## **INDEPENDENT AUDITORS' REPORT**

To the Plan Administrator of  
Compass Electronics Solutions 401(k) Plan:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements**

We have performed an audit of the accompanying financial statements of Compass Electronics Solutions 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits in liquidation as of December 31, 2022, and the related statement of changes in net assets available for benefits in liquidation for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2022 stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

### **Opinion on the 2022 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2022 Financial Statements**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Emphasis of Matter: Plan Termination**

As described in Note 1 to the financial statements, the plan sponsor elected to terminate the Plan effective January 1, 2022, and management determined liquidation was imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2021 financial statements to the liquidation basis of accounting used in presenting the 2022 financial statements. Our opinion is not modified with respect to that matter.

## **Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### ***2022 Supplemental Schedules Required by ERISA***

The supplemental schedules, Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions and Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2022 (in liquidation), are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information,

including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditors' Report on the 2021 Financial Statements***

The 2021 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by the qualified institution. Their report dated April 28, 2023, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

# COMPASS ELECTRONICS SOLUTIONS 401(k) PLAN

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 (IN LIQUIDATION) AND 2021 (ONGOING)

---

### 1. DESCRIPTION OF THE PLAN

The following description of the Compass Electronics Solutions 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### General

The Plan was a defined contribution plan sponsored by Compass Electronics Group, LLC (the Company). The Plan covered substantially all employees who had attained 18 years of age and completed one month of service. Eligible employees do not include employees who are covered by a bargaining unit, are non-resident alien, leased, independent contractors, resident of Puerto Rico or part-time, temporary or seasonal who is regularly scheduled to work less than 1,000 hours. Eligible employees were eligible to enter the Plan on the first day of each month. The Plan was qualified under Section 401(k) of the Internal Revenue Code (IRC) and was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### Plan Termination

On January 1, 2022, management of the Company elected to terminate the Plan. The Plan was amended to initiate the termination of the Plan effective January 1, 2022. As a result of such termination, no additional employees were eligible to become participants of the Plan and no participant elective deferrals or employer contributions related to the 2022 plan year were permitted. All participants became 100% vested in the Company's contribution portion of their account, plus actual earnings thereon.

In accordance with the amendment to terminate the Plan, the Plan shall distribute to the participants all remaining account balances, as soon as administratively feasible. Participants shall have the opportunity to elect either to have their single sum distribution paid to them or to an eligible retirement plan in a direct rollover. In the event a participant does not make an election, the plan administrator will make a mandatory distribution directly to such participant.

#### Contributions

Prior to the plan termination, eligible participants had the option to contribute up to 80% of pre-tax annual eligible compensation as defined by the plan agreement, not to exceed the dollar limitations as defined by the Internal Revenue Service (IRS). Participants who had attained age 50 before the end of the plan year were eligible to make catch-up contributions. Participants could have also contributed amounts representing rollover contributions from other qualified defined benefit or defined contribution plans prior to

See independent auditors' report.

becoming a participant in the Plan. Participants directed the investment of their contributions into various investment options offered by the Plan.

In addition, the Plan allowed for participants to make Roth contributions to the Plan. Such contributions are after-tax contributions. The amount of Roth contributions a participant may make is limited to the maximum allowed IRS contribution limit less any pre-tax contributions made.

The Plan also included an auto-enrollment provision whereby all newly eligible employees were automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Automatically enrolled participants had their deferral rate set at 5% of eligible compensation.

Also prior to the termination of the Plan, the Company was allowed to make matching and discretionary contributions.

### Participant Accounts

Each participant's account was credited with the participant's contribution and allocations of (a) the Company's contributions, (b) Plan net earnings or net losses, and (c) administrative expenses. Allocations were based on participant earnings or account balances, as defined in the plan agreement. The benefit to which a participant was entitled was the benefit that could have been provided from the participant's vested account balance.

### Vesting

Participants were immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the employer matching contributions and any discretionary contributions plus actual earnings thereon occurred in 20% increments commencing upon the completion of two years of service, with 100% vesting upon completion of six years of credited service, disability, or death. Upon the Plan termination, all participants became 100% vested in their accounts.

### Notes Receivable from Participants

Participants had the option to borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans were secured by the balance in the participant's account and bore interest at rates that ranged from 4.25% to 6.50%. Loans were to be repaid over a period not to exceed five years unless the loan proceeds were used for the purchase of a primary residence, in which case a longer repayment period was allowed. Principal and interest was paid ratably through payroll deductions.

See independent auditors' report.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 (IN LIQUIDATION) AND 2021 (ONGOING)

---

Upon the Plan termination, outstanding loans shall be recognized as taxable distributions with the exception of those loans for which a participant elects a direct rollover into another qualified plan which allows the transfer of the loan note.

### Payment of Benefits

On termination of service due to death, disability or retirement, participants or their beneficiary had the option to elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or periodic installment payments. Participant vested account balances that were \$1,000 or less were to be paid in a lump-sum in accordance with the procedures described in the plan agreement. Benefits were recognized when paid to participants or their designated beneficiaries.

Participants had the option to make in-service distributions from their accounts upon attainment of age 59½, as defined in the plan agreement. In the event of serious financial hardship, participants may elect to withdraw a portion of their account balance, as defined in the plan agreement.

### Forfeited Nonvested Accounts

Forfeited balances of terminated participants' nonvested accounts were held in a separate account within the Plan and available to be used to reduce future employer contributions or to pay Plan expenses. As of December 31, 2022 and 2021, there were no forfeited nonvested accounts.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Basis of Accounting

The accompanying financial statements as of and for the year ended December 31, 2022 have been prepared on the liquidation basis of accounting. The statement of net assets available for benefits as of December 31, 2021 has been prepared using the ongoing basis of accounting.

### Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 (IN LIQUIDATION) AND 2021 (ONGOING)

---

### Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by Principal Trust Company, the Trustee of the Plan. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2022 or 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

### Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

### Payment of Benefits

Benefits are recorded when paid.

### Expenses

Certain expenses of maintaining the Plan were paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants were charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net depreciation in fair value of investments.

See independent auditors' report.

### Subsequent Events

The Plan has evaluated subsequent events through October 16, 2023, which is the date the financial statements were available to be issued.

### **3. PLAN TERMINATION**

Effective January 1, 2022, the Company made the decision to terminate the Plan. All documents necessary to effectuate the termination of the Plan were executed prior to the disbursement of all plan assets. In connection with the plan termination, all employees became 100% vested in their contributions and the Company's portion of their accounts, plus actual earnings thereon effective that date. Each affected participant will receive the value of his or her account in accordance with the amendment to terminate the Plan.

### **4. FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

See independent auditors' report.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 (IN LIQUIDATION) AND 2021 (ONGOING)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022 and 2021.

*Mutual funds:* valued at the quoted market prices which represent the net asset value (NAV) of shares held by the Plan at year end.

*Common collective trust:* Valued at the NAV of units of a collective trust. The NAV, as provided by the Trustee and Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022 and 2021:

### Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share as the practical expedient as of December 31, 2022 and 2021. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

## 5. TRANSACTIONS WITH PARTIES-IN-INTEREST

Parties-in-interest are defined under Department of Labor (DOL) Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. For the year ended December 31, 2022, the Plan's transactions with parties-in-interest were as follows:

### Investments

The Plan invests in various investments managed by Principal Trust Company, the Trustee and Custodian, as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net depreciation in the fair value of investments.

### Administrative Expenses

For the year ended December 31, 2022, the Company paid certain administrative expenses on behalf of the Plan. Certain employees and officers of the Company, who are also participants in the Plan, provide administrative services to the Plan at no cost to the Plan.

See independent auditors' report.

### **6. TAX STATUS**

The Plan has adopted a prototype plan of Principal Trust Company. Such prototype plan received a letter, dated October 30, 2020, from the IRS stating that the prototype plan was designed and was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving such letter. The plan administrator and Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or the DOL. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2022, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the IRS and DOL, however, there are currently no audits in progress for any tax periods.

### **7. PLAN FINANCIAL INFORMATION CERTIFIED BY TRUSTEE**

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2022 and 2021, and net depreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the year ended December 31, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the Trustee.

### **8. OPERATIONAL ERRORS**

During the year ended December 31, 2021, there were operational errors identified that required correction to the affected participants. These amounts are represented as other contributions receivable on the Statement of Net Assets Available for Benefits. The Plan Sponsor determined lost earnings for the impacted participants and began making the corrections in August 2023.

See independent auditors' report.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022 (IN LIQUIDATION) AND 2021 (ONGOING)

### 9. DELINQUENT PARTICIPANT CONTRIBUTIONS

DOL requires the employer to deposit deferrals to the Plan as soon as administratively feasible. In 2021, the Company determined that it did not remit certain participant contributions to the Plan during the years ended December 31, 2021 and 2020 on a timely basis. The corrective action includes calculating and remitting lost earnings resulting from the delay of the remittances. As of December 31, 2022 and 2021, such amount had not yet been calculated and remitted. As a result, the Plan is required to include a supplemental schedule of delinquent participant contributions and report the amount of the participant contributions which were delinquent until the lost earnings associated with the delinquent contributions are remitted and corrected.

### 10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The financial statements have been prepared using the accrual method of accounting while the Plan's form 5500 has been prepared on the modified cash-basis method of accounting. The reconciliation between the financial statements and form 5500 as of December 31, 2022 and 2021 and for the year ended December 31, 2022 is as follows:
