Independent Auditors' Report

The Plan Administrator
IQTalent Partners, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the IQTalent Partners, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report,

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2022 and schedule of assets (held at end of year) as of December 31, 2022 are presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

IQTALENT PARTNERS, INC. 401(K) PLAN

Notes to the Financial Statements

December 31, 2022 and 2021

(1) Description of plan

The following description of the IQTalent Partners, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan agreement, available from the plan administrator, for a more complete description of the provisions of the Plan.

(a) General

The Plan is a defined contribution plan covering all employees ("participants") of IQTalent Partners, Inc. (the "Plan Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

As a result of a reduction of the Plan Sponsor's workforce, the Plan experienced a partial plan termination as defined by ERISA in 2022. Under ERISA, a partial plan termination may occur if a significant percentage of the Plan participants are terminated because of an action taken by the Plan Sponsor. If a partial plan termination occurs, full vesting in the employer's contributions is required for affected participants, but the remaining participants' vesting continues to be determined per the plan provisions. All effected employees who were participants in the Plan were fully vested in their account balances his or her separation date.

(b) Contributions

Participants may voluntarily make qualified retirement contributions to the Plan which are deductible by the participants for federal income tax purposes under Section 401(k) of the Internal Revenue Code ("IRC") or may be made after-tax in the form of a Roth 401(k) contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participant contributions are permitted up to 100% of eligible compensation subject to certain IRC limitations. Participants direct the investments of their contributions into various investment options offered by the Plan.

The Plan also provides that the Plan Sponsor may contribute a discretionary amount each year; however, an annual discretionary contribution by the Plan Sponsor is not required. No annual discretionary contribution was made by the Plan Sponsor during 2022 or 2021.

Plan Sponsor and participant contributions may not exceed the maximum amount allowable for federal income tax purposes.

IQTALENT PARTNERS, INC. 401(K) PLAN

Notes to the Financial Statements

December 31, 2022 and 2021

Effective September 8, 2022, the Plan Sponsor amended the Plan to incorporate a qualified automatic contribution arrangement ("QACA") safe harbor provision, whereby, newly eligible participants will be automatically enrolled in the Plan at 3.5% with an annual automatic increase of 1% up to a maximum of 6%, unless the eligible participant elects a different percentage. The Plan Sponsor will also make safe harbor matching contributions equal to 100% of the participants' contributions up to 1% of compensation plus 50% of the participants' contributions which are over 1% of compensation but are not over 6% of compensation.

(c) Participant accounts

Each participant's account is credited (charged) with the participant's and Plan Sponsor's contributions, investment earnings (losses), and administrative expenses. Allocations are based on participant compensation, account balances or specific participant transactions, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

(d) Vesting

Participants are immediately vested in their elective salary deferral and any discretionary contributions.

Participants will vest over a two-year cliff vesting schedule in the Plan Sponsor safe harbor matching contributions. Participants who are an employee on the date of death or the date disabled shall be fully vested.

(e) Notes receivable from participants

Each participant may borrow from his or her account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The participant notes receivable are secured by the balances in the respective participants' accounts and bear interest at fixed rates ranging between 5.50% to 7.50%, which is commensurate with local prevailing rates as determined quarterly by the plan administrator. Principal and interest are collected ratably through payroll deductions.

(f) Payment of benefits

On termination of service due to death, permanent disability, or retirement, a participant may elect to receive a lump-sum payment equal to his or her vested account or fixed installments.

(g) Forfeited accounts

Forfeitures are created when participants terminate employment prior to becoming fully vested in the Plan Sponsor contribution portion of their accounts. Such forfeitures reduce the Plan Sponsor's contributions to the Plan. At December 31, 2022 and 2021, there were no forfeited nonvested accounts totaled.

IQTALENT PARTNERS, INC. 401(K) PLAN

Notes to the Financial Statements

December 31, 2022 and 2021

(h) Hardship withdrawals

The Plan permits distributions in the event of a hardship, as defined in the plan agreement. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½. Hardship withdrawals are limited to the participant's elective account balance.

(i) Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the processing of distributions, withdrawals, qualified domestic relations orders ("QDRO"), and administration of notes receivable are charged directly to the applicable participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

(j) Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

(2) Summary of significant accounting policies

(a) Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

(b) Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(c) Notes receivable from participants

Participant notes receivable are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant notes receivable are reclassified as distributions based upon the terms of the Plan document.

IQTALENT PARTNERS, INC. 401(K) PLAN

Notes to the Financial Statements

December 31, 2022 and 2021

(d) Payment of benefits

Benefits are recorded when paid.

(e) Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(f) Events occurring after reporting date

The Plan's management has evaluated events and transactions that occurred between December 31, 2022 and October 13, 2023, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

(3) Certified information

Certain information related to investments reported and disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year), including the fair value of investments and notes receivable from participants held at December 31, 2022 and 2021, net appreciation (depreciation) in the fair value of investments, interest and dividend income, and interest income from notes receivable from participants for the years ended December 31, 2022 and 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal Trust Company and Principal Life Insurance Company (collectively, "Principal").

(4) Fair value measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

IQTALENT PARTNERS, INC. 401(K) PLAN

Notes to the Financial Statements

December 31, 2022 and 2021

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

- (i) *Mutual funds*: Valued based on the funds' reported closing net asset values of shares held by the Plan as of the last business day of the plan year. The mutual funds are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level the Plan's assets within the fair value hierarchy as of December 31, 2022 and 2021:

Fair Value Measurements as of December 31, 2022 using the following inputs

Notes to the Financial Statements

December 31, 2022 and 2021

Fair Value Measurements as of December 31, 2021 using the following inputs

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Total assets in the fair value hierarchy - mutual funds	\$ <u>1,790,590</u>	\$ <u>-</u>	\$ <u>-</u>	\$ 1,790,590
Investments measured at NAV, as a practical expedient (a)				<u>21,993</u>
Investments at fair value				\$ <u>1,812,583</u>

(a) Certain investments are measured at NAV as a practical expedient to estimate fair value and, therefore, has not been classified in the fair value hierarchy.

The following table summarizes investments for which the fair value is measured using NAV as a practical expedient as of December 31, 2022 and 2021, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to Plan transactions.

(5) Investment contract with insurance company

The Plan holds a benefit-responsive investment contract with an insurance company, Principal. The contract value of the investment contract was \$15,121 and \$4,175 at December 31, 2022 and 2021, respectively. The insurance company maintains the Plan's contribution in a general account which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

(6) Income tax status

The Plan Sponsor adopted a pre-approved non-standardized profit sharing plan, which received a favorable opinion letter from the Internal Revenue Service ("IRS") on June 30, 2020, which stated that the pre-approved plan was designed in accordance with the applicable sections of the IRC. The Plan itself has not received a determination letter from the IRS stating that the Plan is qualified under Section 401(a) of the IRC. However, the plan administrator believes that the Plan is designed as amended and is currently being operated in compliance with the applicable requirements of the IRC and is therefore, qualified and exempt from taxation.

IQTALENT PARTNERS, INC. 401(K) PLAN

Notes to the Financial Statements

December 31, 2022 and 2021

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Untimely remittance of participant contributions

The Plan Sponsor is required by Department of Labor regulation to remit participant contributions as soon as practicable, but by no later than the fifteenth business day following the end of the month in which the amounts were withheld from wages. For certain contributions withheld in 2022, the funds were not remitted timely.

(8) Related party and party-in-interest transactions

Certain Plan investments are a pooled separate account and a guaranteed investment account contract managed by Principal and affiliates of Principal and, therefore, these transactions qualify as party-in-interest transactions under ERISA. As described in Note 1, the Plan paid expenses to various service providers and holds notes receivable from participants which also qualify as party-in-interest transactions.

(9) Risks and uncertainties

The Plan utilizes various investment instruments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

As of the date of this report, the Plan has not completed the nondiscrimination testing required under section 401(k) of the IRC for the plan year ended December 31, 2022. Management does not believe the results of this testing will have a material impact on the Plan when it is complete.
