We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Vanguard Medical Group, P.A. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that

an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Vanguard Medical Group, P.A. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Vanguard Medical Group, P.A. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Schedule of Assets Held at Year-End and Assets - Schedule H, Line 4i on pages 11-15 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022, and 2021**

NOTE 1 DESCRIPTION OF PLAN

The following description of the Vanguard Medical Group, P.A. 401(k) Plan Profit Sharing ("Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution plan covering substantially all eligible employees of the Company. The Plan does not specify any excluded employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and was established to provide eligible employees, and their beneficiaries, funds for retirement. The Plan was initially effective on January 1, 1999, and amended and effective on January 1, 2018. It was amended on December 15, 2018, for hardship disbursements and restated in July 2022.

Vanguard Medical Group, P.A. is the Plan Sponsor and the parent company of Vanguard Health Solutions, which provides medical services in various locations in New Jersey. The Plan Administrator is responsible for oversight of the Plan and along with the Investment advisors determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

In March 2022, The Plan switched from John Hancock to Vanguard Retirement Plan Access (Vanguard Retirement) and maintains a self-directed brokerage account managed by Ford Fowler/J.W. Cole Financial, Inc(JW Cole). Vanguard Retirement is a recordkeeper and custodian of the mutual funds and J.W. Cole Investments is the recordkeeper and custodian of a self-directed account. Ascensus, LLC is the third-party contract administrators for about more than eight and half months in 2022.

Employee Eligibility and Contributions

Employees who are twenty-one years of age or older and have completed 1,000 hours during the twelve - month period immediately following the date of hire are eligible to participate. The entry date to the Plan is semi-annual either on the first day of the plan year or the first day of the seventh month of the plan year. Employees may contribute pre-tax or Roth-401K contributions up to their eligible compensation up to the Internal Revenue Service's contribution limits. Participants who have attained age 50 before the end of the plan are eligible to make catch-up contributions.

Participants may also contribute certain rollover amounts representing distributions from other qualified plans.

Employer Contributions

The Plan is a "safe harbor" 401(K). In order to maintain safe harbor status, the Company contributes a safe harbor match equal to 100% of the participant's elective deferral for each pay period up to the first 3% of their Plan compensation plus 50% of the amount contributed between 3% and up to 5% of Plan compensation. Company safe harbor contributions are 100% vested immediately.

Participant Accounts

The participants in a portfolio offered by Vanguard Retirement that directs their monies into Vanguard Retirement's sub accounts where they are allocated into participant funds within the portfolio. Individual accounts are established for each participant. Each participant's account is credited with the participant's contributions, Plan earnings and charged with an allocation of investment gains or (losses), withdrawals, and administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

A participant in the self -directed account is managed by Ford Fowler and the investments are held by J.W Cole.

NOTE 1 DESCRIPTION OF PLAN (continued)

Vesting

Participants and Company safe harbor contributions are 100% vested immediately. The Company may also elect to provide a discretionary profit-sharing contribution but is not required to do so. The profit-sharing contributes vests with the following schedule:

<u>Years of Service</u>	<u>Vested Interest</u>
Less than 1 years of service	0%
Two years but less than three years	20%
Three years but less than four years	40%
Four years but less than five years	60%
Five years but less than six years	80%
Six years or more	100%

A participant's "vested percentage" is based on vesting years of service. A participant earns and accumulates a year of vesting with at least 1,000 hours of service during a Plan year. A participant is always 100% percent vested in his/her own deferred salary contribution to the Plan, but with respect to the Company's contributions, any unvested portion of his/her account shall be forfeited at termination.

Participants will become 100% vested in the company's matching upon death or disability.

Payment of Benefits

On termination of service due to death, retirement, or disability, a participant or participant's beneficiary may elect to receive a single lump sum payment equal to the value of the vested portion of his or her account, equal installments, or partial payments. Participants are allowed to withdraw employee account balances prior to termination of their employment under certain conditions specified in the Plan. The Plan also allows for participant withdrawals in the event of financial hardship, limited to the dollar amount of participant elective deferrals. For termination of services, a participant may receive the value of the vested interest in his or her account if the account is valued over \$5,000 as a lump-sum distribution or a rollover depending on the balance in their account. If the amount is under \$5,000 only a lump-sum distribution is allowed.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 and up to a maximum of \$50,000. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant accounts. Loan terms range from one to five years unless for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate as published in The Wall Street Journal on the 14th of each month plus 2%. Principal and interest are paid ratably through payroll deductions.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Plan is presented to assist in understanding the financial statements. The financial statements and notes are representations of the Plan's administrator, who is responsible for their integrity and objectivity. The accounting policies conform to accounting principles generally accepted in the United States of America ("GAAP") and have been consistently applied in the preparation of financial statements.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, except those benefits paid to Plan participants are recorded on a cash basis.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 and 2021**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers and trustees. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation and depreciation include the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from employees are recorded as they are withheld from the participant's wages.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses Fees

All Plan expenses, including those without limitation, expenses, and fees (including fees for legal services, accounting fees, and stock transfer charges rendered and fees to the custodian, administrator, investment manager, trustee, or any insurance company) shall be paid from the Plan if, and to the extent, the Company does not pay such expenses, fees and charges. Plan expenses of \$18,615 and \$61,679 were paid by the Plan in 2022 and 2021, respectively.

Forfeited Accounts

Forfeited non-invested amounts on December 31, 2022, and 2021, were \$3,068 and \$0, respectively.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. The interest rates on December 31, 2022, varied from 5.25% to 9.50%. Related fees are recorded as administrative expenses and are recorded when they are incurred. The notes receivable from participants for December 31, 2022, and 2021 are \$176,459 and \$76,233, respectively.

NOTE 3 INVESTMENTS

No auditing procedures were performed by the independent public accountants as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the custodians except for comparing such information with the related information included in the in the financial statements. The Plan's investments were held by custodians including John Hancock and Vanguard Retirement for the years 2022, and 2021, respectively; and J.W. Cole for both years. Based on the information provided and certified by the custodian, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectable as defined by ERISA, as of December 31, 2022.

NOTE 4 FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board (“FASB”) established a framework for measuring fair value that provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include: 1) quoted prices for similar assets or liabilities in active markets; 2) quoted prices for identical or similar assets or liabilities in inactive markets; 3) inputs other than quoted prices that are observable for the asset or liability and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan’s assets measured at fair value at December 31, 2022 and 2021.

Pooled Separate Accounts: The units of pooled separate accounts are stated at fair value as determined by the issuer of the account based on the net asset value (“NAV”) of the underlying investments held by the pooled separate account less its liabilities.

Mutual funds: Investments in mutual funds consist of registered investment company investments. The registered investment company investments are valued at quoted market prices which represent the net asset values of shares held by the Plan at year end.

Fixed Annuities: The report values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract. Interest income is calculated by the annuity provider.

Self-Directed Brokerage Account: An account maintains mutual funds, an individual stock and exchange traded fund (ETF). The ETF held are open-end collective investment registered with the SEC and valued at the daily closing price as reported by the fund. These funds are required to publish their daily NAV and to transact at that price. The stocks and mutual funds held by the Plan are deemed to be actively traded. The mutual funds, stock and EFT funds are stated at fair value. The funds and stocks are all SEC registered. and are level 1 in the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 GUARANTEED VALUE INTEREST

As of December 31, 2021, investments held by the Plan include the Guaranteed Interest 10-year term account with John Hancock Life Insurance Company, an account with guaranteed stated quarterly interest. John Hancock maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The account guarantees the return of the principal plus compound interest over the 10-year term provided that all contributions remain in the account for the duration of the ten years. This fund has been terminated in March 2022 due to the Plan switch from John Hancock to Vanguard Retirement.

As of December 2022, investments held by the Plan include a fixed annuity fund whose primary investment objective is to preserve principal while generating earnings at rates competitive over time with short-term high quality fixed income investments. The fund invests entirely in the MetLife Group Annuity Contract 25157 which consists of separately managed investment portfolios directed by Reliance Trust Company. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Both contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawal or transfer of all or a portion of their investments at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The Plan's ability to receive amounts due in accordance with fully benefit responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2022 and 2021

NOTE 5 GUARANTEED VALUE INTEREST (Continue)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: 1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), 2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, 3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or 4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibition transaction exemption under ERISA. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring.

NOTE 6 PARTY-IN-INTEREST TRANSACTIONS

Administrative fees paid by the Plan were \$18,614 for the year ended December 31, 2022. Fees paid to John Hancock, Vanguard Retirement Plan Access, the investment advisers and the third - party contract administrators qualify as party in-interest transactions. However, they are exempt from the ERISA prohibited transaction rules.

NOTE 7 FEDERAL INCOME TAX STATUS

The Plan adopted a prototype volume submitter profit sharing 401(k) plan. The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service identified the Plan as acceptable under the applicable section of the IRC. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore exempt from federal income taxes. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions however, there are currently no audits for tax periods in progress. In addition, there are no tax related interest or penalties presented in these financial statements.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefit.

NOTE 9 - PLAN TERMINATION

Although it has not been expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their account.

NOTE 10 - SUBSEQUENT EVENTS

Subsequent events were evaluated through October 16, 2023, which is the date the financial statements were available to be issued. Based on that evaluation, the Plan has determined that no subsequent events have occurred that require disclosure in the financial statements.
