Report of Independent Auditors

To the Participants and Plan Administrator of
Alltech Beverage Division, LLC 401(k) Retirement Plan
Lexington, Kentucky

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Alltech Beverage Division, LLC 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements, continued

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2022, and the Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ALLTECH BEVERAGE DIVISION, LLC 401(K) RETIREMENT PLAN

Notes to the Financial Statements

1. Description of the Plan

The following description of the Alltech Beverage Division, LLC 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of Alltech Beverage Division, LLC (Plan Administrator or Plan Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2021, the Plan was spun-off from another plan that was originally established on May 4, 1987. The Plan was restated effective July 1, 2022. Years of service from the predecessor employer are counted in years of service in the Plan.

Eligibility

Employees are eligible to participate in the Plan on their hire date as long as they are at least 18 years of age. All employees, except interns, leased, or temporary employees, become eligible to participate in the Plan on the first pay period following their date of employment. At that time, participants can begin deferring compensation into the Plan, and become eligible for the employer safe harbor matching contributions. Employees become eligible for employer nonelective contributions once they are at least 21 years of age and have completed one year of service.

Contributions

The Plan is funded with employee salary deferral, rollover, and Plan Sponsor contributions. Participants may elect to contribute up to the maximum annual contribution limit, as defined by the Internal Revenue Code (IRC). The Plan Sponsor makes safe harbor matching contributions on behalf of eligible participants equal to 100% of the participant contributions up to 6% of each participant's elective deferrals. Additionally, participants may designate all or a portion of their elective deferral contributions as after-tax Roth contributions instead of pre-tax contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified plans.

Participants are automatically enrolled in an elective deferral contribution of 4% of compensation, unless the participant affirmatively elects a different percentage or elects not to make an elective deferral contribution. This percentage is automatically increased on or after each January 1 by 1% up to a maximum of 10%.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and the Plan Sponsor's matching contributions, an allocation of Plan earnings or losses, and administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan adoption agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

ALLTECH BEVERAGE DIVISION, LLC 401(K) RETIREMENT PLAN

Notes to the Financial Statements, continued

1. Description of the Plan, continued

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. If no such direction is made, participant accounts are invested in accordance with default investment alternatives as established under the Plan. The Plan Sponsor's contributions are automatically invested in the same investment options at the same percentage as participant deferral contributions.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Participants are vested in the Plan Sponsor's safe harbor contributions, matching contributions and nonelective contributions according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2 or more	100%

If a participant dies or becomes disabled, he or she is automatically 100% vested in all accounts.

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance, reduced by any outstanding loan balance. Participants may not have more than five loans outstanding at any time. The loans are secured by the balance in the participant's account. Each loan shall bear a reasonable fixed rate of interest to be determined by the loan administrator. Principal and interest are paid ratably through payroll deductions and payments are due at least quarterly.

Payment of Benefits

On termination of service, if a vested account balance does not exceed \$1,000, the distribution will be made in a lump sum payment. If the vested account balance is \$1,000 to \$5,000, participants have the option of receiving the vested account balance in a lump sum payment or rolling the balance into an Individual Retirement Account (IRA). If the vested account balance exceeds \$5,000, participants are permitted to leave their account balance in the Plan until they elect to receive benefits or to rollover their balance to another qualified plan or IRA.

Forfeited Accounts

Any non-vested amounts are forfeited by terminating participants and are applied to reduce the Plan Sponsor's contribution and administrative expenses for such plan year. As of December 31, 2022 and 2021, forfeited non-vested accounts totaled \$17,044 and \$20,267, respectively. During the year ended December 31, 2022, employer matching contributions of \$16,068 were paid from forfeited nonvested accounts, and \$17,965 were forfeited from participants' accounts.

ALLTECH BEVERAGE DIVISION, LLC 401(K) RETIREMENT PLAN

Notes to the Financial Statements, continued

1. Description of the Plan, continued

Risks and Uncertainties

The Plan provides for participant directed investment options in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Administrative Expenses

Investment related expenses are included in net appreciation of fair value of investments. Certain expenses of maintaining the Plan are paid by the Plan as provided by the Plan adoption agreement. All other administrative expenses are paid by the Plan Sponsor.

2. Summary of Significant Accounting Policies

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) which require management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements:

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year.

The fair value of certain alternative investments is determined using net asset value (NAV) per share as a practical expedient when the fair value is not readily determinable, unless it is probable that the investment will be sold at something other than NAV.

Notes Receivable from Participants

Participant loans are classified as notes receivable from participants and are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan adoption agreement.

Payment of Benefits

Benefit payments to participants are recorded when paid.

2. Summary of Significant Accounting Policies, continued

Subsequent Events

The Plan's management has evaluated subsequent events for accounting and disclosure requirements through October 16, 2023, the date that the financial statements were available to be issued.

3. Information Certified and Provided by Trustee

The Plan's asset information included in this note and throughout the Plan's financial statements and supplemental schedules was prepared by or derived from information provided by Principal Trust Company (Principal), the trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from the trustee that asset information provided to the Plan Administrator by the trustee related to the asset information is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to asset information in this note and which appears throughout the financial statements and the supplemental schedule.

The following table presents the fair value of assets in the Plan that were certified by Principal as of December 31, 2022.

	<u>2022</u>	<u>2021</u>
Mutual funds	\$ 4,136,163	\$ 5,164,362
Pooled separate accounts	250,519	324,697
Collective trusts	<u>1,169,358</u>	<u>1,185,567</u>
Total investments	<u>\$ 5,556,040</u>	<u>\$ 6,674,626</u>
Notes receivable from participants	\$ 119,854	\$ 93,280

Principal also certified to the completeness and accuracy of \$1,190,136 of net realized and unrealized depreciation in the fair value, \$85,280 of interest and dividends related to the investments, and \$4,587 of interest on the notes receivable from participants for the year ended December 31, 2022.

4. Fair Value Measurements

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

ALLTECH BEVERAGE DIVISION, LLC 401(K) RETIREMENT PLAN

Notes to the Financial Statements, continued

4. Fair Value Measurements, continued

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts: Valued at NAV per share based on quoted market prices of underlying investments. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. There are currently no redemption restrictions or unfunded commitments on these investments and the investments can be redeemed daily.

Collective trusts: Valued based on the NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There are currently no redemption restrictions or unfunded commitments on these investments and the investments can be redeemed daily.

There have been no changes in the valuation methodologies used at December 31, 2022 and 2021.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ALLTECH BEVERAGE DIVISION, LLC 401(K) RETIREMENT PLAN

Notes to the Financial Statements, continued

4. Fair Value Measurements, continued

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2022</u>				
Investments measured at fair value:				
Mutual funds	\$ <u>4,136,163</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 4,136,163
Investments measured at NAV:				
Pooled separate accounts				250,519
Collective trusts				<u>1,169,358</u>
Total investments at fair value				\$ <u>5,556,040</u>
<u>2021</u>				
Investments measured at fair value:				
Mutual funds	\$ <u>5,164,362</u>	<u>-</u>	<u>-</u>	\$ 5,164,362
Investments measured at NAV:				
Pooled separate accounts				324,697
Collective trusts				<u>1,185,567</u>
Total investments at fair value				\$ <u>6,674,626</u>

In accordance with accounting standards, investments that are measured at fair value using the NAV practical expedient have not been classified as Level 1, 2 or 3 in the fair value hierarchy, but are included above to permit reconciliation of the fair value hierarchy tables to the amounts presented in the statements of net Assets available for benefits.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits.

ALLTECH BEVERAGE DIVISION, LLC 401(K) RETIREMENT PLAN

Notes to the Financial Statements, continued

5. Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds or units of collective investment trusts and pooled separate account funds managed by Principal Life Insurance Company (Principal Life) or its related companies. Principal Life is a member of Principal, therefore, these transactions qualify as party-in-interest. Administrative expenses of \$42,036 for the year ended December 31, 2022 are comprised of fees paid by the Plan to Principal Life or its related companies for investment management services and withdrawal charges.

Additionally, indirect fees are paid to Principal Life or its related companies based on investment account values. These fees range from 0.01% to 1.08% of the investment account value. The fees are included with net depreciation in fair value of investments on the statement of changes in net assets available for benefits.

6. Tax Status

The Plan uses a prototype Plan document sponsored by Principal Life Insurance Co. Principal Life Insurance Co. received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Plan Termination

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

8. Prohibited Transactions

During the year ended December 31, 2021, participant withholdings in the amount of \$8,290 were not remitted within the appropriate time period by the Plan Sponsor. This transaction constitutes a prohibited transaction as defined by ERISA. The Plan Sponsor is aware of the occurrence and have taken the appropriate steps to correct the situation by implementing procedures to ensure all future remittances are completed within the prescribed time period. Participant withholdings, including lost earnings of \$291, were remitted to the Plan in October 2022.
