INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Retzer Resources, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Retzer Resources, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Retzer Resources, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the years ended December 31, 2022 and 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Retzer Resources, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Retzer Resources, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Retzer Resources, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Retzer Resources, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETZER RESOURCES, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

1. Description of Plan

The following description of the Retzer Resources, Inc. 401(k) Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined benefit contribution plan covering all full-time employees of the Company who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to the Internal Revenue Service limit. That limit for calendar years 2022 and 2021 is \$20,500 and \$19,500, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds as investment options for participants. The Company matches 50% of deferrals up to 4% of pay.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contributions and (b) Plan earnings/(losses), and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service.

Payment of Benefits

On termination of service due to death, disability, retirement or any other reason, a participant will receive a lump-sum amount equal to the value of the participant’s vested interest in his or her account.

RETZER RESOURCES, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

Forfeited Accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$7,166 and \$547, respectively. These amounts will be used to pay administrative expenses or reduce future employer contributions.

2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Date of Management's Review

Subsequent events were evaluated through the date of the auditors' report, the date the financial statements were available to be issued.

Significant Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

All expenses of maintaining the Plan are paid from the Plan assets or by the Company.

RETZER RESOURCES, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

3. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

	Fair Value	Level 1
Mutual Funds at December 31, 2022	<u>\$4,375,502</u>	<u>\$4,375,502</u>
Mutual Funds at December 31, 2021	<u>\$5,133,016</u>	<u>\$5,133,016</u>

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were used.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

4. Investments

Unaudited Information Certified by the Plan Custodian

On the December 31, 2022 and 2021 Statements of Net Assets Available for Benefits, the investment activities included on the Statements of Changes in Net Assets Available for Benefits for the years then ended, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Custodian in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of \$4,375,502 and \$5,133,016 at December 31, 2022 and 2021, respectively, and related income of \$(868,138) and \$625,205 for the years ended December 31, 2022 and 2021, respectively.

RETZER RESOURCES, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value as determined by quoted market price as follows during the years ended December 31:

	<u>2022</u>	<u>2021</u>
Mutual Funds	\$ (868,138)	\$ 625,205

5. Administration Expenses

The plan's administration expenses were as follows for the years ended December 31:

	<u>2022</u>	<u>2021</u>
Professional fees	\$ 24,746	\$ 22,273
Contract administrator fees	<u>71,475</u>	<u>75,613</u>
	\$ <u>96,221</u>	\$ <u>97,886</u>

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

7. Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

RETZER RESOURCES, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risks associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of assets available for benefits.

9. Related Party Transactions

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others.

During the 2022 and 2021 Plan years, Ellis and Ward Consulting Group, Inc., and John Hancock provided recordkeeping and trust services to the Plan. These service providers qualify as a party-in-interest for the years ended December 31, 2022 and 2021. The administrative expenses paid by the Plan were rendered by parties-in-interest. Those fees were based on customary and reasonable rates for such services. The Plan Sponsor provides administrative services to the plan and these costs are absorbed by the Plan Sponsor.

10. Reconciliation of Financial Statements to Form 5500

The financial statements of the Plan are prepared under US GAAP, and the Form 5500 is on the cash basis; therefore, the differences between these financial statements and the Form 5500 relate to reconciling accruals. For the year ended December 31, 2022, the difference between net increase in benefits of \$(1,918) relates to refunds and accrued administrative expenses which were accrued in 2021 and paid in 2022. For the year ended December 31, 2021, the difference in the financial statements and the Form 5500 relate to matching refunds of \$1,610 and earnings of \$146 which were refunded for the plan to maintain discrimination testing. As the refunds were not made by March 15, 2022, a penalty of \$161 was accrued. The following is a reconciliation of net assets available for plan benefits per the financial statements to the Form 5500 December 31:

	<u>2022</u>	<u>2021</u>
Total assets per the financial statements	\$ 4,382,668	\$ 5,133,564
Other payables on the financial statements	<u> -- </u>	<u> 1917 </u>
Net assets available for plan benefits per financial statements	4,382,668	5,131,647
Net assets available for plan benefits per Form 5500	<u>4,382,668</u>	<u>5,133,564</u>
Difference	\$ <u> -- </u>	\$ <u> (1,917) </u>

RETZER RESOURCES, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS, CONTINUED

11. Delinquent Participant Contributions

For the year ended December 31, 2019, certain participant contributions were not remitted to the trust within the period specified by the Department of Labor's Regulation 29 CFR 2510.3-102, thus constituting nonexempt transactions between the Plan and the Company. The late payments were remitted during the year ended December 31, 2019. The Company transmitted the related \$49 in lost earnings to the Plan in 2021.

12. CARES Act and SECURE Act

On March 27, 2020 and December 20, 2019, respectively, the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act) were signed into law. The Plan has implemented certain requirements by the CARES Act and the SECURE Act which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, allow coronavirus-related distributions, allow temporary loan amount increases, and delay the commencement date for required minimum distributions. Other optional features within these acts are currently being assessed but have not been implemented to date. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

The key provisions of the CARES Act that affect the Plan include:

- allowing participants to take a coronavirus-related distribution (CRD) of up to \$100,000 (not to exceed the participant's account balance) from their retirement plan without a 10% early withdrawal penalty. Eligible distributions can be taken up to December 31, 2020. CRDs may be repaid within three years. The plan management may rely on an employee's certification that the employee satisfies the conditions for a CRD (section 2202. Special rules for use of retirement funds);
- allowing participants to borrow up to \$100,000 from qualified plans – an increase from \$50,000 previously allowed under Internal Revenue Code section 72(p) – for loans made from March 27, 2020 through September 22, 2020, and repayment can be delayed (section 2202. Special rules for use of retirement funds);
- allowing suspension of loan repayment due March 27, 2020 through December 31, 2020 for up to one year (section 2202(b)(2)); and
- allowing suspension of 2020 required minimum distributions (section 2203).

13. Contingency

The Plan Sponsor is responsible for maintaining adequate personnel files to establish eligibility for employees into the plan. As the Plan Sponsor was unable to locate some personnel files, there is an eligibility compliance issue relating to the plan. Management is working diligently to locate missing documents and maintain adequate personnel files to document compliance with ERISA eligibility compliance.
