To the Trustees
Oregon Child Development Coalition 401(k) Plan
Wilsonville, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Oregon Child Development Coalition 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Oregon Child Development Coalition 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Oregon Child Development Coalition 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

To the Trustees
Oregon Child Development Coalition 401(k) Plan

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Oregon Child Development Coalition 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Oregon Child Development Coalition 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Oregon Child Development Coalition 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

To the Trustees
Oregon Child Development Coalition 401(k) Plan

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules as of and for the year ended December 31, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

OREGON CHILD DEVELOPMENT COALITION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2022 and 2021

NOTE A – DESCRIPTION OF PLAN

The following description of the Oregon Child Development Coalition 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement, as amended, for a more complete description of the Plan's provisions.

General

The Plan is a 401(k) salary deferral and profit sharing plan covering substantially all employees of Oregon Child Development Coalition (the Coalition), and is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Coalition is the Plan's sponsor and serves as plan administrator.

Employees of the Coalition are eligible to make elective deferral contributions upon hire and are eligible to receive match and discretionary contributions from the Coalition after completing one year of service in which at least 1,000 hours are worked. The Plan allows all seasonal and highly compensated individuals to participate.

Contributions

Participants may elect to contribute up to 100% of their eligible compensation to the Plan each year. Participants may also transfer distributions from other qualified defined benefit or defined contribution plans. The Coalition, at its discretion, contributes 5% of each eligible employee's annual compensation and has a mandatory match on participants' elective deferrals up to 5% of eligible annual compensation of each participant. The Coalition's contributions were calculated for all eligible individuals based on their salary for the year and remitted to the participants' accounts throughout the year.

Contributions are subject to regulatory limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Coalition's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Participants may direct the investment of their account balances into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately and fully vested in their salary deferrals and Coalition matching and discretionary contributions plus actual earnings thereon.

Notes Receivable From Participants

Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50% of their account balance, whichever is less. Loans are secured by the participant's vested account balance and bear a reasonable rate of interest as determined by the administrator. Principal and interest is paid ratably through each payroll deduction. Interest rates on loans outstanding as of December 31, 2022 were 3.5% to 8.0%.

OREGON CHILD DEVELOPMENT COALITION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2022 and 2021

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's account balance, or annual installments over a period of time. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Withdrawals

For employees under the age of 59-1/2, safe harbor employer contributions may be withdrawn upon termination of employment, death, disability, or Plan termination. Salary deferral contributions may be withdrawn upon a financial hardship as defined by the Plan. For employees over the age of 59-1/2, salary deferral, safe harbor employer, employer matching, and discretionary contributions may be withdrawn at any time.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Pooled separate accounts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note C for discussion of fair value measurements.

The investments in fully benefit-responsive investment contracts are stated at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

OREGON CHILD DEVELOPMENT COALITION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2022 and 2021

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded if a distributable event has occurred (offset), otherwise it is deemed distributed for Form 5500 purposes. A deemed distribution is not an actual distribution of Plan assets, but is a re-characterization of the participant's loan balance tax status. Loans in default are immaterial. See Note E.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Administrative costs not paid by the Coalition are charged to the participants' accounts and apportioned based upon their relative account values. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE C – FAIR VALUE MEASUREMENTS AND SIGNIFICANT INVESTMENT STRATEGY

The Plan reports in accordance with Accounting Standards Codification 820, *Fair Value Measurements* (ASC 820). ASC 820 provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, in three levels of valuation. All investments reported by the Plan at fair value consist of Pooled Separate Accounts measured using the Net Asset Value Practical Expedient. There are no investments in the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured on a recurring basis at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

- ***Pooled Separate Accounts:*** Unit value calculated daily based on the practical expedient net asset value of the directly owned underlying mutual fund investments as reported by the fund managers.

The following table provides additional information for investments in certain entities that calculate net asset value per share (or its equivalent):

	<u>Fair Value</u> <u>12/31/22</u>	<u>Fair Value</u> <u>12/31/21</u>	<u>Redemption</u> <u>Frequency</u>	<u>Redemption</u> <u>Notice Period</u>	<u>Redemption</u> <u>Restrictions</u>

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

**NOTE C – FAIR VALUE MEASUREMENTS AND SIGNIFICANT INVESTMENT STRATEGY
(CONTINUED)**

The Pooled Separate Accounts offer a variety of investment options covering a range of risk levels and investment objectives. Some investment options seek an increase in the value of shares (growth) while others aim to earn income (dividends or interest) for investors.

At December 31, 2022 and 2021, the Plan had no specific plans or intentions to sell investments at amounts other than NAV.

NOTE D – INFORMATION CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Talcott Resolution Life Insurance Company (Talcott) the custodian of the Plan, has certified to the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2022 and 2021.
- Net appreciation (depreciation) in fair value of pooled separate accounts, and interest from investments and notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Investments and notes receivable reflected on the supplemental schedule of assets (held at end of year).

NOTE E – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of notes receivable and net assets available for benefits per the financial statements at December 31, 2022 to Form 5500:

Notes receivable from participants per the financial statements	\$ 2,484,655
Amounts allocated to participant notes receivable deemed distributed	(248,935)
Notes receivable from participants per Form 5500	<u>\$ 2,235,720</u>
Net assets available for benefits per the financial statements	\$ 44,070,101
Amounts allocated to participant notes receivable deemed distributed	(248,935)
Net assets available for benefits per Form 5500	<u>\$ 43,821,166</u>

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2022 and 2021

NOTE E – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500 (CONTINUED)

The following is a reconciliation of interest income earned and change in net assets available for benefits per the financial statements for the year ended December 31, 2022 to Form 5500:

	Participants Notes Receivable Interest Income	Change in Net Assets Available for Benefits
Per the financial statements	\$ 89,144	\$ (5,335,435)
Amounts allocated to participant notes receivable deemed distributed	11,446	11,446
Per form 5500	<u>\$ 100,590</u>	<u>\$ (5,323,989)</u>

NOTE F – PARTY-IN-INTEREST TRANSACTIONS

Plan investments include units of pooled separate accounts and guaranteed investment contracts managed by Talcott. Talcott is a custodian of the Plan and, therefore, transactions with this entity qualify as exempt party-in-interest transactions. Immaterial indirect fees incurred by the plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Fees paid directly by the Plan for investment management services were \$73,547 and \$101,023 for the years ended December 31, 2022 and 2021, respectively.

NOTE G – GUARANTEED INVESTMENT CONTRACT

In 2010, the Plan entered into a benefit-responsive guaranteed investment contract with Hartford Life Insurance Company which subsequently changed its name to Talcott in 2018. Talcott maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

This contract meets the fully benefit responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Talcott, represents contributions made under the contract, plus credited interest, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

OREGON CHILD DEVELOPMENT COALITION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

December 31, 2022 and 2021

NOTE G – GUARANTEED INVESTMENT CONTRACT (CONTINUED)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date unless certain qualifying events occur as specified in the contract.

NOTE H – PLAN TERMINATION

Although it has not expressed any intent to do so, the Coalition has the right under the Plan to discontinue its contributions and terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, amounts allocated to a participant's account remain fully vested.

NOTE I – TAX STATUS

The Plan document is a prototype standardized defined contribution plan that received a favorable opinion letter from the Internal Revenue Service on June 30, 2020 which stated that the plan, as then designed, was in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended and/or restated since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would be sustained upon examination by taxing jurisdictions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE J – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rates, market volatility, and credit risks. It is reasonably possible, given the level of risk associated with investment securities, that changes in the near term could materially affect a participant's account balance and the amounts reported in the financial statements.

NOTE K – SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 13, 2023, which is the date the financial statements were available to be issued.
