Independent Auditors' Report

To the Board of Trustees of
CI&T, Inc. Employees' 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of CI&T, Inc. Employees' 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of CI&T, Inc. Employees' 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2022 and 2021, and for the year ended December 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CI&T, Inc. Employees' 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CI&T, Inc. Employees' 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CI&T, Inc. Employees' 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CI&T, Inc. Employees' 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of schedule H, line 4i – schedule of assets (held at end of year) is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CI&T, Inc. Employees' 401(k) Retirement Plan

Notes to Financial Statements

Years Ended December 31, 2022 and 2021

1. Description of Plan

The following description of the CI&T, Inc. Employees' 401(k) Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General and Eligibility

The Plan is a salary reduction plan covering all full-time employees of CI&T, Inc. (the "Company") originally effective January 1, 2014. The Plan has been amended throughout the years to comply with tax legislation and most recently amended effective January 1, 2019. Participants are eligible immediately upon employment and have attained the age of twenty-one. The Plan excludes union employees, leased employees, and nonresident aliens with no income from a U.S. source. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan's Management is responsible for the oversight of the Plan, determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Plan is a Safe Harbor Plan as it relates to Employer matching contributions.

Contributions

Each year, the Company contributes to the Plan the amount of the participant's salary reduction deferral, a matching contribution equal to a percentage of the amount of salary reduction deferral and such amounts as may be determined in the sole discretion of the Company's management. For the year ended December 31, 2022, the safe harbor contribution was equal to 100% of the first 4% of eligible compensation contributed to the Plan.

Participants may defer and contribute up to a maximum of \$20,500 in 2022 of their annual salary. Participants are permitted to make deferral changes on the first of the month. Participants who have attained age 50 before the end of the Plan year are eligible to make annual catch-up contributions of up to \$6,500 in 2022. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution, (b) Plan earnings, and (c) an allocation of Plan expenses. Contributions to the Plan are invested by the trustee as directed by the participants. Each participant may elect from one or more of the investment options offered pursuant to the provisions of the Plan. The benefit to which a participant is entitled is the vested benefit in the participant's account.

Benefits Paid to Participants

Upon termination of service due to death, disability, or retirement, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump sum distribution or installments. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$5,000, the Plan administrator will authorize the lump sum benefit payment without the participant's consent.

CI&T, Inc. Employees' 401(k) Retirement Plan

Notes Receivable from Participants

Participants may borrow a single loan from their fund accounts. All loans shall require repayment over a five-year period unless such loan is for the purchase of a primary residence whereby the payment is required over a ten-year period. Loan amounts range from a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Notes receivable from participants are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates on the date of the loan, as determined by the plan administrator. The interest rates on the notes receivable from participants range from 5.25%-6.00% as of December 31, 2022. Principal and interest are paid through monthly payroll deductions.

Vesting

Participants are immediately 100 % vested in their (a) voluntary contributions plus earnings thereon, (b) safe harbor employer matching contributions plus actual earnings thereon, (c) profit sharing contributions, and (d) rollover contributions.

Forfeited Accounts

Forfeitures consist of excess employer contributions which have been allocated to the forfeiture account. As of December 31, 2022 and 2021, forfeited nonvested accounts totaled \$12,360, and \$12,450 respectively. During 2022, there were \$40,919 of excess forfeitures used to reduce employer matching contributions for the year ended December 31, 2022.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan sponsor determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 below for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as the unrealized net appreciation on investments held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2022 and 2021.

Administrative Expenses

Administrative expenses of the Plan are paid by the Plan to the extent not paid by the Plan's sponsor or participants. Investment-related expenses are included in the net appreciation of fair value of investments.

CI&T, Inc. Employees' 401(k) Retirement Plan

Certain transaction-based fees are charged directly to a participant's account if the participant takes advantage of plan features, such as notes receivable.

Subsequent Events

The Plan has evaluated subsequent events through October 6, 2023, the date which the financial statements were available to be issued.

3. Information Certified by the Plan's Custodians

The following is a summary of the investment information and notes receivable from participants regarding the Plan as of December 31, 2022 and 2021 and for the year ended December 31, 2022, included in the Plan's financial statements and supplemental schedules, that was prepared or derived from information provided by Nationwide Financial Trust Company, FSB and Nationwide Life Insurance Company ("NLIC"), the custodians of the Plan, and furnished to the Plan administrator. The plan administrator has obtained certification from the custodian that such information is complete and accurate. Information related to assets held by the custodians at December 31, 2022 and 2021 is as follows:

	2022	2021
Mutual funds, at fair value	\$ 9,150,291	\$ 9,433,205
Guaranteed investment account, at contract value	102,325	48,767
Notes receivable from participants	125,064	141,979
Total	\$ 9,377,680	\$ 9,623,951

The following was also certified by the custodians for the year ended December 31, 2022:

Net appreciation in fair value of investments	\$ (1,855,279)
Interest income from guaranteed investment account	882
Interest income from notes receivable from participants	7,419
	<u>\$ (1,846,978)</u>

Investment Contract with Insurance Company

The Plan is a party to a fully benefit-responsive guaranteed investment contract with NLIC. NLIC maintains the contributions in a guaranteed interest account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented at contract value on the face of the statements of net assets available for benefits. Contract value, as reported to the plan by NLIC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for the credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 4 percent. Such interest rates are reviewed on a quarterly basis for resetting.

CI&T, Inc. Employees' 401(k) Retirement Plan

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan); (2) changes to the Plan's prohibition on competing investments; (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; (4) the failure of the Plan to qualify under 401(a) of the Internal Revenue Code ("IRC") or the failure of the trust to be tax exempt under Section 501(a) of the IRC; or (5) premature termination of the contract. The Plan administrator believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer, and that also would limit the ability of the Plan to transact at contract value with the participants.

4. Fair Value Measurement

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques need to maximize the use of observable inputs and minimize the use of unobservable inputs. Valuation techniques used to measure fair value are defined as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include: (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Significant unobservable inputs, including the Company's own assumptions in determining the fair value of the investments.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2022 and 2021:

- Mutual funds: Valued at unadjusted quoted prices reported in an active market at year-end.
- Common collective trust fund: composed primarily of fully-benefit responsive investment contracts and is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the report net asset value. Participant transactions (purchases and sales) may occur daily. There are no participant redemption restrictions for these investments; the redemption notice period of twelve months is applicable only to the Plan.
- Money market fund: Valued at cost plus accrued interest which approximates fair value.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

CI&T, Inc. Employees' 401(k) Retirement Plan

Investments at fair value as of December 31, 2022 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,150,291	\$ -	\$ -	\$ 9,150,291
Investments at fair value	\$ 9,150,291	\$ -	\$ -	\$ 9,150,291

Investments at fair value as of December 31, 2021 are as follows:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,433,205	\$ -	\$ -	\$ 9,433,205
Investments at fair value	\$ 9,433,205	\$ -	\$ -	\$ 9,433,205

5. Party-In-Interest Transactions

Certain plan investments are shares of mutual funds managed by Nationwide Financial Services, Inc. and therefore, these transactions qualify as party-in-interest transactions. Fees paid to Nationwide Financial Services, Inc. by the Plan amounted to \$25,393 for the year ended December 31, 2022. Fees paid to LPL Financial LLC amounted to \$19,632 for the year ended December 31, 2022. Fees paid to N.A. Falcone & Associates, Inc. amounted to \$5,061 for the year ended December 31, 2022. Direct fees are included in net depreciation in fair value of investments.

6. Tax Status

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter, however, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on technical merits, to not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded, as of December 31, 2022, that there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The Plan is no longer subject to tax examinations for the years prior to 2019.

7. Risks and Uncertainties

The Plan's investments are concentrated in funds that invest in marketable securities. Such securities are subject to various risks that determine the value of the funds. Due to the level of risk associated with certain securities and the level of uncertainty related to changes in the value of these securities, it is at least reasonably possible that changes in market conditions in the near term could materially affect participants' account balances and the value of investments reported in the financial statements.

8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in their employer contributions.
