may also make non-safe harbor matching contributions and profit sharing contributions on a discretionary basis. All contributions are allocated based on the participant's self-directed authority. No non-safe harbor contributions or profit sharing contributions were made in 2022 or 2021.

Participant Accounts

Each participant's account is credited with the participant and employer contributions, as well as Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

U.S. FOOT AND ANKLE SPECIALISTS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 1. Description of Plan (Continued)

Vesting

Participants are vested immediately in their contributions, safe harbor matching contributions plus actual earnings thereon. Vesting in the non-safe harbor contributions and profit sharing contributions portion of their account is based on years of continuous service as follows:

Less than two years	0%
Two years but less than three years	20%
Three years but less than four years	40%
Four years but less than five years	60%
Five years but less than six years	80%
Six or more years	100%

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, except as modified by the CARES Act. The loans are secured by the vested balance in the participant's account. Loans are generally repaid over a term of five years or less, or ten years or less if for a principal residence. The loan interest rate is generally based on the Wall Street Journal Prime Rate, plus one percent on the first business day of the month in which the loan is originated. Principal and interest is paid by the participants via a payroll deduction.

Benefits Paid to Participants and Beneficiaries

The Plan provides for benefit payments upon termination, death, disability, in-service distributions or normal retirement at the age of 65, based on the vested balance in the participant's account. Hardship withdrawals and participant loans are also permitted, if certain conditions are met, as outlined in the plan document. Benefit payments are recorded when paid. Participants who qualify for benefit payments are entitled to receive 100% of their vested account balance in a lump sum payment as soon as administratively feasible. The Plan has elected to require mandatory distributions for separated participants with balances up to \$5,000. There were no significant benefits payable to terminated participants who have withdrawn from the Plan as of December 31, 2022 or 2021.

Forfeited Accounts

A participant who terminates employment retains the vested portion of their account balance and the non-vested portion is forfeited when vested amounts are distributed. At December 31, 2022 and 2021, the forfeited accounts totaled \$55,099 and \$38,442, respectively. In both 2022 and 2021, \$0 forfeitures were utilized to reduce employer contributions and/or the Plan expenses. The balance will be used to pay future Plan expenses or reduce future employer matching contributions.

Investment Options

Upon enrollment in the Plan, a participant can direct their contributions to any of the investment options offered by the Plan.

U.S. FOOT AND ANKLE SPECIALISTS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

Note 1. Description of Plan (Concluded)

Plan Termination

Although it has not expressed any intent to do so, FASMA has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in all of their accounts. The net assets of the Plan would be allocated among the participants in the order provided for in accordance with ERISA.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investments

Investments in mutual funds are stated at fair value.

The insurance company general account (Great-West Key Guaranteed Portfolio Fund) is fully benefit-responsive, and as such, is presented at contract value as determined by Great-West Life & Annuity Insurance Company.

Interest from investments is recorded as earned. Investment income consists primarily of net realized and unrealized appreciation (depreciation) in fair value of investments and interest and dividend income. The net appreciation (depreciation) in fair value of investments consists of changes in the market values of investments bought, sold and held during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

These are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance is recorded as of December 31, 2022 and 2021. If loan payments are not made, the Plan administrator may deem the loan to be in default and record the deemed amount as a benefit payment.

Payment of Benefits

Benefits are recorded when paid.

U.S. FOOT AND ANKLE SPECIALISTS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 2. Summary of Significant Accounting Policies (Concluded)

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by FASMA and are excluded from these financial statements. Fees paid by the Plan for administrative expenses are included in the Statements of Changes in Net Assets Available for Benefits. Those fees include contract administrator, investment advisory and management fees of \$79,003 and \$87,128 for 2022 and 2021, respectively. Certain administrative functions are performed by employees of FASMA. No such employees receive compensation from the Plan.

Note 3. Income Tax Status

The Plan adopted a prototype plan designed by Retirement Planners and Administrators, Inc. The prototype plan obtained its latest determination letter on June 30, 2020 in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The prototype plan has been amended since receiving its latest determination letter. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, no provision for income taxes has been included in the Plan's financial statements.

In line with generally accepted accounting principles in the United States of America, the Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there is no audit in progress for any tax period.

Note 4. Information Prepared and Certified by the Trustee/Custodian

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Trust Company, LLC, as the Plan trustee in 2022 and Great-West Life & Annuity Insurance Company, as the custodian of the Plan in 2021, have certified to the completeness and accuracy of the following 2022 and 2021 information included in the accompanying financial statements and supplemental schedule:

	2022	2021
Mutual funds	\$ 22,288,972	\$ 19,889,616
Insurance company general account	495,377	463,638
Notes receivable from participants	166,396	146,416
Interest and dividend income	729,648	541,933
Net appreciation (depreciation) in fair value of investments	(4,320,566)	1,619,420
Other income	12,313	12,241
Interest income on notes receivable from participants	11,517	11,669

U.S. FOOT AND ANKLE SPECIALISTS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 5. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification 820 (ASC 820) *Fair Value Measurement*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of inputs other than quoted prices in an active market that are observable, and Level 3 inputs are unobservable and significant to the fair value measurements, and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

The Plan's investments in mutual funds are measured at fair value and are classified within Level 1 of the fair value hierarchy. The fair value of these investments is based on a quoted market price in active markets.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 or 2021.

Mutual Funds: Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Investment assets as of December 31, 2022:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 22,288,972	\$ -	\$ -	\$ 22,288,972

Investment assets as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 19,889,616	\$ -	\$ -	\$ 19,889,616

Note 6. Investment Contract with Insurance Company

The Plan has entered into a fully benefit-responsive investment contract with Great-West Life and Annuity Insurance Company (Great-West) to maintain the contributions in general accounts (Great-West Key Guaranteed Portfolio Fund). The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the investment contract is fully benefit-responsive, contract value is the relevant measurement attributable to the investment contract.

U.S. FOOT AND ANKLE SPECIALISTS 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

Note 6. Investment Contract with Insurance Company (Concluded)

Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The general accounts have no liquid market value because they are not tradeable or assignable, and there are no defined maturities of the cash flows.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rates are based on a formula agreed upon with the issuer.

Certain events would limit the Plan's ability to transact at contract value with Great-West. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan); (b) bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the plan; or (c) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such events, which would limit the Plan's ability to transact at contract value with Plan participants, is probable.

Note 7. Risks and Uncertainties

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur and that such changes could have a material effect on the amounts in the statements of net assets available for benefits.

Note 8. Exempt Party-In-Interest Transactions:

Certain transactions that are considered exempt party-in-interest transactions related to normal management and administrative services, and the payment of expenses related thereto. Certain Plan investments are managed by Great-West Life & Annuity Insurance Company, the custodian of the Plan, and a party in interest to the Plan. Certain fees are paid for the management of the investments or deducted from the investment earnings.

Note 9. Subsequent Events

The Plan has evaluated events through October 16, 2023, the date that the financial statements were available to be issued. The Secure 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans, becoming effective in 2023 and beyond. Plan management is evaluating the impact of the adoption and implementation of this legislation on the Plan. Management has determined that no other event occurred subsequent to December 31, 2022 that requires recognition or disclosure in these financial statements.
