Independent Auditor's Report

To the Administrative Committee of the
Plainview Healthcare 401K Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Plainview Healthcare 401K Plan (The Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520. 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520. 103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2022, and for the year ended, stating that the certified investment information, as described in **Note 5** to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Independent Auditor's Report (continued)

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditor's Report (continued)

Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Line 4i – Schedule of assets (held at end of year) and the Schedule of Delinquent Participant Contributions and are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Contributions (continued):

Employer Discretionary Matching Contributions

Participants are eligible to receive a discretionary matching contribution based on a discretionary percentage. For the year ended December 31, 2022, the Company a discretionary matching contribution in the amount of \$135,782, respectively.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. For employer match contribution made after June 1, 2022 , participants will be vested in the Company's discretionary matching and profit-sharing contributions plus actual earnings thereon based on the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than three years	0%
3 years	100%

For employer match contributions made prior to June 1, 2022, Participants will be vested in the Company's discretionary matching and profit-sharing contributions plus actual earnings thereon based on the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than one year	0%
1 years	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

Participant accounts:

Individual participant accounts are credited with applicable participant contributions, an allocation of the Company's contributions, and investment earnings or losses, and are charged with an allocation of administrative expenses. Allocations are based upon participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures:

A participant who terminates employment and is less than 100% vested forfeits the non-vested portion of their account. Forfeitures attributable to employer matching contributions are used to pay the Plan expenses or to reduce amounts otherwise required to be contributed to the Plan. For the year ended December 31, 2022, there were forfeitures paid in the amount of \$16,391.

NOTE 1. DESCRIPTION OF THE PLAN (CONTINUED)

Investment options:

Participants may direct the investment of their account balance into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds as investment options for participants.

Loans to participants:

Loans are not permitted under the Plan.

Payment of benefits:

A participant becomes entitled to benefits under the Plan upon retirement at age 65, death, permanent disability, or resignation from the Company. In-service distributions are also allowed for participants who attain the age of 59 ½ and hardship distributions are permitted. Upon death or disability, a participant's account balance becomes fully vested. Upon resignation or retirement, participants are entitled to receive the vested portion of their account balance either in partial or full distributions.

Participants' benefits are charged to participants' equity during the period when participants are entitled to receive payment, which generally is the period during which the benefits are paid.

Subsequent events:

In the preparation of the financial statements, the Plan was reviewed and evaluated by management and determined there were no subsequent events or transactions for disclosure through October 16, 2023, the date the financial statements were available to be issued.

Basis of Accounting:

The accompanying financial statements are prepared on the accrual basis in accordance with accounting policies generally accepted in the United States of America.

Valuation of investments and income recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Dividends are recorded on the ex-dividend date. Interest is included in income when earned, based on the terms of the investments and the periods during which the investments are owned. Purchases and sales of securities are recorded on a trade-date basis. The Plan presents, in the Statement of Changes in Net Assets Available for Benefits, the net change in the fair value of its investments which consists of realized gains or losses, and unrealized appreciation or depreciation on those investments.

Payment of benefits:

Benefits are recorded when paid.

Administrative expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable and benefits paid to participants are charged directly to the participants' accounts and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

Plainview Healthcare 401K Plan

Notes to the Financial Statements

For the year ended December 31, 2022

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of Plan income and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3. TAX STATUS

The Plan is a non-standardized pre-approved profit sharing and money purchase plan with CODA sponsored by John Hancock Retirement Plan Services LLC in which has received an opinion letter from the Internal Revenue Service dated June 30, 2020. The IRS has determined and informed the Company that the Plan and the related trust are designed in accordance with applicable sections of the Internal Revenue Code (the Code).

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2022, there are no uncertain positions taken or expected.

NOTE 4. PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their allocation of Sponsor contributions.

NOTE 5. INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by John Hancock Trust Company LLC (the Custodian).

The Custodian certified the fair value of investments of \$1,569,828 for the year ended December 31, 2022.

The Plan's investments (including gains and losses on investments bought, sold, and held during the year) depreciated in value in the amount of \$147,278 for the year ended December 31, 2022.

NOTE 6. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Plainview Healthcare 401K Plan

Notes to the Financial Statements

For the year ended December 31, 2022

NOTE 6. FAIR VALUE MEASUREMENTS (CONTINUED)

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2022.

Money market funds are valued at the closing price reported by the fund sponsor from an actively traded exchange. These are included within investments as Level 1 measurements.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts are valued by the determination of the trustee of the common collective trust based on the underlying assets, which represents the net asset value. Participant-directed redemptions can be made on any business day and do not have a redemption notice period.

The following table summarizes the common/collective trust funds for which fair value is measured using NAV as of December 31, 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan:

Fund	Fair Value	Unfunded Commitments	Redemption Frequency (if applicable)	Redemption Notice Period
Morley Stable Value Fund (Class 50 - I)	116,235	N/A	Daily	12 Months

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2022:

Fair value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Money market funds	\$ 23,781	\$ -	\$ -	\$ 23,781
Mutual funds	1,429,812	-	-	1,429,812
Common collective trusts*	-	116,235	-	116,235
Total Investments at fair value hierarchy	\$ 1,453,593	\$ 116,235	\$ -	\$ 1,569,828

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Notes to the Financial Statements

For the year ended December 31, 2022

NOTE 7. RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8. PARTY – IN – INTEREST TRANSACTIONS

The Plan paid for the services provided by the following entities for the Plan year are as follows:

GGM Associates Inc	Plan auditor	\$ 8,000
USI Consulting Group and Charles Schwab	Plan's recordkeeper and custodian from the period January 1, 2022 to May 31, 2022.	\$ 14,518
John Hancock	Plan's recordkeeper and trustee from the period June 1, 2022 to December 31, 2022.	\$ 29,495

NOTE 9. RECONCILIATION OF FINANCIAL STATEMENT TO FORM 5500

The following is a reconciliation of net assets available for benefits as of December 31, 2022, per the accompanying financial statements to the Form 5500:

Net assets available for benefits per the financial statements	\$ 1,615,478
Adjustments to the financials	-
Net assets available for benefits per the Form 5500	\$ 1,615,478

NOTE 10. PROHIBITED TRANSACTIONS

The Plan had changed custodians that was effective as of June 1, 2022, and due to an incompatible system to transfer funds from the Company's payroll servicer and the new custodian John Hancock, the Plan had remitted late contributions for the pay periods of June 1, 2022, and November 30, 2022, in the amount of \$131,020. It is required by the United States Department of Labor regulations to report any late deposits to the Plan and these late deposits are considered prohibited transactions.

As of December 31, 2022, the issue between the payroll servicer and the Custodian had resolved and the contributions that were held by the Company were paid in December 2022 and early parts of the subsequent year. Plan management will calculate lost earnings and will credit the amounts to the appropriate participant accounts.
