AL PACKER, INC. 401(K) SAVINGS PLAN

FINANCIAL STATEMENTS

DECEMBER 31, 2022 AND 2021

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Al Packer, Inc. 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Al Packer, Inc. 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Al Packer, Inc. 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Al Packer, Inc. 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Al Packer, Inc. 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Al Packer, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Al Packer, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4(a) – Delinquent Participant Contributions and Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Emphasis of Matter – Plan Merger

As discussed in Note 11, effective May 23, 2023, the Al Packer's White Marsh Ford LLC Retirement Plan, a plan related to the Company through common ownership, was merged with the Plan. As a result, approximately \$4,000,000 in assets were transferred into the Plan on May 31, 2023. Our opinion is not modified with respect to that matter.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Al Packer, Inc. 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

A) GENERAL

The Plan is a defined contribution 401(k) plan covering certain employees of Al Packer, Inc. (the "Company"). The Plan also covers the employees of Tuff Guard, Inc. and Al Packer West, Inc., entities related to the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan became effective on January 1, 1996.

B) ELIGIBILITY

Employees are eligible to participate in the Plan upon reaching the age of 21 and completing one year of service, as defined, prior to the entry date. The Plan entry date is the first day of the month after meeting the above requirements.

C) CONTRIBUTIONS

Each year, participants may contribute a maximum percentage of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contribution). In accordance with the Revenue Code ("IRC"), the total maximum allowable contributions to the Plan from the participant was \$20,500 for 2022, not including additional catch-up contributions allowed for participants over the age of 50, which were \$6,500. Effective October 2018, eligible employees are automatically enrolled at a default deferral rate of 6% unless declined in writing or election of a different contribution rate. These automatic deferral amounts are invested in a designated fund until changed by the participant. Additionally, all eligible employees contributing less than 10% of compensation will have an automatic increase of 1% each year until they reach 10%, unless declined.

The Company may also make annual discretionary contributions in amounts determined by the Company. During the year ended December 31, 2022, the Company matched up to 4% of the first 15% of the employee's compensation up to the maximum compensation established by the Internal Revenue Service ("IRS"). Additionally, if a participant contributed less than 4% to the Plan, then the Company matches the same percentage of contribution of the first 15% of the employee's income up to the maximum compensation amount. The Company made employer-matching contributions of approximately \$57,000 for the year ended December 31, 2022 during January 2023.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

D) INVESTMENT OPTIONS

Participants are allowed to invest in a variety of investment choices as more fully described in the Plan document. Participants may change their allocations at their discretion.

E) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's deferral contributions, the Company's matching contributions, if any, and an allocation of the investment earnings, based upon each participant's election and charged with an allocation of administrative expenses not paid by the Company. The benefit to which a participant is entitled is the vested benefit amount in the participant's account.

F) VESTING

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution plus actual earnings thereon is based on years of continuous service with the Company as follows:

<u>Completed Years of Service</u>	<u>Vested Percent</u>
Less than 2	0%
2	20%
3 or more	40%
4	60%
5	80%
6 or more	100%

Participants become 100% vested, regardless of years of service, when they reach normal retirement age, are totally and permanently disabled, or death occurs.

G) PAYMENT OF BENEFITS

The Plan provides for distribution of accumulated benefits upon death, disability, or retirement of participants. Payment options include annuities, installment payments, and lump-sum distributions. Upon termination of service, participants are entitled to the value of their accumulated balance, subject to the vesting limitations as described above.

The Plan also allows participants that qualify for financial hardship, as defined, to withdraw funds while still employed.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

H) NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the vested balance in the participant's account and bear interest at a fixed rate similar to a bank's rate for a comparable personal loan. Loans have a definite repayment period not to exceed five years. Loan repayments are made through payroll deductions and are credited to the participant's account.

I) FORFEITED ACCOUNTS

Pursuant to the Plan, forfeited non-vested accounts may be used to offset expenses or reduce future employer contributions. At December 31, 2022 and 2021, there was a remaining forfeiture balance of approximately \$1,000 and \$2,000, respectively. The remaining forfeiture balance was subsequently utilized to offset the Company's matching contributions in January 2023 and 2022, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

A) BASIS OF ACCOUNTING

The Plan's financial statements are prepared on the accrual basis of accounting and in accordance with accounting principles generally accepted in the United States of America for employee benefit plans.

B) INVESTMENT VALUATION AND INCOME RECOGNITION

Assets of the Plan are reflected in the accompanying financial statements at fair value. Investments in pooled separate accounts and collective investment trusts are valued at the net asset value of shares held by the Plan. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value for guaranteed interest accounts represents contract value adjusted to reflect current market interest rates only to the extent such market rates exceed crediting rates. Contributions are recorded on the accrual basis. Investments are self-directed by the individual Plan participants.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded in the period earned. Net appreciation or depreciation includes the Plan's gains and losses in investments bought and sold as well as held during the year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. During the year ended December 31, 2022, notes receivable from participants deemed to be in default and recorded as benefit payments totaled approximately \$52,000.

D) USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

E) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

F) PAYMENT OF BENEFITS

Benefits are recorded when paid.

G) ADMINISTRATIVE EXPENSES

The Plan agreement allows for the Company to absorb a significant amount of the Plan's administrative expenses and are therefore excluded from these financial statements. During the year ended December 31, 2022, approximately \$3,000 in administrative expenses were incurred by the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

H) RECENT ACCOUNTING PRONOUNCEMENTS

The Company evaluates new accounting pronouncements for relevance and impact on the Plan's financial statements. Management does not expect that timely adoption of new pronouncements will have a material impact on the Plan's net assets available for benefits.

I) MANAGEMENT REVIEW OF SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 11, 2023, the date when the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

Accounting guidance establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. During 2022 and 2021, Level 1 inputs were available for most investments and therefore used. Level 3 inputs are used when Level 1 or 2 inputs are not available.

The following is a description of the valuation methodologies used for assets measured at fair value:

Pooled Separate Accounts - The pooled separate accounts invest mainly in fixed securities, mutual funds, stocks and commercial paper, which have observable pricing inputs, including quoted prices for similar assets in active markets.

Collective Investment Trusts - The collective investment trusts invest in collective trust funds as well as a variety of separate accounts and mutual funds. The fair value of the collective investment trust and the separate accounts are not publicly quoted pricing inputs. The fair value of mutual funds are publicly quoted pricing inputs.

Guaranteed Interest Accounts - The guaranteed interest accounts are not actively traded and have a fair value based on the amount plan participants would receive if they were to withdraw or transfer funds within the Plan prior to their maturity.

NOTE 4 - GUARANTEED INTEREST ACCOUNTS

The Plan opened a guaranteed interest account with Principal Life Insurance Company. This investment option provides for a guarantee of principal and interest. The guaranteed interest account is credited with earnings on the underlying investments and charged for plan withdrawals and administrative expenses charged by Principal Life Insurance Company. The guaranteed interest account is included in the financial statements at fair value (which represents contributions made under the contract plus earnings, less withdrawals and expenses) as it is not fully benefit responsive. There are no reserves against the contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on an agreed upon formula with the issuer, but cannot be less than 0%. Funds may be redeemed prior to maturity at market value. The payment will be made within seven days, but the trustee reserves the right to defer payment up to 270 days. The investment has no unfunded commitments.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to suspend or terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 6 - TAX STATUS

The Plan adopted a non-standardized form of a prototype plan sponsored by Principal Life Insurance Company. The prototype plan has received an opinion letter from the Internal Revenue Service dated June 30, 2020 as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by the Plan. Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of pooled separate accounts, collective investment trusts and guaranteed interest accounts managed by Principal Life Insurance Company. Principal Life Insurance Company is the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation or depreciation in fair value of the investment as they are paid through revenue sharing, rather than direct payment. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8 - RELATED PARTY TRANSACTIONS – PROHIBITED TRANSACTION

During 2021, the plan sponsor did not remit certain employees' contributions in accordance with guidelines set forth by the United States Department of Labor ("DOL") and Employee Benefits Security Administration ("EBSA"). However, the contributions were remitted soon thereafter. The DOL considers these prohibited transactions and may impose penalties on the plan sponsor as a result of these transactions. These financial statements do not include any adjustments that may be necessary as a result of these transactions.

NOTE 9 - INFORMATION PREPARED AND CERTIFIED BY THE PLAN TRUSTEE

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Life Insurance Company, the trustee and qualified institution, has certified that the following information included in the accompanying financial statements and supplemental schedules is complete and accurate as of December 31, 2022 and 2021 and for the year ended December 31, 2022.

	<u>2022</u>	<u>2021</u>
Investments at fair value (Notes 3 and 4)	<u>\$ 12,834,901</u>	<u>\$ 16,115,140</u>
Total investment loss	<u>\$ (2,598,964)</u>	

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE 10 - FIDELITY BONDING

The Company maintains a fidelity bond of \$500,000 for Plan fiduciaries and individuals who handle the funds of the Plan, pursuant to the requirements of ERISA.

NOTE 11 - SUBSEQUENT EVENTS

Effective May 23, 2023, the Al Packer's White Marsh Ford LLC Retirement Plan, a plan related to the Company through common ownership, was merged with the Plan. As a result, approximately \$4,000,000 in assets were transferred into the Plan on May 31, 2023.
