INDEPENDENT AUDITORS' REPORT

To the Trustees of the United Vision Logistics 401(k) Plan
Lafayette, Louisiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of United Vision Logistics 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Trustees of the
United Vision Logistics 401(k) Plan
October 9, 2023

- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United Vision Logistics 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Vision Logistics 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Trustees of the
United Vision Logistics 401(k) Plan
October 9, 2023

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United Vision Logistics 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United Vision Logistics 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

October 9, 2023

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets (Held at Year End) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

UNITED VISION LOGISTICS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2022 AND 2021

(1) DESCRIPTION OF PLAN

The following description of United Vision Logistics (“the Company”) 401(k) Plan (“the Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The plan is a defined contribution plan covering all employees of the Company who have one month of service and are age eighteen or older. The plan also covers Vision Administrative Services, LLC; effective October 15, 2008, under the same requirements. It is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA).

Contributions

Participants may contribute a percentage of their pretax annual compensation, as defined by the Plan, limited to the maximum amount allowable under the Internal Revenue Code. If a participant is projected to attain age 50 before the end of a calendar year then the participant may elect to defer additional amounts (called “catch-up contributions”) to the Plan.

The Companies may contribute to the Plan matching contributions, discretionary profit-sharing contributions and qualified non-elective contributions. The Companies will determine the percentage contributed each year, if any. This will be calculated based on criteria specified in the Plan document.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, allocations of the Company’s contribution, and Plan earnings, and charged with administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit which a participant is entitled to is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s matching and discretionary contribution portion of their accounts, plus actual earnings thereon, is based on years of service. To earn a year of service a participant must be credited with at least 1,000 hours of service during any Plan year. For vesting purposes, a participant’s years of service with Venture Transport, Inc, ASCO US, LLC, and ASCO USA, LLC are counted.

DECEMBER 31, 2022 AND 2021

(1) DESCRIPTION OF PLAN (CONTINUED)

The vesting schedule is as follows:

<u>Years of Vesting Service</u>	<u>Percent</u>
0 – 1	0%
2	50%
3	100%

Payment of Benefits

On termination of services due to death, disability, or retirement or other reasons, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or may elect for payments over his or her estimated remaining life expectancy.

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 from their fund accounts up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested balance. Participants will be charged a reasonable rate of interest on their loans based on rates charged for similar types of loans by other lenders. Loans will only be granted under certain circumstances outlined in the Plan document.

Forfeited Accounts

At December 31, 2022 and 2021, forfeited non-vested accounts totaled \$3,787 and \$3,787, respectively. These accounts are used to (a) pay plan expenses or (b) reduce the Company's contributions. In 2022, forfeitures in the amount of \$9,187 were used to pay plan expenses.

Investment Options

The Plan provides a participant directed investment program whereby participants select the investments for their accounts. The Plan offers various investment options which may be changed by participants daily.

Termination

The Plan may be terminated at the discretion of the Company, subject to the provisions of ERISA. In the event of a Plan termination, participants would be fully (100%) vested in their entire account balance (including employer contributions).

(1) DESCRIPTION OF PLAN (CONTINUED)

Plan Service Provider

In September of 2021, the Plan administrators changed service organizations from Empower Retirement to Voya Retirement Insurance and Annuity Company. The Plan administrators changed service organizations to reduce administrative expenses, offer participants improved services, and improve the accuracy and efficiency of services provided.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal plus any accrued but unpaid interest.

Use of Estimates

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Payment of Benefits and Other Expenses

Benefits are recorded when paid. There were no participants who elected to withdraw from the Plan but had not been paid at December 31, 2022 and 2021.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Date of Management Review of Subsequent Events

Management has evaluated subsequent events through October 9, 2023, the date which the financial statements were available to be issued.

(3) TAX STATUS

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code and, accordingly, the trust's net investment income is exempt from income taxes. The volume submitter profit sharing plan with CODA of Business & Professional Consulting Services, Inc., which was adopted by the Company December 31, 2018, has obtained a favorable tax opinion letter in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan believes it is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore, remains tax exempt.

On December 29, 2022, the Consolidated Appropriations Act of 2023 was enacted, encompassing a suite of retirement provisions colloquially termed "SECURE 2.0." This legislative package builds upon the foundational reforms introduced by the 2019 SECURE Act, with a central aim of expanding participation in the retirement ecosystem and enhancing avenues for asset accumulation. The provisions set forth by SECURE 2.0 will be progressively effective from 2023 onwards.

The Act presents a blend of mandatory and elective provisions. Plan and Company management will evaluate and decide upon the elective components in alignment with the Plan's objectives and the best interests of participants and the Company. As of the report date, the Plan has not been formally amended to incorporate the provisions of SECURE 2.0. However, the Plan is operating in compliance with all mandatory elements as prescribed by the Act.

(4) ACCOUNTING FOR UNCERTAINTY IN INCOME TAX

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2019.

UNITED VISION LOGISTICS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2022 AND 2021

(5) RISKS AND UNCERTAINTIES

The Plan provides for various instruments in investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(6) RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan includes a group annuity contract and participant loans issued and managed by Voya Retirement Insurance and Annuity Company ("Voya"). These specific investments issued by or managed by Voya qualify as party-in-interest transactions. All of these party-in-interest transactions are exempt from the prohibited transactions rules of ERISA.

(7) EXCESS CONTRIBUTIONS PAYABLE

Refunds of excess contributions are distributed to participants that make contributions more than the maximum amount allowable under the Internal Revenue Code. The Plan failed to pass the Average Deferral Percentage (ADP) Test for the year ended 2022. Refunds of excess participant contributions and earnings totaling \$25,349 were recorded as a liability on the statements of net assets available for benefits in 2022.

(8) FAIR VALUE MEASUREMENTS

The Plan's investments in pooled separate accounts are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

UNITED VISION LOGISTICS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2022 AND 2021

(8) FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

The fair value of the mutual funds held in pooled separate accounts for which a quoted market price is not available, are valued using net asset value per share as a practical expedient. The estimated fair value of separate account assets are based on the fair value of the underlying assets owned by the separate account and generally based on observable valuation inputs.

The following tables summarize investments measured at fair value based on net asset value as a practical expedient per share as of December 31, 2022 and 2021:

	<u>2022</u>			
	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>	<u>Total</u>
Mutual funds held in pooled separate accounts	\$ -	\$ 6,938,461	\$ -	\$ 6,938,461
Investments at fair value	\$ -	\$ -	\$ -	\$ 6,938,461
Total investments at fair value				\$ 6,938,461

	<u>2021</u>			
	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>	<u>Total</u>
Money market fund	\$ 1,263	\$ -	\$ -	\$ 1,263
Mutual funds	-	8,579,207	-	8,579,207
Investments at fair value	\$ 1,263	\$ 8,579,207	\$ -	\$ 8,580,470
Total investments at fair value				\$ 8,580,470

(9) GROUP ANNUITY CONTRACT

Because the group annuity contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the Statements of Net Assets Available for Benefits at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

UNITED VISION LOGISTICS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2022 AND 2021

(9) GROUP ANNUITY CONTRACT (CONTINUED)

The Voya Fixed Account guarantees principal and a minimum guaranteed interest rate for the life of the product as well as featuring two declared interest rates: a current rate, determined at least monthly, and a guaranteed minimum floor rate declared for a defined period. Voya's determination of credited interest rates reflects a number of factors, including mortality and expense risks, interest rate guarantees, the investment income earned on invested assets and the amortization of any capital gains (losses) realized on the sale of invested assets. Voya assumes the risk of investment gain or loss by guaranteeing the principal amount and promising a minimum interest rate. However, early withdrawals may be subject to contract surrender charges and market value adjustments which could result in the loss of principal and earnings.

Certain events limit the Plan's ability to transact at contract value with Voya. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsors events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

(10) INFORMATION CERTIFIED BY CUSTODIAN
