Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: WITHUM SMITH & BROWN PC

(2) EIN: 22-2027092

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)			
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?			
4k		X	
l Has the plan failed to provide any benefit when due under the plan?			
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined

If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

SCHEDULE R (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Retirement Plan Information This schedule is required to be filed under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and section 6058(a) of the Internal Revenue Code (the Code). ► File as an attachment to Form 5500. INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Commvault Systems, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Commvault Systems, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Commvault Systems, Inc. 401(k) Plan's Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Commvault Systems, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Commvault Systems, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Commvault Systems, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Commvault Systems, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters - Supplementary Information Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Commvault Systems, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

The following description of Commvault Systems, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution profit-sharing plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan became effective August 1, 1996 and has been amended several times. The most recent amendment to Plan provisions was effective September 28, 2018 and included a name change of the Plan from CommVault Systems, Inc. 401(k) Plan to Commvault Systems, Inc. 401(k) Plan.

Participation

All employees of Commvault Systems, Inc. (the “Company” or the “Employer”) are eligible to participate under the Plan as of the entry date (the first month following the date on which he or she meets all requirements) if the employee has attained the age of 18 years. The Company amended the Plan effective July 1, 2011 to eliminate the service requirement for participant deferrals and enable immediate Plan entry.

Contributions

Participants may make elective salary deferral contributions to the Plan, which are not to exceed the maximum amount allowed under the Internal Revenue Code (“IRC”). The Employer may make matching contributions equal to a discretionary percentage, to be determined by the Employer, of the participants’ salary deductions. The Employer may also make an additional discretionary profit-sharing contribution on behalf of all eligible employees. Employer contributions to the Plan for the year ended December 31, 2022 totaled \$2,826,659.

Participant Accounts

Participant accounts are established for each participant. Each participant’s account is credited with the participant’s pretax contributions, the Company contributions, if any, and the proportionate share of dividends, interest, and investment gains since the preceding valuation date. The participant’s account is reduced by withdrawals, an allocation of expenses, losses on investments, and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Each participant is fully vested in the amount in his or her account attributed to any elective salary deferral contributions to the Plan. The portion of a participant’s account balance attributed to the Employer’s discretionary contributions or matching contributions becomes vested at the rate of 20% per year over five years. Consequently, a participant is fully vested after five years.

Forfeitures

The portion of a participant’s account balance attributed to the Employer’s matching contributions which, is not vested upon his or her termination of employment, will be forfeited and may be used in future periods first to reduce administrative expenses and then to reduce the Employer’s discretionary contributions. Forfeitures available at December 31, 2022 and 2021 were \$183,897 and \$235,374, respectively. During 2022, \$289,027 of forfeitures was applied to Employer discretionary contributions.

Commvault Systems, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator, ranging from 3.25% to 7.00%. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

At retirement, a participant shall be entitled to receive the vested amount in his or her separate account. The Plan provides that distributions at retirement be made at the participant's option, either in one of several annuity options or in a lump-sum distribution. A participant's normal retirement age is 59 1/2. Early retirement is not permitted. Upon the death of a participant, the participant's vested contributions will be distributed to his or her beneficiary either in the form of a life annuity or a lump sum, as the beneficiary shall determine. Upon termination, a participant shall be entitled to his or her vested interest in the amount credited to his or her account.

Termination and Amendment of Plan

It is intended that the Plan will continue indefinitely, but the Company reserves the right to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, the amount credited to the account of each participant will be fully vested. The Plan may also be amended at any time.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained on the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of funds are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date. See Note 4 for discussion of fair value measurements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan's assets are invested in various investments that, in general, are exposed to various risks, such as credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect amounts reported in the financial statements.

Commvault Systems, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Administrative Expenses

Administrative expenses of the Plan are paid by the Company (Plan sponsor), other than investment advisory and management fees which are deducted directly from the investment funds. In addition, certain investment-related expenses have been offset with net investment income (loss) and are not readily determinable.

Payment of Benefits

Benefits are recorded when paid.

3. INVESTMENT CERTIFICATION (UNAUDITED)

The following is a summary of the information regarding the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included in the Plan's financial statements and Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year), that was certified by the Plan's trustee, Fidelity Management Trust Company:

	<u>2022</u>	<u>2021</u>
Investments, at fair value (Note 4)	\$ 198,294,112	\$ 230,107,510
Notes receivable from participants	\$ 1,526,610	\$ 1,535,609
Net depreciation in investments	\$ (48,065,868)	
Interest and dividends (as stated on the statement)	\$ 8,295,222	
Interest on notes receivable from participants	\$ 61,478	

4. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Commvault Systems, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered Investment Companies: Valued at quoted market prices which represent the net asset value ("NAV") of shares held by the Plan at year-end. Since NAV is a quoted price in an active market, they are classified within Level 1 of the valuation hierarchy.

Money Market Fund: Valued at fair value of the amount invested into the fund plus interest earned.

Common/Collective Trust: Valued at NAV as a practical expedient as determined by the issuer of the fund based on the fair value of the underlying investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of the future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Registered investment companies	\$ 189,322,087	\$ 189,322,087	\$ -	\$ -
Money market fund	<u>4,231,445</u>	<u>4,231,445</u>	<u>-</u>	<u>-</u>
	193,553,532	<u>\$ 193,553,532</u>	<u>\$ -</u>	<u>\$ -</u>
Common/collective trust, at NAV*	<u>4,740,580</u>			
	<u>\$ 198,294,112</u>			

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Registered investment companies	\$ 224,095,830	\$ 224,095,830	\$ -	\$ -
Money market fund	<u>3,087,258</u>	<u>3,087,258</u>	<u>-</u>	<u>-</u>
	227,183,088	<u>\$ 227,183,088</u>	<u>\$ -</u>	<u>\$ -</u>
Common/collective trust, at NAV*	<u>2,924,422</u>			
	<u>\$ 230,107,510</u>			

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Commvault Systems, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022 and 2021:

	<u>2022</u> <u>Fair Value</u>	<u>2021</u> <u>Fair Value</u>	<u>Unfunded</u>	<u>Redemption</u> <u>Frequency</u>	<u>Redemption</u> <u>Notice</u>
Common/collective trust	\$ 4,740,580	\$ 2,924,422	None	Daily	Daily

The method used could produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. PARTY-IN-INTEREST TRANSACTIONS

Certain investments are shares of registered investment companies, a money market fund, and a common/collective trust managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined in the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan were \$72,683 for the year ended December 31, 2022 and are included in administrative expenses. The notes receivable from participants also qualify as exempt party-in-interest transactions.

6. TAX STATUS

The Plan adopted a prototype volume submitter profit-sharing 401(k) plan. By a letter dated June 30, 2020, the Internal Revenue Service ("IRS") has determined that the prototype plan and related trust are designed in accordance with applicable sections of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there is no tax-related interest or penalties for the periods presented in these financial statements.

Commvault Systems, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

7. RECONCILIATION OF THE FINANCIAL STATEMENTS AND INFORMATION CONTAINED IN FORM 5500

The following is a reconciliation of the net assets available for benefits as of December 31, 2022 and 2021 and the changes in net assets available for benefits for the year ended December 31, 2022 per these financial statements to amounts reported in Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 200,104,485	\$ 231,907,066
Adjustment from contract value to fair value	(320,013)	26,026
Current-year employer contribution receivable	<u>(283,763)</u>	<u>(263,947)</u>
Net assets available for benefits per Form 5500	<u>\$ 199,500,709</u>	<u>\$ 231,669,145</u>
 Change in net assets available for benefits per the financial statements	 \$ (31,802,581)	
Change in contract value adjustment	(346,039)	
Prior-year employer contribution receivable	263,947	
Current-year employer contribution receivable	<u>(283,763)</u>	
Change in net assets per Form 5500	<u>\$ (32,168,436)</u>	

8. SUBSEQUENT EVENTS

Management has evaluated subsequent events occurring after the statement of net assets available for benefits date through October 10, 2023, the date on which the financial statements were available to be issued. Based upon that evaluation, the Plan has determined that no subsequent events have occurred that require disclosure in or adjustment to the financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Commvault Systems, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Commvault Systems, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Commvault Systems, Inc. 401(k) Plan's Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Commvault Systems, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Commvault Systems, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Commvault Systems, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Commvault Systems, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters - Supplementary Information Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

December 31, 2022 and 2021

1. DESCRIPTION OF PLAN

The following description of Commvault Systems, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution profit-sharing plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan became effective August 1, 1996 and has been amended several times. The most recent amendment to Plan provisions was effective September 28, 2018 and included a name change of the Plan from CommVault Systems, Inc. 401(k) Plan to Commvault Systems, Inc. 401(k) Plan.

Participation

All employees of Commvault Systems, Inc. (the “Company” or the “Employer”) are eligible to participate under the Plan as of the entry date (the first month following the date on which he or she meets all requirements) if the employee has attained the age of 18 years. The Company amended the Plan effective July 1, 2011 to eliminate the service requirement for participant deferrals and enable immediate Plan entry.

Contributions

Participants may make elective salary deferral contributions to the Plan, which are not to exceed the maximum amount allowed under the Internal Revenue Code (“IRC”). The Employer may make matching contributions equal to a discretionary percentage, to be determined by the Employer, of the participants’ salary deductions. The Employer may also make an additional discretionary profit-sharing contribution on behalf of all eligible employees. Employer contributions to the Plan for the year ended December 31, 2022 totaled \$2,826,659.

Participant Accounts

Participant accounts are established for each participant. Each participant’s account is credited with the participant’s pretax contributions, the Company contributions, if any, and the proportionate share of dividends, interest, and investment gains since the preceding valuation date. The participant’s account is reduced by withdrawals, an allocation of expenses, losses on investments, and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Each participant is fully vested in the amount in his or her account attributed to any elective salary deferral contributions to the Plan. The portion of a participant’s account balance attributed to the Employer’s discretionary contributions or matching contributions becomes vested at the rate of 20% per year over five years. Consequently, a participant is fully vested after five years.

Forfeitures

The portion of a participant’s account balance attributed to the Employer’s matching contributions which, is not vested upon his or her termination of employment, will be forfeited and may be used in future periods first to reduce administrative expenses and then to reduce the Employer’s discretionary contributions. Forfeitures available at December 31, 2022 and 2021 were \$183,897 and \$235,374, respectively. During 2022, \$289,027 of forfeitures was applied to Employer discretionary contributions.

Commvault Systems, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator, ranging from 3.25% to 7.00%. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

At retirement, a participant shall be entitled to receive the vested amount in his or her separate account. The Plan provides that distributions at retirement be made at the participant's option, either in one of several annuity options or in a lump-sum distribution. A participant's normal retirement age is 59 1/2. Early retirement is not permitted. Upon the death of a participant, the participant's vested contributions will be distributed to his or her beneficiary either in the form of a life annuity or a lump sum, as the beneficiary shall determine. Upon termination, a participant shall be entitled to his or her vested interest in the amount credited to his or her account.

Termination and Amendment of Plan

It is intended that the Plan will continue indefinitely, but the Company reserves the right to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, the amount credited to the account of each participant will be fully vested. The Plan may also be amended at any time.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained on the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of funds are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date. See Note 4 for discussion of fair value measurements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan's assets are invested in various investments that, in general, are exposed to various risks, such as credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect amounts reported in the financial statements.

Commvault Systems, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

Administrative Expenses

Administrative expenses of the Plan are paid by the Company (Plan sponsor), other than investment advisory and management fees which are deducted directly from the investment funds. In addition, certain investment-related expenses have been offset with net investment income (loss) and are not readily determinable.

Payment of Benefits

Benefits are recorded when paid.

3. INVESTMENT CERTIFICATION (UNAUDITED)

The following is a summary of the information regarding the Plan as of December 31, 2022 and 2021, and for the year ended December 31, 2022, included in the Plan's financial statements and Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year), that was certified by the Plan's trustee, Fidelity Management Trust Company:

	<u>2022</u>	<u>2021</u>
Investments, at fair value (Note 4)	\$ 198,294,112	\$ 230,107,510
Notes receivable from participants	\$ 1,526,610	\$ 1,535,609
Net depreciation in investments	\$ (48,065,868)	
Interest and dividends (as stated on the statement)	\$ 8,295,222	
Interest on notes receivable from participants	\$ 61,478	

4. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Commvault Systems, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Registered Investment Companies: Valued at quoted market prices which represent the net asset value ("NAV") of shares held by the Plan at year-end. Since NAV is a quoted price in an active market, they are classified within Level 1 of the valuation hierarchy.

Money Market Fund: Valued at fair value of the amount invested into the fund plus interest earned.

Common/Collective Trust: Valued at NAV as a practical expedient as determined by the issuer of the fund based on the fair value of the underlying investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of the future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Registered investment companies	\$ 189,322,087	\$ 189,322,087	\$ -	\$ -
Money market fund	<u>4,231,445</u>	<u>4,231,445</u>	<u>-</u>	<u>-</u>
	193,553,532	<u>\$ 193,553,532</u>	<u>\$ -</u>	<u>\$ -</u>
Common/collective trust, at NAV*	<u>4,740,580</u>			
	<u>\$ 198,294,112</u>			

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Registered investment companies	\$ 224,095,830	\$ 224,095,830	\$ -	\$ -
Money market fund	<u>3,087,258</u>	<u>3,087,258</u>	<u>-</u>	<u>-</u>
	227,183,088	<u>\$ 227,183,088</u>	<u>\$ -</u>	<u>\$ -</u>
Common/collective trust, at NAV*	<u>2,924,422</u>			
	<u>\$ 230,107,510</u>			

*In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Commvault Systems, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2022 and 2021:

	<u>2022</u> <u>Fair Value</u>	<u>2021</u> <u>Fair Value</u>	<u>Unfunded</u>	<u>Redemption</u> <u>Frequency</u>	<u>Redemption</u> <u>Notice</u>
Common/collective trust	\$ <u>4,740,580</u>	\$ <u>2,924,422</u>	None	Daily	Daily

The method used could produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. PARTY-IN-INTEREST TRANSACTIONS

Certain investments are shares of registered investment companies, a money market fund, and a common/collective trust managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined in the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan were \$72,683 for the year ended December 31, 2022 and are included in administrative expenses. The notes receivable from participants also qualify as exempt party-in-interest transactions.

6. TAX STATUS

The Plan adopted a prototype volume submitter profit-sharing 401(k) plan. By a letter dated June 30, 2020, the Internal Revenue Service ("IRS") has determined that the prototype plan and related trust are designed in accordance with applicable sections of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there is no tax-related interest or penalties for the periods presented in these financial statements.

Commvault Systems, Inc. 401(k) Plan
Notes to Financial Statements
December 31, 2022 and 2021

7. RECONCILIATION OF THE FINANCIAL STATEMENTS AND INFORMATION CONTAINED IN FORM 5500

The following is a reconciliation of the net assets available for benefits as of December 31, 2022 and 2021 and the changes in net assets available for benefits for the year ended December 31, 2022 per these financial statements to amounts reported in Form 5500:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the financial statements	\$ 200,104,485	\$ 231,907,066
Adjustment from contract value to fair value	(320,013)	26,026
Current-year employer contribution receivable	<u>(283,763)</u>	<u>(263,947)</u>
Net assets available for benefits per Form 5500	<u>\$ 199,500,709</u>	<u>\$ 231,669,145</u>
 Change in net assets available for benefits per the financial statements	 \$ (31,802,581)	
Change in contract value adjustment	(346,039)	
Prior-year employer contribution receivable	263,947	
Current-year employer contribution receivable	<u>(283,763)</u>	
Change in net assets per Form 5500	<u>\$ (32,168,436)</u>	

8. SUBSEQUENT EVENTS

Management has evaluated subsequent events occurring after the statement of net assets available for benefits date through October 10, 2023, the date on which the financial statements were available to be issued. Based upon that evaluation, the Plan has determined that no subsequent events have occurred that require disclosure in or adjustment to the financial statements.
