## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants  
of the Supplemental 403(b) Thrift Plan of The Osborne Association, Inc.

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of Supplemental 403(b) Thrift Plan of The Osborne Association, Inc. ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021 and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2022 and schedule of assets (held at end of year) as of December 31, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SUPPLEMENTAL 403(b) THRIFT PLAN OF THE OSBORNE ASSOCIATION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 1 — DESCRIPTION OF PLAN**

The following brief description of the Supplemental 403(b) Thrift Plan of The Osborne Association, Inc. (the "Plan") is provided for general information purposes only. Readers should refer to the Plan agreement for a more complete description of the Plan's provisions.

- A. **General** — The Plan is a defined contribution plan financed through contributions from the participants who are employees of The Osborne Association, Inc. (the "Sponsor"). The Plan includes employees of the Osborne Association, Inc. and Osborne Treatment Services, Inc. (a nonprofit corporation controlled by the Sponsor). This Plan commenced on July 1, 1993 and has been amended since, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.
- B. **Eligibility** — Employees become eligible to participate in the Plan on the day in which they become an employee of the Sponsor, which is their entry date.
- C. **Contributions** — Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan, up to the amount allowed under the Internal Revenue Service ("IRS") rules. Participants can choose any whole percentage or specific dollar amount of their pay to contribute to the Plan. Each pay period, the election that they have made is deducted from their pay and deposited to their Plan account. There are no employer contributions made to the Plan.

Participants direct the investment of their contributions into various investment options offered by the Plan.

*Rollover Contributions*

An eligible employee may transfer to the Plan contributions and such other amounts from an "eligible rollover plan" that meets the requirements of the Internal Revenue Code ("IRC") and the Plan at the time of the transfer.

*Age 50 Catch-up Contributions*

Participants who are at least age 50 or who will reach age 50 during any calendar year will have the option to make additional pre-tax contributions provided certain requirements are met. Such participants are permitted to make additional pre-tax contributions annually of up to \$6,500 both in 2022 and 2021.

*403(b) Lifetime Catch-up Contributions*

Participants who have completed 15 or more years of service will have the option to make additional pre-tax contributions, provided certain requirements are met. Such participants are permitted to make additional pre-tax contributions annually of up to \$3,000 in 2022 and 2021, with a lifetime cap of \$15,000.

- D. **Participant Accounts** — Each participant's account is credited with the participant's contribution and allocations of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- E. **Vesting** — Participants contributed funds arising from elective deferrals and the earnings thereon, are fully vested at all times. As all contributions for the participant are fully vested, there are no forfeitures in the Plan.
- F. **Payment of Benefits** — On termination of service due to severance of employment, death, disability, retirement, qualified distribution or termination of the Plan, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested account balance, or an annuity, subject to the funding vehicle.
- G. **Plan Termination** — The Sponsor reserves the right to terminate the Plan at any time.

**SUPPLEMENTAL 403(b) THRIFT PLAN OF THE OSBORNE ASSOCIATION, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022 AND 2021**

**NOTE 1 — DESCRIPTION OF PLAN (Continued)**

- H. **Notes Receivable from Participants** — Participants may request a loan based on the vested value of their individual account. Loans are subject to federal laws and Plan requirements. Loans may not exceed the lesser of \$50,000 or 50% of the value of the individual's vested account, or be less than \$1,000. The loans are secured by the balance in the participant's account and bear interest at 4.25%-8.00%, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator, and are generally payable in installments over periods ranging from one to five years. A loan that is considered in default is reported as a deemed distribution, which is a taxable event for the participant (refer to Plan document). The Plan adopted certain provisions of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act, which increased the maximum amount of Plan loans to \$100,000 or 100% of the participant's account balance, and allowed loan repayments to be suspended for up to one year without causing the loan to become delinquent and go into default.
- I. **Hardship Withdrawals** — Participants may withdraw all or a portion of their contributions to the extent necessary to meet a "financial hardship" as provided by the IRC. Hardship withdrawals are permitted by the Plan for the purchase of a primary residence, for uninsured medical expenses, for postsecondary education, and for such other safe harbor reasons outlined in the Income Tax Regulations for Hardship Withdrawals. Withdrawals also can be made after attainment of age 59½ for any reason, once every 12 months.

**NOTE 2 — SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

- A. **Basis of Accounting** — The Plan prepares its financial statements using the accrual basis of accounting. The Plan adheres to accounting principles generally accepted in the United States of America ("U.S. GAAP").
- B. **Expenses** — The Sponsor pays certain administrative expenses related to the Plan.
- C. **Payment of Benefits** — Benefits are recorded at the time payment is made to the participant.
- D. **Investment Valuation and Income Recognition** — Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net (depreciation) appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- E. **Notes Receivable from Participants** — Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.
- F. **Use of Estimates** — The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Notes receivable from participants of \$89,697 and \$74,250 as of December 31, 2022 and 2021, respectively, and interest income on notes receivable from participants of \$3,902 and \$2,877 for the years then ended, respectively, have also been certified by the trustee.

**NOTE 4 — FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT**

The Plan entered into a fully benefit-responsive investment contract with Principal. Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract is included in the financial statements at contract value. The methodology for calculating the interest crediting rate is defined in Article I of the contract under the term "Composite Crediting Rate." Under the terms of the existing contract, the crediting rate is currently reset on a semi-annual basis.

Because the guaranteed investment contract meets the criteria to be considered benefit fully responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. The investment contract does not have any restrictions that impact the ability of the Plan to collect the full contract value. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. Principal may not terminate the contract at any amount less than the contract value.

The composite crediting rate for the contracts for the years ended December 31, 2022 and 2021 was 1.15% and 1.10%, respectively. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

**NOTE 4 — FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (Continued)**

An employer-level liquidation or employer-initiated transfer of the Plan's interest in the Principal Fixed Income Option will be subject to either a 12-month irrevocable advance notice or a 5% surrender charge, whichever the employer chooses. Participant initiated transfers from the Principal Fixed Income Option may also be subject to the 5% surrender charge when the transfers are requested in anticipation of the employer-level liquidation of the Plan's interest in the contract. If this scenario occurs, the surrender charge will be billed to the employer. Refer to the contract for a full description of the surrender charge.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Sponsor or other Sponsor events (for example, divestitures or spin-offs of a subsidiary that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at the contract value with participants are probable of occurring.

**NOTE 5 — RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are shares of mutual funds and a group annuity contract managed by Principal who is the Trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by Participants of the Plan for certain transactional services (i.e., loan issuances, withdrawal fees, etc.) are reflected as administrative expenses in the accompanying financial statements and amounted to \$7,369 and \$3,936 for the years ended December 31, 2022 and 2021, respectively. Notes receivable from participants are also considered party-in-interest transactions.

**NOTE 6 — TAX STATUS**

On March 31, 2017, the IRS stated that the prototype non-standardized 403(b) Plan issued by Principal and adopted by the Plan, as then designed, qualifies under IRC Section 401(a). The Plan administrator timely adopted the restated plan. The Plan administrator believes that the Plan is currently being operated in accordance with the IRC. Although the Plan has been amended since receiving the advisory opinion, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 7— RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 8 — FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the assets or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 Input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

**Mutual Funds:**

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

All of the Plan's investments at fair value are valued at Level 1 and consisted of the following as of December 31:

|              | <u>2022</u>         | <u>2021</u>         |

**NOTE 9—UNTIMELY REMITTANCES**

For the years ended December 31, 2015 and December 31, 2022, the Plan Sponsor did not remit certain participant contributions and loan repayments to the Plan on a timely basis as defined by the Department of Labor's *Rules and Regulations for Reporting and Delinquent Participant Contributions Disclosure* under ERISA. Untimely remittances identified on the Schedule of Delinquent Participant Contributions totaled \$67 for the year ended December 31, 2015 and \$575 for the year ended December 31, 2022, were not yet corrected as of the date of this report. The Plan Sponsor is responsible for compensating participants for lost earnings resulting from the delay in remittance.

There has been turnover in management of the Plan Sponsor resulting in the untimely remittance for the year ended December 31, 2015 not yet being corrected as of the date of this report. Management estimates that the correction will be made by November 15, 2023.

**NOTE 10 — SUBSEQUENT EVENTS**

The Plan has evaluated subsequent events through October 13, 2023, the date the financial statements were available to be issued.
