Independent Auditor's Report

The Plan Administrator
403(b) Thrift Plan for Center for New Horizons, Inc.
dba Head Injury Association
Hauppauge, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the 403(b) Thrift Plan for Center for New Horizons, Inc. dba Head Injury Association (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years ended December 31, 2022 and 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2022 and July 5, 2022, from Empower Trust Company, LLC (Empower) and Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal), respectively, and December 31, 2021 from Principal and Great-West Trust Company, LLC (Great-West), for the year ended December 31, 2022 (Empower), the period from January 1, 2022 through July 5, 2022 (Principal), and the years ended December 31, 2021 (Principal and Great-West), stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by qualified institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Description

The following brief description of the 403(b) Thrift Plan for Center for New Horizons, Inc. (the Plan), which is sponsored by Center for New Horizons, Inc. (the Center), d/b/a Head Injury Association, Inc. is provided for general information purposes only. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution pension plan covering all eligible employees of the Center. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Plan Administration

Great-West Trust Company, LLC is the Plan's trustee and custodian of the Plan as of December 31, 2022 and 2021. Effective August 1, 2022, Great-West Trust Company, LLC's name was changed to Empower Trust Company, LLC (Empower). Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company (Principal) is the Plan's custodian for the period from January 1, 2022 through July 5, 2022, and for the Plan year ended December 31, 2021. Empower Retirement, LLC (Empower Retirement) is the recordkeeper of the Plan. Principal holds the fully benefit-responsive group annuity contract of the Plan as of December 31, 2021 and for the period from January 1, 2022 through July 5, 2022, and Empower holds all other assets of the Plan in accordance with the service provider contracts with the Center. The Center, as the Plan administrator, controls and manages the operation and administration of the Plan.

Effective July 5, 2022, the fully benefit-responsive group annuity contract of the Plan was liquidated from Principal and transferred into the Empower. As a result of this change, participants may no longer contribute to investment options offered by Principal. The Center completed a mapping of the previous investment option to the new investment options provided by the Empower.

Eligibility

All employees that are not excluded employees, as defined by the Plan document, are eligible to participate in the Plan on the first date of employment with the Center. There is no age or service requirement to enter the Plan. Employees covered by a collective-bargaining agreement between employee representatives and the employer are excluded from the employer matching component and employer discretionary component.

Employee Contributions

Participants may contribute up to an elected percentage of their compensation or a flat-dollar amount for the contribution period, subject to Internal Revenue Service (IRS) limitations \$20,500 and \$19,500 in 2022 and 2021. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions subject to legal limits of \$6,500 in 2022 and 2021. Participant contributions are recorded in the period during which the participant's salary is reduced under a salary reduction agreement with the Center. Participants are also permitted to make rollover contributions of amounts received from other tax qualified employer sponsored retirement plans.

403(b) Thrift Plan for Center for New Horizons, Inc.
dba Head Injury Association

Notes to Financial Statements

Employer Contributions

The Center makes discretionary employer matching contributions, as approved by the Center for each Plan year. Participants must have attained age of 18 and have performed one year of service (defined as 1,000 hours of service during the Plan year), to be eligible for the discretionary employer matching contribution. The matching contributions are directly related to employee salary-reduction contributions to the Plan. The matching contributions made by the employer are credited to each participant's account in accordance with the employee's designated investment mix. The matching contribution for both Plan years ended December 31, 2022 and 2021 was up to 5% of each participant's salary-reduction contribution.

Participant Accounts

Each participant's account is credited with the participant's contributions, the employer's contribution, and investment earnings, and charged for withdrawals and with an allocation of certain administrative expenses. Allocations are based on participant earnings, deferrals, or account balances, as defined. The amount of income a participant's account earns is contingent upon the nature of the investments elected. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Participants are to be vested in the Center's discretionary employer matching contributions, as follows:

Years of Service for Vesting	Vesting (%)
Less than 2	-
2	50
3 or more	100

Forfeitures

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures of employer contributions are allocated or divided among participants or used to reduce future matching contributions. Forfeitures in the amount of \$4,349 and \$7,322 were used in 2022 and 2021, respectively, to reduce employer matching contributions. The balance in the forfeiture account was \$1,702 and \$0 as of December 31, 2022 and 2021, respectively.

Plan Benefits

A participant may elect to receive benefits at any time following his or her severance from employment. At retirement, the total value of the individual account, including interest and earnings, will be available for pension benefits. Participants may elect to receive pension benefits in the form of a single-life annuity, a qualified joint-and-survivor annuity, or a minimum distribution option. For all participants, distributions may commence by the attainment of age 59½. The Plan permits early retirement beginning at age 55. Any participant, who ceases active employment with the Center by reason of total and permanent disability, as certified by the Plan administrator, shall become eligible for disability benefits as of the date of the disability. The Plan provides a death

dba Head Injury Association**

Notes to Financial Statements

benefit prior to normal retirement equal to 100% of the participant's account, or annual installments over a period not greater than the life expectancy of the beneficiary.

Notes Receivable from Participants

Participants may borrow from their account balance up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance limited by the highest loan balance in the last 12 months. The Plan requires a minimum loan of \$1,000. Each note must be repaid within a period not to exceed five years, unless the note is for the purchase of a principal residence. The participant loans are secured by the balance in the participating account and bear interest at a fixed rate determined at the time of borrowing and fixed for the life of the loan. Principal, interest, and a loan administration charge are paid through payroll deductions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

2. Summary of Accounting Policies

Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments (except for fully benefit-responsive investment contracts, which are reported at contract value) are stated at fair value. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. See Note 5 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

403(b) Thrift Plan for Center for New Horizons, Inc.
dba Head Injury Association

Notes to Financial Statements

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued unpaid interest. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

3. Risk and Uncertainties

The Plan invests in various investment securities. These investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with investment securities and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

4. Information Certified by Principal and Empower

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal and Empower, qualified institutions, have certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2022 (Empower), July 5, 2022 (Principal), and December 31, 2021 (both Empower and Principal).
- Net investment income (loss) and interest income on notes receivable from participants as shown in the statements of changes in net assets available for benefits for the year ended December 31, 2022 (Empower), the year ended December 31, 2021 (both Empower and Principal), and the period from January 1, 2022 through July 5, 2022 (Principal).
- Investment information included in the Schedule H (Form 5500), Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2022, as shown on the ERISA-required supplemental schedule, is certified by Empower.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

5. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

403(b) Thrift Plan for Center for New Horizons, Inc.
dba Head Injury Association

Notes to Financial Statements

The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

Mutual Funds - Mutual funds are valued at unadjusted quoted prices, which represent the net asset value of shares held by the Plan at year-end.

Fixed Annuities - The reported values for fixed annuity options are reported daily based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

Notes to Financial Statements

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

December 31, 2022

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 6,015,315	\$ -	\$ -	\$ 6,015,315

Total Assets, at fair value	\$ 6,015,315	\$ 158,795	\$ -	\$ 6,174,110

December 31, 2021

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,142,481	\$ -	\$ -	\$ 7,142,481
Total Assets, at fair value	\$ 7,142,481	\$ -	\$ -	\$ 7,142,481

There were no transfers between levels during the year ended December 31, 2022.

6. Group Annuity Contract

The Plan has a fully benefit-responsive group annuity contract with Principal Life Insurance Company (PLIC) totaling \$0 and \$55,766 at December 31, 2022 and 2021, respectively. PLIC maintained the contributions in a fixed-income account. Effective July 1, 2022, contributions are no longer allowed to this investment option. The final redemption on this contract was completed on July 5, 2022 and all balances under this contract have been transferred out to other investment options within the Plan. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed interest contract issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan. Because the guaranteed interest contract was fully benefit-responsive, contract value was the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed interest contract. Contract value, as reported to the Plan by PLIC, represented contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. All contributions allocated to the guaranteed interest contract prior to July 1, 2022 were credited with interest at the current rate of interest. Participants could ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There was no minimum days' notice required to discontinue this investment option with PLIC.

The Plan's ability to receive amounts due was dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations could be affected by future economic and regulatory developments.

Certain events could have limited the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); (2) the establishment or activation of, or material change in, any Plan investment fund; or (3) an amendment to the Plan or a change in the administration or operation of the Plan, including the removal of a group of employees from Plan coverage as a result of the sale or liquidation of a subsidiary or division or as a result of group layoffs or early retirement programs. The Plan administrator believed that any

**403(b) Thrift Plan for Center for New Horizons, Inc.
dba Head Injury Association**

Notes to Financial Statements

events that could have limited the Plan's ability to transact at contract value with participants did not occur.

7. Party-in-Interest Transactions

Certain Plan investments are shares of funds managed by Principal and Empower; therefore, these transactions qualify as party-in-interest transactions. Purchases and sales of these funds are open-market transactions at fair market value. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA and applicable exemptions promulgated thereunder. Notes receivable from participants qualify as party-in-interest transactions.

8. Tax Status

The Plan uses a pre-approved plan documents sponsored by PLIC and Empower Retirement. PLIC and Empower Retirement received opinion letters from the IRS, dated March 31, 2017 and April 7, 2021, respectively, which state that the pre-approved plan documents, as then designed, satisfy the applicable provisions of the IRC. Although the Plan has been amended since the date of the opinion letters, Plan management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no IRS examinations for any tax periods in progress.

9. Plan Termination

Although it has not expressed any intent to do so, the Center has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, all participants' accounts would become fully vested and distributed in accordance with the provisions of the Plan.

10. Subsequent Events

The Plan was amended and restated effective January 1, 2023. This Plan restatement does not have significant changes to the Plan. Participants should refer to the Plan Agreement for a complete description of the Plan's changes.

The Plan's management has performed subsequent events procedures through October 16, 2023, the date the financial statements were available to be issued. There were no other subsequent events requiring adjustments to the financial statements or disclosures as stated herein.
