### Report on the Audit of the Financial Statements

#### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of Tarana Wireless, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Tarana Wireless, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

#### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Tarana Wireless, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tarana Wireless, Inc. 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tarana Wireless, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tarana Wireless, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter**

##### *Supplemental Schedule Required by ERISA*

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Tarana Wireless, Inc. 401(k) Plan

## Notes to Financial Statements

---

### NOTE 1 – DESCRIPTION OF PLAN

The following description of Tarana Wireless, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement, as amended, for a more complete description of Plan provisions.

**General** – The Plan is a 401(k)-salary deferral and profit-sharing plan covering substantially all employees of Tarana Wireless, Inc., and is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Tarana Wireless, Inc. (the Company) is the Plan's sponsor and serves as plan administrator.

**Eligibility** – Employees of the Company are eligible to participate in the Plan upon reaching age 21 and can enroll in the Plan on the first day of the next month after becoming eligible. Interns, leased employees, non-permanent and temporary employees are not eligible.

### Contributions

*Participant contributions* – Participant contributions are made through automatic payroll deductions and there are four contribution types: Pre-Tax, After-Tax, Excess and Roth 401(k) After-Tax.

*Pre-Tax:* Participants may contribute between 1% and 90% of eligible pay up to the annual IRS pretax dollar limit (\$20,500 in 2022). Participants who expect to receive bonus compensation and have not exceeded IRS pretax contribution limits or Plan pretax contribution percentage limits, may be able to make an additional deferred contribution. The amount is limited to 100% of the bonus.

*After-Tax:* Participants may contribute between 1% and 10% of their compensation, effective April 29, 2021.

*Catch-up:* Participants who are age 50 or over by the end of the taxable year and have reached the annual Internal Revenue Service (IRS) limit or the Plan's maximum contribution limit for the year, may make an additional contribution up to the IRS Catch - Up Provision Limit (\$6,500 in 2022).

*Roth 401(k) After-Tax:* Participants may elect to make Roth 401(k) after-tax contributions.

*Rollover contributions* - Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

*Employer contributions* –The Company made a discretionary employer matching contribution equal to 100% of the first 4% of each eligible participant's compensation contributed to the Plan. The Company is allowed to make discretionary profit-sharing contributions as defined in the Plan.

The Company's discretionary profit-sharing contributions were zero in 2022.

*Plan amendment* - In May 2020, the Plan was amended to suspend the safe harbor employer matching contribution and implement discretionary employer matching contributions. The Company implemented a 2% target salary matching contribution for the period May 18, 2020 through May 18, 2021 as long as the participant contributed 2% to their 401(k). On a deferred basis, for participants contributing 2% or more, the Company matched an additional 2% for the period May 18, 2020 to April 18, 2021. As part of the Company's business plan to preserve capital during the COVID-19 pandemic, a salary reduction plan was implemented in May 2020. However, the Company agreed to calculate the deferred employer contribution based upon the pre-May 2020 salary. A Participant must be an active employee in May 2021 to be eligible for the deferred match.

In August 2021, the Recordkeeper calculated \$388,758 as the deferred employer contribution for the period May 18, 2020 to May 18, 2021, participant accounts were updated, and funds were deposited in the Trust.

**Participant accounts** – Each participant's account is credited with the participant's contributions and employer contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of

administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their account into various investment options offered by the Plan.

**Vesting** – Participants are 100% vested in their: employee pre-tax account, rollover account, after-tax account, Roth 401(k) after-tax deferral account, employer discretionary matching account and any earnings thereon. Discretionary employer matching contributions and earnings thereon are vested at 0% for less than one year service and 100% after one year of service. Effective December 17, 2021 employer matching contributions vest immediately. Employer profit-sharing contributions and earnings thereon are vested at 0% at less than one year service and 20% for each year during the first to fifth year of service. After the fifth year, the contributions are 100% vested.

**Notes receivable from participants** – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant's account. All loans must be repaid within a period of five years, unless the loan is used to purchase a principal residence, in which case, the loan must be repaid within a reasonable period. Under the terms of the Plan agreement, plan loans will bear a reasonable rate of interest determined by the Plan administrator. Principal and interest is paid ratably through biweekly payroll deductions. As of December 31, 2022, the rates of interest on outstanding loans ranged from 3.25% to 7.0%, with various maturities through July 2031.

**Payment of benefits** – Upon termination of service, a participant may elect to receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan allows for the automatic distribution of participant account balances that do not exceed \$1,000. Balances between \$1,000 and \$5,000 will be rolled over to an individual retirement plan as designated by the Plan Administrator.

**Forfeitures** – Forfeitures are the nonvested portion of a participant's account that is lost upon termination of employment. Forfeitures are retained in the Plan and will first be used to pay the Plan's administrative expenses, with any remaining amount used to reduce future Company contributions.

### **Plan amendment**

The Plan was amended on April 29, 2021 to allow participants to make after-tax contributions up to 10% of eligible compensation.

**Investment options** – The Plan offers thirty-seven investment options including: twelve Lifecycle (Target Date) Mutual Funds, twenty-four Mutual Funds and one Money Market Fund.

In March 2021 the Company added brokerage accounts with the maximum cap of 50% of the participants' account balance eligible for investing in a brokerage account.

#### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of accounting** – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (US GAAP), using the accrual method of accounting.

**Use of estimates** – The preparation of financial statements in conformity US GAAP requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Investment valuation** – The investments are reported at fair value. The Plan's trustee, Fidelity Management Trust Company ("Fidelity") certifies the fair value of all investments. If available, quoted market prices are used to value investments.

Fair value is the price that would be received to sell an asset or paid to transfer a liability (the "exit price") in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

**Income recognition** – Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net depreciation in fair value of investments consists of both the realized gains and losses and unrealized appreciation and depreciation of those investments.

**Notes receivable from participants** – Notes receivable from participants are measured at amortized cost, which represents unpaid principal balance plus accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions upon the occurrence of a distributable event, based on the terms of the Plan Agreement. No allowance for credit losses has been recorded as of December 31, 2022, or 2021.

**Payment of benefits** – Benefits are recorded when paid.

**Expenses** – The Plan's administrative expenses may be paid out of the forfeiture account or paid by the Company. Investment management, distribution, and loan transaction fees are paid by the Plan participants.

#### NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

**Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the Plan has the ability to access.

## Tarana Wireless, Inc. 401(k) Plan

### Notes to Financial Statements

---

**Level 2** – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation technique used for assets measured at fair value. There have been no changes in the technique used at December 31, 2022, and 2021.

*Mutual and money market funds* – Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value and to transact at that price. The funds held by the Plan are deemed to be actively traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission.

*Self-directed brokerage accounts* – the brokerage funds consist primarily of common stock which is valued at the closing price reported on the active market on which the individual securities are traded.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables disclose the fair value hierarchy of the Plan's assets by level as of December 31, 2022, and 2021.

#### **NOTE 4 - TAX STATUS OF THE PLAN**

The Plan document is a volume submitter defined contribution plan that received a favorable opinion letter from the IRS dated June 30, 2020, which stated that the plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since the date of the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

In accordance with guidance on accounting for uncertainty in income taxes, the Plan administrator has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **NOTE 5 – PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by an affiliate of Fidelity, the Plan's Trustee. Transactions with this entity qualify as exempt party-in-interest transactions.

#### **NOTE 6 – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. It is reasonably possible, given the level of risk associated with investment securities, that changes in the values of the investments in the near term could materially affect a participant's account balance and the amounts reported in the statement of net assets available for benefits.

#### **NOTE 7 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. If the Plan is terminated, amounts allocated to a participant's account become fully vested.

#### **NOTE 8 – INFORMATION CERTIFIED BY THE TRUSTEE**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, the trustee of the Plan, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying "Statements of Net Assets Available for Benefits as of December 31, 2022, and 2021".
- Net depreciation in fair value of investments, dividends, and interest, and interest income on notes receivable from participants reflected on the accompanying "Statement of Changes in Net Assets Available for Benefits, year ended December 31, 2022".
- Investments reflected on the "Schedule of Assets (Held at End of Year) December 31, 2022".
