**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

Plan Administrator  
Heico Holding, Inc. 401(k) Plan

**Scope and nature of the ERISA Section 103(a)(3)(C) audit**

We have performed audits of the financial statements of Heico Holding, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other matter – supplemental schedules required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2022 and 2021**

**NOTE A - PLAN DESCRIPTION**

The following description of the Heico Holding, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

***General***

The Plan is a defined contribution savings plan. All employees, except certain union groups of Heico Holding, Inc. (the Company), are eligible to become participants in the Plan if they were employed by the Company, its subsidiaries and affiliates who have adopted the Plan, on the first day of the month following one month of employment, provided he or she has attained age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Effective February 1, 2022, the plan sponsor agreed to transition the trustee of the Plan from Reliance Trust Company (Reliance Trust) to Great-West Trust Company, LLC, an affiliate of Empower Retirement Services (Empower). Effective August 1, 2022, Great West Trust Company was renamed to Empower Trust Company, the certifying trustee.

***Contributions***

Participants elect to make pretax contributions ranging from 1% to 50% of their total eligible compensation, subject to certain limitations. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. Effective January 1, 2022, all newly hired employees eligible to become participants in the Plan will be enrolled in the Plan's automatic escalation feature at 5%, which will automatically increase their elective deferrals 1% annually up to 10%.

Safe harbor matching contributions are made to eligible participants equal to 100% of employee contributions up to 3% of compensation, plus an additional 50% safe harbor matching contribution on any additional 401(k) contributions that exceed 3% but do not exceed 5% of compensation for that payroll period. In addition to matching contributions, in any Plan year, each employer in its sole discretion may contribute to the Plan a discretionary contribution. There were no discretionary contributions for the year ended December 31, 2022.

Participants are eligible for the matching contributions and discretionary contributions upon completion of six months of service and at least 500 hours service requirement.

Participants direct the investment of their total account balances into various investment options offered by the Plan.

***Participant Accounts***

Participants can direct the investment of their accounts on a daily basis into the investment options offered by the Plan. Each participant's account is credited with the participant's contributions, Company contributions and allocations of the Plan's earnings. Allocations of the Plan's earnings to each participant's account are based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2022 and 2021**

***Notes Receivable from Participants***

The Plan permits participants to borrow a maximum of \$50,000 or 50% of the participants' vested account balances. Loans are generally payable within five years, with the exception of loans to purchase a principal residence. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at the prime rate, as defined. Principal and interest are paid ratably through monthly payroll deductions. Participants can only have two loans outstanding at any time.

***Vesting and Forfeitures***

Participants are at all times fully vested in their own contributions, Company matching contributions and earnings thereon. Vesting in Company discretionary contributions is based on the following schedule:

| <u>Service</u>      | <u>Vesting<br/>Percentage</u> |
|---------------------|-------------------------------|
| Less than two years | 0%                            |
| Two years           | 20%                           |
| Three years         | 40%                           |
| Four years          | 70%                           |
| Five years          | 100%                          |

Forfeited non-vested accounts from Company contributions totaled approximately \$307,760 and \$269,000 at December 31, 2022 and 2021, respectively. During the year ended December 31, 2022 and 2021, \$4,000 and \$0 were used to reduce Company matching contributions and \$119,000 and \$163,000 were used to pay for administrative expenses.

***Payment of Benefits***

Upon retirement, death, disability or termination of service, a participant may elect to receive a lump-sum distribution equal to his or her vested account balance. In addition, hardship distributions are permitted if certain criteria are met.

The Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE Act) changed the age at which participants are required to take required minimum distributions from their accounts. Under the new law, effective January 1, 2020, participant distributions may not be deferred past April 1 following the year in which the participant reaches the age of 72.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

The accompanying financial statements have been prepared on an accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

***Use of Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

***Investment Valuation and Income Recognition***

The Plan's mutual fund investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

The group annuity contract with Massachusetts Mutual Life Insurance Company's (MassMutual) (Note G) is to be reported at contract value, which is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract plus credited interest less participant withdrawals and fees.

Realized and unrealized appreciation (depreciation) is recorded in the accompanying statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of mutual funds. Interest income is recorded as earned on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 and 2021. If a participant ceases to make loan repayments and the Plan administrator deems the participant's loan to be in default, the participant's loan balance is reduced, and a benefit payment is recorded.

***Administrative Expenses***

Certain management fees and operating expenses for administration of the Plan, such as record-keeping and custodial services, are deducted from income earned on a daily basis on investments in the funds included in the Plan and, therefore, are not separately reflected. Consequently, these management fees and operating expenses are reflected as a reduction of investment return for such investments, which is included in total investment income in the accompanying statement of changes in net assets available for benefits.

***Payment of Benefits***

Benefit payments are recorded when paid.

**NOTE C - FAIR VALUE MEASUREMENTS**

The Plan classifies its investments into Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy are as follows:

- Level 1 - Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. An active market for the asset or liability is a market in which transactions for the asset or liability occur with sufficient frequency and volume to provide pricing information on an ongoing basis.

**Heico Holding, Inc. 401(k) Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2022 and 2021**

Level 2 - Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, and include the following:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liabilities (including volatilities); and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs are unobservable for the asset or liability (including the entity's own assumptions about the assumptions that market participants would use in pricing the asset or liability) and significant to the fair value measurement.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2022 and 2021.

Mutual funds - Valued at the quoted and actively traded net asset value of shares held by the Plan at year end.

Collective trust funds - Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions may occur daily. Were the Plan to initiate a full redemption of the collective trusts, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE D - TAX STATUS**

The Internal Revenue Service (IRS) issued a determination letter dated July 21, 2017, stating that the Plan was designed in accordance with the applicable Internal Revenue Code (IRC) requirements as of that date. The Plan has been amended since receiving the determination letter; however, the Plan administrator believes that the Plan is currently designed and being operated in compliance, in all material respects, with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan was qualified and that the related trust was tax-exempt as of the financial statement dates.

U.S. GAAP requires management of the Plan to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

**NOTE E - PLAN TERMINATION**

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon Plan termination, all participants will become 100% vested in their Company discretionary contribution account balances.

**Heico Holding, Inc. 401(k) Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2022 and 2021**

**NOTE F - INFORMATION CERTIFIED BY THE TRUSTEE**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust and Empower Trust Company, has certified that the reports included in the accompanying financial statements and supplemental schedule are complete and accurate:

- Cash, investments, group annuity contract and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2022 and 2021.
- Investment loss and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2022.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2022.

On December 31, 2020, Empower acquired the retirement business of Massachusetts Mutual Life Insurance Company ("MassMutual"). Following an initial transition period, Empower became the sole administrator of this business in 2021. The applicable certification over the Diversified Bond Fund (see Note G) is being provided on behalf of the issuing company under a power of attorney granted to Great West Life & Annuity Insurance Company ("GWLA"), an affiliate of Empower, with respect to Empower's role as the administrator of this retirement business.

**NOTE G - SEPARATE ACCOUNT INVESTMENT**

The Diversified Bond Fund (Bond Fund) is a separate account investment option with a general investment account guarantee that provides a stated rate of return and insulates participants' accounts from daily fluctuations in the market. Under the terms of the separate account investment contract, participants may direct permitted withdrawal and/or transfer transactions of all or a portion of their balances in the Bond Fund at contract value. Contract value represents contributions, plus credited interest, less participant withdrawals and fees. The Bond Fund is considered fully benefit-responsive notwithstanding the liquidation events under the contract that would limit the ability of the Plan to transact at contract value. Company-initiated events, such as layoffs, a sale of a business unit, a Company merger, or not offering the Bond Fund to participants, are considered events that could be subject to the liquidity provisions of the fund. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The interest credited to the Bond Fund option is determined based on anticipated market returns for the underlying assets of the Bond Fund. The Bond Fund invests primarily in a diversified portfolio of investment-grade fixed income securities, such as corporate, U.S. government and its agencies, foreign issuers, and mortgage-backed and other asset-backed securities.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2022 and 2021**

**NOTE H - RISKS AND UNCERTAINTIES**

The Plan provides participants the option to direct their contributions to numerous investment securities. These investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of these investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE I - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by MassMutual, which was acquired by Empower during 2021 and therefore qualify as party-in-interest transactions.

UBS Financial Services Inc. (UBS) served as an investment advisor and insurance broker for the Plan and received indirect compensation for the services provided. An individual related to a shareholder of the Plan sponsor was employed by UBS; however, these transactions are considered exempt under ERISA section code 408(b).

Notes receivable from participants held by the Plan also represent party-in-interest transactions.

**NOTE J - SUBSEQUENT EVENTS**

The Company evaluated the Plan's December 31, 2022, financial statements for subsequent events through October 16, 2023, the date the financial statements were available to be issued. Plan management is not aware of any subsequent events that would require recognition in the financial statements.
